PREMIER BALDWIN TALKS OF PEACE

BRITAIN IS PREPARING

Latest Air Equipment Added To Defences of Suez Canal

ALEXANDRIA, Egypt, April 18: (CP)—Despite increased European tension following Germany's occupation of the Rhineland demilitarized zone, Britain is pursuing her task of perfecting the defences of Egypt and the Suez Canal.

It is not a generally known fact that, besides all the ships and planes brought here by Britain, six of the R. A. F.'s new "Queen Bee" robot airplanes were transported here for the sole purpose of giving the naval anti-aircraft guns some real practice.

In actual warfare, the British air ministry expects these robot planes to be useful in carrying cargoes of bombs for release over enemy lines. As their cost is approximately \$50,000 each, they make rather expensive targets.

Recently one of the "Queen Bees" was an elusive target for more than an hour off Alexandria harbor before it was brought down. Finally the little destroyer leader Galatea scored a hit.

Flight of the Queen Bees is directed by a radio control on land at the Aboukir airdrome which guides radio apparatus located in the rear cockpit of the robot machine.

Typical of the risks taken by naval fliers here was a recent practice flight of 27 planes from the aircraft carrier Glorious. Far out on the Mediterranean, a mist suddenly arose between them and their base. They flashed S.O.S. calls and the Glorious guided them for some time but a landing was impossible and their gasoline supplies diminished steadily.

Luckily the mist lifted and after some time the planes were able to come down.

British Artillery Raise Desert Dust Near Libyan Border

The firm surface of the desert in this spot makes an ideal training ground for B battery of the Royal Horse Artillery stationed at Abbassia, Egypt. The battery is galloping into action over the desert with dry dust flying from the wheels of the modern war chariots. The guns are drawn by three pairs of horses with a man astride to handle each pair. When the sands are shifting and loose they retard progress to such an extent that motorized manoeuvres are practically impossible. Across the border from Egypt is Libya, belonging to Italy.

Nations Must be Ready To Fight For It Says Premier of Gt. Britain

Sees Hitler as Dominating Factor in European Situation Today—Another War, He Fears, Would Mean End of Civilization

WORCESTER, Eng., April 18: (CP)—Prime Minister Stanley Baldwin said today that the only way to secure European peace was to be ready to fight for it if necessary. "Collective security will never work unless all nations which take part in it are prepared simultaneously to threaten with military sanctions and to fight an aggressor if necessary," he said at a political rally.

Premier Baldwin said that Reichsfuehrer Adolf Hitler, "more than any living man in Europe," could make or break peace on the Continent.

Repeating his previous prediction that another war would end civilization in Europe, he said that would be even more certain if nations of the world went back on their word and used poison gasses. "I believe that, if such a thing were done, the raging people of every country, torn with passion, suffering and terror, would wipe out every government in Europe and you would have a state of anarchy from end to end as man's protest against wickedness in high places."

CROATS AND SERBS
CLASH AND JUGO-SLAVIA IS EXCITED

BELGRADE, April 18: (CP)—Intense excitement raged through Jugo-Slavia yesterday following the killing of nine persons, including a woman and a girl, by an enraged Croat peasant near Zagreb. The slayings are regarded as having been due to friction between Croats and Serbs.

Requiem Mass For Mrs. Roma is Held

Large Congregation at Church of Annunciation This Morning To Pay Tribute

There was a large congregation at the Church of the Annunciation this morning when high requiem mass for the repose of the soul of the late Mrs. Frank Roma, well known member of the local Italian colony, whose death occurred earlier in the week, was celebrated by Rev. Father Maurice Smith O. M. I. The children's choir was in attendance. The pallbearers were L. Palmero, D. Cavalleri, P. Mazzei, P. Cassesano, Fred Lanza and Frank Montesano.

The burial will take place tomorrow afternoon from the chapel of B. C. Undertakers to Fairview Cemetery.

Frank Roma, the widower, who was in Vancouver when his wife suddenly died, returned home on the Princess Adelaide yesterday afternoon from the south.

Divorce Awarded To Gay '90 Bride

CHICAGO, April 17: (CP)—The story of a romance of the "gay '90s" that cooled with the turning of the century was repeated before Judge Joseph Sabath in Superior Court here by Mrs. Charlotte Weightman.

