17:03 p.m. 5.8 ft.

# Three British Soldiers Are Killed

## Royal Ulster Riflemen Slain While Guarding International Settlement At Shanghai Today

ANOTHER INCIDENT TONIGHT IN SINO-JAPANESE WAR—MISSIONS AND OTHER FOREIGN PROPERTY DAMAGED BY SHELLFIRE OVER WIDE AREA.

SHANGHAI, Oct. 29: (CP)—Three Royal Ulster Riflemen were killed and several injured tonight during Japanese shelling of Jungjao, a suburb to the west of the international settlement, British military headquarters announced. Artillery shelling and aerial attack in the Sino-Japanese war spread damage among missions and other foreign property and, during the day, British defense lines along the settlement were frequently under fire.

## More New Settlers Has Been Fine Crop

Part of Saskatchewan Ranchers Arrives in Bulkley Valley

SMITHERS, Oct. 29:—A party of settlers headed by Arthur Bates, bringing three carloads of stock, equipment and household effects, arrived in Smithers on Tuesday afternoon from Bender, Saskatchewan. There were half a dozen men in the party. Their families will not arrive until they have gotten locations here and settled for the winter at least.

Mr. Bates is a former Royal Canadian Mounted Police officer and has retired with the rank of corporal. He has been engaged in the dairy business for some time past and brought with him some very fine Jersey cattle. He expects to continue in the dairy business in this district.

The party is quite enthusiastic over the evidence of an abundance of feed in this district and recognizes the contrast from the dried-out areas from which they have come.

It is hoped that these farmers will all get settled satisfactorily in the district and that they will be the harbingers of many more settlers of the same type. It is felt locally that this is the type of settler that is needed in this district. They are Canadians, good farmers and are certainly used to hardships after weathering half a dozen years of crop failure and drought. Many of them will have very little in the way of funds and they may not be used to the type of farming that will be necessary in the Bulkley Valley but they have the proper background and they have the spirit to try again.

## Matanuska Spuds In Bulkley Valley

Passed Through Smithers in Good Shape This Week

SMITHERS, Oct. 29:—The truckload of potatoes from the Matanuska Valley in Alaska, bound for New York, arrived in Smithers on Tuesday night about 11:30. They put up here overnight and pulled out bright and early the next morning to continue their journey. A sample of the potatoes, which are being carried with them and they appear to be of good quality and size.

Operation of Land is Once Again Mainstay of Terrace District

TERRACE, Oct. 29:—Mild during the past week. Farm crops have been universally good. The hay crop was a good one and harvesting weather came at the right time. Oats were harvested which yielded over 90 bushels to the acre. In this connection it is interesting to record that Terrace district now has a threshing outfit and is likely to see an increase in grain farming because of this.

The crop of fruit trees was excellent and, although there has been a decrease in the area under berries, substantial returns are coming in from apples and other tree fruits.

Now the farmers are busy with the roots. Potatoes are proving good and there is a heavy crop of turnips to come.

The land is standing the people in good stead these times when people have reason to complain.

## Bad Boys Are Taken South

Trio of Incurriables Goes to Industrial School for Stay of Two Years

Three local incurriables, who have been in almost continuous trouble for the past three years with numerous burglaries and other offences against them and who have already been in the reformatory, were yesterday sentenced by Magistrate McClymont in juvenile court to terms of two years each in the industrial school. Last night they were taken south aboard the steamer Prince George by Constable Donald Stewart of the city detachment of the provincial police. One of the boys has seven breaking and entering offences against him, another eighteen and the third, eight. They have been proving a problem to authorities for years. Their latest offence was the breaking and entering of the Canadian National Railways rifle range.

GEORGETOWN, Ont., Oct. 29: (CP)—N. H. Brown's efforts to organize a ratepayers association drew an attendance of three, including himself. "Even if I have to do it all myself, I'm going to advertise the idea," he said.

## Rotarians Justice Entertain Is Dead

Impressive Talk by Miss Earl on Trip to Coronation Feature of Last Night's Proceedings—Personal Reactions

With a breezy recounting by Miss E. M. Earl of incidents and impressions of a recent trip to the Old Country to attend the Coronation as the feature of the proceedings, the Prince Rupert Rotary Club was host last night to wives of members and other friends at a delightful dinner party in the Commodore Cafe. There was a large attendance and the affair proved most enjoyable to all. Appropriate to the theme of Miss Earl's address were moving pictures shown by Dr. W. T. Kergin who also attended the Coronation. W. R. McAfee, president of the club, was in the chair.

