FLOOD SITUATION MORE SERIOUS

Unprecedented High Water Is Assuming Disastrous Proportion As Swollen Rivers Still Rise

NEW PACT DRAWN UP

Both British and Egyptian Forces Are to be Increased Under Fresh Agreement

CAIRO, Egypt, June 2.—It became known here last night as Sir Miles Lamson, the British minister, left by airplane for a trip to London, that a new Anglo-Egyptian military treaty had been negotiated. Under the terms of the treaty a large increase in the British land and sea force in Egypt, particularly in the Suez Canal zone, would be provided for. Egypt would also be permitted to increase her army from a strength of 12,000 to 24,000.

SITUATION IS TENSE

Still Looking Like Trouble In North China as Japan Continues High Handed Activities

SHANGHAI, June 2.—The situation in North China continues tense. The Japanese are not letting up on their military operations and are moving in more and more troops. Officially, Japan says the reason is to save North China from Communism and to protect Japanese interests. The Chinese Nationalist government is chafing but hesitates to resort to force. It has, however, rushed soldiers into the district north of Tientsin following the bombing of a railway bridge. Japanese said the bridge had actually been bombed by Chinese.

Meantime in Shanghai there are further violent outbreaks by Chinese students in anti-Japanese demonstrations designed to force the hand of the government to resisting the invasion. Police and military reinforcements have been required to put down the demonstrations.

Life of Mayor Is Threatened

Another Sensation in Connection With Activities of Black Legion At Detroit

DETROIT, June 2.—Another sensation in connection with the activities of the mysterious Black Legion developed yesterday with the announcement of Mayor Couzens that his life had been threatened by members of the organization which has been said to include in its enrollment two judges and more than one prominent politician.

Affected Area Becomes More Extensive—Twenty-Two Kispiox Houses Float Down Skeena—Lower Hazelton And Kitwanga Under Water With Buildings Being Carried Away

Assuming the aspect of a major general disaster the full extent and effect of which it is still difficult to survey, flood conditions in the central interior continue unabated today with hot weather still prevailing and the waters continuing to rise. The affected territory is becoming more widespread. In addition to the Skeena, the Bulkley, Nechako and upper Fraser rivers are now taking on menacing proportions.

TRAGEDY HERE IS RESULT OF FLOOD IN SKEENA VALLEY

One of the tragedies in connection with the floods up-river is occurring right here in Prince Rupert. There arrived over the week-end from the south a queen bee addressed to Terrace. It is still in its little cage at the post office and, doubtless, the queen will die before she reaches the end of her journey.

Long Terms For Spokane Bandits

Two Are Sent Over for Twenty Years Each for Holding up Montgomery-Ward Store

SPOKANE, June 2.—Following their conviction on charges of holding up the Montgomery-Ward store here, two bandits were sentenced yesterday to twenty years imprisonment each in Walla Walla state penitentiary.

Career of Crime Has Usual Ending

Wilfrid Lindsley, Convict-Slayer, Takes His Own Life Rather Than be Recaptured

NEW ORLEANS, La., June 2.—Wilfrid Lindsley, who made his escape from state prison last week after killing a prison official and his wife, took his own life Sunday rather than be recaptured. He was discovered hiding out in a wood not far from the prison and, after a gun battle with a police posse, used his last bullet to end his own life.

Adjournment Of Congress This Month Expected

WASHINGTON, D.C., June 2.—Adjournment of Congress is now hoped for about June 11. Important matters remaining to be dealt with include the two and a half billion dollar deficiency bill, providing for unemployment relief measures including emergency public works, and the report of the Townsend Plan investigation committee.

Flood Conditions Spreading To South of Province; C. P. R. Under Water at Revelstoke

In conversation by long distance telephone last night with the Vancouver bureau of Canadian Press the Daily News was advised that the Fraser and Columbia Rivers in the southern part of the province were rising rapidly with the prospect that railway and telegraphic systems there might soon become interrupted.

At Mission the Fraser River had come up to the rails of the Canadian Pacific Railway and was rising rapidly. It was presumed that a similar condition existed on the Canadian National line in the Fraser Valley.

