### Halibut Problems Discussed Monday

Boat Owners Were in Session Yesterday Afternoon-Preparing For Commission

General problems affecting the halibut fishery, more particularly from the standpoint of the boat owners, were discussed at a meeting of the Canadian Halibut Fishing Vessel Owners' Association held yesterday afternoon at the local Fish Exchange. Matters which will be taken up with the International Fisheries Commission at a hearing which it is expected will be held in Prince Rupert before long were under review

In the place of the president, Capt. George Fritz, who was absent owing to illness, Capt. David Ritchie occupied the chair. There was a good attendance of boat owners.

### Smithers Gets Record Deluge

Streets in Bad Shape as Result Of Exceptional Downpour

SMITHERS. Nov. 17:-Smithers and district was visited last Thursday with a very heavy downpour of rain which is quite unusual at this time of the year. From intermittent showers during Armistice Day it gradually developed into a deluge which left the sidewalks and the streets of the town in a very icy and slippery condition, dangerouse both to pedestrians and to vehicular traffic.

### An Odd Paradox

The whole world wants to be at peace. Everywhere personals and three points in ar-Bijou people realize the blessings of peace and feel that if their rears, the Grottettes went into the Handicap neighbors would only let them alone they could live hap-second canto fighting. The High pily from this time on. Canadians wish to be at peace in school was playing a nice brand of the world and there is no immediate danger that they will ball, Blaine, Davis and McLeod be attacked but unbarrily there are a few lands they will breaking through time after time be attacked but unhappily there are a few leaders of men only to finish weakly. Only in the P. R. Butchers who are preparing for war and are trying to show their final quarter did the Grottettes McMeekin's followers that war is a noble thing that brings glory to really threaten. Then Bury sank Gyro Club the person who fights.

We have only to look at the last war and also to study dents held that edge until the Rance & Hardy the various wars that have occurred within the past fifty whistle. years and we find in practically every case that neither side gained anything from the conflict and that the winner lost almost as much as the loser. Placed against any up their second win of the season possible benefit there might be from war, look at the terrible suffering that results from it. Even today we meet on the streets men who are anything but normal as a result of the Great War.

And yet there is a fighting instinct in men that forbids and a deadly shot, the Moose sifted overwaitea through the Newsies' defence to Atlin Fisheries wish an opportunity to defend themselves. The mother run up 18 points, while Ben's gar- Armour Salvage will always defend her young and in the more advanced nered nine. Nemesis and, on top of this, the Among the aboriginal tribes in various parts of the world winners played inspired ball. it is the custom for the men to hunt and fight and for the women to do the work of the home and to care for the chie (1), Tatree (9); total, 25. children.

During the past few years there has been a war scare Blake, Suehiro, Viereck (2), Palthroughout the world and at the same time, paradoxically, mer (1), Christison (4); total, 19. there has been a growing movement in favor of peace. But In the curtain raiser, the Junior it has been shown, in Great Britain particularly, that fa- Moose registered a one-sided win voring peace does not mean non-resistance. Neither does over the heretofore invincible Boy it mean taking no part in war unless attacked. Not long scouts by taking a 21-12 count. after a great peace vote had been taken in Great Britain, Holkestad and Winslow were the Abyssinia was attacked by Italy and the very people who big guns for the Moose while Lundhad just voted for peace were the loudest in their urges losers in the scoring column. for Britain to defend Abyssinia.

It is impossible to say when Canada may be attacked or when her people may decide that they ought to help some neighbor or other country against aggression. For that reason it seems wise that the country be always in a position to defend herself. We are not a nation of "sissies." We have red blood in our veins. There is always danger with people of that kind. For that reason it is wise to be always ready for whatever may happen.