A toast to the ladies was proposed humorously by Very Rev. James B. Gibson, dean of St. Andrew's Cathedral, to which Mrs. R. M. Winslow made a neat reply. Vocal solos by Mrs. S. D. Johnston and J. E. Davey, both of whom were accompanied by Mrs. E. J. Smith, proved very acceptable as did a recitation by A. C. Small. Community singing was led by R. G. VanderSluis. Bishop G. A. Rix asked the blessing before the guests were welcomed by the president.

The display of British might, tradition and solidarity, as exemplified in the Coronation proceedings, had been stirring to every heart, declared Miss Earl. She told of viewing the great Coronation procession from the vantage point of Canada House in Trafalgar Square where, under the direction of Hon. Vincent Massey, Canadian High Commissioner, excellent arrangements had been made for the accommodation of some five hundred Canadian visitors. Miss Earl described at some detail various units appearing in that great and colorful procession and told of her personal reaction. Canada had made a splendid showing. "Even my stout old Tory heart prompted me to join in the great cheer that went up when our Premier, Mr. Mackenzie King, passed by escorted by the Royal Canadian Mounted Police," she remarked. Again her heart had turned over when Queen Mary, that wonderful woman who so nobly exemplified the best traditions of the British race, rode by with the little Princesses. Then came the smiling Queen and the grave and gallant King. Truly they had been crowned in the hearts of the British people even more than the solemn ceremonies which were to follow in the Abbey.

Other personal incidents such as a visit to the Bank of England, to Eton College, to Edinburgh Castle, the Houses of Parliament, the Irish Dail, the Irish Hospital Sweepstake auditorium in Dublin, Guinness' Irish brewery, Hyde Park, a ride from Edinburgh to London in the Coronation Scot and the old Church of Grey's "Eleey" proved highly interesting in the telling by Miss Earl. Concluding the speaker asserted that, in spite of all the impressive and wonderful things she had seen abroad, she had been happy to get home. "We hear a lot about the beauty of Killarney but it is dupli-

Chief of Manitoba Court, Hon. D. A. Macdonald, Passes Away At Age of Seventy-Nine

WINNIPEG, Oct. 29: (CP)—Hon. Daniel Alexander Macdonald, chief justice of the Court of Manitoba, died yesterday following a long illness at the age of seventy-nine years.

## Water Shortage At Terrace Is Now All Over

TERRACE, Oct. 29:—The coming of heavy rain has brought to an end the worries of the Village Commissioners so far as the water system is concerned. During the past three or four months the reservoir has been empty while creating operations were in progress and it was necessary to pump water into the system. Although this supplied some water it did not fill all the branch lines and the summer months have brought a good many complaints from those who were in the enjoyment of a water connection. Now that the new reservoir is filled and water is flowing through all the system with plenty of pressure, it is anticipated that no more complaints will come in to disturb the calm of the Municipal Office.

## Mother Of Local Man Passes Away

George Geddes of This City Son of Late Mrs. Christina Geddes

Mrs. Christina Geddes, mother of George Geddes of this city, passed away yesterday at her home in Peterhead, Scotland, after a year's illness with heart trouble. She was seventy-four years of age and the wife of William Geddes of Peterhead who survives her. Mr. Geddes and family will have the sympathy of many friends in their bereavement.

The late Mrs. Geddes, besides the son here, is survived by another son, William Geddes of Detroit, and six daughters—Mrs. Elsie Simpson and Mrs. Margaret Thorton of Detroit; Mrs. Mary Parks, Mrs. Elizabeth Strachan and Mrs. Christina Cowie of Peterhead, and Mrs. Johann Diverrall of Glasgow.

Mrs. Geddes was the daughter of the late John Buchan of Peterhead who died only five years ago at the ripe age of nearly ninety years.

NIAGARA-ON-THE-LAKE, Ont., Oct. 29: (CP)—Sign of approaching cold weather is what this town's citizens make of large flocks of wild geese seen over here in the past few days, all flying low.

ated a hundred times and more right here in our own British Columbia," she declared. What Canada needed, she suggested, was more poets to describe her beauties.

## Aberhart Request Granted

Mackenzie King Agrees to Refer Federal Disallowance Right To Court

OTTAWA, Oct. 29: (CP)—The Dominion government has agreed to grant the request of Premier William Aberhart of Alberta that the federal government's right to disallow provincial legislation be referred to the courts.

Premier King announced tonight that the reference would be taken to the Supreme Court of Canada and would be heard at an early sitting.

## Today's Weather

Triple Island—Overcast, showery; southeast wind, 24 miles per hour; sea moderately rough.

