102nd. Regiment Passes Into History at Coronation Service

Before a congregation which taxed the capacity of the edifice and made it necessary to provide additional seating accommodation, the impressive ceremony of the depositing of colors of the 102nd. North British Columbia Regiment which disbanded December 15 last to become the 102nd. Artillery Battery, took place Sunday morning at St. Andrew's Anglican Cathedral. The depositing ceremony was completed with and immediately followed a special Coronation service. Very Rev. James B. Gibson, Dean of the Cathedral, conducted the service and the Bishop of Columbia, Rt. Rev. G. A. Rix D.D., preached the Coronation sermon as well as receiving and dedicating the colors.

Bishop Rix, in his sermon, referred to the happy settling of the monarchy after the anxious time of the last of the year. Never before was the Empire more secure than it was today. There was peace within and without. In the Empire and in Canada there was little excuse for discontent. No peoples enjoyed a greater measure of political liberty. This week on the occasion of the Coronation there would be great demonstrations of rejoicing and loyalty. The important feature was that there was nothing compulsory about it. In all parts of the Empire, it was a spontaneous expression.

The loyalty exemplified today had sprung to the top 23 years ago in the Empire's great emergency. All parts of Canada had sent their men and given their service. All had given and sacrificed including those who stayed at home and notably the women. Nor had Northern British Columbia lagged. His Lordship recalled the departure of the early contingents from Prince Rupert and the rousing enthusiasm of those days. He went on to tell the story of the recruiting of the 102nd. Battalion in the winter of 1915 under Col. J. W. Warden who had been the first Canadian to enlist for service in the Great War. Great had been the valor, heroism and achievements of the Northern British Columbians on the Somme, at Passchendaele, Regina Trench, Lens and notably at the capture of Vimy Ridge on April 9, 1917, where 125 men had been killed. The Bishop continued to trace the regiment's history until the pathetic home coming of the 125 originals in June 1919.

"Many of us have wondered if it was worthwhile but, even with the great sacrifice, I think it was," declared the Bishop.

Today, the Bishop continued, a war was still being fought—a war some aspects of which seemed as hard as that of the sanguine struggles in France. Some were carrying on valiantly. Others found it difficult to do so. Quoting words of Paul's epistle, "put ye on the whole armor of God." His Lordship continued: "There is a King who is interested and will not see you fail. Keep yourselves clean, fit and worthy. This, I think, is the hardest thing in the world to do. But keep up the fight until the King of Kings is crowned in his great Majesty."

### Depositing of Colors

With military form, the ceremony of the presentation and depositing of the colors was conducted along impressive lines. After entry rites, a party consisting of Lieut. Col. S. D. Johnston M.C., V.D., officer commanding the former regiment and the present battery; Major C. V. Evitt, his adjutant; Lieut. R. L. McLennan, who carried the colors; Sergeant J. A. Teng and Sergeant Alex Mitchell marched up the main aisle. The colors were presented with due form by Col. Johnston

## CAUSE OF EXPLOSION

### Public Inquiry Into Hindenburg Disaster Opens Today At Lakehurst

LAKEHURST, N.J., May 10: (CP)—Ignition of hydrogen gas by an electric spark seems now to be the most generally accepted theory in regard to the cause of the destruction last week of the great German dirigible Hindenburg at the naval air station here with loss of 35 lives. A court of inquiry ordered by the United States Naval department which convened in secret on Saturday immediately after being ordered is proceeding and today the Department of Commerce public hearing started.

Meanwhile, there are rumors of possible sabotage and Dr. Hugo Eckener, celebrated designer of the Hindenburg and other famous German dirigibles, now on his way to the United States, has declared that this is a factor that cannot be ignored. He has mentioned that veiled threats against the Hindenburg, supposedly coming from French sources, had been made. Dr. Eckener declares that there will be no trans-Atlantic flights by the Graf Zeppelin until the mystery of the Hindenburg's destruction has been cleared up.

One report is that the Hindenburg explosion might have been caused by an inflammable bullet from a silenced pistol having been fired into the bag as the giant airship was nearing the mooring mast.

## CANDIDATES ARE NAMED

### George Weaver and J. C. Bowen-Colthurst Are in Field

George William Weaver, music teacher of Summerland, and John Colthurst Bowen-Colthurst, Army retired, Sooke, were officially nominated as candidates for Prince Rupert in the forthcoming provincial election by filing their nomination papers with Returning Officer W. D. Vance this morning. Mr. Weaver is the Co-operative Commonwealth Federation candidate while Capt. Bowen-Colthurst is the Social Credit candidate. Nomination papers of C. V. Evitt, Conservative candidate, had not been filed up to an early hour this afternoon. Premier Pattullo's papers were in Saturday. It is expected there will be only the four candidates. The nominations close at 1 o'clock tomorrow afternoon.

