HEALTH INSURANCE BILL IS PASSED

FOURTEEN ARE KILLED IN PLANE CRASH

Tragedy Occurs When Attempt is Made To Enter Mountain Pass

Machine Had Been Chartered by European Party For Flight to Guatemala and Central America—Six Women and Eight Men Victims

MEXICO CITY, March 27: (CP)—Fourteen persons, six women and eight men, including ten touring Europeans and four members of the crew, were killed yesterday when a tri-motored plane they had chartered for a flight through Guatemala and Central America crashed near Amameca while attempting to go through a pass between Mount Popocatepetl and Mount Izlacihuatl, thirty miles west of here.

RICH STRIKE OF NATIVE SILVER IN BABINE SILVER KING MINING PROPERTY

A small crew of men working on the Babine Silver King property in Babine Mountains near Smithers has just recently broken into new ore which is plastered with native silver and seems like an important strike, according to word received in the city from L. H. Kenney, secretary of the Columbia branch of the British Columbia Chamber of Mines. Samples of the ore, which is said to be practically silver-plated, have caused a mild sensation at Smithers. It was found in the face of the tunnel, about 400 feet from the portal, and the whole face of the tunnel is declared to carry similar ore. The property is being operated by A. T. Harrar and B. F. Messner. It is situated about twenty miles north of Smithers and there is a good road to within a short distance of the mine with a trail reaching the property. Work is continuing with a small crew pending the advent of better weather when it is expected that finances will be on hand to establish a camp and put on regular crews. Arrangements have already been made for the necessary financing of such a program, according to the management. The Babine Silver King adjoins the famous Cronin mine as well as the Hyland Basin and Little Joe properties, both of which are owned by Thomas King and Martin Kane of Smithers. A small shipment of seven and a half tons from the Hyland Basin last year had a gross value of \$210 per ton.

RED WINGS WIN AGAIN

Detroit Close to Hockey Championship—Maple Leafs and Americans Advance

MONTREAL, March 27: (CP)—Detroit Red Wings last night defeated Montreal Maroons three to nil at Montreal for their second straight victory and now need only one more win to clinch the National Hockey League championship. In playdowns towards the Stanley Cup, emblematic of the world's professional hockey championship, Toronto Maple Leafs, playing at home, defeated Boston Bruins 8 to 3 to take the two game round 8 goals to 6. A six-goal scoring spurge by Toronto while Eddie Shore was serving out penalties in the second period accomplished the upset. New York Americans won the two-game series with Chicago 7 goals to 5 despite the fact that they lost the second game at Chicago 5 to 4.

Security Trading Large in January

International Transactions of Canada Reach New High Level

OTTAWA, March 27: (CP)—The international trade in securities between Canada and other countries in January was the largest of any month during which this trade has been recorded. The volume of transactions between Canada and the United Kingdom has not been exceeded since March, 1934.

