Hall Situation Awaited-Overcrowding of Schools Reported

The executive committee, rehis visit here, stated that a memorandum had been submitted to · him covering such items as civic administration, concessions, local situation, highway construction proposed collective bargaining act and increased minimum wage of the proposals and intimated ELEMENTS that certain measures were be ing formulated in respect to

o'hers. After a discussion on civic ffairs, it was felt that any collective action taken by a majority of tax-payers, or by organizations representative of a greater! number of citizens would receive prompt consideration by the government in forming a change.

The council feels that no satisfactory reasons had been given i to the public regarding the reorganization of the fire department. As the firemen have been re-engaged to perform such du ties as may be assigned to them. further action was held in abeyance pending developments.

The council was informed of overcrowding of the schools that one school at Section Two was closed, that more teachers could be employed, that at Seal Cove one teacher was attempting ito teach two grades at the same time in the same classroom and that at Booth Memorial School BOMBING children are seated on chairs.

HOMEWORK QUIET

Doctors advise that in every home where there are men's Compensation Board. children of school age there should be an hour of quiet board was to bring the resolusoon after supper during which the young folks may do tions before the next convention their homework undisturbed by piano practising, loud of the British Columbia Hospitalking, radio music or any other disturbance. Under tals' Association. The view was these conditions the children can concentrate on their British Columbia Hospital's Aswork and the quiet will also benefit other members of the sociation did not have the inhousehold. For children to try to work while other noises flluence with the government that are going on is a great nervous strain and likely to cause it should have. Possibly this was mental and physical injuries.

"Be careful all the time when driving.

"Keep drink and driving apart.

"Obey the laws regulating the use of cars.

"Drive at reasonable and safe speeds.

"Give undivided attention to driving.

"Keep brakes, lights, horn, steering and tires in safe condition.

"Watch the car ahead and not follow too closely.

"Keep in the proper traffic lane except when passing month totalled \$4541.71. and pass only when there is a clear, level, straight stretch of road ahead.

"Think of the car behind and signal intention before

"Slow down at corners, intersections and when passing schools and parked cars.

"Observe road signs and signals.

"Be particularly watchful when passing bicyclists or pedestrians.

"Expect the unexpected at all times.

"Be courteous and considerate of others. "Drive as you would have others drive and thus set a good example."

UNANIMOUS DECISION

The citizens of Dawson Creek in the Peace River Block wanted electric light and power and they could not afford to put in a plant, themselves so they offered a franchise to a power company. The deal had to be voted on by the ratepayers and it carried without a single vote in opposition, a most unusual thing in any community. There are usually at least a few people who seem to be opposed to the rest as a matter of principle, but in Dawson Creek the vote was unanimous. Imagine such a condition in Prince Rupert.

Nelson Board Makes Number Of Suggestions With View To Getting Greater Government Assistance

a communication before |board of directors of the Prince Rupert General Hospital last night seeking endorsation for a number of rather drastic proposals of increased government aid Ito hospitals. Some of the proposals were endorsed by the local board while others were not considered acceptable.

One resolution, pointing out that the present government grants were not commensurate with losses which hospitals sustained through free patients and Rothwell, Mrs. Bond jr., Mrs. freshments were served at midbad debts, advocated an increase Michaeloff, Mrs. Gawthorne, Mrs. night with Mrs. Peter Wingham in the government grant from E. Another of the Nelson resoluo tions raised the old question of alarbitrary refusal of the Workmen's Compensation Board to pay hospital accounts in full. The re solution proposed that the government should amend the Workmen's Compensation Act so as to provide for the deduction of hos pital accounts from benefits to persons under compensation. Necessary Extensions to be Made To Accomodate More Books

The Prince Rupert Library board held its regular monthly General Hospital for years, for a and sister, Mr. and Mrs. Roy Becker, meeting on Friday evening. Those present were Frank Dibb, chair-Alder, commissioner, R. L. Mc-Lennan and T. J. Williams and Miss Olive Can Cooten, librarian. It was agreed that \$50 be spent

in rebinding. An additional sum of \$50 will also be spent on new books for the free adult and children's sections. Necessary extensions will be

made in the library to accomodate increasing numbers of books -especially those which the proof the board of directors of the race on Thursday night's train, supply to the library within the vincial government is expected to next few months.

Halibut Landings Light and Prices Not Very Strong-Season Drawing to Close-Run of Chum Salmon Awaited

Halibut landings at Prince Rupert during the past week were exceptionally light at a total of but 259,000 pounds of which 90,000 pounds was from two Canadian boats and the balance from American vessels. Prices of 9c and 7c did not prove very interesting to the American boats and two or three of the large schooners refused bids

at Prince Rupert and went on to Seattle in the hope of getting better prices. The high bid of the week for American fish was 11.6c and 7c which the Mitkof received for 39,-000 pounds and the low 9c and 7c which the Sylvia was paid for 25,-000 pounds. The two Canadian boats in during the week were the Dovre B. which was paid 10.6c and 3c for 40,000 pounds and the Takla which received 10.4c and 6c for 50,-000 pounds.
