# NEW DEVELOPMENT IN SMALL CASE

## Confession of Widow Now Dead is Relegated In Estate Litigation

Is Said to be in Possession of Sister of Late Theatrical Magnate—Will be Produced if She is Protected

TORONTO, May 30: (CP)—Existence of a document described as a "confession," allegedly signed by the late Mrs. Theresa Small, in connection with the disappearance of her husband, was related today in testimony before Special Examiner T. T. Rolph. The examination is in regard to affidavits supporting request for an injunction to restrain the distribution of the estate of Mrs. Small's husband, wealthy theatrical magnate, who disappeared in December 1919.

Patrick Sullivan, special investigator for Miss Gertrude Small, said he had not submitted the original document for it would be dangerous to those who are in possession of it.

"You must produce it," Mr. Rolph ordered.

"It's in Toronto at Miss Small's home and, if you will protect Miss Small against the Black Army gang blowing up her home, I'll produce it," Sullivan said.

## RIVER IS GOING UP

Hot Weather Results in Sudden Rise—Usk Post Office Flooded

The Skeena River was rising rapidly today as a result of a sudden spell of hot weather throughout the central interior.

The postmaster at Usk, one hundred miles east of Prince Rupert, telephoned into Prince Rupert this morning, saying that he was standing in two feet of water as he used the phone.

Telegraph lines were beginning to experience trouble.

The regular train from the east, due at 10:20 tonight, was still reported on time this morning, although the track was understood to be under water at certain points.

## EXECUTIVE IS CALLED

British Columbia Liberals To Meet In Vancouver In July

VICTORIA, May 30: (CP)—A meeting of the executive of the British Columbia Liberal Association to be attended by approximately 100 delegates from all over the province, will be held in Vancouver in July, Premier T. D. Pattullo announced yesterday. Business will include the election of a new president to take the place of the late Mrs. Mary Ellen Smith.

## WHEAT BELTS NEEDING RAIN

Strong Winds and High Temperatures Bring Moisture Shortage

OTTAWA, May 30:—The Dominion Bureau of Statistics, in its first telegraphic crop report of the season, says that strong winds during the past week and high temperatures have brought complaints of moisture shortage in the wheat belts of southern Manitoba, west Central Saskatchewan and southern Alberta.