Mr. Weaver's proposer is William Henry Brett and his second, George W. Rudderham. Assentors are J. B. MacKay, Leon Sandvar, John Roberts, Mrs. Pearl H. Howe, Edward A. Evans, J. J. Gillis, Mrs. Minnie Storings, Alex. McDonald, John Lindseth, Mrs. Elizabeth Stuart, William J. H. Deane, Daniel Archie, Mrs. Bertha Lawson, A. O. Morse, Mrs. Alexandra Rudderham, Carl E. Johnson, Oscar Larsen, Frederick Miller, Mrs. Bella Ann Wylie, Mrs. Julia Slatta, Joseph Howe, J. Larsson, Otto Breimo, John J. Cain, Olaf W. Lund, D. McD. Hunter, David A. MacPhee, John Christiansen and Kari Monteith.

Capt. Bowen-Colthurst's proposer is Francis Marion Crosby with Mrs. Josephine Bertha Crosby as second and D. A. Burnett, David Zille, John W. Gibson, A. J. Curzon, F. O. Cole, J. L. Thomasson, Mrs. Elizabeth Gratton, William J. Hawes, Mrs. Emma Thomasson and Mrs. Jessie Finley assenting.

## War Admiral Derby Winner

CHURCHILL DOWNS, Ky., May 10: (CP)—War Admiral, son of the great Man-o'-War and the favorite, scored a smashing victory Saturday afternoon in the sixty-third running of the Kentucky Derby before a crowd of sixty-three thousand spectators, the largest in Kentucky Derby history. War Admiral led from start to finish, beating Pompano by two lengths and Reaping Reward by five lengths.

## VICTORIA NOMINEES

### Full Slates of Liberals, Conservatives and C. C. F.'s in Field—Stephen in Nanaimo

VICTORIA, May 10: (CP)—W. B. Caird, James Walker, Nigel Morgan and Mrs. K. A. Bell were nominated at the end of the week as Co-operative Commonwealth Federation candidates for Victoria in the forthcoming provincial election. They oppose the Conservative candidates Herbert Anson, Bruce McKelvie, Dr. J. D. Hunter and Fred A. Willis and the Liberals—Hon. John Hart, Byron Johnson, W. T. Straith and Mrs. Nancy Hodgson. The members of the last legislature were Hon. John Hart, Byron Johnson, Herbert Anson and Rev. Robert Connell, leader of the Social Reconstructives.

Gordon Money of Qualicum Beach has been nominated Conservative candidate for Comox in which other candidates are L. A. Hanna, Liberal, seeking re-election, and Colin Cameron, C. C. F.

Alberni-Nanaimo C. C. F. Clubs on Sunday named A. M. Stephen of Vancouver to contest the seat in the provincial election despite his recent suspension by the British Columbia C. C. F. council which charged he was voting from C. C. F. principles. The Alberni-Nanaimo Clubs first sought Mr. Stephen's reinstatement from the provincial council but, when this was denied, decided to nominate him anyway. Already in the field in Alberni-Nanaimo are Hon. George S. Pearson, minister of mines, Liberal candidate for re-election, and Nicholas Wright, Conservative.

## TOLEDO IS OBJECTIVE

### Fighting Again Around Ancient Spanish City—Evacuation Of Bilbao Continues

MADRID, May 10: (CP)—General Francisco Franco's army at Toledo is seeking to dislodge government forces at Toledo which have threatened to surround the ancient Imperial city and cut off the Extremadura road southwest of Madrid.

Meanwhile French ships are evacuating Bilbao of Spanish refugees while French warcraft stand in the Bay of Biscay to protect them as they return to France.

The insurgents claimed to have captured an important hill eleven miles from Bilbao Saturday but the loyalists claimed later to have recaptured it.

## Weather Man Is Non-Committal For Coronation

Alternate showers and bursts of sunshine characterized Sunday's weather in Prince Rupert. Meteorological conditions appear to be unsettled. With the Coronation festivities coming up many folk are already scanning the skies for signs. Of course, it is a little too soon to prophesy. Everyone, however, hopes for the best, although it appears none too promising today.