Langara Island—Part cloudy, rain; easterly wind, ten miles per hour; barometer, 29.64; sea smooth. Dead Tree Point—Overcast, fresh southeast wind; barometer, 29.73; temperature, 48; sea choppy.

Bull Harbor—Part cloudy, southeast wind, 18 miles per hour; barometer, 29.92; temperature, 45; moderate swell.

Alert Bay—Part cloudy, moderate southeast wind; barometer, 30.10; temperature 41; sea smooth.

Estevan—Fair, southeast wind, 14 miles per hour; barometer, 30.02.

Victoria—Clear, calm; barometer 30.10.

Vancouver—Clear, calm; barometer, 30.12.

Prince George—Clear, calm; barometer, 29.98.

Terrace—Rain, calm, 40. Aiyansh—Cloudy, calm, 47. Alice Arm—Cloudy, calm, 40. Anyox—Raining, calm, 38. Stewart—Light rain, calm, 38. Hazelton—Cloudy, calm, 38. Smithers—Part cloudy, calm, 35. Burns Lake—Bright, calm, 35.

## Smithers Lad Seems Better

Harold Noel, Who Has Been Seriously Ill, May Recover

SMITHERS, Oct. 29:—The many friends of Mr. and Mrs. H. F. Noel were overjoyed yesterday to learn that some hope is now held out for the recovery of their young son, Harold, who was taken to Vancouver about a month ago for medical attention. Recent advices had stated that seven doctors had decided that there was no hope to save his life and that he had been removed from the hospital after having received every possible aid known for his relief.

The news arriving in Smithers Thursday that there was improvement and that there is hope for his recovery brought relief to the many friends of the family and it is sincerely hoped that his recovery will be speedy and permanent. The family have had the deep sympathy of the entire community in the illness of young Harold who is of a quiet disposition and is extremely well liked by everyone.

## Terrace Builds New Residences

TERRACE, Oct. 29:—Three new residences are in course of construction in Terrace village. Fred Giggs is building on Park Avenue; E. Lewis is building also on Park Avenue, overlooking the Park; and Mr. Doll is building a house and barn on land which fronts upon Davis Road.

## Bulletins

MOVING CAPITAL LONDON—The Spanish government is planning another move of the capital from Barcelona to Valencia. The non-intervention committee is meeting again to consider the withdrawal of foreign volunteers from the civil war.

PORT ANGELES FLOODS PORT ANGELES—Flood waters were general on the Olympic Peninsula yesterday. Six Indians who had been marooned were rescued. Today it has cleared and the flood menace is relieved after two or three days of torrential rains.

INDIAN FLIER Dies In Crash P. Nair, Killed Soon After Leaving England on Projected Transatlantic Flight

ROUEN, France, Oct. 29: (CP)—G. P. Nair, Indian flier, who left Croydon Thursday on a projected flight of the South Atlantic Ocean, was killed a few hours later when his plane crashed near Forges-les-Eaux, France.

ARRIVES HERE FROM Dried Out Area Of Saskatchewan

Rev. W. J. Friesen Here With Family to Take Charge of Pentecostal Assembly Work

New arrivals in the city Tuesday night were Rev. W. J. Friesen of the Pentecostal mission accompanied by Mrs. Friesen and three children. Mr. Friesen will have charge of the local Pentecostal Assembly and will live in the mission house. It is a great change for this family coming to Prince Rupert. They are from Cantuar near Swift Current in the dry belt of Saskatchewan where there were no crops this year. In the whole district only two people thrashed grain and the total output from the two farms was 235 bushels. The fields were as bare as the streets of Prince Rupert except for the Russian Thistle which thrive in dry seasons and on which the cattle are fed along with feed imported from other sections.

Asked as to the gardens, Mr. Friesen said he had caragana hedges around his garden and these collected the snow. The result was he managed to grow a quantity of cucumbers but that was done only because water was carried from the well. His potatoes and other vegetables were a total failure. Mr. Friesen was a teacher for twelve years but for the past three years he has been devoting his whole time to the work of the Pentecostal Assembly.

## Struck By Hit And Run Driver

William Sim Sustained Abrasions, Bruises and Shaking up On Third Avenue

Struck by a hit and run driver in a dark car, William Sim, well known Porcher Island pioneer, sustained abrasions and a general shaking up last evening. The incident occurred at 6:30 p.m. on Third Avenue near the Pioneer Laundry. Sim was knocked down supposedly by the right bumper and fender. The incident was witnessed by at least one bystander.

