HOOP LEAD

Defeated Lambie & Stone Last Night to Take First Place In Senior League

Local hoop fans witnessed four good games on last night's basketball card. The Grotto took possession of first place in the Senior League by defeating Lambie & Stone 49 to 42 in a free-scoring game with Referee Brick Skinner calling fouls heavily on both sides. The Grotto had things all their own way in the first half with the score 33 to 16 at the interval.

It was in the second half that Lambie & Stone started to come to life but the lead was too big for them to overcome, final score being 49 to 42. McPhee had a large evening, spearing 22 points. Jonnson! and Armstrong got 25 of the points for their team.

Intermediate League

Scythians came up from behind to beat the High School 19 to 15 in a low-scoring, rough intermediate game. There was heavy checking by both sides in the first half and both teams missed cinch shots, with the Students the worst offenders. Half time score was 9 to 6 in 12 favor of the Students.

The Scythians turned on the heat in the second half and took the lead at 14 to 10 but Davies and Hirano tied it up at 14 all. The Leod, Blaine (4), Ellison, Wilson, T baskets and a penalty to win 19 to total, 9. 15. Dominato was high man for the Friday, January 17, 1936 Scythians while Hirano was high for the Students.

HALF-ALIVE from one to five?

It's EASY to see when another man is slipping. But it's harder to face it yourself. So it was with Jim. For months, he vaguely realized something was wrong with him. Tasks that he used to take in his stride had become a grind. He dreaded the afternoon hours most. Min-· utes dragged. Worst of all, it showed in his work.

Sluggish days are often due to common constipation. This ailment has helped to sidetrack many a promising career. It is a great enemy of vigor. Your pace slows down.

Most frequently, common constipation results from meals that lack sufficient "bulk" to exercise the intestines. So many people make the mistake of dosing themselves with pills and drugs that often do more

harm than good. The real answer is to get "bulk" back in your daily diet.

Scientific tests show that Kellogg's ALL-Bran supplies soft "bulk." Also that this "bulk" is often more effective than the "bulk" in fruits and vegetables. This natural laxative food has been used with success by millions of people. Two tablespoonfuls daily are usually sufficient. Stubborn cases may require ALL-BRAN oftener. If not relieved this way, see your doctor.

Enjoy ALL-BRAN as a cereal, with milk or cream. Have your wife cook ALL-BRAN into muffins, breads, waffles, etc. Remember, it furnishes wholesome "bulk." And also vitamin B and iron.

> ALL-BRAN is sold by all grocers. Made by Kellogg in London, Ontario.