## SALTING OF MINE 'OBVIOUS'

### Full and Final Report on Hedley Amalgamated Made Public Today

### Charges Made

### Details of Findings of Various Investigators Are Revealed

VANCOUVER, May 10: (CP)—Warrants which were issued at the week-end by the British Columbia Attorney General's department to the Vancouver and provincial police for the arrest of Russell E. Barker, former president of the Hedley Amalgamated Gold Mines Ltd.; William Cox, mine superintendent, and Jack Fraser, mine foreman, on charges of conspiracy to defraud are worded specifically in each case that he, with the other two men named between the first day of January 1934 and the seventh day of May 1937 did "unlawfully conspire" with other persons unknown by deceit or falsehood or other fraudulent means to defraud with reference to the properties of the Hedley Amalgamated Gold Mines Ltd. The warrants followed investigation by the government into the collapse last February of Hedley Amalgamated stock on the Vancouver Stock Exchange when trading in the stock was suspended. The investigation by G. L. Fraser K.C. of Vancouver into the affairs of the company ensued and the full and final report of Mr. Fraser was released by Premier Pattullo today.

### Details of Reports

Findings that ore samples from the Hedley Amalgamated mine had been "salted" to show exaggerated values were contained in the report of the government-ordered investigation into the company's property.

Results of the investigation, contained in a three-fold report, issued by Premier Pattullo, showed that diamond drill cores from at least six shafts had been tampered with to make the ore appear more valuable than it really was.

Mr. Fraser's main report under the Securities Act did not place the responsibility for the salting. He did find, however, that those in charge of the financing for the company "were not averse to spreading false and misleading information" which was furnished by persons at the mine.

At the same time the government made public the report on the company property by A. M. Richmond, former Department of Mines resident engineer, who suggested the possibility that Hedley ore might have been salted ten months before the mine stock crashed last February on the Vancouver exchange.

In an accompanying brief, Dr. J. F. Walker, deputy minister of mines, said that the Richmond report was not published at the time it was made because the department was "not in a position to raise suspicions in the public mind regarding possible salting of ore which it could not substantiate."

Commissioner Fraser characterized as "regrettable" the failure of the government to publish the Richmond findings when they were reported in April 1936. "There might have been some justification for not publishing the report in full but the 'gross misrepresentations' contained in published accounts of purported development work at the property should have been dealt with," Mr. Fraser found. The deputy minister contended that, while Mr. Richmond had raised suspicions, he made known that he was personally of the opinion there had not been any tampering with the core as far as he

### CENTRAL BRITISH COLUMBIA

No apology is needed to Prince Rupert people for the amount of space given recently to the people and affairs of Central British Columbia. Many of the people there are regular readers of the Daily News and, through this newspaper, they keep in touch with Prince Rupert and the other communities of the district. Many interior people will visit the city this week or for other events during the summer such as the annual convention of the Boards of Trade of Central British Columbia. The interests of the interior are closely bound up with those of Prince Rupert. If one makes progress, so does the other. We respectfully suggest to the people here that they keep in close touch with the activities of the country districts and see that they are served well and their interests looked after in the best possible manner.

### POLITICAL SITUATION

The political situation is bound to attract attention at this time. In Skeena E. T. Kenney is probably surer of his seat than any northern candidate. In passing around his constituency it was found that his activity in the legislature and out and his efforts to serve people of all parties has made a deep impression on the communities he represented in the last legislature. He should be returned with an increased majority. Opposition there comes chiefly from the C. C. F.

In Omineca, Mark Connelly states that he will be returned by an even larger majority than he obtained at the last election. However, Sidney Godwin is putting up a brave fight on behalf of the C. C. F. and seems to be gaining ground a little in the Burns Lake district where he formerly published a weekly newspaper and where he seems to be better appreciated since he left than while he was there. He will probably run Mr. Connelly a close second.

### REDUCING NUMBER OF MEMBERS

If the Conservative party should secure a majority of members in the legislature at the present election they are pledged to reduce the number of constituencies in the province which, doubtless, will mean a reduction in the number for northern and central British Columbia. It is suggested that this would probably mean lopping off Atlin and throwing it in with Prince Rupert and eliminating either Omineca or Skeena and making one large riding there. The northern representation of six would possibly be reduced to three or four. This would very greatly increase the cost of campaigning in those constituencies and would make it very difficult for men who were not large capitalists to become candidates. That would mean it would tend to throw the government of the country into the hands of big money interests, a plain step away from true democracy.

We do not know what the saving in the cost of government would be by making the proposed reduction. It would throw the cost of elections on the candidates who would be asked to bear a considerable part of the cost of the change.

