THE KING, COD BLESS HIM

Many people in Prince Rogert yesterday were thanking metering to visit me city. God that King Edward was safe from the hands of a yousible assassin. It is surprising what a grip the King has lake says her been here all the on the hearts of many of his people in Canada. They look time and notody made any funon him almost as a personal friend. Some have seen him over him and some have not but all are agreed that if anything happened to him it would be a national calamity.

IN CAMADA A MATION?

It is difficult for Canada to speak of herself as a na- There is something very absorbtion. Whe is rather a group of people with many conflict- ing on my deak. It's a piece of bioting national ideas living in the same country. There is not ting pager, of course. that patriotic love of country which inspires a real nation. There are too many French-Canadians. English, the Thrit Cam & Carry and or Scotch or Irish Canadians, German Canadians, Italian ores a tin of salmon. Canadians, Greek Canadians and dozens of other kinds of as it was being wrapped up the Canadians to form anything like a real patriotic unit. Two changes her mind and said she generations from now most of the population of Canada would take a tin of agricote in. will be native born and may be expected to form the nucleus of a nation.

Compare Canada with Japan for a moment. In that peaches. country practically every man is native born and he is so | Having been served with the imbued with the greatness of his country and with its peaches, she turned to leave the wonderful future that he is willing to sacrifice his life at any time in its interest. Japanese go to war with a fatalistic fervor, believing that if they die in defence of their country and her honor they are expressing themselves in the noblest manner possible. They are really patriotic.

To hear young Japanese men sing their national songs!. is sufficient to convince that they really have faith in the future of their country and in its greatness. There is nobody in that country who suggests that Russia is a better country than their's or that any other system of government is superior to their's. To them Japan is the greatest of all nations and they are ready and willing to fight for her at all times, regardless of the justice of their cause. Such a nation as that is hard to beat in war and competi-line time it was difficult sometion with them in peace is also difficult. Before Canada times to take an intelligent incan become a great nation she must cultivate at least some terest in the minor matters which of the spirit which makes other nations great.