At Revelstoke the Columbia River was over the tracks of the main line of the Canadian Pacific Railway with part of that southern town already under water.

Nelson on the west arm of Kootenay Lake was also experiencing high water.

There were heavy rains in the southern interior yesterday.

There were unconfirmed reports of flood conditions on the Canadian National line between Jasper and Prince George with the North Thompson River assuming menacing proportions.

Veteran Alaska Skipper Passes

Captain Anton Arnesen Dies On Board Ship—Body Taken To Seward

SEWARD, Alaska, June 2.—The body of Capt. Anton Arnesen, veteran skipper of Alaska fishing and trading vessels, was brought here Saturday. He had succumbed to a heart attack aboard his boat while at sea.

JUNE LIST FOR COURT

Four Civil Actions on Calendar—Regular Monthly Sitting Held Yesterday

With four actions on the civil list, County Court was in regular monthly session before Judge W. E. Fisher yesterday for setting of cases which are as follows:

Northern British Columbia Power Co. vs Dunwell Mines Limited, \$713. Patmore & Fulton for plaintiff, Williams, Manson, Brown & Harvey for defendant, stands over.

Charles J. Cutrie vs Armour Salvage Co., \$308.25. E. F. Jones for plaintiff, Patmore & Fulton for defendant, stands over.

Jewell Market vs Albert Bach, \$197.81. Williams, Manson, Brown & Harvey for plaintiff, defendant in person, stands over.

Monrad Anderson vs Ernest Cavendish, \$73. Williams, Manson, Brown & Harvey for plaintiff, Patmore & Fulton for defendant, stands over to September court.

Two naturalization applications were also dealt with.

Wild Battle In Nicaragua

Disorder Follows Siege of President's Residence by Rebels

MANAGUA, Nicaragua, June 2.—A pitched battle broke out in this capital city of Nicaragua Sunday as rebels besieged the residence of President Juan Sacasa.

Conditions in Hazelton Become More Appalling; Indians Are Suffering

Rendered Homeless and Some Are Feeling Shortage of Food—Large Part of Lower Town Under Feet of Water—Fraser Menaces Prince George

Provincial police radio reports received at divisional headquarters here late this morning brought the latest word and more details of flood conditions in the Hazelton and Prince George districts. With the water still rising the situation around Hazelton especially is becoming more appalling. Not only have many people been rendered homeless with their houses in numerous cases swept entirely away but a food shortage for many of the unfortunates already appears imminent.

A radio message from Sergeant Sperry Cline, chief of the Smithers detachment of the provincial police, who is standing by at Hazelton with Constable Andrew Grant and emergency crew, said that over Hazelton and Kispiox were flooded out with approximately thirty houses already washed away.

A large number of Indians are homeless and without food except for such supplies as can be taken in by way of Four Mile Bridge and canoe. No loss of life has as yet been reported. There were no communications today with points further down the river than Hazelton which are known to be in a serious plight.

Some idea of the extent of the flood can be gained by those who know old Hazelton by the information that the Hazelton police office basement is flooded and a further rise in the level of the water will necessitate evacuation. The police office stands several feet higher than several Hazelton buildings including the Hazelton Hotel, Sergeant's apartment house and a number of residences further along including that of the manager of the Hudson Bay Co.

It was still very warm at Hazelton today with the probability that the river would continue rising tonight.

At Prince George The Fraser River at Prince George, the provincial police report, rose another four inches during the night. Families were being moved away from their homes in the east end of Prince George by boat.

Indicating the uncertainty of train service throughout the interior, it was learned that the west-bound passenger train due there at 1:05 this morning had not arrived up to shortly before noon on account, it was understood, of water being over the tracks at Dewey.

Colorado Dust Bowl in Flood

Seven Known Dead as Arkansas River Overflows Its Banks—Moisture Welcome

SPRINGFIELD, Colo., June 2.—"Colorado's Dust Bowl" is in seething flood with a known death list of seven and several missing. People are fleeing to higher ground as the Arkansas River as a result of heavy rains continues to overflow. The high water follows weeks of drought and, while causing hardship to some, is welcomed by the farmers. Parts of the state of Kansas are also affected by the flood.