## BANQUET IS HELD

Splendid Affair by Anglican Young People's Association

The Anglican Young People's Association completed social activities of the season with a banquet in St. Andrew's Cathedral Hall on Friday evening last.

After the banquet Robert Yerburch proposed a toast to the King which was responded to with musical honors played by Miss Jean McLean. Following this Mr. Yerburch took the opportunity to make a few remarks outlining the aims of the A.Y.P.A.

These aims were worship, work, fellowship and edification. During the year the branch had tried to fulfil these as well as possible.

The worship has taken the form of church services attended by the members on several occasions and a devotional opening at weekly meetings. For work a tea was given. The proceeds of which went partly to the church and partly to the building of an Indian residential school at Moose Factory, the construction of which was being undertaken almost entirely by the Dominion A.Y.P.A. Fellowship had been obtained through parties, picnics and the banquet at which friends had been invited to join in the program. The last aim, edification, had been carried out by addresses given by various speakers throughout the year as well as by dramatic evenings and evenings devoted to physical training. In closing Mr. Yerburch thanked all the members of the branch on behalf of the retiring executive for their loyal and staunch support during the year.

Ernest Meadows gave the toast to the church in which he appealed to the young people to make an effort to come more often to God's House. The Dean responded to the toast and, in a few words outlined the need of young people in the life of the church. "The church is not a building or a denomination," he said, "but the people who profess and call themselves Christians."

Miss Evelyn Brockway proposed the toast to the visitors, expressing the pleasure that the A.Y.P.A. members had in being able to entertain their friends. Wilfrid Hicks, president of the Christian Youth Society, thanked the association on behalf of the visitors for the happy thought of including guests in all the good times they had.

Walter Cross proposed the toast to the A.Y.P.A. by requesting the visitors to give the association three cheers. Judging by the response the A.Y.P.A. must be a popular organization. This toast was responded to by Miss Noreen Gibson who gave a brief outline of the history of the branch since its inception in 1930.

Bishop Rix then spoke a few words of timely advice to the young people in regard to their religious obligations to themselves, to their church and to their country.

The young people, after the banquet, enjoyed dancing. Johnny Comadina was master of ceremonies and added greatly to the zest of the program which was brought to a close with the singing of "Auld Lang Syne."

The hall was decorated in the A. Y. P. A. colors with blue and white which are emblematic of the Christian life—hopeful and pure. The arch of streamers from the cedar-entwined pillars gave the hall a homelike and cozy appearance.

The A. Y. P. A. will be re-organizing again on September 29.

## April Halibut

April halibut landings at the port of Prince Rupert totalled 1,437,500 pounds, according to figures compiled on the local waterfront, as compared with 1,682,200 pounds in the same month last year. The American landings this April aggregated 664,000 pounds in comparison with 782,300 pounds in the same month last year while the Canadian total this April was 773,500 pounds as against an ever total of 900,000 pounds in April 1936.

## PATTULLO'S DETERMINATION Has Brought Results

Premier Pattullo when elected to office demanded two important things:

1. That British Columbia must receive its **JUST RIGHTS** under the terms of Confederation.
2. That the **B. N. A. Act** must be revised.

His demands that the British North America Act should be revised were scoffed at and ridiculed from one end of Canada to the other. He has persistently fought for the equitable settlement of this issue. Today all Canada agrees that the British North America Act must be revised. Pattullo's demands for a proper recognition under Confederation were so effective that the Bennett Government granted an interim annual payment of \$750,000.00, or a recognition of British Columbia's claim of 5% on \$15,000,000. He has determinedly fought for a Royal Commission to investigate the rights of British Columbia within Confederation. The Mackenzie King government has acceded to his persistent urging and has authorized such commission.

The Public of British Columbia should realize that the issuing of this commission is the most important step from British Columbia's standpoint since Confederation.

Millions are involved. The future of our Province and of the Municipalities is at stake. The Pattullo Government has been preparing British Columbia's case since taking office.

British Columbia asks no favors, but under Pattullo demands its rights.

British Columbia voters cannot afford to take a chance in making any change until this important issue has been determined.

## SON OF ROY GURD DIES

### Only Child of Well Known Canneryman Passes Away In Vancouver

Robert Gurd, 11-year old son and only child of R. H. Gurd, accountant of Cassiar cannery, passed away suddenly in Vancouver Saturday morning. The lad had been ill for some time but recently his condition had shown considerable improvement and it was hoped that he might win complete recovery. Suddenly a turn for the worst came and he expired.