TRIAL DATE IS SET

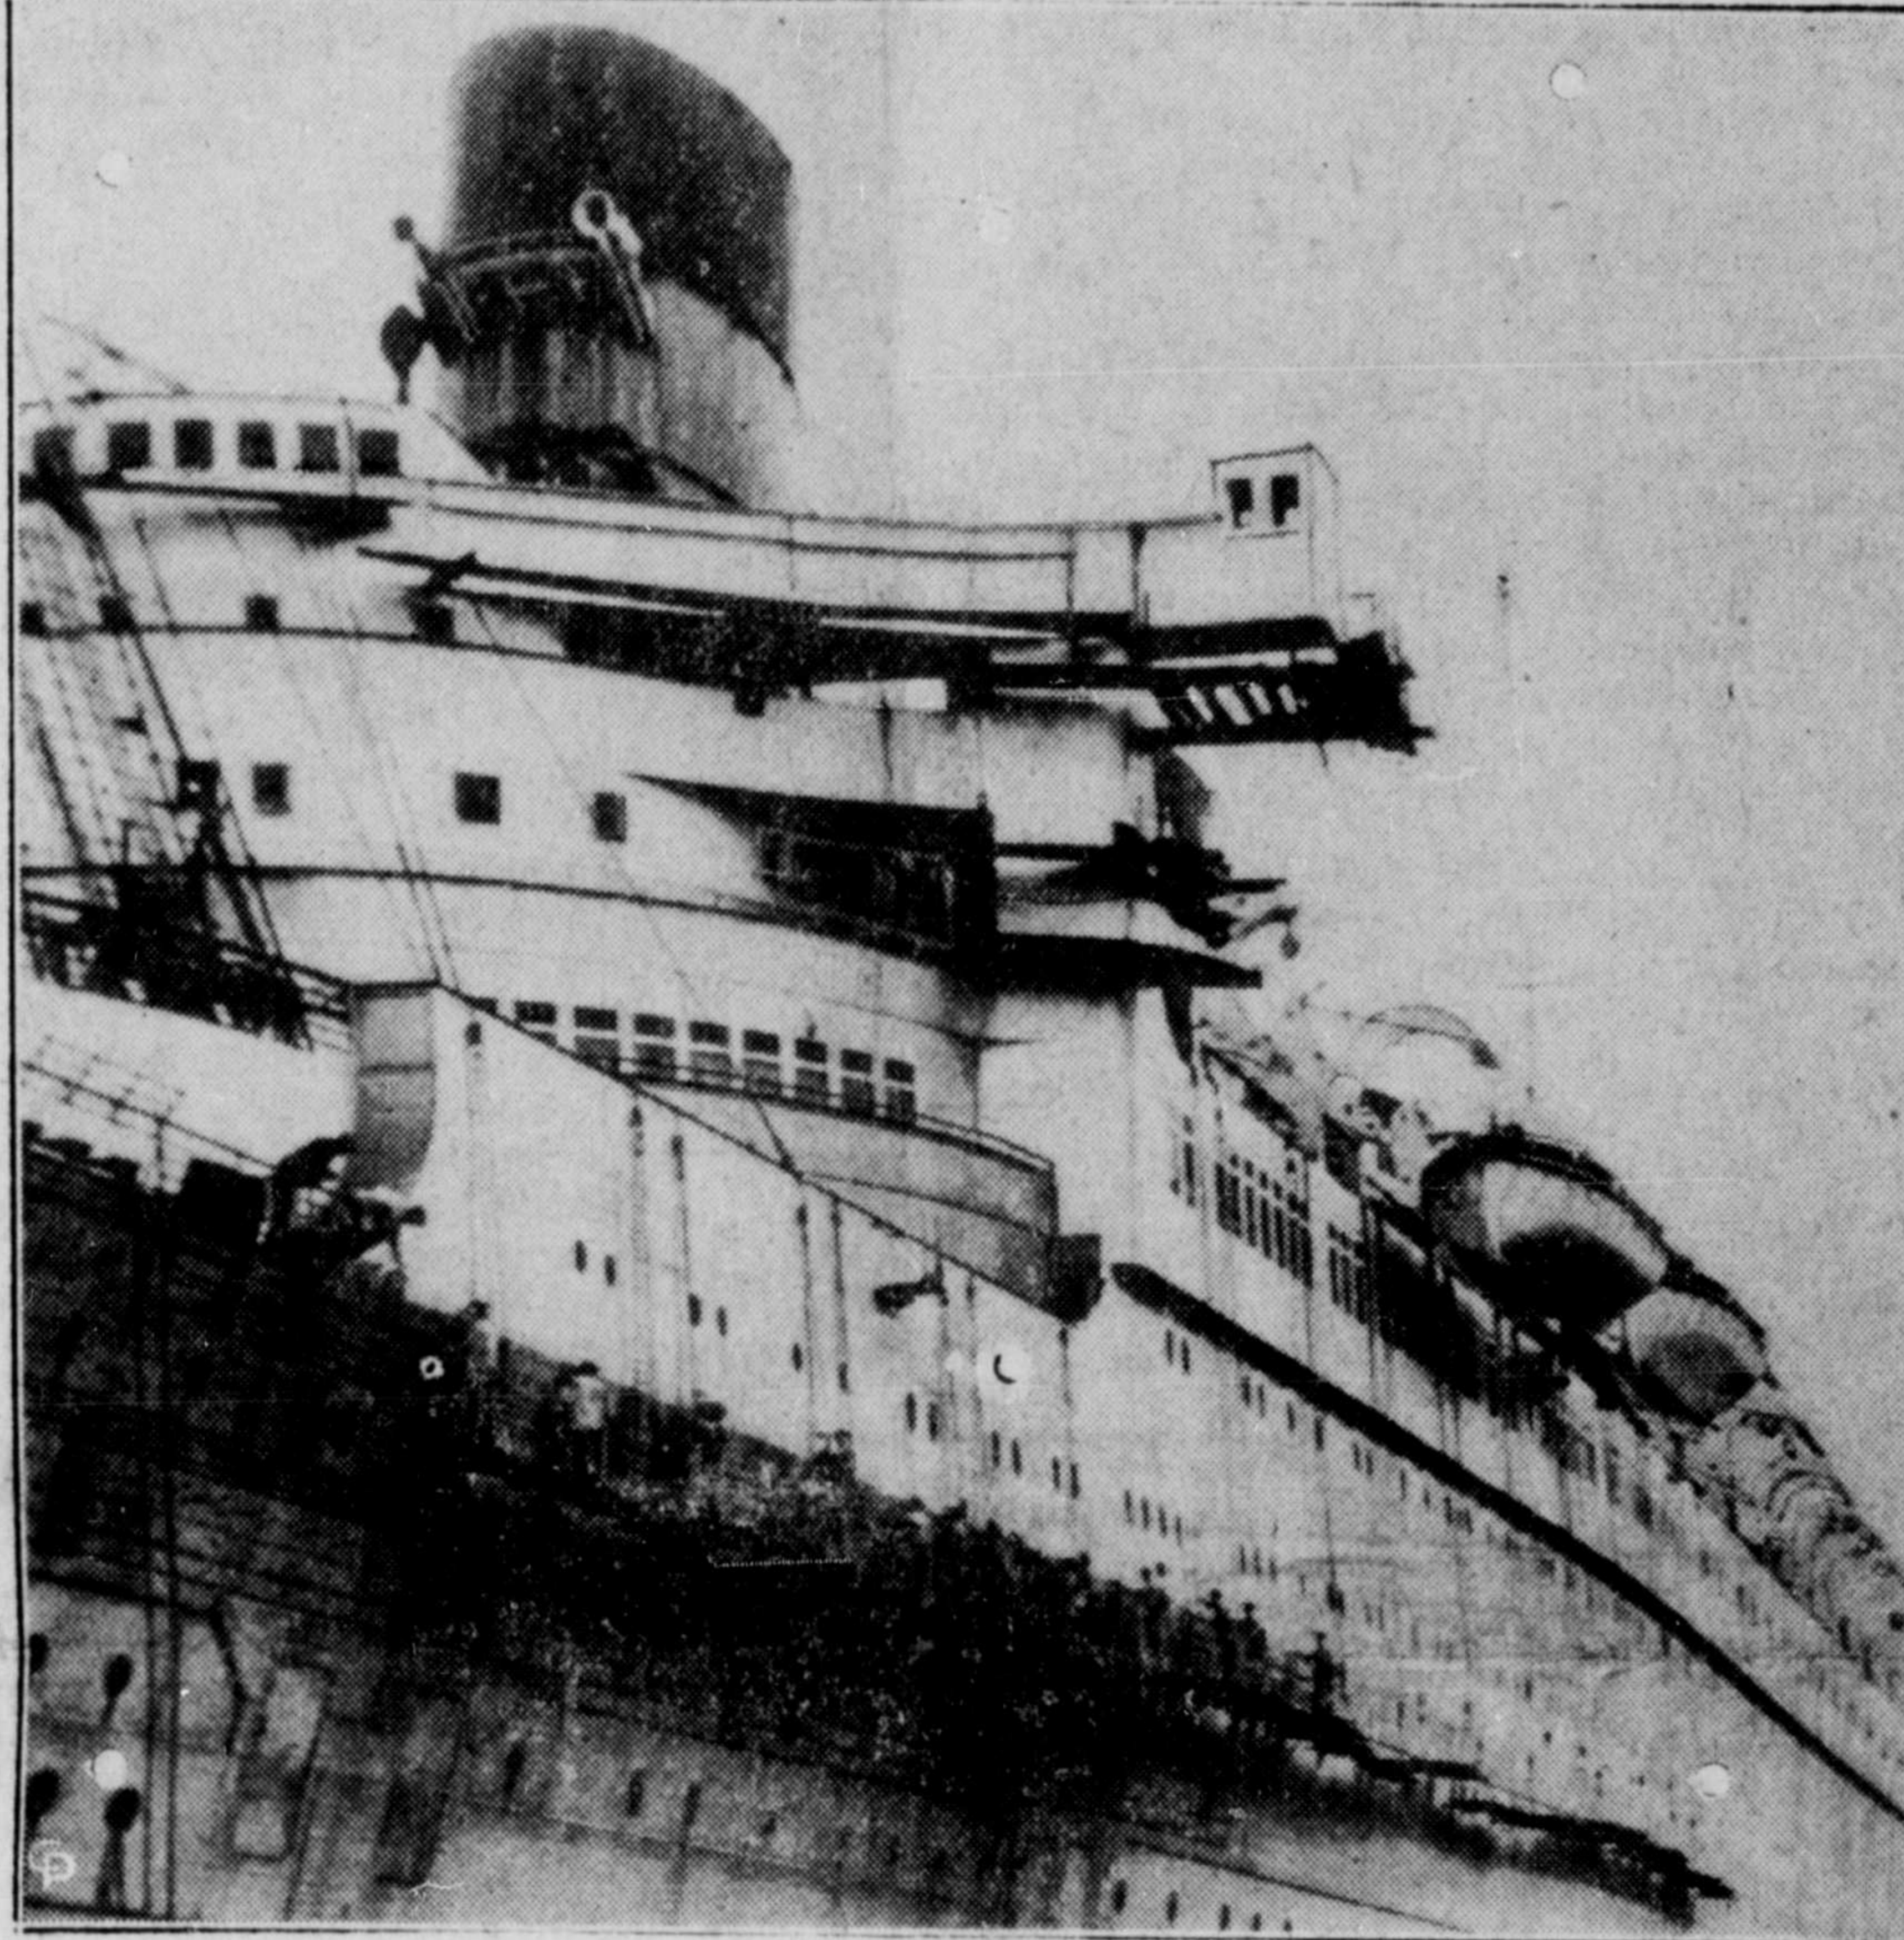

George Pottinger, charged with breaking and entering the post office at Port Clements and taking therefrom \$13 in cash, elected for speedy trial on appearing before Judge W. E. Fisher in County Court yesterday. Date of trial was set for April 9. Witnesses will be brought to the city from the Queen Charlotte Islands.