## Strike Cripples French Aviation

Two Thousand Employees Go Out In Demand For More Wages And Shorter Hours

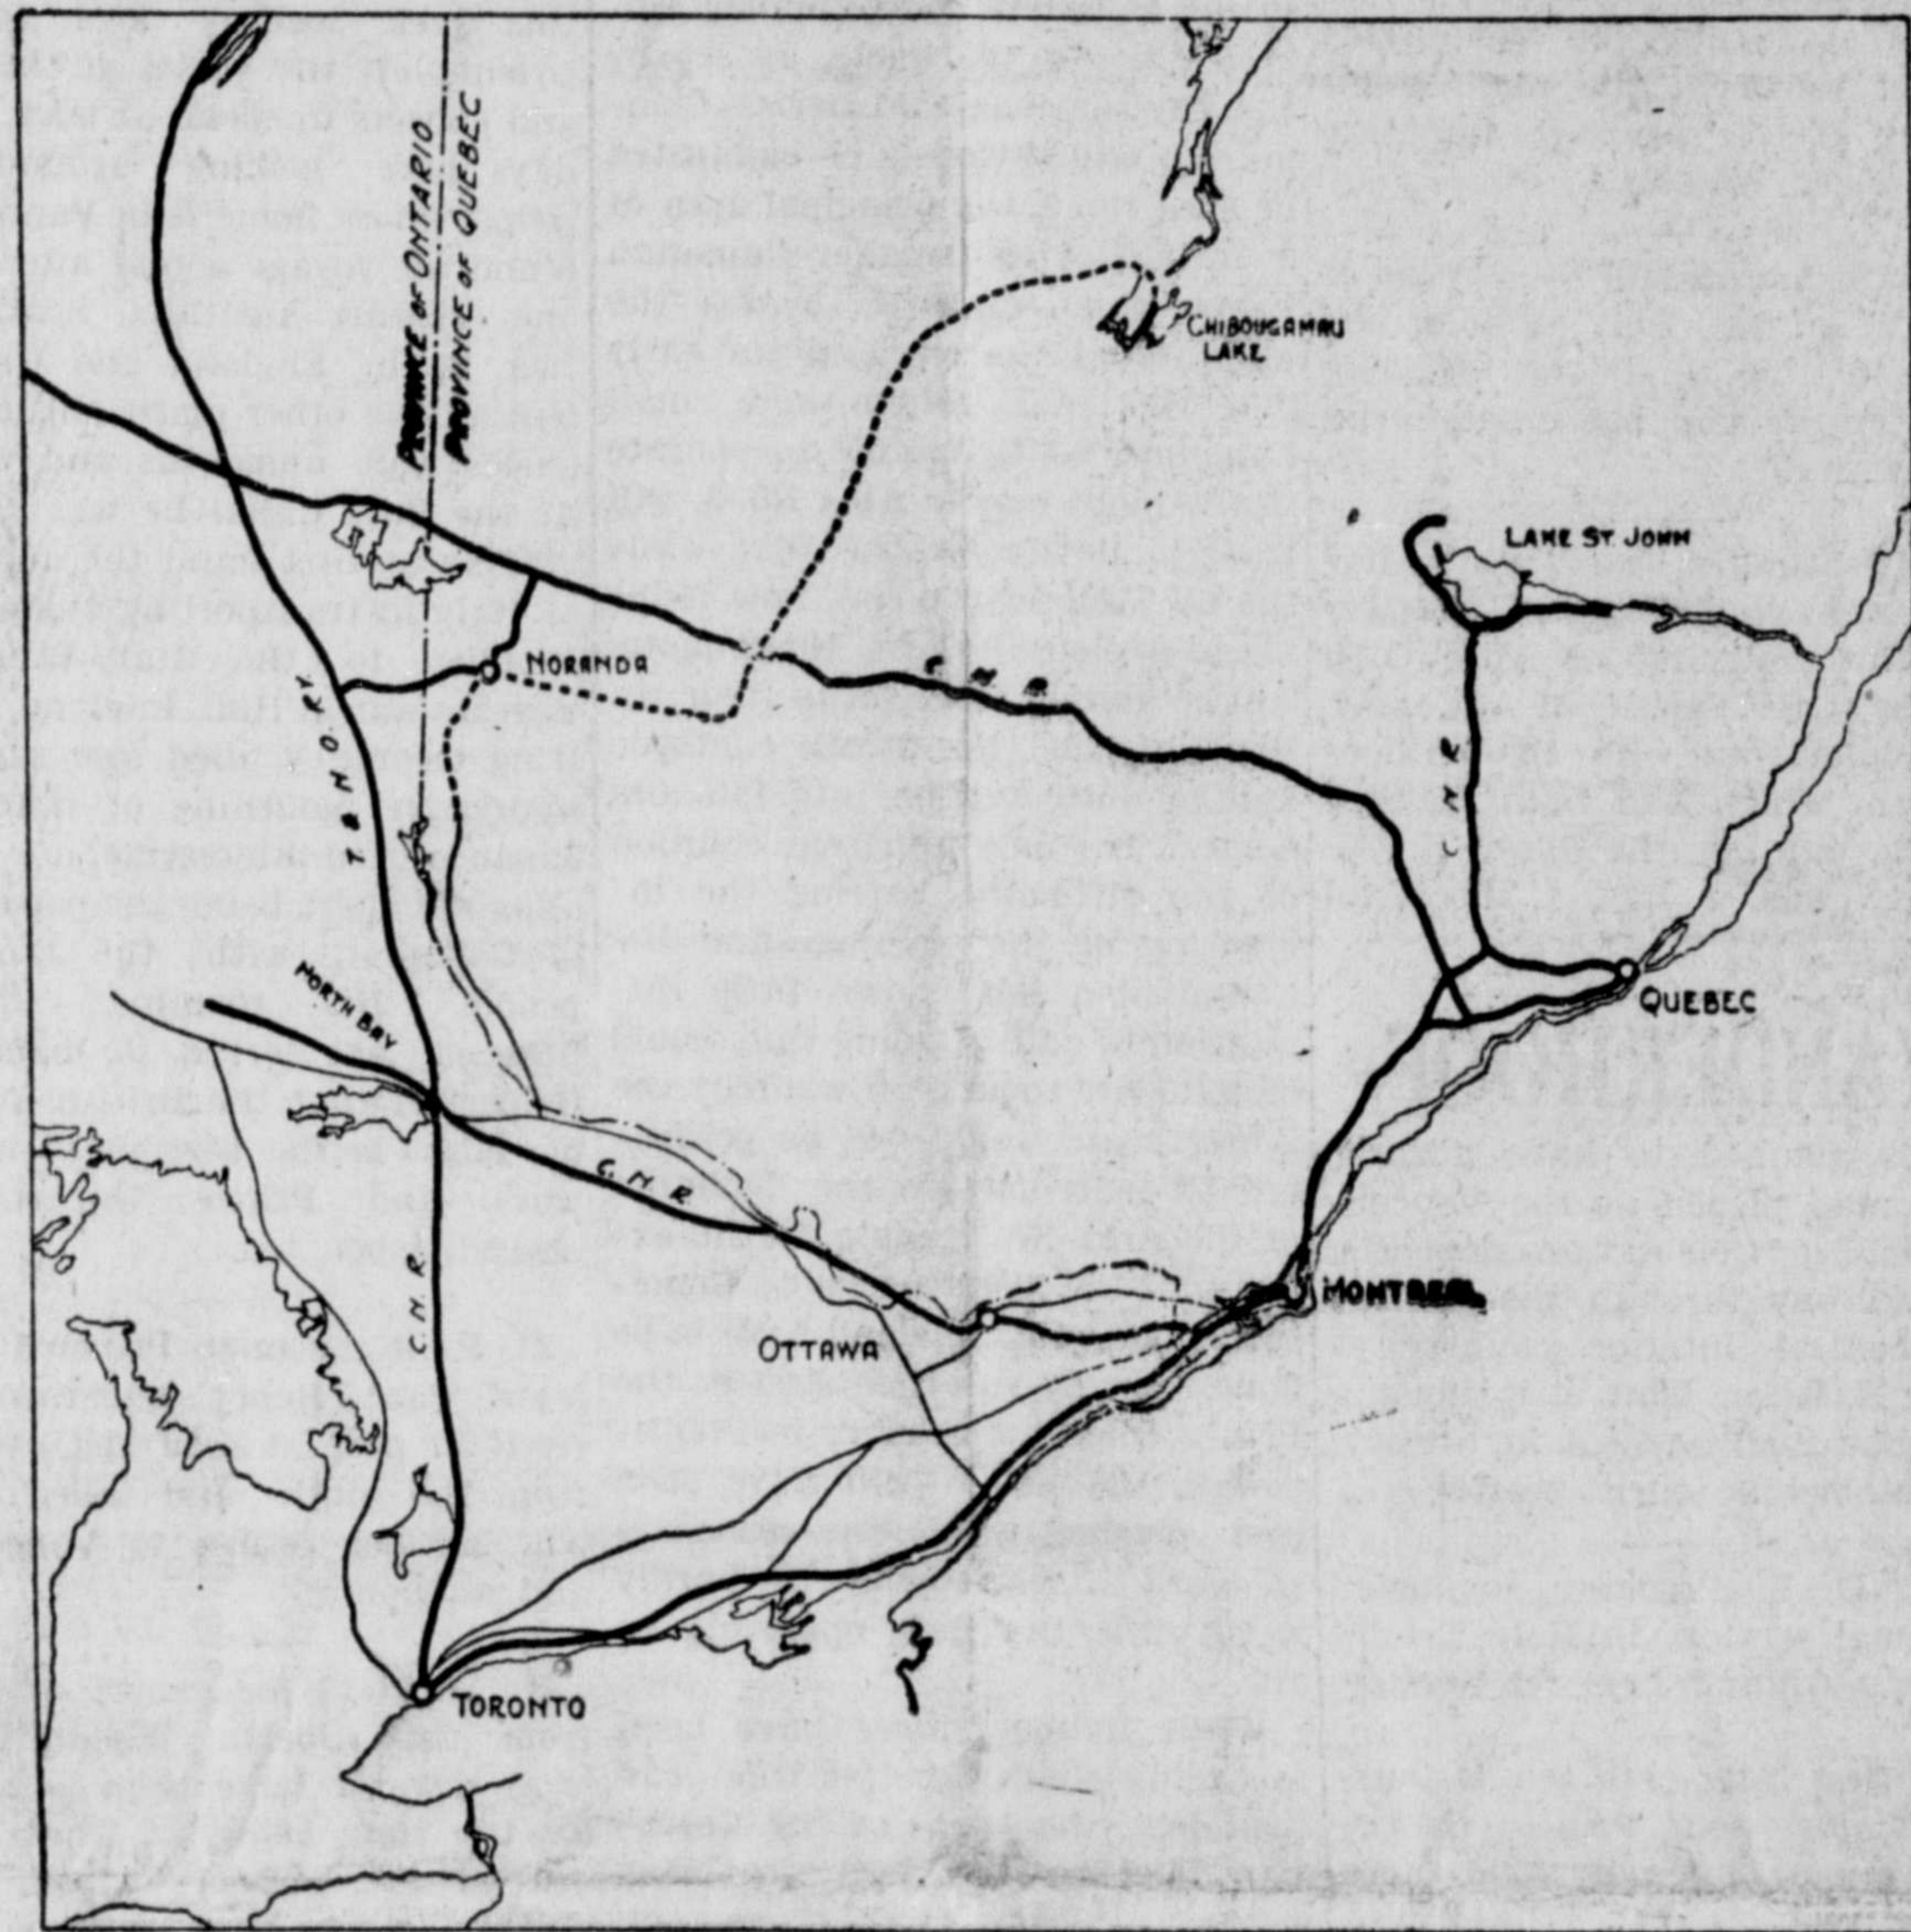

PARIS, May 30:—French aviation is virtually crippled as a result of a strike by two thousand workers in demand for wage increases, a 44-hour working week and an annual holiday with pay.