The lad was born in Vancouver and had come north every summer with his parents to Cassiar. He was a grandson of the late Rev. W. W. Gurd, pioneer Anglican missionary of this district.

Mr. Gurd, who will have the deep sympathy of many friends in the district, will leave Tuesday afternoon on the Princess Louise for Vancouver to attend the funeral which will take place Friday.

Mrs. S. Newman of Vancouver, who is visiting here with her son and daughter-in-law, Mr. and Mrs. A. W. Newman, sailed last night on the Catala to make the round trip to Anyox and Stewart.

## Anglican Young People Service

### A.Y.P.A. In Charge at Cathedral With Robert Yerburgh Giving Address

Sunday night the Anglican Young People's Association held a service in St. Andrew's Cathedral to bring to a suitable close the devotional season. This service was in conjunction with an Empire-wide service held in St. Paul's Cathedral, London, England, to give the young people a chance to offer up their prayers for the well-being of the King and Queen during their reign.

Ernest Meadows said the State prayers. The lessons were read by Joe Landrey and H. Yamanaka of the Nippon Young People's Association. Bert Cross and Harold Ponder were sidesmen.

Robert Yerburgh gave the address. He pointed out that the Coronation was not only the time for us to plight allegiance to the earthly King but also the time to give lives in service for the great Heavenly King. He appealed particularly to the young people to present themselves to Christ for ultra-modern living, the standards and morals of Christ were as up-to-date as the day they were created. Religion was not for old people who needed a hobby to pass their waning years. Nor yet was it for the weak minded. It was for those who were young and strong and had to fight through the years ahead that the guiding and comforting hand of true religion was an indispensable, yet easily obtained luxury.

The service was brought to a close when the Junior Choir sang an anthem suitable to the occasion.

and received and deposited by the Bishop. The National Anthem was sung during the rites.

During the service "Land of Hope and Glory" was sung by the Cathedral choir with Leonard Cripps as soloist.

Ex-service men paraded from Canadian Legion headquarters to the Cathedral for the service with the Prince Rupert Boys' Band, under leadership of Bandmaster Robert Greenfield, participating in the procession. Veterans of the old 102nd. overseas unit were given positions of special honor in view of the nature of the occasion.

**HIGH WINS IN SOCCER**

Defeated Booth School 3 to 1 in Junior Football Saturday

King Edward High School (first year) won its third consecutive match in the Junior Football League by defeating Booth Memorial School 3 goals to one Saturday.

Before the Booth defence had settled down McKay was through to give High School an early lead. High School continued to have rather the better of the exchanges but Keays and Watt defended well. Booth now got going and Scherk and Beynon were tested. Booth had a grand chance to equalize but Franks hit the bar from a penalty shot. Cameron shot past Long was lucky to clear a long dropping shot from McCrimmon and soon after turned a great drive of Cameron's over the bar. Zbura saved from Holkestad but McKay added a second.

The second half found Booth having a full share of the game. Sunberg and Keays defended well and Franks got away to score. Baker missed a chance from close in and Holkestad delayed shooting so that Zbura brought off a great stop. Cameron was defending well now and Bussey and Scherk were called on to stop an attack. In the closing moments Kihara centred beautifully and McKay converted it for the third goal.

Teams:  
High School — Long; Beynon, Scherk; Cook, Husoy, Bussey; Kihara, Baker, McKay, Judge, Holkestad.

Booth—Zbura; Strand, Keays; Watt, Franks, McCrimmon; McKeown, O. Anderson, Cameron, Sunberg, Gomez.

Andy Horne refereed satisfactorily.

Outstanding players for High School were Scherk, McKay, Beynon, Kihara and Holkestad.

For Booth, Zbura, Keays, Watt, Anderson, McCrimmon and Cameron were the pick.

The league standings to date:

	W	D	L	P	A	P
High School	3	0	0	11	5	6
Booth	0	1	3	8	15	1

**WHIFFLETS From the Waterfront**

There is expected to be quite a stir on the local waterfront, probably about 4 o'clock this afternoon, when some ten boats from Kitkatla arrive, bringing in about 125 visitors from the native village down the coast for the Coronation week celebrations here. The Kitkatla party is being headed by the band. Other Kitkatla boats which had been in already went out this morning to meet the others for a mass arrival. Skidegate and Aiyansh visitors are also due this afternoon on their small boats. The chairman and members of the celebration committee will be on hand to meet the visitors.