"It was the most beautiful courtship there ever was," she said, "was an invalid. He used to carry me to and from my wheel chair. We were married in 1892."

Mrs. Weightman recalled that in the next five years she made her husband five suits and two overcoats. But in 1902, she testified, he ordered her from their home. "Once I went back," she said, "but he refused to admit me."

Evidence revealed Mrs. Weightman had been receiving \$1 a day separate maintenance since 1904. After hearing her story, Judge Sabath gave her a divorce from Charles Weightman and restored her maiden name Weightman signed over a \$1000 insurance policy in lieu of alimony.

RED SHIP GREETED

Skipper of Russian Vessel at Halifax Turns Down Workers' Newspapers

HALIFAX, April 18: (CP)—Youthful Pavel Alexeev, skipper of the first Russian ship to reach this port since the revolution prefers calm waters for himself and his craft. Greeted by William Ross who wished to present the captain of the Stari Bolshevik with propaganda newspapers "on behalf of the workers," Alexeev replied: "You will excuse, please I am not permitted to accept." Their business in Halifax, the Soviet commander hastened to explain, was to load grain. And a rather good job was made of the loading, too. Halifax stevedores poured 209,305 bushels of wheat into the holds of the Stari Bolshevik in nine hours, setting a Maritime record.

Curious reporters climbed aboard the neat little freighter with the thrill of stepping on Soviet soil. They found a crew of 28 including attractive, dark-eyed Vera Kalkusina, 23-year old stewardess. She knew the arts and science of the make-up box. Her prettily curved lips were lightly touched with lipstick, and she posed for cameramen.

Down in the saloon, Vera was serving breakfast. She sat down and ate with the men. The meal consisted of small herring, bread, black olives and milkless tea in tumblers.

Behind a red transparent stain an electric lamp burned throwing the features of Stalin into relief. A red framed picture of Lenin with a huge bow of black crepe-like paper ornamented the wall. Pictures of other leaders, new Soviet buildings, the ship's own newspaper printed on board and illustrated by photographs taken by the crew, adorned the common rooms. Musical instruments, the guitar, the balalka, hung in their places.

A depository for contributions to party funds was made in the form of a castle with a red flag at a window. Newspapers and magazines were on the reading table.

Reduction In Licence Rates Is Announced

FREDERICTON, April 18: (CP)—The 1936 licence for passenger automobiles will cost New Brunswick motorists nearly fifteen percent less than last year. Premier Dysart has announced that the fee has been reduced from 70 cents to 60 cents per hundredweight, the minimum remaining at \$10.

On the basis of last year's returns, this will mean a saving of \$70,000 to the motoring public of the province.

Under authority of the Motor Vehicle Act, the Premier, who is also minister of public works, last December extended the 1935 licence period to May 1, 1936. The 400 motor car owners who have purchased 1936 plates in the meantime will have rebates made them. The rate reduction does not apply to trucks or any other type of motor vehicle other than passenger cars. Licence fees for trucks remain the same as they have been previously.

Last year 26,195 passenger cars were registered and the government derived a revenue of \$484,986.

PASSING OF WAR DANCER

Reggie Clayton, Who Took Part In Spectacular Entertainment Last Fall, Dies

Word has been received in the city of the death at Kincolth at 5 o'clock yesterday afternoon of Reggie Clayton, who will be remembered by many people who attended native war dances held last fall in connection with the carnival at the Exhibition Building as one of the participants in that spectacular entertainment. He succumbed to tuberculosis.

Clayton was about thirty years of age and is survived by a widow and family as well as his mother, Mrs. Charles Morrison, and five brothers. He was a sub-chief of the Eagle tribe.

Atlantic Flying Safe, He Claims

Pioneer Predicts All Mails Will Be Flown in Five Years

HAMILTON, Bermuda, April 18: (CP)—"It's safer to fly the Atlantic than it is to cross Piccadilly," said Commander Sir Walter Windham, air mail pioneer, discussing trans-Atlantic mail service during a recent visit to this proposed trans-oceanic air base.

"We should have had it years ago. There's nothing to stop it," declared the famous aviation expert, who believes that in five years all the world's mails will be carried by air.

Sir Walter sent the first "air-mail" letter across the English Channel in 1909 and inaugurated a regular airmail delivery in India in 1911.