## Debate on British North America Act Amendment Delayed

OTTAWA, May 30:—After a three-hour debate in the Senate, the motion for a joint Parliamentary address to Westminster to amend the Canadian constitution was adjourned.

# QUEEN MARY HOLDING BACK RESERVE

## Oppose Third Railway Into Rouyn

CHARGING that the projected line into the mineral-rich region of Northern Quebec is an invasion into territory pioneered and developed by the National Transcontinental line, the Canadian National Railways is opposing the granting of a Provincial charter to the Temiscamingue and Abitibi Railway, a subsidiary of the Canadian Pacific. This map shows (dotted lines) the location of the proposed new railway in relation to the existing lines of the Canadian National and of the Provincially owned T. and N. O. Railway. In opposing the charter the Canadian National is emphasizing that the granting of it would bring a third railway into Rouyn and Noranda, opened up by the Canadian National, and now served by the T. and N. O. as well as by the Canadian National, and that it would parallel for a considerable distance the National Transcontinental Railway.

## No Attempt Has Yet Been Made to Speed Great New Liner Up

Normandie's Time Per Hour Has Not Yet Been Touched No Special Effort Being Made to Lower Mark at This Time

ABOARD R.M.S. QUEEN MARY, Enroute to New York, May 30: (CP)—The giant new British liner Queen Mary today broke the record of the French ship Normandie for mileage in a full day's westward run across the Atlantic Ocean, covering 766 miles in the twenty-five hours between Friday noon and noon today (ship's time).

The Normandie's record was 754 miles but she covered it in a shorter day of twenty-four hours and two minutes last June. The French liner, therefore, still leads in average speed per hour. The British giant averaged 30.64 knots per hour while the Normandie's average was 31.37 knots.

Cunard-White Star officials insist that no attempt is being made at this time to capture the blue ribbon for trans-Atlantic speed. The Queen Mary, however, is in an apparent position to do so if her reserve of power is turned on. This has not been done as yet, Capt. Edgar Britten's idea being to gradually speed the vessel up as vibration and other circumstances permit. So far, the vessel has performed splendidly.

The twenty-five hour day arises from the fact that the clock is put back an hour in passing each time zone.

## Were Marooned On Coast of Mexico

Three Men Safe in Brownsville, Texas, After Being Rescued By Searchers

BROWNSVILLE, Texas, May 30:—Three men who had been marooned on the Mexican coast since Sunday are safe back here. They had lost their small boat and were rescued by searchers.

## Appropriations For Dredging In Interior Rivers

As a result of the representations of Olof Hanson, M.P. for Skeena, appropriations have been made at Ottawa for dredging work on the Endako River and on Ootsa, Tahtsa and Whitesail Rivers in the interior.

## Investigation Of Medical Services

## ARCHBISHOP IS GRIEVED

Canterbury Disappointed At No Voice Being Raised Against Poison Gas in Ethiopia

LONDON, May 30:—The Archbishop of Canterbury expresses grievous disappointment that no Christian voice was raised in Italy against the use of poison gas in the recent Italo-Ethiopian conflict.

## BLACK LEGION FIRES SHRINE

Father Coughlan's Centre Suggested Victim of Detroit Organization

DETROIT, May 30:—Possibility that the Black Legion may have put a torch to Father Charles E. Coughlan's Shrine of the Little Black Flower as a part of its campaign against Catholicism is being investigated by the County prosecutor.

Prosecuting Attorney Duncan McCrea of Detroit has asked the support of Attorney General Cummings at Washington in cleaning up the gang.

## Trans-Atlantic Phone Rate To Be Further Cut

LONDON, May 30:—The Postmaster General announced in the House of Commons that a further reduction was to be made in trans-Atlantic telephone rates to the American continent.

## TALKING IN BIG MONEY

United States Government to Float Two and a Half Billion Issue On June 15

WASHINGTON D. C., May 30:—One of the largest financial operations in the history of the United States will be undertaken on June 15 when the federal government floats a \$2,500,000,000 bond issue for financing new commitments and meeting maturing obligations. It will raise the national debt to a total of \$32,500,000,000, Secretary of the Treasury Henry Morgenthau announces.

### WINS GREAT RACE AGAIN

SPEEDWAY, Indianapolis, May 30: (CP)—Louis Meyer of Huntington Park, Cal., became the first driver ever to win the 500-mile automobile race for the third time today. He won in the record breaking time of four hours, 35 minutes, 29 seconds to average 109.069 miles an hour. There was a record-breaking crowd of 166,000.

### FOUL PLAY IS FEARED

VANCOUVER, May 30: (CP)—Provincial police are investigating the death of Mrs. Holger Sundstrum whose nearly nude body was found yesterday on the beach at Texada Island. Bruises about the woman's throat might indicate foul play. Mrs. Sundstrum disappeared late Tuesday night from the steamer Cardena while enroute from Vancouver to Rock Bay.

### McMULLEN STILL LIVES

BELLINGHAM, May 30: (CP)—Edward McMullen, confederate of "Red" Ryan, Ontario bandit, still lives at Bellingham although shot in the head after he killed an immigration officer, Charles Flachs, at Blaine. The man, it has been found, was married under the name of Masson. His wife, it is learned, did not know his real identity. She is in state of collapse at Vancouver.

### SIGN OF THE TIMES

A sign of the times is the announcement that an airplane will be stationed at Prince Rupert during the summer. Gradually Prince Rupert is taking her place as the jumping off point for all industrial developments of the north coast and interior points. More and more will this be the case as time goes on and before long a small fleet of commercial airplanes should be necessary to look after the business here.

### TOURIST CENTRE

Prince Rupert is destined to be a tourist centre. There is little doubt of this. With the finest collection of totem poles on the Pacific Coast to be seen here it will be difficult for steamship lines to carry passengers north without giving them a glimpse of the Haida totems at Prince Rupert.