Mrs. Livermore Says Accident

California Woman Arraigned On Charge of Shooting Her Son

SANTA BARBARA, Cal., March 27.—Mrs. Dorothea Livermore has been arraigned here in connection with the shooting several months ago of her young son during a drunken quarrel. Mrs. Livermore pleads that the shooting was accidental.

The Queen Mary Being Washed For Test Run

This picture shows painters going over the hull of the super-liner Queen Mary at Clydebank, Scotland. Over the white hull they are putting a coat of black paint. She will sail from Southampton on May 27. Her first test run to Southampton is now in progress.

TODAY'S STOCKS

Table listing various stocks and their prices, including Vancouver, Toronto, and Shrewsbury. Includes items like B. C. Nickel, Big Missouri, Bralorne, B. R. Con., B. R. X., Cariboo Quartz, Dentonia, Dunwell, Minto, Meridian, Morning Star, National Silver, Noble Five, Porter Idaho, Premier, Reno, Relief Arlington, Salmon Gold, Taylor Bridge, Wayside, Bidgood Kirkland, Beattie, Central Pat., Chibougamau, Gods Lake, Granada, Interl Nickel, Lake Maron, Lee Gold, Little Long Lac, Maccasa, McKenzie Red Lake, Noranda, Perron, Pickle Crow, Red Lake Gold Shore, San Antonio, Sherritt Gordon, Sisco, Smelters Gold, Stadacona, Sturgeon River, Sudbury Basin, Teck Hughes.

Wheat Payment Equalization Before House

OTTAWA, March 27: (CP)—The government last night introduced its bill to authorize equalization of payment to western farmers selling wheat to the pools in 1936 and limiting the sum to be used in the equalization to \$6,000,000.

DUG UP HOARY PIECES

SHREWSBURY, Eng., March 27: (CP)—Two hundred ancient coins, 1000 years in the ground, have been unearthed by workmen and placed in the Public Museum here.

Halibut Arrivals

Table showing halibut arrivals from American and Canadian sources. American arrivals include Sherman (17,000), Teddy J. (14,500), and Mary R. (8,300). Canadian arrivals include Bayview (4,500), Fanny F. (5,000), Kalen (11,000), and a pair of Jacks (15,000).

Canadian National Management To Be Changed Under New Bill Before House; Hungerford Head

OTTAWA, March 27: (CP)—A bill designed to transfer the management of the Canadian National Railways and affiliated companies from the present board of three trustees to a board of seven directors was introduced in the House of Commons yesterday by Hon. Clarence D. Howe, minister of railways, and was given first reading. A number of changes are provided to give the government charter control of the system. The government will select the directors and name a chairman. The president, who would be the chief executive officer, would be chosen by the directors with the approval of the government.

While no announcement will be made until the bill becomes law, there have been frequent forecasts that S. J. Hungerford, the present president, would be both president and chairman. His appointment, it is believed, would be popular throughout the country and also within the system itself.

C.C.F. Members Join Up With Government; Vote 28 to 10 For Measure

Hart Proposes Backing Cancer Foundation Note—Winch Urges Medical Examination Before Marriage—Kenney Makes Scene in Agricultural Committee

VICTORIA, March 27: (CP)—The government's health insurance bill passed second reading in the Legislature last night on a division of 28 to 10. Co-operative Commonwealth Federation members voted with the government while five Liberals, one Unionist, three Independent Non-Partizans and one Oxford Group members voted against it. Those voting against were:

WINS AT AINTREE

Reynoldstown Takes Grand National For Second Time—Ego, Second; Bachelor Prince, Third

AINTREE, Eng., March 27: (CP)—The great nine-year old jumper Reynoldstown, belonging to Major Noel Furlong, today won the Grand National Sweepstake for the second successive year, a feat which has been accomplished only once before. Reynoldstown, third choice to win, romped home to an easy victory, twenty lengths ahead of second place Ego, owned by Sir David Llewellyn. Third in the chase, run over thirty heart-breaking jumps before a crowd of more than 200,000, was James V. Rank's Bachelor Prince, six lengths behind Ego. Only ten of thirty-five starters finished.

Golden Miller, the favorite, fell after the first jump, got up and continued but did not finish.

The second choice, Mrs. Violet Mundy's Avenger, fell the second time around, broke his neck and was destroyed.

After Bachelor Prince in order were Crown Prince, Inverslil, Provocative and Castle Irwell.

TORONTO MAN WINS

The lone Canadian to hold a ticket on Reynoldstown in the Irish Hospitals Sweepstake was A. L. Coon, salesman for a Toronto department store. He wins a fortune.

Bond Mart Tone Remains Steady

International Disturbances Not Reacting Seriously

TORONTO, March 27: (CP)—Despite international disturbances the Canadian bond market continues to maintain a fairly steady tone, little liquidation appearing recently. The issue of \$20,000,000, of 999 percent, set a new low interest record for this type of security, says Wood, Gundy and Company. The tendency of investors to buy on easier price movements, says the company's weekly bulletin, indicates that funds for investment continue to accumulate steadily.

KIMBERLEY WINS FIRST

CALGARY, March 27: (CP)—In an overtime battle, Kimberley Dynamiters defeated Fort William Wanderers 6 to 5 last night in the first game of the Western Canada senior hockey final series.

Liberals—D. W. Strachan, Dewdney; Dr. J. J. Gillis, Yale; L. A. Hanna, Comox; Dr. W. H. Sutherland, Revelstoke, and S. S. McKeen, Vancouver-Point Grey.

Unionist—R. H. Pooley, Esquimalt.

Independent Non-Partizans—Clive Planta, Peace River; Herbert Ancomb, Victoria, and R. W. Bruhn, Salmon Arm.

Oxford Group—Hugh Savage, Cowichan-Newcastle.

Hon. John Hart, minister of finance, introduced a bill under which the government would back a note for \$105,000 for the purchase of three and a half grams of radium by the British Columbia Cancer Foundation.

Another bill, introduced by E. E. Winch, C. C. F. member for Burnaby, would amend the Marriage Act and require both parties contemplating marriage to undergo medical examination.

Hon. G. S. Pearson, minister of mines, moved to tighten up the Mineral Survey Act by introducing amendments which would compel all public mining companies to file with the Department of Mines and with the resident engineer of the district in which the property concerned is located copies of all publications relating to the mine.

Scene With Kenney

In the agricultural committee yesterday E. T. Kenney, Liberal member for Skeena, asked Hon. Dr. K. C. McDonald, minister of agriculture, to call a conference of the advisory board of Farmers' Institutes at least once a year.

