ALL SEEM TO BE HUMAN

The C.C.F. in this province seems to be as human as Fred Soles. Much hilarity was prothe old line parties, judging from the report of the recent duced by the losers. Miss Ruth Nel-Victoria by-election in which its candidate ran third. In reviewing the situation "The Federationist," organ of the each other bahanas bindrobed party, makes much of the fact that Professor King Gor- Johnstone and her don, their candidate, polled 756 more votes than he did in brought the evening to a close. the previous by-election when he nearly defeated the late;

S. F. Tolmie. It fails to mention that the Liberals polled 3762 votes more than they did in 1936 and that the Conservatives polled 1664 more votes than in 1936. These figures indicate that, while the Liberals and Conservatives. made large gains in the strength of their respective parties as shown in the vote, the C.C.F. made but a small gain. electric wires.

We did not intend to have commented on this phase' of the vote but seeing the published report in the C.C.F. paper it seemed only right to give both sides of the news so that all readers might be properly informed in regard Customers of Hollywood Studio, to the situation. Had we stated that the Liberals made formerly of 220 6th Street, may segreat gains and not mentioned the gains of the others we might have been condemned as unfair. The Federationist ing same of the section of had no such qualms. It gave only the C.C.F. side of the election and left out the more important news, As we but it also indicates that its journalistic supporters lack newspaper training and try to build up a fabric of success from a failure instead of admitting the failure.