The wonder is that the Tsimpsians and other Indian tribes of the district are willing that the Haidas should have all the glory of exhibiting specimens of their native handiwork at this city. While there are not many left intact just now, there are a few that might be located here if the owners were to donate them.

Some of the villages on the Skeena could well afford to spare one or two of their totems with the knowledge that the poles would bear their name plates and be a permanent memorial to the native art of a past day.

The poles which are now being erected are placed in a picturesque setting where all tourists who visit the coast may see them. Photographs will be taken to all parts of the world and the art of the Haida will become known everywhere. There never was such an opportunity as now.

Another method of perpetuating the native art is through the exhibits in the Prince Rupert Museum. Small totems up to ten or twelve feet high can be housed there and special protection can be given the beautifully carved slate totems which are so much admired. All the smaller exhibits are now placed under glass and locked so there is no danger of their being carried away.

The extension of the gardens, public and private in Prince Rupert, is another attraction that will tend to make this a tourist centre. "Prince Rupert, the city of gardens," or "The Rose City" should be good drawing cards for the people who cater to the tourist business.

### STEWART

"In my opinion Stewart today offers greater promise for development than any other community in the province," says J. A. Kirkpatrick, pioneer resident of the north, who was revisiting Stewart last week.

During a visit at Stewart last week, E. O. Aves, deputy provincial assessor, Prince Rupert, was guest of honor at a gathering of members of the Canadian Legion at the home of Mr. and Mrs. G. P. Heinekey. Mr. Aves, in the course of an address, told of attending the recent Dominion convention of the Canadian Legion in Vancouver.

An interesting boxing card was staged at Premier on Wednesday of last week. In the main event Champ Teed regained his title from Tiger Watson.

Mine defeated Mill by a score of 28 to 27 on Thursday night of last week in the final and deciding game of the cup basketball series at Premier.

The feature of the Victoria Day celebration in Stewart on Monday was the crowning of Miss Olah Matheson as Queen of the May. Rain interfered with the outdoor program which had been planned for the day but the dance in the evening was a highly successful affair.

### VANDERHOOF

It is planned to have a large relief map placed at the Vancouver Jubilee Celebration depicting the highway through the Cariboo and central interior country as far as Hazelton. This, it is thought, might be instrumental in attracting automobile tourist traffic.

Rev. B. S. Proctor conducted the usual services in Holy Trinity Anglican Church here on Sunday.

The first inter-club tennis tournament between Prince George and Vanderhoof was held here Sunday and Monday. The Prince George players were Miss M. Roberts, Miss M. Wilson, Miss D. Bruce and Miss B. Baird, Rr. Williams, E. Wilson, E. Hesse and D. Williams. The Vanderhoof players were Miss Margaret Stone, Miss Bessie Lamb, Mrs. Taylor, Miss Fern Lee, Stewart Graham, J. H. F. Lacey, Billy McKelvey and W. H. Firth.

Mrs. W. W. Noonan of Telkwa is visiting here while her husband is relieving as station agent.

W. J. Rimes, editor of the Nechako Chronicle, is out of town for a few days.

T. E. Taylor of Burns Lake has been appointed returning officer and John D. Charleson clerk for the forthcoming provincial by-election in Omineca riding.

A. M. Ruddy, who retired as Liberal candidate for Omineca in the by-election after having been nominated, now announces that he will support M. M. Connelly of Fraser Lake at the new convention to be held on June 5 at Burns Lake.

### Britain Going Back to Snuff

Old Timers Take Fresh Hold And Young Folk Try Last Century Habit

LONDON, May 30: (CP)—Snuff has "come back" in the United Kingdom, and snuff-taking is on the increase. In the shops of some well-known tobacco merchants and dealers in snuff in London, it is stated that in the past three years snuff-takers have increased by nearly 1000 percent.

The new snuff-takers are grouped into two classes—those of the old family customers who had lapsed in their snuff orders for a generation or so and have now returned to it, and the younger men and women.

The result has been that new brands and blends have had to be evolved, though it is largely left to the old and the very young to support those pedigree blends which have come down unchanged in their recipes from the 18th century.

### "New Deal" For Canadian Halibut Fleet Held Necessary—Americans Getting Best of Regulations—More Fishing This Year

Opinion is becoming increasingly prevalent among the operators of the Prince Rupert halibut fleet that there must be something in the way of a "new deal" in restrictive regulations of the International Fisheries Commission if the large majority of the present vessels of the fleet are not to be driven out of business. Developments

British freighter Hartington at Vancouver nine months ago and has since been around the world aboard that ship, which was here this week loading logs for the Orient, left the vessel at this port and expects to spend at least a few days here looking around. Mr. Helps, whose home is in Vancouver, found his voyage a real interesting one. Visiting Australia, South Africa, Spain, England and the Orient among other places, his experiences were numerous and varied. At the Suez Canal he was able to observe at first hand the activities of Italy in transporting troops and supplies to the Italo-Ethiopian war. He was in Hull, England, when King George V. died and saw the impressive mourning of that city. Japan proved interesting, one thing apparent there being the popularity of Canadians with the Japanese people. His roamings abroad, however, but served to make Mr. Helps feel that the British Columbia coast is the best place in the world—and Prince Rupert is a pleasant spot, too.

C. P. R. steamer Princess Adelaide, Capt. Henry Anderson, arrived in port at 6:30 last evening from the south and sailed at 10 p.m. on her return to Vancouver and waypoints.

No charters for export of grain from the Alberta Wheat Pool's local elevator have been arranged for the time being at least, it is learned at elevator offices. The probability now appears to be that no grain will be moved from here until the 1936 crop begins to move in next fall.

Enroute from Sitka to Seattle, the tight 39-foot cabin cruiser Idono is in port this week-end. On board are W. Leslie Yaw and son, Bob, Mr. and Mrs. Charles D. Stuart and son, Bill, and R. S. Ludy. The last mentioned is leaving the party here and will proceed to Detroit by train Monday evening. Messrs. Yaw, Stuart and Ludy are identified with the Sheldon Jackson Presbyterian School at Sitka. They are away for the summer vacation. Departure was made from the ancient Alaskan capital on Monday and two days were spent at Ketchikan. After having hove to overnight off Finlayson Island, the Idono reached here this morning and will remain possibly until Monday. It is the first visit to Prince Rupert of any of the members of the party who are finding the cruise so far highly enjoyable. They were impressed with the beauty of Metlakatla Passage as they came through there this morning.

Halibut landings at the port of Prince Rupert for the 1936 season up to and including yesterday had reached a total of 3,525,800 pounds as compared with 2,596,800 pounds at a corresponding date last year. This year's Canadian landings stand at 1,888,700 pounds in comparison with 1,325,150 pounds in 1935 at a corresponding date while the American total is 1,637,100 pounds as against 1,271,700 pounds last year.