The minister said that the meetings had been delayed until after marketing laws had been clarified, the Supreme Court of Canada having not yet made its ruling on the federal reference. Some farmers, Dr. McDonald said, like to come to Victoria to enjoy themselves while the House was in session but it would be better for them to come when the House was not sitting at which time all facilities of the Department of Agriculture would be afforded them for their discussions.

Mr. Kenney said he did not like this attitude towards the farmers and felt there was no use presenting resolutions which he had received from the institutes. He thereupon walked out of the committee meeting.

Founder of Coast Mission Retiring

Rev. John Antle, Who Has Labored For Many Years, to Take Rest

VANCOUVER, March 27: (CP)—Rev. John Antle, founder and superintendent of the British Columbia Coast Mission for more than thirty years, will retire shortly.

The Family Shoe Store

announces a change of management. You are invited to come in and make yourself known. Mr. Norman Redman has had twenty years' experience in the shoe business and is a graduate of the American School of Practipedics which assures you that your foot troubles can be taken care of. He has also taken special courses in Foot Fitting and has made an extensive study of leathers and shoe building.

The New Spring Footwear is on its way so make a visit to the store, meet Mr. Redman and see the new shoes.

BANK DEPOSITS

Deposits in the largest banks in America are tabulated in a booklet just issued by the California Bank of Los Angeles. The Federal Reserve Bank of the United States at New York is the largest with three and a quarter billion dollars. Next comes the Midland Bank Ltd. with head office in London, slightly over two billions. Chase National Bank runs a close third. The Bank of England comes thirteenth with \$876,000,000, Bank of Montreal, seventeenth; Royal Bank of Canada, eighteenth; Canadian Bank of Commerce, twenty-second. In all, the list contains the deposits of one hundred and fifty banks located in the United States, Britain or the British Dominions, and it is seen from this that the Canadian banks stand very high in the amount of business of this kind they handle.

DOING GOOD WORK

About a year ago people who had been watching the progress of work on the sunken garden at the back of the Court House were much disappointed to find that the improvements were not carried on to a point where the garden could be an attraction for that season. Little was done all summer but recently there has been much greater activity with the result that the garden now looks as if it would really be a thing of beauty pretty soon. New walks have been made and earth has been hauled for the lawn at the bottom of the dip.

It is hoped that the work will continue so that people may be able to see exactly what it means. Should the city become busy industrially, beautification may be forgotten but if the authorities are once brought to a realization of what this particular work means they will be reluctant to let it go back to its former wild condition.

Those who drive around the circle at the back to see what is going on there should hesitate before doing so at present as the road is very rough, much rougher than it has been for the past two years.

NEWS OF THE MINES

Production at Esperanza Curtailed on Account Of Recent Fire—United States Capital Becomes Interested at Surf Point

Production of the Esperanza mine at Alice Arm has been considerably curtailed as a result of the fire which took place recently in the compressor building. The mill, however, is continuing to be operated on ore which has been mined, the milling plant having not been damaged. The Esperanza had recently opened up, the first shipment of ore having been sent out a week or so ago. It had been the intention to carry on continuous operations.

Control of Princess Royal Gold Mines Ltd., operating the famous old Surf Inlet property on Princess Royal Island, down the coast from Prince Rupert, is reported to have passed into strong hands in the acquisition by a United States group of an option of the interest in the property held by J. B. Woodworth, president and managing director. P. W. Racey M.E., who was formerly on the staff of the Belmont-Surf Inlet Co., which operated the property for years, and Mr. Woodworth have recently been at Surf Inlet. Mr. Racey is believed to have been making an examination for the United States interests.

Arthur Cameron, one of the contractors on the Roosevelt property, has been in Stewart for supplies, bringing with him about fifty pounds of high grade ore from the property, included in which were some of the best specimens of silver ore ever shown in the camp. Many of them were practically covered with metallic silver. Others of wire silver were spectacular. The tunnel is in 125 feet and the width of ore in the face is two feet, maintaining consistent dimensions of ore as progress is made in drifting on the vein. Cameron estimates that the tunnel development will give approximately 200 feet of back. All ore taken out during development is being sorted and sacked and about seven tons of high grade ore is now ready for shipment. The ore taken out during the next two months will be stored at the property until about the first of June when transportation conditions up Bitter Creek will be more favorable for economic freighting. Then the product will be shipped to smelter.

Despite unfavorable conditions for transportation with the snow honeycombed by recent heavy rains, D. D. Kimball is making good progress with freighting of supplies from Stewart to the Excelsior Syndicate's property up Bear River. Lumber and other building material will arrive at an early date. Then Mr. Kimball will employ two shifts with tractor and move all materials to American Creek where the equipment and supplies will be assembled before starting to move any of it up American Creek to

the Excelsior which is situated twelve miles from the highway. Approximately 100 tons will be freighted in for this season's operations.

John Smith and four other New Hazelton men left New Hazelton on Tuesday of this week for Burn Lake where they were to take a plane for their placer ground on McConnell Creek in the Omineca country to spend the summer season. In addition to Mr. Smith the party consisted of John Dahl, Hallan Lindstrom, Alfred Lindstrom and Eric Larson. They expect to be away for about seven months. They had some 3000 pounds of provisions and equipment with them. Pete Jensen of New Hazelton is also going into McConnell Creek but he will wait for spring and use horses instead of going in by plane.

Mining interests are requesting the provincial government to put in a stub road up Bitter Creek for the purpose of serving mining properties in that area of the Portland Canal district. A delegation consisting of Owen J. McFadden, C. M. Oliver and R. M. Stewart recently interviewed the government at Victoria with this end in view. Assurance was received that the road would be built up Bitter Creek for six miles. This would provide transportation facilities for a distance of one mile up the north fork.

Twenty-Five Years Ago

March 27, 1911
Building permits to the value of \$3200 were issued in the city during the past week. It is announced by M. J. McNeill, building inspector.

The Prince Rupert Industrial Association has sent a letter to Ald. G. W. Kerr approving his attitude in connection with the strike dispute.

An Overseas Club has been organized in Prince Rupert.

BARRIE'S PLAY OPENS
LONDON, March 27: (CP)—"The Boy David," Sir James Barrie's latest play, with Miss Elizabeth Bergner as the leading lady, will open at His Majesty's Theatre April 4, following its initial production in Edinburgh, March 14.

CAME FAR FOR ART
LONDON, March 27: (CP)—Two Chinese women travelled 11,000 miles from Peking to see the exhibition of Chinese art at Burlington House, where it attracted 400,000 people.

MAY GO TO VIMY

Parents Share Honor Awarded Canadian V. C. Who Was Killed In France

SASKATOON, March 27: (CP)—An aged western couple, parents of Sergeant Hugh Cairns, V. C., D. C. M., are planning to go to France with the Vimy Pilgrimage this year. If they do, they will share in the honor being accorded their son as they watch officers of the 65th Saskatchewan Battalion Association place a permanent wreath on the avenue in Valenciennes to be named in honor of their son, whose valor drew comment from the late General Sir Arthur Currie.

General Currie, in the foreword to "Canada's Sons in The Great War," by Col. George Naismith told how Sergeant Cairns had captured many enemy machine guns near Marley and single-handedly forced more than 60 of the enemy to surrender.

The aged parents, visited recently by a reporter, smiled wistfully when referring to the honor being done their son at Valenciennes where his courage led to his death Nov. 2, 1918.