Cotton Crops Needing Rain

Long Drought Proving Ruinous Also to Southern Tobacco Fields

NEW ORLEANS, June 2.—Cotton planters throughout the southern states from Virginia to Alabama are praying for rain as a drought which has been prevailing since the middle of April continues. Unless there is moisture soon, and meteorological authorities offer little hope of immediate precipitation, it is feared the tobacco as well as the cotton crop will suffer seriously.

BLAMING ITALIANS

Posters Contain Anathema Against Jews—Four More Die In Disorders

JERUSALEM, June 2.—Police say they have unearthed a collection of posters in handprinted Italian declaring all Jews are "communists and enemies of Europe and Christianity." Renewed disorders have cost four lives. Three Arabs, one woman, were killed by police at Haifa. A German Jew was slain in Jerusalem.

TOO MUCH SUNSHINE

Evidently sunshine has been a bad thing for the Prince Rupert district this year. The heat has been too great in the mountains of the interior and the result has been the snow melted faster than the capacity of the rivers to carry the water away.

Had there been a year like this before the railway was constructed, the builders of the line would have hesitated before constructing it along a valley where the water rose so high and was liable to do so much damage. Happily, this condition is abnormal and is not likely to occur often. In the meantime the whole country suffers inconvenience and loss of revenue. Nearly everyone is affected more or less, the railway company more than all the rest put together.

ELECTION NEXT WEEK

There is a by-election in Victoria next Monday. Three candidates are in the field, two of them the same men who ran at the general election in October. Those two are C. J. McDowell, Liberal, and Rev. King Gordon, C. C. F. The Conservative is the former Premier of the province, Simon Fraser Tolmie, all evidently representative men, any of which presumably would make a good representative if he should be elected.

Premier Tolmie is likely to obtain a considerable sympathetic vote from those who were sorry to see him defeated in the provincial election and who look upon the federal position as something of a pension. The Liberal will have the backing and prestige of the government which may or may not be an advantage in Victoria. Mr. King Gordon will suffer from the split in the ranks of the C. C. F. In the last election Mr. Gordon polled 42 votes more than Mr. McDowell so the latter starts with a slight handicap.

ARE WE REALLY SAD?

A journalist remarks that Canadians are naturally a sad people who like to sit in deep dejection. Most people look all the time as if they were attending a funeral. Their supreme happiness is to be miserable. The remark is made in view of the recent dispatches that tell of the Russian edict that the people of that country must dance and be happy. They dance at the movies between shows, dance at the restaurants. Everybody is dancing. It is a sacred duty and if you live there you have to enjoy it. You are not allowed to be sad.

Possibly we are too gloomy here but it is doubtful if anything can be done about it. Canadians would resent having to be jolly because they were told to be. The very idea would make them sad.

Succeed in Eliminating United States in Davis Cup Play

PHILADELPHIA, June 2:—Jack Crawford, as anticipated, had no difficulty yesterday in defeating Wilmer Allison of the United States, giving Australia the victory in Davis Cup American zone play and eliminating the United States which scored only one victory.

Don Budge of United States defeated Jack Crawford of Australia 6-2, 6-3, 1-6, 2-6, 6-3 on Saturday in the second of the singles.

Earlier in the day Adrian Quist of Australia had defeated Wilmer Allison.

The Australians took a commanding two to one position by winning the doubles Sunday. Crawford and Quist came up from behind to win 4-6, 2-6, 6-4, 7-5, 6-4 over Budge and Gene Mako. It was a thrilling uphill battle, the Americans being within two points of victory in the tenth game of the fourth set.

In the sixth game yesterday Budge of United States beat Quist of Australia.

Junior Elks, Last Year's Champions, Draw Opening Blood In Close Game with Lambie & Stone

Junior Elks, last year's champions, defeated Lambie & Stone by a score of 3 to 2 last evening in the opening City Softball League game of the season. Ideal weather prevailed and an excellent brand of play was turned in. Six hits were made by the Junior Elks and Four by the Clothiers. Freddie Calderone was hurler for the winners with Herbie Morgan on the receiving end. Orme Stewart was losing pitcher and Art Murray, catcher. The game, as indicated by the score, was very close. Bill Stone was umpire.