During the week of May 23-29 landings totalled 217,000 pounds of which 70,500 pounds was from Canadian boats and 146,500 pounds from American. Prices during the week for Canadian fish ranged from a high of 6.2c and 5c, paid the North Foreland for 2,500 pounds, to a low of 6.2c and 5c which the Finella and Ingrid H. received for 6,000 and 9,000 pounds respectively. The Finella, Capt. Dave Ritchie, had been forced back into port with a small catch owing to gurdy trouble. For American fish the high price of the week was 8.2c and 8c paid the Oceanic for 14,500 pounds and the low 7.3c and 6c received by the McKinley for 42,000 pounds.

## Grannies at Thirty Claimed Record

Australia Also Boasts of Aged Men Active in Every Day Work

NEW YORK, May 30: (CP)—The two youngest grandmothers in the Empire are claimed by Australia, according to vital statistics of the Australian Press Bureau.

Mrs. Michael Rapa of West Melbourne was married when 13 years, 11 months old. Her eldest daughter, born 10 months later, married at 16 and had her first child a year later, the day before Mrs. Rapa was 30. Mrs. Rapa is now 34. Mrs. L. Marsden of Balaclava was a grandmother at 33. She is now 47 and the eldest of her seven living children is 30.

In the matter of longevity, Australia mentions Pat Henry of Terang, Victoria, who at 82 still drives a bullock team, and Lazarus Potter of Bordertown, South Australia, who chopped wood up to 104, is now 106, has 29 grandchildren, 13 greats and two great-greats living.

Cash for old gold. Bulger's (tf)

A. E. Parlow, district forester, left last night on the train for a trip to the Burns Lake district on official duties.

A meeting of the Woman's Labor League was held Tuesday. A number of ladies were present and three men members were enrolled. Plans for a picnic at Grassy Bay were discussed.

Don Finn, who has been identified with the staff of the Prince Rupert Fisheries Experimental Station here, sailed last night on the Princess Adelaide for Vancouver. He does not expect to be returning here.

John Lambie, chief engineer of the Northern British Columbia Power Co.'s plant at Falls River, who is visiting at his home in town, had the misfortune to cut his index finger so badly yesterday while chopping wood that it had to be amputated at the Prince Rupert General Hospital.

William Finlayson, superintendent of the Alberta Wheat Pool's local elevator, returned to the city on the Princess Adelaide last evening on a brief trip south. He went to Port Alberni, Vancouver Island, to meet a brother from Stornoway, Scotland, whom he had not seen for sixteen years. The brother is a member of the crew of a steamer which was loading at the West Coast port.

The Ladies Aid of St. Paul's Lutheran Church met Thursday night at the home of Mrs. Jack Ivarson, Eighth Avenue West, with the president, Mrs. Chris Jensen, in the chair and a good attendance of members. The drawing in the raffle of two dolls took place. John Sorvik winning one with ticket No. 231 and Miss Clara Lundquist the other with No. 105. Before the meeting ended, the hostess served delicious refreshments.

## FARES ARE BEING CUT

Much Additional Rail Travell Expected in Canada

WINNIPEG, May 30:—Vacation by rail will be the slogan of thousands of Canadians this season as a result of the reduced railway passenger fares which become effective on June 1. Inquiries reaching the passenger departments of the Canadian National and Canadian Pacific Railways indicate the popularity with which the new reduced fares for coach travel have been received by the travelling public.

On and after June 1 fares for day coach travel on Canadian railroads will be reduced approximately 13 percent. Day coach tickets at the new rate will be good for passage in tourist sleeping cars on payment of regular berth rates for this class of accommodation. Another important feature is the extension of the time limit for return on round trip tickets. Instead of the present return limit of 30 days, round trip tickets which will, of course, be reduced in proportion with the new one way coach fares, will be good for return at any time within six months.

Week-enders will find the new reduced fares a boon. They will buy round trip tickets for travelling to their summer homes or for short outings at one and a quarter times the one way coach fare or less than two cents per mile for the distance travelled. The present week-end fares good in parlor and sleeping cars will continue in effect.

Substantial reductions in berth rates will be advantageous to those passengers who use standard sleeping cars in their journeys between points in Canada as the railways are on June 1 bringing in the charges for this accommodation down to pre-war levels.

### REDEEMED HIMSELF

PRESTON, Eng., May 30: (CP)—Patrick Callaghan, who served 19 years for murder, returned to his home town and became known for his generosity, is dead. He was released, broken in health, in 1925.

## BUY WIVES WITH PIGS

Mission Bishop From Solomon Islands Reports Country Where Twins Unlucky

MONTREAL, May 30: (CP)—"A good wife might run as high as 25 pigs," said Rt. Rev. W. H. Baddeley, Anglican Bishop of Melanesia, in the course of an interview on the native customs existing in his diocese. Bishop Baddeley, who has headquarters in the Solomon Islands of the south-west Pacific, was returning home after spending several months in England.

The Bishop added that all the men had to buy wives in the Solomon Islands, making payment in strings of shell money, feathers or pigs. Top price for a wife was 25 pigs, while a widow might bring five or ten pigs.

Bishop Baddeley said the natives wore no clothes because experience had shown that if they were dressed and got wet they caught pneumonia.

Some parts of the "north" were pretty wild yet, the bishop said. Natives stuck to such old customs as strangling widows as soon as their husbands died and exposing unwanted children. In the case of twins, which were considered unlucky, one of the pair was invariably left out to die.

Women did all the gardening work, Bishop Baddeley said. In some parts they had more say in the native councils than the men.

## VILLAGE'S BIRTHDAY

Metlakatla Celebrates Seventy-Fourth Birthday on Thursday

The neighboring village of Metlakatla celebrated its seventy-fourth birthday Thursday in a manner fitting to the occasion under the auspices of the Ladies Benevolent Association.

A program of games was enjoyed in the afternoon by the school children who were given a half-holiday. The entire village population turned out.

As a curtain raiser, the ladies' softball teams took the field and played a game of five innings with a score of six all. This was followed by a game of baseball between the "Home Team" and "Panthers," the former winning four to one.

The next softball game was a double-header between the softball champions just back from Port Simpson pitted against a carefully selected team representing the village home team which went nine innings. The spectators went goggle eyed with joy and wonder as the Home Team took the champs into camp by a score of three to nil. No errors were chalked up against either team. Batteries were: Champs—Dicky Leighton, pitcher; Jimmy Ryan, catcher.

Home Team—Art Mason, pitcher; F. Auckland, catcher.

In the return game the Champs went into action to uphold their prestige and were on their toes throughout the game. The score was nine to two in their favor.

Refreshments were served by the Ladies' Benevolent Association. Proceedings closed with the usual vote of thanks.