## Mortorists' Insurance

Vancouver M. L. A. Would Make It Compulsory—Plea For Aid To Municipalities

## Capt. Bull Heads

Okanagan Member Thinks Prairie Farmer Should be Invited and Population Increased

VICTORIA, Oct. 29: (CP)—Fred Crone, Liberal member for Vancouver Centre, moving the address in reply to the Speech from the Throne yesterday afternoon, called upon the Legislature to seriously consider compulsory insurance for automobiles or ultimate ownership liability. Pointing to the increased number of traffic accidents and fatalities, Mr. Crone said that authorities were agreed that the worst hazard was the man behind the wheel and the machine he drove. Mental, physical and practical tests of drivers and mechanical tests would reduce the number of fatalities by ten percent. The Vancouver member said the time was past when "we should be sympathetic in regard to compulsory insurance because of some isolated cases."

Turning to municipal affairs, Mr. Crone said further aid to the municipalities was urgently needed. He believed he spoke for all municipalities when he said they were not particular whether the government restored grants or assumed a larger share of hospitalization and education costs. In any event, one or the other of these things must be done.

Bull Talks Dought Capt. C. R. Bull, member for South Okanagan, seconding the address in reply to the Speech from the Throne, said there were two problems on which he believed the government should take action. One was the absorption of people coming from the prairie drought areas.

"Last week," said Capt. Bull "I was told by a member of the Alberta Legislature that people were being taken at the rate of three per week to the asylum from the Alberta drought areas. When things are as bad as this, it would seem necessary that these people should be the invited guests of every province of the Dominion."

The second problem to which Capt. Bull referred was the increasing of British Columbia's population.

The Legislature adjourned until this afternoon after choosing Robert Carson, Liberal member for Kamloops, as deputy speaker. The Liberal caucus yesterday appointed Cap. Sid Leary, Kaslo-Slocan, as government whip. No major legislation was discussed by the caucus, it was announced.

## Weather Forecast

(Furnished through the courtesy of the Dominion Meteorological Bureau at Victoria and Prince Rupert. This forecast is compiled from observations taken at 5 a.m. today and covers the 36 hour period ending 5 p.m. tomorrow).

General Synopsis—Pressure is low off the Queen Charlotte Islands and showers have occurred on the British Columbia coast and in southern districts.

Prince Rupert and Queen Charlotte Islands—Fresh east winds, light showers and cooler with fog patches. West Coast of Vancouver Island—Fresh southeast winds, mostly cloudy, light showers with fog patches.

## BAR SILVER

NEW YORK: (CP)—Bar silver was unchanged at 44¢ per fine ounce on the New York metal market today.

"There! How does this face look?"  
"As happy as if he were smoking a Sweet Cap!"

**SWEET CAPORAL CIGARETTES**

"The purest form in which tobacco can be smoked."—Lancet

**EDITORIAL**

**INDUSTRIAL REVIVAL**

Great Britain's industrial revival is indicated by the increase in steel production in South Wales. Some of the improvement is being shown in the districts which were hard hit during the depression. Welsh coal export has been increasing steadily and shipbuilding continues. Government arms factories have given a fillip to employment in some districts, one of which is at Usk on the River Wye in Monmouthshire. There has been an increase of employment at Tyneside and Hartlepool.

The River Clyde is being straightened at a cost of \$300,000 in order to allow the sister ship of the Queen Mary to pass out. Numbers of ships for foreign customers are being built and a large floating dock for Russia.

Everywhere throughout the country industrial conditions have been improving and there has been a slight increase of wages in some sections.

**Stan Morin Home From Baseball Wars; Saw Goodly Number of Big League Teams Play; Other Events**

Home from the baseball wars on the eastern front, Stan Morin has many interesting anecdotes and impressions to relate to the local sporting fraternity. Always regarded as Prince Rupert's first ranking authority on matters relating to the diamond, Stan's status as a baseball sage is now stronger than ever. During the six weeks' trip, from which he returned Wednesday afternoon, Stan not only took in all the five World Series games at New York between the Yankees and the Giants, with the outcome of which he was well satisfied, but also saw thirteen other Big League games. At Chicago he saw the three games of the crucial National League series between the Giants and the Cubs. He also attended a four game American League series at Cleveland between Detroit Tigers and the Indians, a three game series at Pittsburgh between St. Louis Cardinals and the Pirates, two games between the Yankees and the Boston Red Sox at New York and a Chicago-Brooklyn game at Chicago. He saw nine of the sixteen Big League teams in action and is more firmly than ever of the conviction that the Yanks are the best outfit by a long way.

Stan also saw a couple of inter-collegiate football games while away—Texas Aggies beating Manhattan University 14 to 7 at New York and Santa Clara winning over Portland University 28 to nothing in San Francisco.

