Hospital Board Makes Public Statement of Position of Its Finances; Appeals For Support

Wiped Out All Debts and Has \$20,000 on Hand Toward Building-Public Asked to Line up Solidly In Support of New Effort

The hospital board, at its meeting last week, decided to make a public statement of the financial position of the hospital and to appeal to the people to line up with them in support of a new building. The statement follows:

"At the last regular meeting of the directors of the Prince Rupert General Hospital Association, it was de-

Italy Is Active

Setting aside the little irritating utterances of Musso- had experimented with gasses and lini as of political rather than international import, it may did a good deal, with the theory of Rupert Motors be assumed that the conquest of Ethiopia will prove to be heat. of general advantage to the world. The objection to it was that it continued the old policy of "might is right" just at contributions in the field of eleca time when the system of collective security was being tricity, laying the basis for the Tied tried out. But that is now past. Ethiopia is Italian terri-great inventions of Edison and tory and the Italians are now laying their plans to make it others. Faraday had been asked Italian in every respect.

The first step toward civilization the Romans well un- newborn babe?" he had asked sigderstood, was the building of roads. That was how Bri- mificantly in reply. The discoveries one in the Commercial Ten Pin tain got her start in road building. The old Roman roads of such men as Faraday had reare still in evidence there. So Italy today has commenced the huge task of building highways through a wild country, draining the swamps in order to preserve the health (1824-1908) had laid the Atlantic of the inhabitants and then laying the foundation for an cable and perfected the mariner's Italian colony which will be able to absorb the surplus compass. He had applied natural population of Italy and at the same time will produce such laws to the need and happiness of food and other supplies as the Italians at home may need. | mankind. Dean Buchanan mentioned

To commence with only men were sent to Ethiopia but briefly the works of Charles Daras the country becomes more settled and life there less win, Joseph Priestley, Dolphin Cadangerous women will join their husbands and a colonial vendish, Harvey, Jenner, Simpson, population will be gradually developed. Already last Lord Lister and Sir William Osler. month a shipload of women, wives of officials chiefly, in their contributions as pioneers went to Addis Ababa and other centres.

Ethiopia has proved a costly colony. The war is said to have cost at least a billion dollars and the settlement of the country will cost a huge sum but it is just another case of where civilization has been forced upon a native Junior Chamber of Commerce on people and they have in the long run benefitted very the good work it had done in spongreatly.

Spectacular Show

Very few people will witness the crowning of the King. ed with enthusiasm. Only a few thousand at the most. But hundreds of thou- ciatively of the hospitality and Biological Station sands will go to London just to witness the huge corona- courtesy he had been shown while Gyro Club tion procession and to see the crowds of people and to in Prince Rupert. His visit had rub shoulders with the throng. It will be a spectacular event and, if the weather is suitable, we shall see it all in the had seen more sunshine in the three days he had been the had been the nictures a few weeks later. BAPCO FLOOR ENAMEL

FOR WOOD FLOORS, LINOLEUM OR CEMENT

Why tolerate unsightly, worn floors when it is so easy to keep them sparkling bright with Bapco Floor Enamel? Use it on wood floors, linoleum or cement. Give your floor the added finish of a "Dapl-Art" pattern and footmarks won't show. 1/2 Pints 1/2 Gallons Quarts