## Evangelist Heard At Meeting Here

Rev. Lee Ellenwood Opens Campaign at Local Pentecostal Assembly

Rev. Lee Ellenwood of Pacific Grove, Cal., Thursday night opened a week's Bible Conference at the local Pentecostal Assembly, there being a fair attendance.

After a lively song service led by Pastor E. J. North, Mr. Ellenwood made his address, taking as his text John 16:7. He spoke on the place of the Holy Spirit in the life of the believer. The Holy Spirit, the evangelist said, came to be the representative of Christ on earth, bringing out the beauties of the Son of God. It came as a unifier to weld believers together in one body. It came as a well of living water and a source of blessing for the believer. It was a pillar of cloud and fire to lead the church into its heavenly home. The evangelist proved himself to be an original and impressive speaker. Last night's subject was "How to Get Out of the Doldrums."

Mr. Ellenwood arrived on the Princess Louise Thursday morning from the south.

## Opening Baseball Game Of Season Draws Big Crowd As Sons Defeat Legion 4 to 3

With perfect weather and generally propitious conditions the 1936 City Baseball League got under way last night when Sons of Canada defeated Canadian Legion 4 to 3 in a fine contest. Ex-Mayor C. H. Orme threw the first ball of the season. Introducing a new array of senior talent, the game was a good one and was thoroughly enjoyed by a large crowd of fans which filled the stands.

### Behind the Bat

Outstanding plays of last night's game included Ham Antonelli's pretty one-handed catch in right field of Freddie Calderone's fly in the first inning. Ham was in the limelight throughout the evening.

Snappy handling of Antonelli's roller in the second by Lambie, third, to Dominato, first. A newcomer in the Senior League, Dominato looks good.

Dido Gurvich did good work behind the bat for the Sons. He was on the job all the time and got in a little clowning, too.

That boy Letourneau, the Sons' moundsman, looks like a comer. A new pitching discovery, maybe. He should give the opposing batters something to think about this year.