BOOKLET IS GOOD

Prince Rupert District Gets Real Boost From Canadian National Railways

Undoubtedly one of the best publicity vehicles the Canadian National Railways has ever given Prince Rupert and the central interior district is a new booklet entitled "Central British Columbia" which has just made its appearance. Issued by the colonization and immigration department of the railway, it features agricultural possibilities and opportunities of this district. There are individual articles on each area separately and Prince Rupert is given due prominence.

The booklet is profusely and attractively illustrated with new scenes from all parts of the district.

Hopes to Ascend Austrian Throne

Prince Otto Signs Letter as "Emperor of Austria"

TRURO, N.S., April 18: (CP)—H. McNutt of Truro, a fellow-passenger with Prince Otto, claimant of the Austrian throne, on a cruise of southern waters, has received a letter which the Prince signed as "Emperor of Austria."

The letter said there were immediate obstacles in the way of Prince Otto ascending the throne which could be overcome soon, he hoped.

Prince Otto sent the letter from a palace in which Empress Zita and her family have found a haven in Belgium.

THE NEW CITY PARK

Very few local people realize what is being done just now in providing a small city park in the downtown region for the purpose of providing a setting for totem poles which are to be erected there within the next few weeks. Already the work is proceeding and is sufficiently advanced to enable visitors to see in part what is planned. The park commences at the back of the firehall and extends along the easterly side of Fraser Street to the Salvation Army citadel. Old buildings there are being demolished, paths are being constructed, underbrush cut and it is understood that it is planned to have a small pond with a fountain in one corner. Native trees that are an ornament to the landscape are being preserved and shrubs and flowers will be planted and very soon the city will have another beauty spot where formerly there was nothing but old shacks and refuse dumps.

Any people who might have been inclined to be critical of the proposal to establish a park at this point should give the place an inspection before expressing an opinion. If the work goes on as it is going, the result should be one of the finest assets the city has.

Outside of the purely esthetic reason for the establishment of the totem park in this area is the fact that it is close to the police station and city hall where supervision will be easy and access to it by tourists will be very simple. As a means of bringing the tourists up town it will be unequalled and, when the totems are all up and photographs can be obtained, it should be one of the best means of advertising the city to tourists.

Taken in conjunction with the C. N. R. gardens and the various attractive gardens around the city, the tourists should all want to see Prince Rupert. Citizens are already doing their part to make individual exhibits in their own gardens and this city co-operation is one greatly to be commended.

FAMOUS IBROX PARK TEAM WINS COVETED TROPHY IN OPENING MINUTES OF PLAY

McPhail's One Counter Was All That Was Needed—Third Lanark Put up Great Game and Was Unlucky to Lose

HAMPDEN PARK, Glasgow, April 18: (CP)—A goal in the first two minutes of play gave Glasgow Rangers their third successive Scottish Football Cup victory today. R. McPhail scored the match-winning counter against Third Lanark to give the famous Ibrox Park team its tenth trophy in the history of the tournament by a score of one to nil.

Third Lanark, playing in its first final for thirty years, was unlucky to lose the game which lacked the usual cup final thrills. Throughout the game Third Lanark defenders played stoutly while the front line had equally as much of the play as their redoubtable opponents.

A capacity crowd rocked Hampden Park's huge stands, and terracing, the match being played under ideal conditions although a tricky breeze hampered the teams. The attendance totalled 88,000.

Had Big Job

Third Lanark's board of strategy, clicking one hundred percent in the team's cup activities to date, had its work cut out for this sudden-death match. They were well aware of the power behind the Rangers' machine that in recent years has practically dominated Scottish soccer warfare.

As far as record books go, there was a great difference between the finalists. The Ibrox Park team has an almost bewildering list of spectacular achievements while Third Lanark's activities have not been so outstanding.

Barely audible murmurs of dissent were raised when Rangers, with a star-studded roster, were conceded the power to topple any team in this country. They have a forward line that can outguess and outplay the majority of their opponents and defensively the team is exceptionally strong. Their goal records prove that.

On the other hand, Third Lanark's in-and-out career seemed to be on the upgrade this season. The team, up from the second division last year, has fared well and their cup playing form had been of high calibre.

The pivot of the attack centred on Patsy Gallacher, first-string centre-forward, who created a good impression in Canada last spring when on tour with the Scottish Football Association team. Rated one of the top players in this position, the old-timer led the Cathkin club's attacks.

