## PRODUCER MUST SAY "YES" BEFORE THEY CAN WED

Britain's romancing screen stars in Hollywood, Merle Oberon and David Niven, are in a peculiar predicament. Apparently very serious about marriage intentions the pair cannot proceed with nuptial plans until Samuel Goldwyn, noted producer, gives his permission. Both have contracts with Goldwyn containing clauses that make it necessary for the producer to approve before they marry. Filmdom awaits Goldwyn's return from a business trip for his announcement. Here are Miss Oberon and Niven a-motoring. Miss Oberon is one of the featured players in "These Three," current feature picture at the Capitol Theatre here.