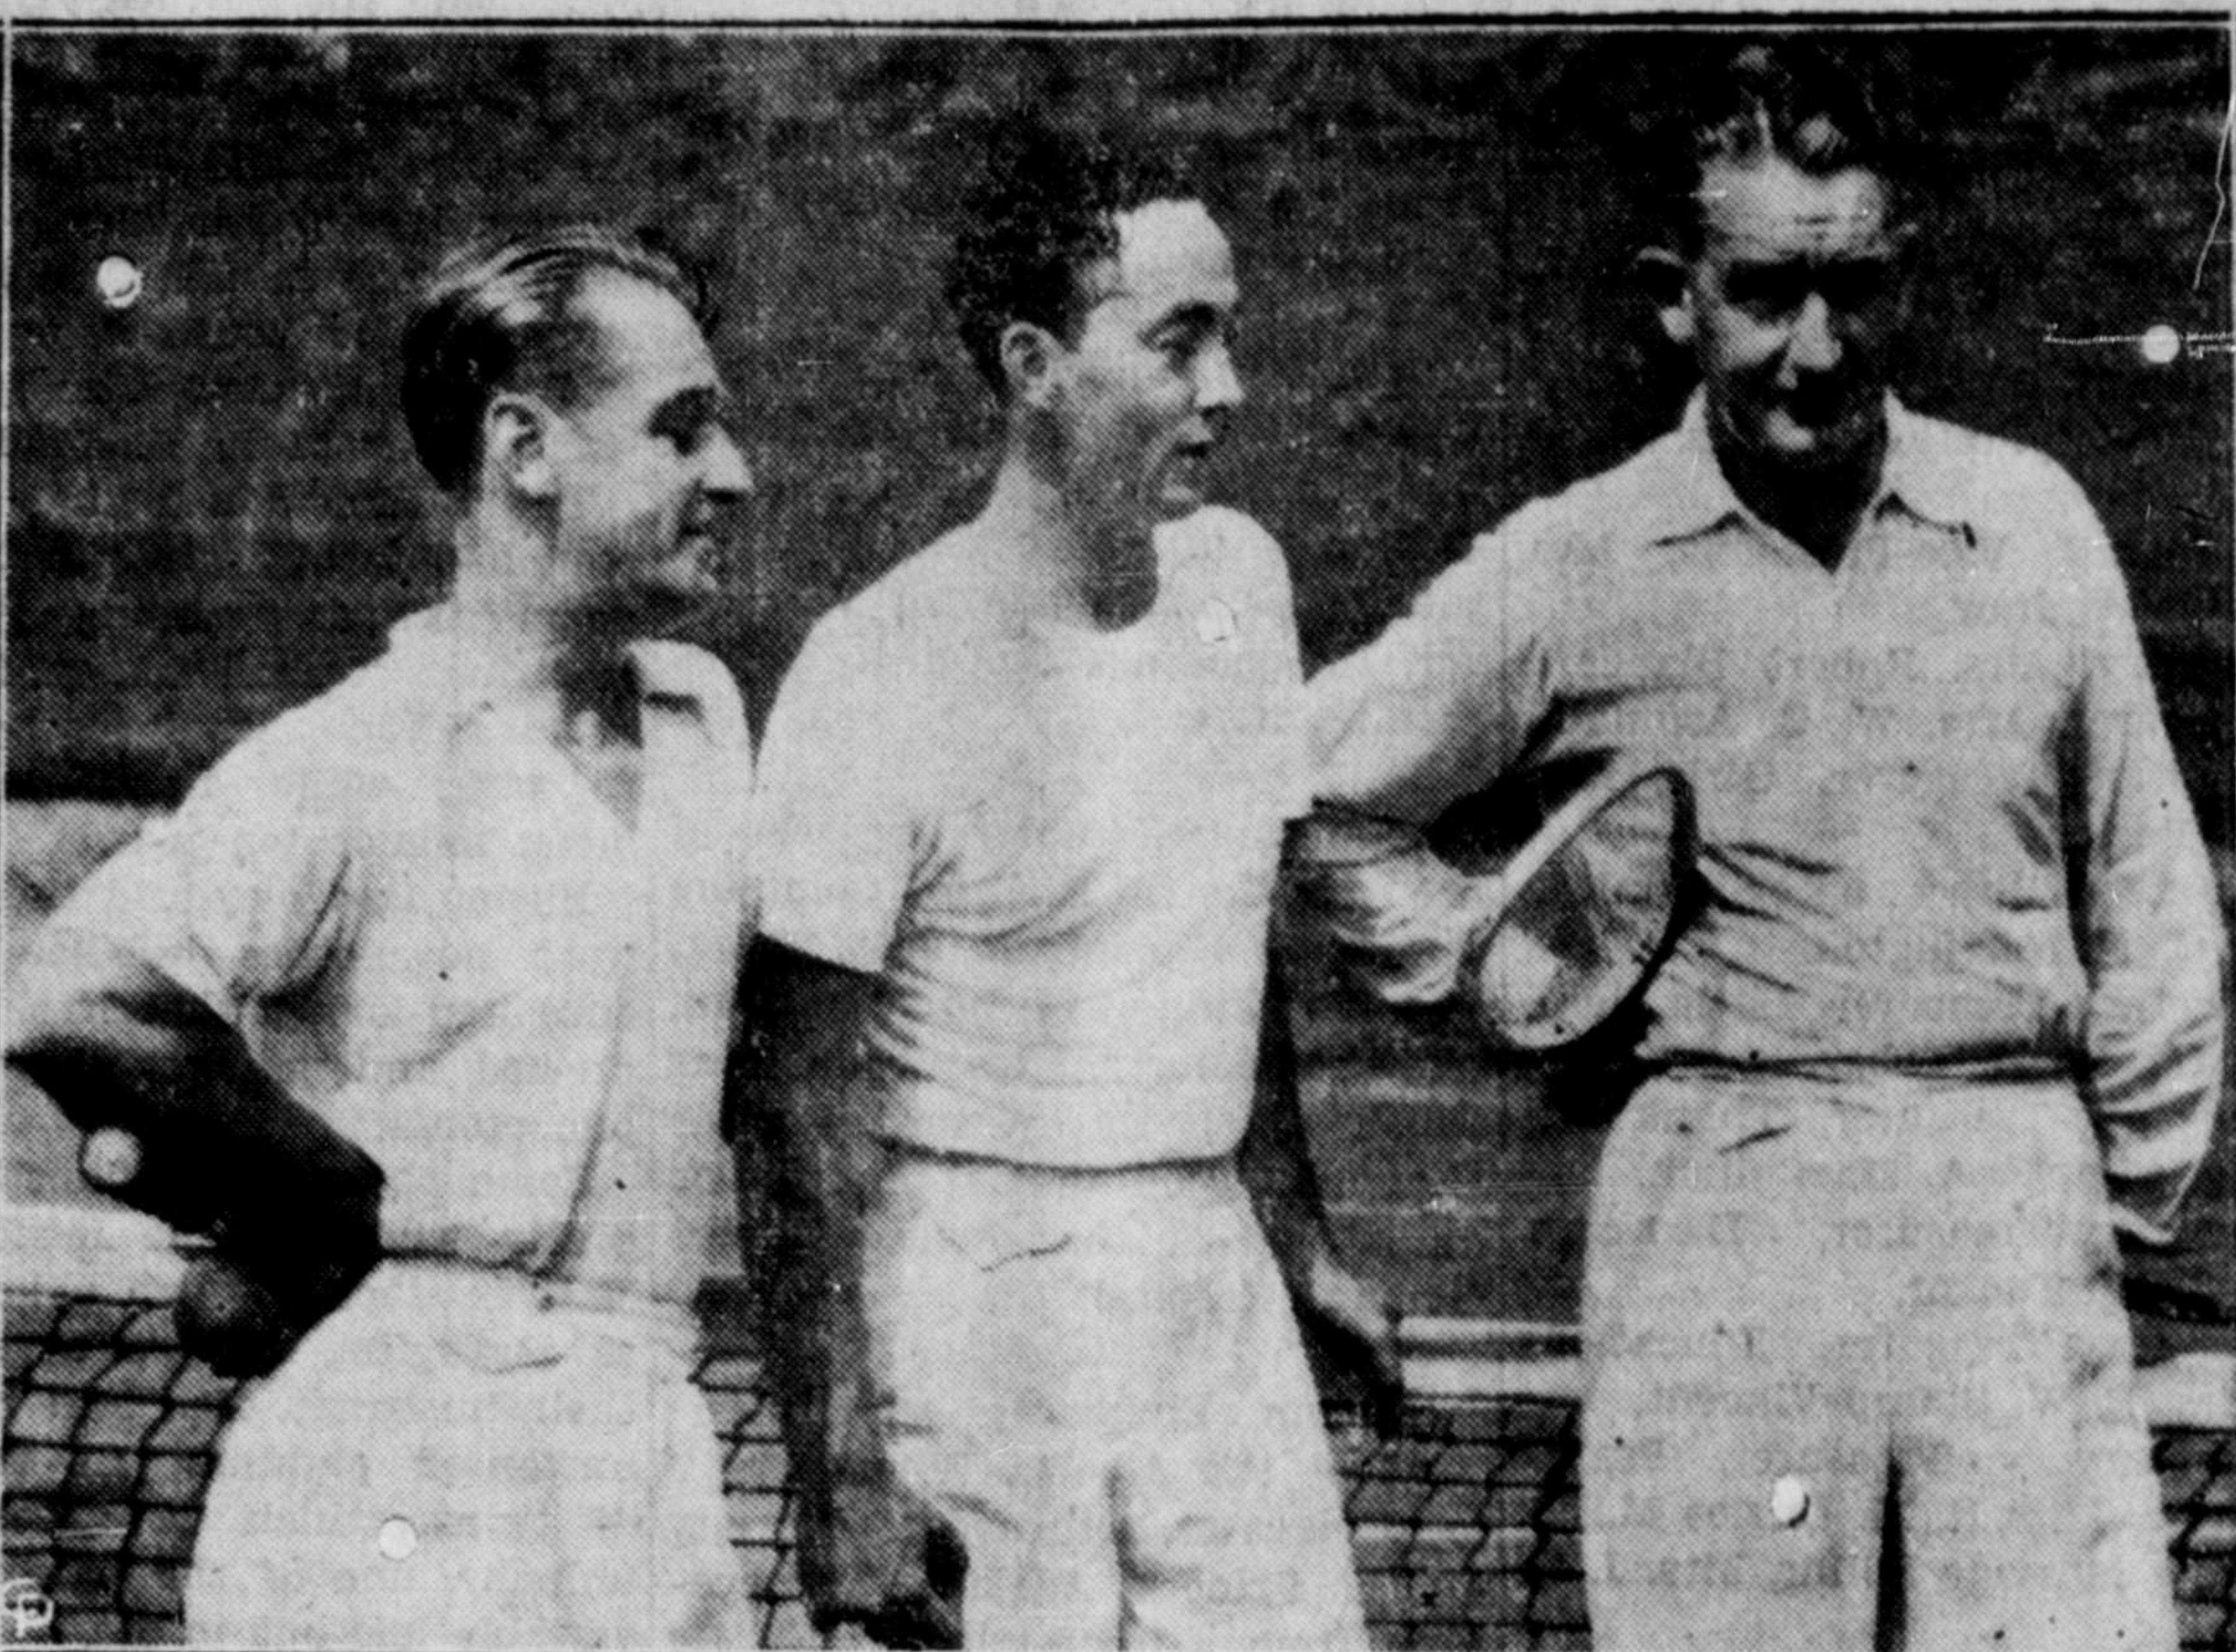

"Scoop" Bury compensated at the bat for some rather loose work behind the plate at times. The Sons showed their respect by deliberately walking him in the seventh. But it was a rather questionable piece of strategy at that.