Another high light of his trip was attending a great aquatic show at Cleveland which brought the Great Lakes Exposition to a close. This was, indeed, a wonderful event with a magnificent setting for all the best of the swimming and diving talent of the country—among them Johnny Weismuller and Eleanor Holm.

A rodeo in Madison Square Garden was another outstanding event which Stan was able to take in.

In Chicago Stan met and was entertained by Howard Frizzell, formerly of this city. He saw Doug Stork in New York and, while in Cleveland, ran into Dr. J. F. Maguire who was on a trip east at the time.

Hanging up in the Grotto is a miniature ball and bat which Stan obtained as a memento from the great Joe DiMaggio, one of the New York Yankees' "Murderers' Row."

**Commercial Bowls Play**

**Electrical Workers Defeat Rupert Motors and Two Teams Are Now Tied for Third Place**

Electrical Workers defeated Rupert Motors two games to one in the Commercial Bowling League last night. Biological Station rolled its game but Gyro Club, whose members were getting ready for the masquerade dance tonight, postponed play until Sunday. High average scorer last night was Roy Morrison of Biological Station with 164.

**WHIFFLETS From the Waterfront**

C.P.R. steamers Princess Adelaide, Capt. Henry Anderson, and Princess Norah, Capt. William Palmer, are both due in port at 3 o'clock this afternoon. The Princess Adelaide is from Vancouver and waypoints and will sail at 10 p.m. on her return south. The Norah is from Alaska and will sail a couple of hours later for Vancouver.

Union steamer Cardena, Capt. John Boden, is due in port at 8 o'clock this evening from the south and is scheduled to sail an hour later on her return to Vancouver and waypoints. Henceforth the sailing time of the Cardena from Vancouver will be 6 o'clock Tuesday evenings instead of 2 p.m. Tuesdays as at present.

Motorship Bellingham arrived in port at 2 o'clock yesterday afternoon from Ketchikan and, after discharging seven carloads of frozen halibut and salmon for transshipment East over Canadian National Railways, sailed on her return north.

**KELLOGG'S ASTHMA RELIEF**

A physician's formula that has benefited sufferers for over 60 years. Try it. You'll be more than pleased with the quickness with which it relieves Asthma and Hay Fever, preventing needless suffering. You simply inhale the fumes.

Your nearest Drug Store has it.

\$1.00 per tin, trial size 25c.

Also obtainable in cigarette form. Northrup and Lyman Co. Limited, Established 1854, Toronto, Canada.

**DOWN THE ALLEY**

News and Views of the Rupert Bowling Front

Stan Moran, who has just returned from the baseball front, is reported to have told his Grotto ten pin team that he sees no reason why, if the Yankees can pole out a home run every trip to the plate, his team can't put in a strike every time they step up to the foul line. The result of his "pep" talk will be watched with interest by the other team captains in the city league.

On a straw vote taken among the pin setters, for the most popular bowler, Geoff Woodall won in a walk. Sure! Why not? Doesn't he pay his pin setter a dime for every single he misses? By gosh, if we all did that, I'd go pinsetting myself!

When Hubbledutch Donald

bought his new ball down south, he tried them all out till he found one with "lots of stuff" on it. Why didn't he buy a "lawn bowl?" That would sure take his curve.

The Biological Station may not have the highest scoring team in the Commercial League but they don't need any handicap in sportmanship. Neal Carter, who had the misfortune to cut his right thumb rather badly about a week ago, went in and bowled left handed in a league fixture, thus saving his team the necessity of taking their opponent's low score. Nice going Biological!

The ladies' five pin league have decided to use the foul line in their league games and it seemed to bother some of them in Tuesday evening's games. However, they soon got used to it and turned in some excellent scores. Mrs. Keron being high with an average of 210 which is pretty good in any league.

We'll be seeing you again next week when Ally Sloper himself gets back on the job.

Pinch hitting for Alley Sloper.

**TERRACE**

Mrs. Arthur Carr has returned to Terrace after spending some months in England.

J. Felber has returned to his Terrace home from a visit to Chilliwack.

**LIVING COSTS RISE**  
CHATHAM, Ont., Oct. 29: (CP)—Meeting to discuss tenders for all supplies, the county property committee noted lowest quotation for meat supplies was three cents a pound higher than 1936 and bread a half-cent a loaf higher.

### Tuxis Boys And Trail Rangers

Happy Gettogether Hears Talk by Ernest Wilding

Last night a very pleasant party was held in First United Church when the "Crusaders" Tuxis Square and the "Hawks" Trail Rangers met together.