Union steamer Catala, Capt. James Findlay, delayed by increasing seasonal freight business for waypoints, arrived in port at 10:45 last night from the south and sailed an hour or so later for Port Simpson, Stewart and other northern points whence she is due back here Tuesday afternoon.

Pilot Bob Ellis of the Alaska Southern Airways arrived here at 4:30 yesterday with his seaplane, leaving soon after on his return north.

The Ketchikan motorships Elsinore and Beloit, each with a cargo of fresh halibut for transshipment east over Canadian National Railways, were in port this morning.

Sigmund Einstoss, marketing agent of the local salmon fishermen's co-operative, and J. Fischbein, arrived in the city from New York City on Saturday night's train and are registered at the Royal Hotel.

could see but that it would have been an easy thing to do.

**Engineer's Findings**

A separate report, written by R. H. Stewart, mining engineer, engaged by Mr. Fraser to carry out investigations at the mine property, revealed that "results of drilling show clearly in the case of two holes at least—seven and three—that values obtained were obtained by salting." It was a "reasonable conclusion" that core samples from holes 1 and 2 were salted and "it appears quite obvious" that cores from drill holes 4 and 5 had been salted as well.

Mr. Fraser made a series of recommendations designed to prevent misleading of the public through circulation of "irresponsible information."

**Miss Hilda Beale Married Saturday**

Became Bride of William Davidson at Evening Ceremony in United Church

A quiet but interesting marriage took place at 8 o'clock Saturday evening at the Parsonage of First United Church, Rev. C. D. Clarke officiating, when Miss Hilda Beale, daughter of B. G. Beale, formerly of this city, and the late Mrs. Beale, became the bride of William Davidson. Witnesses of the ceremony, performed in the presence of only relatives and a few immediate friends, were Mr. and Mrs. David Owens.

Mr. and Mrs. Davidson, who are well known and popular, will have the hearty congratulations and best wishes of many friends. The bride has lived here since early girlhood. The groom is in the service of the Canadian Fish & Cold Storage Co. They will reside at 1129 Eleventh Avenue East.

**FUN AND ROMANCE**

"Love on the Run," With Joan Crawford and Clark Gable, Presented Here

Replete with fun and romantic excitement, "Love on the Run," co-starring Joan Crawford, Clark Gable and Franchot Tone, comes to the screen of the Capitol Theatre here as the first of the week presentation. In this spirited, ultra-modern melodrama, Miss Crawford has the role of an American heiress who leaves a pompous nobleman at the altar and runs into Gable as she leaves the church. Gable plays the part of the foreign correspondent of a New York newspaper who bumps into a big scoop. Tone is cast as Gable's rival who traces the two lovers in a mad dash over Europe. The story is a fast-moving one, features including a thrilling airplane sequence with a crack-up in a French farmhouse, settings of lavish splendor in England and historic

Parisian points. There is a background of international intrigue with Scotland Yard detectives close on the heels of the principals. Prominent in supporting roles are Reginald Owen, Mona Barris, Ivan Lebedeff, Charles Judels and William Demarest.

**Dominion of Canada Conversion Loan**

The Bank of Canada is authorized by the acting Minister of Finance to receive applications to convert Dominion of Canada 5 1/2% Victory Loan Bonds maturing December 1, 1937, into:

**Twelve-year 3 1/2 percent Bonds, due June 1, 1949**  
(callable on or after June 1, 1946)

Issue price: 99.00%  
yielding approximately 3.35% to maturity.

Victory Loan Bonds accepted for conversion into the 3 1/2% bonds of the new loan must have attached the final coupons due December 1, 1937, and will be valued at a price of 102.25% (the coupons due June 1, 1937, detached).

Bonds accepted for conversion will be for interim certificates of the new loan on June 1, 1937, when the resultant cash adjustments in favor of the applicants will be made.

Three and one quarter percent bonds will be dated June 1, 1937. Principal and interest will be payable in lawful money of Canada. Interest will be payable, without charge, semi-annually June 1 and December 1, at any branch in Canada of any chartered bank.

Denominations: 3 1/2% Bonds, \$100.00, \$500.00 and \$1,000.00.

No part of this loan will be offered for cash subscriptions.

Applications may be made to the head office of the Bank of Canada through any branch in Canada of any chartered bank or through any recognized dealer, from whom copies of the official prospectus containing complete details of the loans may be obtained.

The application lists were opened on May 5, 1937, and will close, with or without notice, at the discretion of the Acting Minister of Finance. The Acting Minister of Finance reserves the right to limit the amount to be converted.