They say this boy Louis Rogers used to play in the Vancouver City League. Maybe he will show up better later on. He didn't do much last night.

If this is the brand of baseball we are to see this season, the Association should not have to worry about gate receipts.

The broadcast of the game was an interesting innovation and was appreciated by the fans who were unable to get up the hill. Stan Morin gave a good running account of the play. However, there's nothing like being there in person at that.

## AUSTRALIA'S DAVIS CUP TEAM PLAYING IN U. S. NOW

After a leisurely two months' journey during which they played exhibition games in Canada, Australia's Davis Cup team are in Philadelphia where they are playing the American cuppers in North American zone finals. Survivors of this round go to Europe for further quest of the Cup and the three-man team from "down under" are given an excellent chance to measure Uncle Sam's aces. Left to right the Aussies are Adrian Quist, Vivian McGrath and Jack Crawford.

## Lawn Bowling To Start on Sunday

Play Will Get Under Way With Tourney Between President's And Vice-President's Rinks

Opening of the Canadian National Recreation Association Lawn Bowling Club's season has been postponed until next week, the first event to take place Sunday when rinks representing the president and vice-president will play as follows:

Rink No. 1 (J. Watson) vs. Rink No. 3 (D. Borland); No. 10 (F. Dibb) vs. No. 4 (Geo. Hill); No. 2 (A. McDonald) vs. No. 5 (D. MacPhee); No. 8 (J. J. Little) vs. No. 6 (J. Frew); No. 9 (J. Preece) vs. No. 7 (G. P. Tinker). The first mentioned rink in each case represents the president and the second, the vice-president.

This week's games are postponed and the league will proceed as scheduled next week.

## Soccer Victory Was Unpopular

Skeena Crossing Defeats Git-an-yow One to Nil But Tactics Declared Unfair

KITWANGA, May 30.—In a rather violently contested football match here on Victoria Day, the Skeena Crossing football team defeated Git-an-yow by a score of one to nil. The victory of Skeena Crossing was not very popular with local fans who claimed that the Git-an-yow players had suffered wilfully inflicted injuries at the hands of their opponents from up river. Referee Jeffery Morgan, they said, allowed illegal play.

Secretary H. D. Sinclair of the Kitwanga sports committee said he was reluctant to give the prize to Skeena Crossing which, he claimed, had not fairly won it.

Four of the Git-an-yow players suffered injury but were able to carry on until the end of the game.

## LEADERS WIN OUT

Cardinals and Giants Continue Their Close Battle for National League Leadership

ST. LOUIS, May 30: (CP)—St. Louis Cardinals and New York Giants continue their close race for supremacy in the National League with but half a game still separating them. The leading Cardinals, playing at home, scored a 9 to 7 victory over the Pittsburgh Pirates yesterday while the second place Giants had a field day on their Polo Grounds routing the Boston Bees fifteen to nothing. The Chicago Cubs had an easy 8 to 1 victory over Cincinnati Reds at Wrigley Field and moved into third place ahead of the Pirates. In a crucial cellar position encounter at Philadelphia, the Phillies defeated the Brooklyn Dodgers ten to two, the Dodgers dropping into the basement.

Yesterday's big league scores at a glance:

National League	
Cincinnati 1, Chicago 8.	
Pittsburg 7, St. Louis 9.	
Boston 0, New York 15.	
Brooklyn 2, Philadelphia 10.	
American League	
Chicago 3, Detroit 4.	

## Soccer Snapshots

The Navy was one up in the first period of Thursday night's Stuart Shield football game. Doug Christison scored on a pass from Palmer. It was a pretty play following a lovely run through. In the second half Casey Vink's proteges fully indicated their determination to win. Carroll took a corner and Davies tried to stop the sphere. The ball actually glanced off Davies' back but it was due for the goal anyway. The Dairy continued to bombard the goal but found the Navy defence stout. Finally with barely ten seconds to go, Ritchie, who was one of the stars of the game, gave the Dairy the deciding goal. Play on both sides was of an exceptionally fine character although the Dairy was value for the win. It would be difficult to name individual stars.

Chief Petty Officer Jack Anslow was referee with Bronson Hunt and Jack Bremner as linesmen. The players were:

Navy—Pierce; Eby and Davies; Veitch, Ronald and Sam Currie sr.; Bryant, Armstrong, Christison, Palmer and McMeekin.

Dominion Dairy—Vink; Gomez and Moen; Parsons, Gomez and Calderone; Gillis, Campbell, Ritchie, Ferguson and Carroll.

The Stuart Benefit Shield standing to date:

	W.	D.	L.	F.	A.	P.
Legion	1	0	0	2	1	2
Dominion Dairy	1	0	1	3	3	2

## SMITHERS HOLIDAY

Railway Town Ball Team Wins At Telkwa but Loses at Hazelton

SMITHERS, May 30.—The weather man did not provide very good holiday weather for the Bulkley Valley on Victoria Day. Cool and showery weather was the order of the day but that did not deter the baseball enthusiasts from following their favorite teams to Telkwa and Hazelton.

Smithers, divided its players and sent one team to Hazelton to play the star team of the two Hazeltons while another team journeyed to Telkwa to play the Telkwa team.

The game in Telkwa was a very interesting affair with lots of action both at bat and on the base lines.

The Smithers team hit the Telkwa pitcher hard and finished the game on the long end of an 18 to 6 score. Four home runs were a feature of this game of which Fred Watson of Smithers cracked out two in the first two times up.

There was also a game in Telkwa between the Smithers Public School boys and the Telkwa school boys wherein the Telkwa boys proved that they knew how to play better ball than the proteges of Mr. Jones.

Games at Hazelton

In Hazelton the team from Smithers found tougher going and lost out to Hazelton by a score of 5 to 0. Even the use of the star hurler from Smithers, Ernie Kershaw, was not enough to turn back the hardworking Hazelton team.

The defeat will no doubt serve as a spur to the Smithers team to see that the performance cannot be duplicated again this season. They have lots of material to draw from and the next encounter will no doubt tell a different story.

## BIG CROP IN SIGHT

Conditions in Bulkley Valley Never Better Than Today

SMITHERS, May 30:—Prospects for a bumper crop have never looked better in the Bulkley Valley than they do right now. Alternating showery and warm weather has brought the hay crop along very fast until the grass is now standing a foot high in many places and, with the warm rains of Monday and Tuesday, there is sufficient moisture now in the ground to ensure a steady growth for some time ahead.  
The ground is in excellent shape to carry all crops along for quite a period and the farmers are happy over the present prospects.