Seated in the kitchen of the home from which they watched two sons go to war never to return, they had little to say. The father of one of Canada's war heroes confided he had been the guest of honor at the annual banquet of the 65th Battalion Association, March 16, and received the plaudits of his son's comrades. He has regularly attended the banquets since their inception.

The mother held a medal in her hand. It was the coveted Victoria Cross, presented to her in 1921 by Sir Richard Lake, Lieutenant-Governor of Saskatchewan. With it was something else—two cardboard folders and two grey-backed booklets. From one of the booklets, fluttered a black and white card, bearing the Royal Arms.

Mrs. Cairns opened the little folders, each showing the picture of a wooden cross carrying three metal strips. She exhibited them hesitatingly. They were all she had left. The grey-backed booklets showed the location of the graves in Aubercicourt and Terlincthun cemeteries.

TOO MUCH CO-OPERATION
JOHANNESBURG, March 27: (CP)—A native was sentenced to five months' imprisonment recently for bigamy despite the fact he married the second wife with the consent of his first spouse and thought he was doing no wrong under South African law.

TO HONOR ASTRID
BRUSSELS, March 27: (CP)—Parks for children are to be laid out as a memorial to Astrid, late Queen of the Belgians, in addition to an open air hospital for babies in Brussels and a monument. There will be a park in the chief town of each of the nine provinces of Belgium.

FAIRBANKS FINALLY WEDS LADY ASHLEY

After Dame Rumor had worn out a couple of tongues with whispers about their marriage, Douglas Fairbanks, American screen star, and Lady Ashley of the British nobility are shown just before they made rumor speak the truth for once. They were married in Paris after some difficulty in procuring a licence.

FROM CADDIE TO DEAN

NOTTINGHAM, Eng., March 27: (CP)—Tom Williamson, professional at the Nottinghamshire Golf Club, created a record for the country recently when he completed 40 years' continuous service with the club. Williamson, a British open championship entrant every year since 1897, started with the club as a caddie at the age of seven, becoming a professional nine years later.

BOWLING GOING STRONG

CHICAGO, March 27: (CP)—Eighty thousand women competed in a newspaper-sponsored bowling tournament in Chicago. Another mid-western meet featured husband-and-wife competition and a tournament for brothers in Peoria, Ill., attracted 851 brother acts.

BEATS SWIM RECORD

DURBAN, March 27: (CP)—A. E. Sprague created a new South African swimming record recently when he finished the 500 yards race in 5:58 2-5, 11 seconds better than the old mark. The world's record for the distance is 5:31 2-5, held by Arne Borg of Sweden, and was established in Detroit in 1926.

TALKING RUGBY ALREADY

DURHAM, N.C., March 27: (CP)—Duke University, which upset the high-riding Tarheels of the University of North Carolina last fall, opens its 1936 grid campaign against Davidson in Greensboro the night of September 19 and meets Colgate here September 26.

A wash-woman is the open golf queen of the Philippines. Competing against a select field of American socialites husky Dominga Captati, 25-year old Filipino girl, captured the 1936 title. She was the only Filipino entry—and she never had a golf lesson. Dominga took up golf in 1932, won the women's championship the next season and came back to the throne this year. Taking time off from her floor-scrubbing and clothes-washing at the Calamba Sugar Estate, where she has the title of house-girl, she won the medal with 87 and the trophy with a neat 357 for 72 holes.

Dominga tells an interesting story of her start in golf. While working as a lavandera (wash-woman in the United States) she watched wealthy women strutting around a nearby golf course. Broad shouldered and powerful, Dominga got herself one club, and, imitating the stance and swing of the American women, she drove a ball straight down the middle, some 200 yards. Then she patterned her game after that of Larry Montes, one of the best golfers in the islands. Her shots became long and true, her putting exceptional.