In a pre-season exhibition game Sunday night All Stars defeated Junior Elks 10 to 7.

Following is the league schedule for the season.

June 1—Lambie & Stone vs. Junior Elks.

Diamond Sport Gets Under Way At Ocean Falls After Delay On Account of Rain

OCEAN FALLS, June 2:—Having been deferred by wet weather which had caused postponement of all Ocean Falls sports activities for a couple of weeks, the baseball season finally got under way at the paper town last Tuesday night when "Shoety" Campbell's Ocean Falls Boys won over the Japanese Tigers three to nothing. Appleby hurled for the "Boys" and Jackie Endo for the Tigers.

Prior to the official opening of the season, the Ocean Falls Baseball Association executive and managers met to make a shuffle of players. The long secure and highly supported Paper Makers team was entirely disbanded and a new line-up formed under the management of W. McCarrick and bearing the name of Orphans.

Accidents Mar Sport Activity At Ocean Falls

OCEAN FALLS, June 2:—Casualties in Ocean Falls sports have been a marring factor so far this season.

In a softball game last Wednesday night "Blackit" Blackstock sustained a fractured ankle while receiving a throw to third in the effort to make a close put-out.

Johnny Summers, crack lightweight wrestler and No. 1 pitcher for the Sawmill softballers, will be out for the season, having sustained a triple fracture of the ankle.

SPECIAL BOWLING EVENT CANCELLED

Owing to wet greens, the lawn bowling tournament between sides representing the president and vice-president of the Canadian National Recreation Association Lawn Bowling League planned for Sunday had to be cancelled. However, there were a number of players out practising in anticipation of the opening of the league season last night.

BOWLING IS UNDER WAY

City League Swings Into Action Monday Evening with Ideal Conditions Prevailing

The Canadian National Recreation Association Lawn Bowling League season got under way last evening with ideal conditions prevailing when Dave Borland's rink defeated Jack Watson's 29 to 19 while Jack Preece's aggregation scored a 28 to 13 victory over Frank Dibb's.

A match of Jack Frew vs. D. A. MacPhee rinks and possibly other postponed games will be played this evening.

Life Insurance Aids Employment

EVERY DOLLAR you set aside in Life Insurance performs a double duty. It protects yourself and family, and at the same time helps to create and increase employment in Canada.

The savings of yourself and 3,500,000 other Canadians, totalling more than Two Billion Dollars, which your Life Insurance companies have invested in the Dominion, have helped and are helping to develop Canada.

Life Insurance dollars have built and are building city, town and farm homes. They have erected and are erecting schools and hospitals. They have developed and are developing public utilities and industrial enterprises.

Governments all across Canada have called upon and are calling

upon Life Insurance funds for public purposes. These funds have extended and are extending transportation facilities by road, rail and water. They have built and are building water, sewage and other municipal undertakings. They have extended and are extending public utilities and public services under federal and provincial administrations.

In this stimulating private and public business all across the Dominion, Life Insurance dollars have created and are increasing work for thousands upon thousands of Canadians. As Life Insurance dollars create more jobs and fill more pay envelopes, the strain upon relief funds is lessened and the country's economic position is improved.

NAVY WINS IN SOCCER

Christison's Four Goals in Second Period Give R. C. N. V. R. 4 To 2 Win Over Legion

With Doug Christison scoring all the Navy's goals in the second half, Royal Canadian Naval Reserve won its first game of the season in the Senior Football League last evening by defeating Canadian Legion 4 to 2. Three teams in the league are now in a tie in the Stuart Shield standing.

First scoring was by Crompt for the Legion in the first half with a nice run through Henry Dickens put the veterans two up to end the scoring for the first half.

The Navy broke away in the second half and Christison went through twice to score in quick succession. Then a penalty was awarded against Dickens and taken by Christison to put the Navy in the lead, the fourth counter being registered soon thereafter.

