## Great Military Demonstration By Japanese in Peiping; U.S. Officer Forced Off Sidewalk

PEIPING, June 23: (CP)—A Japanese soldier, armed with a bayonet, forced Capt. Henry S. Jernigan of the United States cavalry from the sidewalk today to clear a path for Japanese civilians. Jernigan, attached to the embassy as a language student, escaped injury by thrusting the bayonet

The incident occurred as Japanese troops were clearing a way during a martial demonstration this afternoon. Armed with bayonets, the soldiers pushed foreigners off the streets.

With bugles blaring, three thousand Japanese soldiers marched through Peiping to a field belonging to foreign embassies.

Chinese residents and foreigners were in a state of tense expectancy.

Such a martial presentation had not been observed in Peiping in almost forty years.

The fact that he ships logs through Prince Bremner; Greer, Dickens, Franks; Rupert gives people at the coast an added interest in him.

Dr. Thompson led a forlorn cause. Conservatism seems to be a thing of the past in British Columbia but no one J. can say when it may come back.

It is noticeable that Connelly almost had a majority over all.