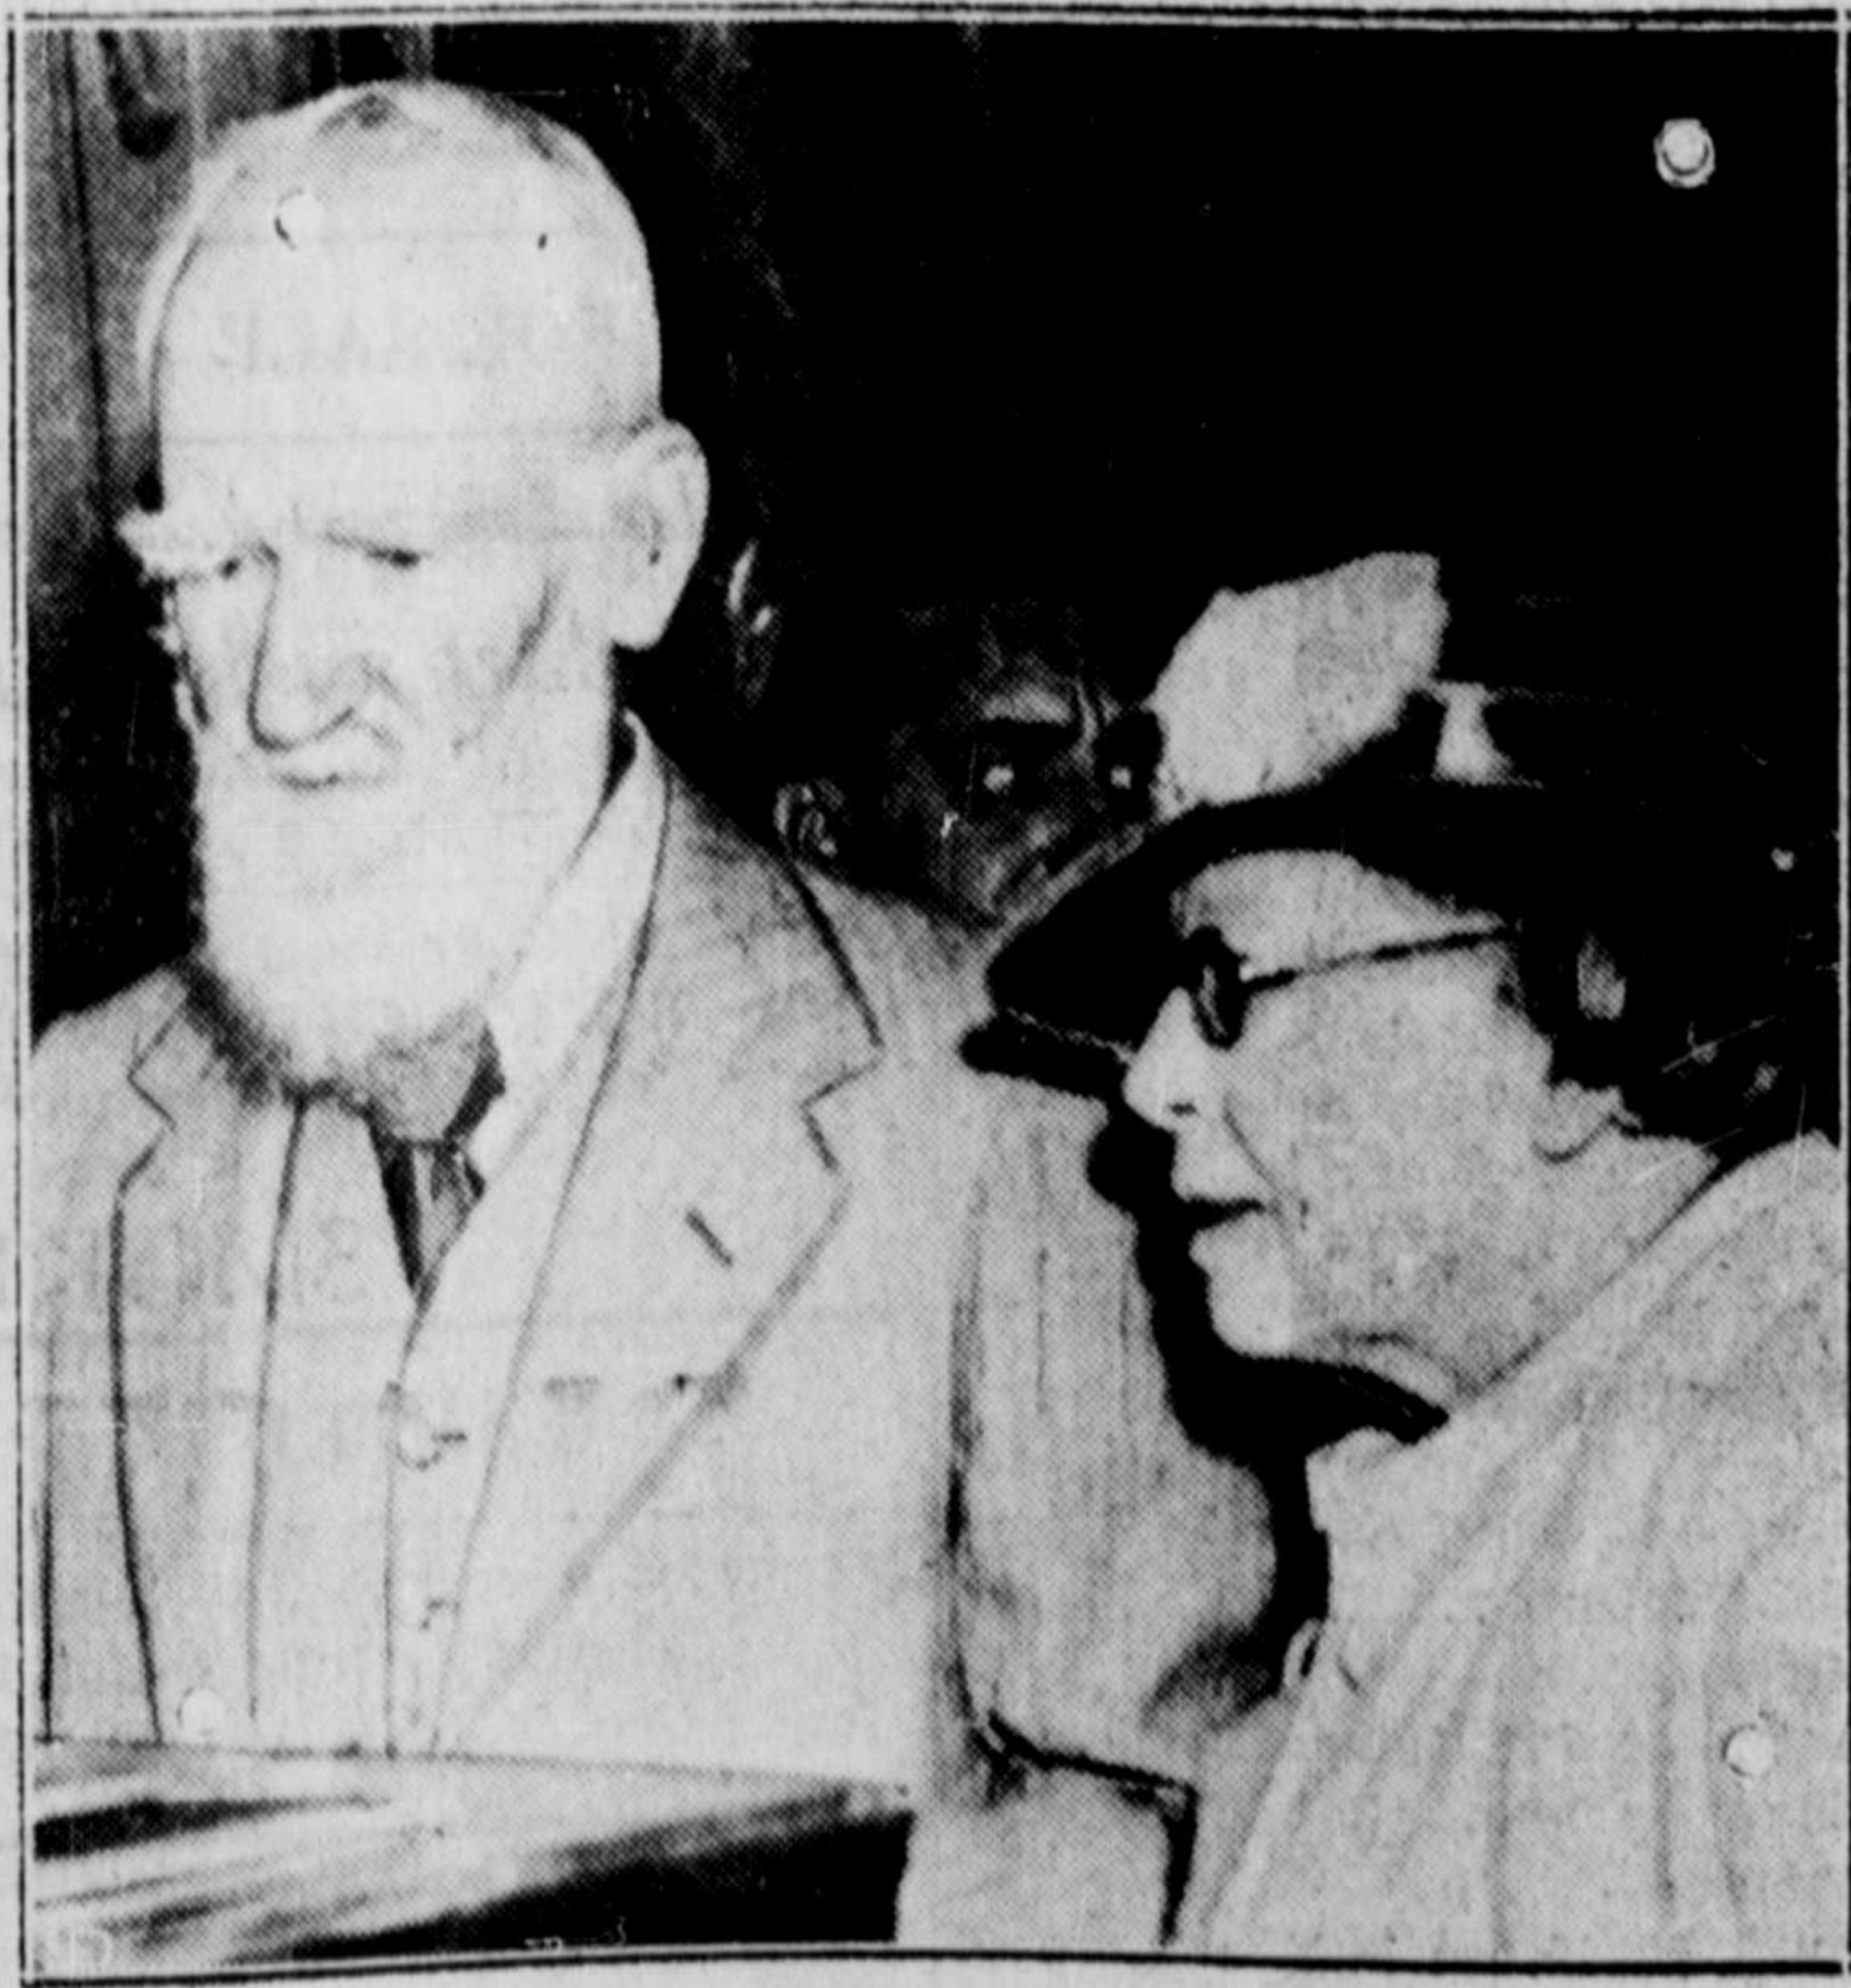

The girl does not know what nerves are. She seldom addresses the ball more than a few seconds, taking her stance with a great show of nonchalance. She consistently betters 200 yards off the tees and her putting is bold and quick. Her trap shots are the envy of Filipino pros and her recoveries from bad lies are nothing short of amazing. Tournaments don't perturb the golfing mental. After shooting 87 to win the medal on a Sunday morning, she went to Cebu in the afternoon and played third base for a baseball team. She then returned to the Manila Golf Club on Monday and swept on to the golf title.

SHE CAN TAKE IT

CANBERRA, Australia, March 27: (CP)—"Nothing makes me tired," boasted 15-year old Dorothy McFeeters as she trooped off the cricket field after playing two successive games. In the first contest starting at 9 a.m., Dorothy hit up 41 runs and then bowled throughout her opponents' innings taking seven wickets for 13 runs. At the close of her second fixture—5:30 p.m.—she took three for 42 and batted out one six and seven fours for 40 runs.

The Daily News is an A. B. C. paper.

G. B. SHAW AND WIFE ARE FINGER-PRINTED

George Bernard Shaw, famous playwright, visiting America on a round the world trip, is shown in San Francisco with Mrs. Shaw enroute to the Grand Canyon. He is shown above in one of his few pictures taken with Mrs. Shaw as they were fingerprinted in San Francisco for immigration authorities.

MOOSE WINS CITY TITLE

Defeat Grotto For City Senior Championship—Fast, Exciting Game

Senior League — Moose, 30; Grotto, 29.
Junior League—Junior Moose, 33; High School, 27.

In a fast, exciting game last night that had the crowd on its toes most of the time, the Moose defeated the Grotto 30-29 to win the city hoop championship. Both teams played championship ball from start to finish with neither side having the edge and the score see-sawing back and forth. The Moose got the one point advantage with three minutes to go and held it, neither team doing any scoring in that time, although the Grotto team came down the floor in five man rushes time and time again but was stopped by the sound defence put up by the Moose.

The Moose opened the scoring when Mitchell sank one of his long shots followed by a penalty shot by Roy Morrison. The Grotto came right back and Lanky McPhee sank three nice shots in quick time to give them the lead. Due to the heavy checking of both teams the score at half time was 13-12 with the Grotto holding the advantage.

The second half started out fast and the pace never slackened. Murray and Stalker were playing a great game at guard for the Tobacconists with Murray being very effective in the first half in stopping Stiles. In this half the big boy really settled down to work and scored four baskets of rebounds. Ratchford, the Grotto sharpshooter, who was playing the game of his life, was the outstanding player on the floor this half and, besides back-checking like a Trojan, he brought the house to its feet time and time again with some great shots from the side. He was really instrumental in making the score so close as he made twelve points alone in this period. The Moose team, as a whole, played a fine game with little to choose between any of them and deserved to win but it was a tough game for the Grotto to lose as they were in there trying all the way. Ratchford led the Grotto sharpshooters by making 14 points and Sonny Stiles topped the Moose scoring with 11.