After full justice had been done to the menu of pork and beans and pie, Maurice Davey, as chairman, introduced the speaker of the evening, Malcolm Wilding. He spoke of his recent visit to England, briefly mentioning the scenic trip across Canada and the interesting time spent in sightseeing in London and Croydon airport.

Wilfrid Hicks and Kenneth Harding also spoke briefly as mentors of the two groups. They referred to the friendly relationships between the groups—the Trail Ranger group meeting on Wednesdays for boys 12 to 15 years of age, and the Tuxis Square on Thursdays for boys 15 to 18 years of age. Activities of the groups are many, including such hobbies as photography and woodwork.

"He's such a good baby!"

"Neighbours envy us. We tell them to use St. Charles Milk for their babies, too!"

ST. CHARLES MILK is so nourishing, so safe, it is small wonder that babies all over the country are thriving on its goodness.

Purest of rich country milk evaporated just a few hours after milking time, St. Charles is always extra fresh... and extra good because it is irradiated for an added supply of the important Sunshine Vitamin D.

Ask your doctor about St. Charles for your baby. He knows its purity and high quality. St. Charles improves your cooking. Makes a more delicious cup of coffee or tea.

## THE FOOD WAY

Did you know that the most common type of constipation is caused usually by insufficient "bulk" in meals? Neglect of constipation may bring headaches, loss of appetite and energy. You feel miserable.

## TO RELIEVE

2 Kellogg's ALL-BRAN is a "bulk" food that absorbs water like a sponge. ALL-BRAN acts naturally—forms a soft mass within the colon— aids regular elimination. Unlike certain pills and drugs, it is not habit-forming.

## CONSTIPATION

3 Serve ALL-BRAN as a cereal with milk or fruits, or cook into appetizing muffins, breads, etc. Just eat two tablespoonfuls daily. Severe cases, with each meal. Buy this food at your grocer's. Made by Kellogg in London, Ontario.

F. Waterman, who has been spending some time here in connection with the shipping of clamshell from Dundas Island to Seattle, is sailing by the Princess Adelaide tonight on his return south.

Charged with creating a disturbance as a result of a melee at a waterfront restaurant last evening, Jack Cook appeared in city police court this morning before Magistrate McClymont and was released on \$50 bail after being remanded until Monday.

LAND REGISTRY ACT  
Re: Certificate of Title No. 3134-L to Lots Thirteen (13) and Fourteen (14) Block Nine (9), Town of Stewart, M.P. 818.

WHEREAS proof of loss of the above Certificate of Title issued in the name of Wallace Langley has been filed in this office, notice is hereby given that I shall, at the expiration of one month from the date of the publication hereof, issue a provisional Certificate of Title in lieu of said lost certificate, unless in the meantime valid objection be made to me in writing.

DATED at the Land Registry Office, Prince Rupert, B. C., this 23rd day of October, 1937.

ANDREW THOMPSON,  
Deputy Registrar of Titles.

LAND ACT  
Notice of Intention to Apply to Lease Land

In Prince Rupert Land Recording District of British Columbia, and situated on White Sand Island.

Take notice that Frank Waterman of Prince Rupert, occupation miner, intends to apply for a lease of the following described lands—

Commencing at a post planted on one of the high cliffs on White Sand Island and being 300 feet from the S. E. corner of White Sand Island, and on the east side, thence 800 feet S. W.; thence 800 feet N. W.; thence 600 feet N. E.; thence 800 feet S. E. and containing 12 acres, more or less.

FRANK WATERMAN  
Dated August 28, 1937.

**STORY OF PUGILISM**

"Kid Galahad," with Edward G. Robinson, Week-End Feature At Capitol Theatre

"Kid Galahad," a story of the prize ring and the characters around it, is the feature presentation at the Capitol Theatre here this week-end. The cast is headed by Edward G. Robinson, Bette Davis and Humphrey Bogart. Robinson plays the part of a fight manager who is none too straight. Bogart is another fight manager and he is an out-and-out crook. Miss Davis is Robinson's girl friend "Fluff." Wayne Morris, a new actor, is the come-on fighter. Robinson and Bogart endeavour to double-cross each other. Towards the end of the picture the two rival managers kill each other off, much to the satisfaction of everyone concerned. A bitter and realistic pugilistic match is one of the features of the action which eventually leads up to a happy romantic ending. It is said to be a really human story which should have an appeal, not only to fight fans, but to moviegoers as a whole.

**HOTEL ARRIVALS**

Royal  
O. Johnson, city; F. Steiner, Ferser Lake.

Prince Rupert

Walter R. T. Romain, C.N.R.; H. Montgomery and H. C. Rainbow, Windgam.

