FEDERAL BUDGET IS BROUGHT DOWN

Slow But Consistent Economic Improvement in Dominion Seen; Difficult Problems Unsolved

Makes Frank Statement in Regard to Revenue and Expenditure, Revealing Over-All Deficit Of \$162,191,000—Healthy Trade Development

OTTAWA, May 1: (CP)—Presenting a picture of slow but consistent economic improvement but with a warning that difficult economic problems remain to be solved, Hon. Charles A. Dunning, minister of finance, presented his budget to the House of Commons today. He disclosed a \$162,191,000 deficit in over-all financial activities of the Dominion during the fiscal year ended March 31.

Although there was a "real and steady" improvement and wage rates were higher with less mere part time employment, the removal of unemployed from the relief rolls was not keeping step with the expansion of industry.

While the trade of twenty-four leading countries had increased 11.3%, Canada's trade had increased from eighth to sixth place among the world's trading nations, the minister of finance said.

Imports were valued at \$522,603,000 as compared with \$522,416,000 in the previous year while exports were \$765,615,000 as against \$659,899,000.

Negotiate For Trade It was proposed in the near future, Mr. Dunning disclosed, to open active negotiations with various countries for bi-lateral trade agreements and attention was now being given to trade relations with the United Kingdom.

Referring to financial relations with the provinces, Mr. Dunning said there was no longer statutory authority to loan them other than for relief costs nor would any be considered apart from the loan council scheme which it was the government's intention to proceed with with some modification.

Gross liabilities of the Dominion were placed at \$3,432,000,000 after which, deducting cash and investment assets, left a net public debt of \$3,008,000,000, an increase of \$967,000,000 since he presented his last budget six years ago, the minister concluded.

Pat Campbell, who has been located for years as customs officer at Silver Heights near Stewart, arrived in the city on the Prince Rupert last night from the north and will proceed on this evening's train to Edmonton where he is to be located.

VICTORIA, May 1: (CP)—Ralph Rogers, member of a socially prominent Vancouver family, was arrested as he arrived on a steamer from Port Angeles today and charged with theft of \$60,000 worth of bonds from his aunt, Leah Rogers of Victoria.

Mrs. W. E. Collison and daughter, Miss Muriel Collison, sailed last night on the Prince Rupert for Vancouver.

SPEAKS TO ROTARIANS

Rev. C. D. Clarke Gave Interesting Address Yesterday Afternoon On The Co-operative Movement

The Prince Rupert Rotary Club yesterday afternoon, at its regular weekly luncheon heard an interesting address on the co-operative movement by Rev. C. D. Clarke, pastor of First United Church. The speaker told of the growth and spread of the system of co-operative buying and selling in England, Sweden, Canada, United States and other countries.

According to the speaker, the first two attempts at establishing a co-operative system in England failed. Then twenty-eight weavers of Rochdale decided to establish a co-operative store. They saved \$140 with which to open up and by 1864 they established their own wholesale house.

Mr. Clarke said that, while the movement started in England, it found a fertile soil in Sweden. So important had it become there that the co-operative in many lines set the prices and one-third of all households in the country were members.

The speaker then mentioned that Canadian people did not realize how much they were in the hands of monopolies. He referred to the high price of bread compared with the price in England, all made from similar material.

In Sweden the speaker said when the budget was being made up the government called in the heads of the various government owned industries and asked how each could contribute to the national income.

The United States, spoken of as "The World's Richest Poorhouse," had 24,000,000 people on relief last year even after such huge sums had been spent in an effort to bring back prosperity.

Officers Elected The formal election of officers for the ensuing year took place at yesterday's luncheon. There being no further nominations since the committee reported, the following were declared elected: President, C. V. Evelt.

PLAY IS ENJOYED

Comedy and Pathos Combined In "Johnny Grows Up" by Local Dramatic Guild

Under the able direction of Mrs. F. N. Good, a delightful three-act comedy drama entitled "Johnny Grows Up," a portrayal of typical vicissitudes of adolescent family life with amusing as well as pathetic moments, was presented at St. Andrew's Anglican Cathedral Hall last night by a capable cast of young people consisting of the Misses Ruthanna Wood, Beatrice Berner, Frances Thomson, Kay Kielback and Cleo Mussallem and Bruce Stevens, Tom Johnstone, J. A. Teng, Wilfrid Hicks and Bob Irvine. The entertainment will be repeated tonight and its merit warrants a much larger attendance than was out last evening. It is being offered by the Prince Rupert Dramatic Guild under the auspices of the Women's Auxiliary of St. Andrew's Cathedral.

The story is briefly that of a modern family, the children of which have reached the carefree teen age days of later High School with its ambitions and adventures. Suddenly, the father is stricken ill and the necessity of a complete change of residence reveals the deplorable financial condition of the family. The plot thereupon revolves about the complications which ensue when the boy of the family borrows \$25 to invest in a hair-brained motto contest. For a

while all looks hopeless but the eventual winning of the contest and a \$1000 cash prize brings everything to a happy ending.

Ruthanna Wood plays the part of the elder sister and Beatrice Berner that of the younger. Frances Thomson is the mother and Bruce Stevens the sick father. Tom Johnstone is the awkward-stage son. J. A. Teng plays the part of the kindly family doctor. Wilfrid Hicks and Kay Kielback are the children of a neighboring family. Bob Irvine is the boy of another family with Cleo Mussallem playing the part of his mother.

Earl Gordon was in charge at the door with Jack Finn, John Good and Larry Parlow acting as ushers. S. P. Woodside, Bob Irvine and Bruce Stevens were in charge of the stage settings.

Sam Stewart, Chief Councillor of Kincolth, arrived in the city this morning on his own gas boat and proceeded later in the day to Claxton cannery. He brought with him Johnathan Brown of the same village who went up to North Pacific cannery.