How Series Went

The series started late in January and in the first round Third Lanark, pitted against Hearts, was not expected to survive. There was an upset, however, when the Edinburgh club failed to score while the finalist got two well-earned goals. Leith Athletic was the next victim by a similar score and in the third round the Lanark smothered Dumbarton under an eight-goal barrage without a reply. The team advanced to the semi-final with a 5-3 verdict over Morton and in the penultimate round broke a 1-1 first half deadlock with two quick goals in the final 45 minutes to win 3-1.

Rangers have turned in many lopsided scores in league battles but in cup-ties their scoring punch has been lacking. In the first two rounds they dropped East Fife and Albion Rovers by 3-1 scores but St. Mirren put up a great battle in the next encounter before losing 2-1. Aberdeen squared off with the champions in the next round and lost a close 1-0 decision. The semi-final proved easy, Rangers winning 3-0 over Clyde.

Third Lanark was out to win the Cup for the third time in its long, uneventful history. Back in 1888 Cathkin's representatives hung the trophy in their clubrooms and 16 years later regained it. They also won the league championship that year.

The route to Hampden is well known to Rangers. They have now captured the trophy ten times.

THREE NOT BEATEN YET

Boston Red Sox, Chicago White Sox and New York Giants Are Going Strong

NEW YORK, April 18: (CP)—Boston Red Sox and Chicago White Sox continue unbeaten so far this season in the American League, while the New York Giants have yet to taste defeat in the National. The Red Sox ignominiously blanked the New York Yankees at the Yankee Stadium yesterday while the White Sox were defeating the world champion Tigers at Detroit. At Boston the New York Giants won over the Braves.

Philadelphia Athletics and St. Louis Browns have not yet broken into the winning column in the American League, the Mackmen having lost to the Washington Senators at Shibe Park yesterday while the Browns, playing at home, lost a heavy scoring engagement to the Cleveland Indians.

Yesterday's Big League scores:

National League
Philadelphia 3, Brooklyn 4.
New York 6, Boston 4.
Cincinnati 12, Chicago 3.
American League
Boston 8, New York 0.
Cleveland 13, St. Louis 10.

CANADIANS IN TENNIS

Quebec Experts Think Murray Is Man to Cheer for on Nation's Net Courts—Has Already Made Good Start

MONTREAL, April 18: (CP)—Tennis observers wonder if a new era will open in the next few years for Canadian tennis with youthful Bobby Murray, modest Montrealeur, its shining light. Trampled on for years in the tennis wars but with her youngsters steadily showing improvement, Canada may be ready to burst forth with a tangible threat.

The slender Murray appears on the way to recognition as the greatest tennis player produced by the Dominion and one who, with more extensive tournament play, might attain ranking in the world's first 10. He admits this is his ambition.

The youthful Montrealeur has not decided on his competitive plans for this season. He has made a start by gaining the final round of the Bermuda amateur championships. He brushed aside two American stars and only fell before a third, Bryan "Bitsy" Grant, ranked fourth in the United States, in a five-set final. The two Americans he whipped were Frankie Parker and Wilmer Hines, both in the first 10 of the U. S. and the former a Davis Cup prospect this year.

Sweet Victory

Murray's victory against Parker was especially sweet. Four years ago at Ottawa Murray was just starting to climb as a junior. Parker came heralded as a boy wonder. It was the year he captured the Canadian men's singles by beating George Lott, Jr., of Chicago in the final. Murray and Parker met in one of the early rounds and the American allowed a Canadian youngster one game in two sets.

Northern British Columbia Hoop Series to Take Place Here Next Week

Port Simpson has sent word to the city of its acceptance of the dates of April 22 and 23, next Wednesday and Thursday, for the series for the Sun Life Cup, emblematic of Northern British Columbia basketball championship. These dates had been proposed by the Prince Rupert Basketball Association.

Port Simpson is bringing its strongest team to town and is expected to give the locals a real run for the district title. Prince Rupert is expected to use the same team that played against Premier in the recent series here.

LADIES' BOWLING

season will depend largely on how things work out about his traveling to Europe to defend the Scottish men's singles title he won last year and play in the Wimbledon and other tournaments.

In all likelihood Murray and Laird Watt, another young Montrealeur, will represent Canada abroad as they did last year when they were sent as representatives of the Canadian Lawn Tennis Association. This would cause them to miss the Canadian championships at Vancouver; they likely will appear in the U.S. national tourney, however.