**COULD HARDLY CLOSE HANDS**

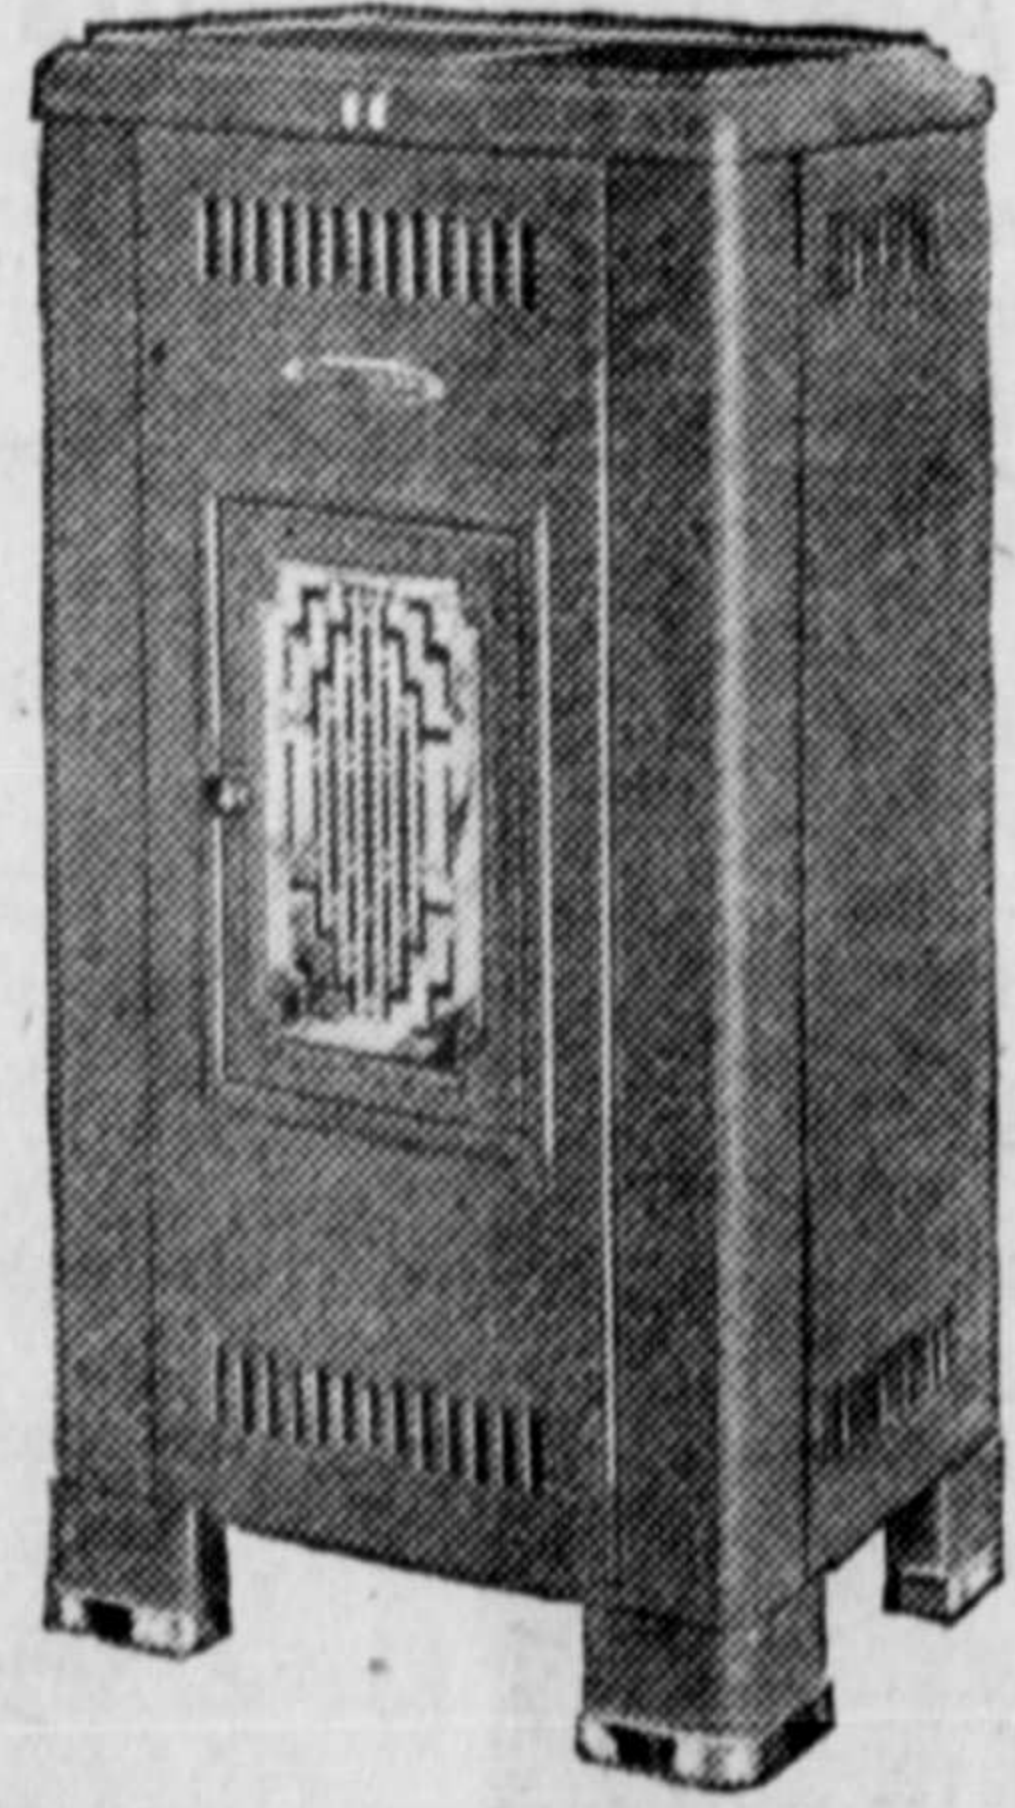

Had Rheumatism and Neuritis

"I suffered severely from Rheumatism and Neuritis," writes Mr. W. J. Tracy of Toronto. "I could hardly walk upstairs or close my hands. After taking Fruit-A-Tives four days the swelling left my hands and knees. I could climb stairs and ladder. I advise any person suffering as I did to take Fruit-A-Tives. They give quick relief." Try this real fruit juice, herb and tonic prescription of a famous Canadian doctor. If you suffer, they might clear up your case too. 25c. and 50c. No substitute. At druggists.

**FRUIT-A-TIVES** LIVER TABLETS

**DUO-THERM OIL HEATERS**

- No wicks, easy to light.
- Beautiful modern cabinets.
- Patented dual chamber burner.
- Large capacity humidifier.
- Splash proof fuel reservoir.
- Sizes and models to suit every requirement.

Also SILENT GLOW range burners with enamel base—still the standard for service.

**THIS PARTY WAS NOVEL**

Everything Done Backwards as A.Y.P.A. Entertains C.Y.S.

Mirth reigned supreme on Wednesday evening in the Cathedral Hall when the Anglican Young People's Association entertained the Christian Youth Society at a backwards party. The normal order of procedure was reversed and the boys appeared in feminine costume. The guests on arrival were bade farewell by the hostess, Miss Bob Yerburgh, who was attired in a stately Paris model of black satin beaded tunic and plumed picture hat.

The party opened with the singing of "Auld Lang Syne" and "Good Night Ladies." The Christian Youth Society then formed a circle around the Anglican Young People's Association members singing "For They Are Jolly Good Fellows." Following this the company took their partners for the Home Waltz. Dancing was then enjoyed to the strains of Nelson and McLean's orchestra.