Individual scoring:
Grotto—Stalker (1), Ratchford (14), McPhee (10), Smith (4), Murray, Morgan.
Moose—Stiles (11), J. Morrison (4), Christison, R. Morrison (9), Mitchell (4), Smith (2).

Junior Opener

In the opener the Junior Moose defeated the High School intermediates 33-27 in a fast, clean exhibition game. The Lodge boys had a great game to defeat the Students and deserved to win. The outstanding player on the floor was Billy Hale who plays a fine game at guard for the Moose. This boy has all the earmarks of making a real player with proper coaching.

Individual scoring:
Junior Moose—Crompt (8), Hale (7), Blake (2), Lear (10), Husoy (6), Eby.

High School—Hirano (7), Naylor (2), Fulton (2), McMeekin (3), Eastman (4), Davis (5), O'Neil (4).

LOVELOCK AS A BOXER

LONDON, March 27: (CP)—Jack Lovelock, New Zealand Olympic miler, has gone in for boxing. He has been entered as a lightweight for St. Mary's Hospital in the annual hospital's championships at the Stadium Club here.

Prince Rupert Wins Badminton

Exhibition Tournament Last Night Results in Eight Points To Six for Local Players

Prince Rupert badminton players defeated the visiting Ocean Falls team again last night by an aggregate score of eight points to six in an exhibition tournament at the Armory courts. The outstanding games of the evening were men's singles matches in which H. J. Horton of Prince Rupert defeated Gene Harnett, the star Ocean Falls player, while C. J. Norrington was winner over P. Kelly of Ocean Falls.

The Ocean Falls party sailed by the Prince Rupert last night on its return to the paper town. The detailed results were as follows:

P. McIntosh and D. Greggor (Prince Rupert) beat D. Williams and G. Goodall (Ocean Falls) 15-11, 12-15.

G. Harnett and Miss Bird (Ocean Falls) beat S. Ward and Miss M. Lawrence (Prince Rupert) 15-8, 9-15.

P. Kelley and D. Williams (Ocean Falls) beat M. McCaffery and W. Murray (Prince Rupert) 15-11, 15-12.

Miss Margaret McCaffery and Mrs. A. E. Parlow (Prince Rupert) beat Mrs. Kennaird and Miss Bird (Ocean Falls) 8-15, 15-10.

H. J. Horton (Prince Rupert) beat G. Harnett (Ocean Falls) 15-12, 15-11.

C. J. Norrington (Prince Rupert) beat P. Kelley (Ocean Falls) 18-17, 15-12.

P. Peterson and Miss M. Vance (Prince Rupert) beat Miss E. Benson and D. Williams (Ocean Falls) 9-15, 15-12.

Speedway Teams Invade England

LONDON, March 27: (CP)—United States midget automobile racing drivers will display their skill in England this spring and their visit is expected to give a fillip to the sport. "Sprouts" Elder, a few years ago the greatest speedway attraction in England, may come over from the States to manage the drivers.