Andy Horne was referee and J. Bremner and J. Carroll linesmen. The Stuart Benefit Shield standing to date:

Evangelist Is Drawing Crowds

Good Turn-Outs at Pentecostal Assembly to Hear Rev. Len Ellenwood of California

Evangelical services at the local Pentecostal Assembly on Sunday were well attended. At the morning service Rev. Len Ellenwood of California spoke on the subject of "The Bat, Owl and Vulture." Adapting the characteristics of these creatures to a text from the Book of Leviticus, the evangelist brought out some interesting facts.

At the evening service sixty persons gathered to enjoy the singing and to hear Pastor Ellenwood speak on the subject "The Way to the City." The text was from Ecclesiastes 10:15, "The labor of the foolish wearyeth every one of them because he knoweth not how to go to the city." The speaker said there were many who thought they were on the road but their foundation was not built on Scripture teachings. The way to the city was not found by the way of works. Nor was it right for people to think they were on the way to the city because they thought they were. The only way was found through Jesus Christ and his atonement. It was a sad thing for people to come to the end of the way only to find that they had been on the wrong road. The speaker urged his listeners to follow the Cross of Christ which was the way to the city of Heaven.

Pastor North led the meeting in the service of song. Mr. Ellenwood spoke last night on the topic of "The Woman Who Proposed to a Man."

Fire Loss Here Last Month Did Not Mount High

The city fire department responded to six alarms during the month of May as compared with 14 in the same month last year. So far in 1936 there have been a total of 31 alarms in comparison with 51 up to a corresponding date last year.

Loss from fire this May amounted to only \$9, this being at the Savoy Hotel when a cigarette set fire to a mattress. Other calls were to brush fires with one false alarm.

WHIFFLETS From the Waterfront

Considerable of the halibut landed by boats which sold on the local exchange yesterday was loaded aboard the steamer Princess Louise yesterday afternoon for Vancouver. The fish had to be sent to Vancouver for rail shipment to the eastern markets owing to the railway tie-up here. The Louise arrived at 3:30 in the afternoon from Skagway and sailed at 7:30 p.m. for the south. She brought in 129 passengers including many Alaskan school teachers going south for the summer vacation. Six persons disembarked from the vessel here and two boarded her here for the south.

Capt. ("Cappy") Anderson, well known master mariner and last year skipper of the motorship freighter Bellingham on the run between Ketchikan and Prince Rupert, passed away in Ketchikan Saturday. He had reached an advanced age and had been in ill-health for some time.

Union steamer Catala, Capt. James Findlay, returned to port at 11:30 this morning from Stewart, Anyox and other northern points and sailed at 1:30 this afternoon for Vancouver and waypoints.

C. N. R. steamer Prince John, Capt. Dan McKinnon, running on schedule, left Queen Charlotte City at 9:30 last night for Massett Inlet where she is making her calls today. She is expected to arrive here tomorrow morning.

C. N. R. steamer Prince Charles, now on the pontoons at the local dry dock for annual overhaul, will be leaving about Saturday for Vancouver where some more work is to be carried out on the vessel before she is commissioned in service between here and Vancouver via the Queen Charlotte Islands, leaving Vancouver on June 26.

Pete Lorenzen is at present at Old Massett, Queen Charlotte Islands, with the company's cannery tender Jedway superintending work on the Massett Cannery's salmon cannery there preparatory to the season's canning operations.

Danger at Prince George

At Prince George the Fraser River continues to rise and part of that town is flooded, evacuation of the east end of the city being under way. With the water up to within five feet of the decking of the big highway and railway bridge there is danger of serious track trouble there although none had developed up to last night. At Red Pass the track is now under water.

Ten miles west of Smithers in the Bulkley Valley there were washouts yesterday afternoon, the first trouble in that area. A pile driver crew and ditcher were sent out to work on them. Trouble has also developed at Bulkley Canyon.

The rivers were still rising last night with no signs of receding. It was 94 above at Prince George yesterday and 90 at Smithers.

The railway reported the regular train for the east leaving Smithers on time this morning and the train from the east due to arrive at Smithers on time at noon today. Up to noon there was no word of change of plans.