Murray hopes to find Canada back in Davis Cup circulation in a year or so. He figures the Dominion will have to return eventually and thinks next season as good a time as any for the fresh start. Canada did not compete last year and will not enter the 1936 draw.

DANCING DISPLAY

Mrs. Watt's Classes Give Fine Interpretations of Scotch And Irish Juvenile Art

A fine display of Scottish dances took place last night in the Odd-fellows' Hall concluding with one Irish dance in costume. Mrs. James Watt, who had been training the children all winter, was in charge and very great credit is due her for the excellent manner in which she has again carried out a work which is of great benefit to the children of the community. Music for the dances was provided by James Watt, James Bremner and James Lee. James Haddon and Miss Joan Barber helped generally and Mrs. S. V. Cox served ice cream to the children at the close.

Over half a hundred children took part, the smaller girls giving interpretations of the country dances and round dances, tiny tots down to four and a half years were seen in these charming simple manoeuvres, keeping time together with wonderful precision, considering their ages. The older girls did a number of the square dances, including the quadrilles. The Highland fling and sword dances proved very popular. The Scottish kilts were much in evidence especially in these step dances.

At the close a little variety was provided by eight girls in costume dancing the Irish jig, a number which proved to be the most popular on the whole program.

During the two hours and a half the display was in progress, there was not a dull moment. One event followed another with remarkable order. There was not a single number that failed to please or that showed any but the most painstaking training. For some of the kiddies it was their first appearance in public while others had taken part in similar displays on previous occasions. Children varied in ages from four and a half to fourteen years. Those taking part were:

Jean Ayres, Eleanor Barber, Betty Barber, Lorraine Barbe, Alice Barbe, Mary Baker, Peggy Barclay, Doreen Croxford, Norma Currie, Agnes Collins, Joan Croxford, Dorothy Davidson, Margaret Doireen, Jeannie Doireen, Helen Doodor, Bernice Eastwood, Molly Frew, Eileen Feasby, Isabel Gay.

TENDERS FOR DREDGING

SEALED TENDERS addressed to the undersigned and endorsed "Tender for Dredging, Prince Rupert, B.C." will be received until 12 o'clock noon (daylight saving), Thursday, May 7, 1936, for the construction of floating breakwaters at Fishermen's floats, Prince Rupert, Skeena District, B.C.

Plans, form of contract and specification can be seen and forms of tender obtained at the office of the Chief Engineer, Department of Public Works, Ottawa, at the offices of the District Engineer, Post Office Bldg., New Westminster, B.C.; Victoria Builders Exchange, Ltd., 1712 Douglas Street, Victoria, B.C.; The Building & Construction Industries Exchange, 342 West Pender Street, Vancouver, B.C.; also at the Post Office at Prince Rupert, B.C.

Tenders will not be considered unless made on printed forms supplied by the Department and in accordance with conditions set forth therein.

Each tender must be accompanied by a certified cheque on a chartered bank in Canada, payable to the order of the Honourable the Minister of Public Works, equal to 10 per cent of the amount of the tender, or Bearer Bonds of the Dominion of Canada or of the Canadian National Railway Company and its constituent companies, unconditionally guaranteed as to principal and interest by the Dominion of Canada, or the aforementioned bonds and a certified cheque if required to make up an odd amount.

Note.—The Department will supply blue prints and specification of the work on demand of a sum of \$10.00 in the form of a certified bank cheque payable to the order of the Minister of Public Works. The deposit will be released on return of the blue prints and specification within a month from the date of receipt of tenders. If not returned within that period the deposit will be forfeited.

By order,
J. M. SOMERVILLE,
Secretary,
Department of Public Works,
Ottawa, April 7, 1936.

Halibut Landings Lighter and Prices Better—Melville Sells Catch at Butedale—Cardena Very Late This Trip

Halibut landings at the port of Prince Rupert for the 1936 season up to and including yesterday had reached a total of 1,216,400 pounds as compared with 341,000 pounds at a corresponding date last year and 2,878,765 pounds in the year 1934. The landings so far this year comprise 705,300 pounds from Canadian vessels and 511,100 pounds from American. During the past week landings amounted to 241,000 pounds of which 138,500 pounds was from Canadian boats and 102,500 pounds from American. With landings lighter, prices during the week were somewhat better than the week preceding. The top bid of the week for Canadian fish was 8.5c and 6c received by the Edward Lipsitt and Ingrid H. for catches of 11,000 and 9,500 pounds respectively while the low Canadian price was 6c and 5c which the Jessie Island II was paid for 6,000 pounds. For American fish the high price of the week was 9.9c and 7c received by the Emma for 11,000 pounds and the low 7c and 5c paid the Midway for 14,500 pounds.