CHAMPS FOR DODGERS

BROOKLYN, N.Y., March 27: (CP)—The Dodgers have two minor league batting champions of 1935 on their 1936 roster—Oscar Eckhardt, the husky Texan who led Pacific Coast League sluggers with a 399 average, and John Cooney, pace-setter in the American Association who batted .371 for Indianapolis.

KING EDWARD ATTENDS INDUSTRIES FAIR

King Edward VIII is seen here being welcomed by officials at Olympia, in London, as he attended his first official function since he became King. It was the occasion of the British Industries Fair.

Younger Tennis Players Will Be Encouraged

STEWART, March 27:—A move to foster tennis activity on the part of younger people was instituted at the Stewart Tennis Club annual meeting here.

Officers elected for the 1936 season were: President, H. W. M. Rolston. Vice-president, A. Russwurm. Secretary, Mrs. D. Bennett. Mrs. H. C. Bennett, Father Anthony, and T. Melville form the new executive committee.

BRUSSELS, March 27: (CP)—A league for the defence of amateurism in sport has been organized by a group of Belgian sportsmen, aiming to preserve the amateur status existing in Belgian tennis.

"Little Ben" is Big

LONDON, March 27: (CP)—"Little Ben," the biggest gong ever made in Great Britain, is being used at Wembley stadium boxing bouts. It weighs 71 pounds and was specially cast in copper and tin by the same firm that made the Westminster Abbey bells in 1583 and the bells of famous "Big Ben," the parliament clock.

KENTUCKY HORSES GO TEXAS BRADY, Texas, March 27: (CP)—Kentucky thoroughbreds, including some of the best blood lines, have been shipped here for disposal to ranchmen and race horse enthusiasts.

CHALLENGE ACCEPTED

The Rotary Club yesterday decided to accept a challenge from the Gyro Club for a return game of ten pins and five pins, the teams to be headed by Paul Armour and Peter Laskie respectively.

Tells Club How To Grow Flowers

William Millar Gives Excellent Advice to Rotarians Based On His Own Experience

At the regular weekly luncheon of the Prince Rupert Rotary Club yesterday William Millar gave the members some practical advice on gardening. He took exception to the proposal to make Prince Rupert a city of roses because, he said, the winters here were too hard on the plants. The wood did not properly ripen in the fall, giving the frost an opportunity to cause damage. Wall roses got a better opportunity but not on the north side. The wood should ripen in October or the life of the tree was endangered.

Many annuals did well in Prince Rupert such as stocks, asters, pansies, marigolds, antirrhinums, single dahlias, salvia, dwarf petunias, nasturtiums and sweet peas. The best way to raise them was to sow the seeds in pots or boxes now so that strong young plants may be ready to put outside at the end of May or early in June. Several dozen seeds should be sown in a six inch pot and pricked out into boxes as soon as in second or third leaf. Nasturtiums or sweet peas might be sown outside.

Half hardy annuals such as mignonette, poppy, annual chrysanthemums, candytuft, godetia cornflower, sweet sultan, and clarkia might be sown outside the end of April or early in May and covered with a bell glass to protect against drying winds. Air should be admitted gradually until the young plants had hardened off.

Perennials that were successful here were aquilegia, border carnations, delphiniums, perennial asters, canterbury bells and scabiosa.

Mr. Millar urged the planting of hedges. He found the hemlock the most useful tree for this purpose. If trimmed in the spring it made a compact hedge, better than any of the other native trees or shrubs.

At the conclusion President W. M. Blackstock thanked the speaker for his excellent advice.

District News

Q. C. ISLANDS

From what can be gathered on the Queen Charlotte Islands the good ship Prince John must have had quite an exciting experience on her last voyage north from Vancouver. It is reported that great seas swept clear over the whole of the staunch little ship, doing considerable damage.

Capt. John Haan of Queen Charlotte City has been making the rounds of Skidegate Inlet to inspect the timber holdings of the Pacific Mills Co. of Ocean Falls which concern he represents on the Queen Charlotte Islands.

James Denholme was a visitor from Tiell at Queen Charlotte City and Skidegate on Sunday last.

TERRACE

Mrs. Annie Ross left yesterday for Seattle via Prince Rupert.

Father Maurice Smith O.M.I. of Prince Rupert is conducting a mission at Terrace Catholic Church. Father Smith is very popular and is making friends in the strawberry town.

A. Jordan has gone on a business trip to Eastern Canada.

Mrs. Dubeau left on Tuesday's train for Prince Rupert.

The Anglican Bishop, Rt. Rev. G. A. Rix D.D., was here over the week-end in order to hold a Confirmation Service for seven youthful Anglicans. His Lordship returned to the city on Tuesday.

DOCTOR IN HOSPITAL.
SMITHERS, March 27.—Dr. R. B. Brummitt is at present a patient in the Smithers Hospital where an operation was performed on his leg Tuesday to remove a plate that had been placed on the bone three years ago as a result of a very bad fracture while playing baseball.

ROMANTIC FILM HERE

"Anything Goes" is Tuneful, Funny And Spectacular

Replete with tuneful songs, comic scenes and romantic sequences on a trans-Atlantic liner, "Anything Goes," screen presentation of a well known Broadway musical comedy, comes to the Capitol Theatre here this week-end. The cast includes Bing Crosby, Ethel Merman (known as the Broadway rhythm girl), Charlie Ruggles, Grace Bradley and Ida Lupino. Original songs of the picture include "You're the Top," "Anything Goes" and "I Get a Kick Out of You." There are also some colorful and spectacular dance numbers woven into the fast-moving story.

Because of a lovely girl seemingly in distress, Crosby finds himself on an ocean-going liner. Friendly overtures from a would-be bad man result in his possession of a passport belonging to a public enemy. The singing star dashes madly about the boat, in a variety of disguises, eluding ship officers, romantically making love and taking time out to sing parodies with Ethel Merman, who has an unrequited crush on him. A whirlwind chase at the dock winds up in a fervid romantic confession while a dazed mob hears Bing's whispered words of affection boom through the air through the agency of a loud speaker.

In addition to the feature picture, there will be special interest in the presentation on the same program of pictures in connection with the recent death and funeral rites of the late King George V.

Plays and Music Are Enjoyed At Terrace Social

TERRACE, March 27.—Terrace Young Peoples' Association staged a successful social evening at the Oddfellows' Hall on Friday, when two plays were presented. In the intervals there were musical items. The house was crowded to capacity, the amateur dramatics were well done and the audience was charmed by the two solos which were rendered by Miss Velma Greig.

M. P. WANTS MILK BAR

LONDON, March 27. (CP)—E. Turtle, Labor M. P. for Shore-ditch has suggested an up-to-date milk bar for the House of Commons, contending this would increase the amenities and assist in the campaign for a larger consumption of milk.

Winter Again In Bulkley Valley

Curling and Hockey Enjoyed Although Most Folk are Tired Of Cold

SMITHERS, March 27.—Winter returned to the Bulkley Valley during the past week and, with the temperature getting as low as

eight degrees above, the winter sports of curling and hockey were started up once more for the enjoyment of the patrons of these games.

Yesterday morning the townspeople woke to find two inches of brand new snow covering their back steps and sidewalks.

It is hoped that this is the March Lion getting ready to make his departure and, if he never shows up again this year, it will be soon enough.