About 9:30 the guests adjourned to the dining room for a repast of coffee and doughnuts followed by buns and spaghetti. When the board was cleared the orchestra struck up the strains of the supper waltz.

The next portion of the program consisted of competitions, guessing the names of famous people from their pictures, a smelling contest and guessing the silhouettes of persons present. Mr. (Winnie) Cameron was successful in winning the prize for the first mentioned, Mr. (Edith) Wilkinson walked off with the prize for the second and Mr. (June) Armour the prize for the third.

The guests then cast all restraint aside and indulged in games of their childhood. Such old favorites as Farmer-in-th-Dell, Poor

Pussy and Poison Tag were joined in with gusto.

A feature of the evening was a tap dance by the Cameron brothers, (Winnie and Kittee). The ladies seemed to want to show off their pretty gowns. Some very outstanding ones were noticed. Miss (Ken) Harding was the grandmother of the party, being attired in a period costume. Miss Keenleyside made a charming study in blue figured chiffon. Miss (Hazen) Hankinson, who was presented with a bouquet for being the prettiest lady present, looked very chic in a sport costume with feathered beret. Miss (Louis) Crompt, in a wine colored tea gown and accessories to match, made a very pretty picture.

Following the grand march the guests prepared to leave. As they left they were welcomed by the hostess.

Mrs. C. M. Smith sailed last night on the Prince George for Vancouver enroute to Tranquille Sanitarium.