STORK TRIUMPHANT

CHARLOTTETOWN, April 18 (CP)—The stork was more than twice as busy as the grim reaper in Prince Edward Island last year, the reports of the department of health tabled in the provincial legislature shows. There were 2,000 births and 994 deaths.

Returning to St. John's recently from the Western Banks with 1,300 quintals of fish from a single baiting, the banker Palitana established a record for Newfoundland fishermen. In other years, catches of a little more than 1,000 quintals were reported. Palitana is owned by Perry Petite and Sons, Fortune Bay, Nfld.

No boats being in with catches, there was no sale of halibut on the local Fish Exchange this morning.

Weather appears to be reasonably promising for the postponed model yacht race tomorrow afternoon for the ss. Prince George's Cup. The time set for the race is 2 o'clock and competitors will assemble prior to that time at the Armour Salvage Co.'s floats for final instructions.

Running almost a day late owing to having had heavy freights for cannery points along the coast, Union steamer Cardena, Capt. J. E. Boden, is due in port at 3:15 this afternoon from the south and will sail soon thereafter on her return to Vancouver and waypoints.

BOWLING BANQUET

Season's Prizes Awarded at Enjoyable Dinner Gathering in Knox Hotel Last Night

With President Bert Morgan in the chair and about fifty enthusiasts of the alley sport in attendance, the annual banquet of the Prince Rupert Bowling League was held last night in the Knox Hotel. The principal feature of the evening's proceedings was the presentation to the winning teams and individuals of the cash prizes for the season's league honors. There was also an impromptu program and speeches and music and the proceedings went off very enjoyably.

The presentations of league awards were as follows:

Ten Pin League
League championship—Grotto, received by Stan Morin.

Runners-up—Elks, received by Walter Johnson.

Highest aggregate for three games, Grotto.

Highest total for a single game, Grotto.

Highest individual average for season, Eddie Smith.

Second highest individual average for season, Nels Gunderson.

Highest aggregate for three games, Nels Gunderson.

Highest total for a single game, Nels Gunderson.

Five Pin League
League championship—Five Jock-

ers, received by Fred Dingwell. Runners-up—Pioneer Laundry, received by Fred Wesch. Highest individual average, James Andrews. Second highest average, William Schriaberg. Highest aggregate for three games, William Schriaberg. Highest total for a single game, Eddie Smith.

The season for the Commercial and Ladies' Leagues having not yet been completed, the presentations in these divisions will take place later.

Speakers of the evening, in addition to the president, were Fred Wesch, vice-president of the league; Eddie Smith, secretary; Jimmy Ciccone, Jack Hartley (ss Prince George), Gillis Royer, Joe Scott, William McCallum, L. M. Asemissen, A. Donald and W. A. McLean.

The program included comic songs by D. A. MacPhee, vocal solos by J. A. Teng and mouth organ solos by Harry Astori and Len Raabe. Norman Davidson was piano accompanist for the evening.

WHITE PLAGUE BEATEN

CHARLOTTETOWN, April 18 (CP)—The toll of tuberculosis in Prince Edward Island dropped 25 percent last year compared with 1934, the department of health reported to the provincial legislature. The death rate from that disease last year was 71.9 per 100,000 population, the lowest in a decade.

LISTENING, yes, but not for long. While those crunchy Rice Krispies are still crackling in milk or cream, this little girl is going to get busy with her spoon and eat every one of those toasted rice bubbles "all up."

It's a great treat to eat a big bowl of Kellogg's Rice Krispies. And with them, you get the wholesome goodness of milk. Extra delicious with fruits or honey added. Nourishing and easy to digest. Ideal for the nursery supper or bedtime snack because they promote sound sleep.

At grocers everywhere in the Mother Goose story package. The WAXTITE bag inside the package keeps Rice Krispies oven-fresh. Made by Kellogg in London, Ontario. Quality guaranteed.
