DEBATE WISDOM OF LINER'S DESIGN

Controversy has been aroused by the sharp bow of the giant new British liner Queen Mary, now nearing completion. It is pointed out that most new liners favor the rounded "streamed" type. Those defending the new Cunard liner point out the all-speed records held prior to the Normandie were held by sharp-nosed vessels. The nose of the Queen Mary is seen above.

More Silver Dollar Coinage Asked-Omineca Body Elects Officers

Smithers on Friday evening last.

President P. Schufer reviewed lumbia and in Canada and expressed regret that this district had not had the development and progress during the past year which had been expected and which the many encouraging properties warranted. He asked the members to use every effort to promote the use of silver by the government for

vious issue of these coins has yet been seen in Smithers. The meeting Dan Foster, Houston; G. Bates, heartily endorsed the work of the "Silver Dollar Association" of Vancouver in its endeavor to have silver coinage increased in Canada.

The meeting also went on record as opposing any move at Ottawa to submerge the Department of Mines! by amalgamation with other departments as has recently been proposed.

The president told the meeting that the local branch had won the special prize at the Vancouver Exhibition last year for the best exhibit of ore from any one of the forty-one mining divisions of British Columbia. In the election of officers for the

ensuing year the following were chosen:

President, Peter Schufer. Vice-president, Donald C. Simp-

Secretary-Treasurer and Manager, L. H. Kenney.

Representative on Executive of B. C. Chamber of Mines, A. C. Garde A board of directors of eight

members was elected to serve with the officers.
