## HE TOUCHED OFF CRISIS

Bishop of Bradford to Visit Halifax Next Month

HALIFAX, July 10: (CP)—When the General Synod of the Church of England in Canada opens here Aug. 29, probably one of the most interesting visitors will be Rt. Rev. Alfred W. F. Blunt, Bishop of Bradford.

It was in an address to his Diocesan Synod that the bishop made the direct reference to King Edward VIII that precipitated a constitutional crisis and led to the abdication of the king.

The Bishop of Bradford will bring greetings from the Church in England to the daughter church in the Dominion. He will speak Sunday afternoon, August 29 in All Saints' Cathedral and again at a Service of Witness in the Forum, September 2. Bishop Blunt was graduated from Oxford University in 1904 after a brilliant record there. He was ordained as a deacon that year and as a priest a year later. From 1907 to 1917 he served as Curate of Carlington.

During this period he published four works which gained him a reputation in the literary world. "Studies in Apostolic Christianity" was published in 1909; "Apologies of Justin Martyr" in 1911; "Faith and the New Testament" in 1912 and "The Faith of the Catholic Church" in 1916.

In 1917 he was appointed Vicar of St. Werburgh, Derby, where he remained until 1931. During the period he wrote several treatises among which his "Israel Before Christ," and "Israel in World History" are grouped with "The Teaching of the Old Testament," and "The Ancient World" as the most noteworthy.

He was consecrated Bishop of Bradford in York Ministry July 25, 1931, in which diocese he has labored since that time.

His Commentaries on the Books of Acts, Galatians and St. Marks in the Clarendon Bible are among his more recent contributions to Biblical Scholarship.

## First Canadian Insurance Firm

Maritime Official Tells of Formation of Premier Company

CHARLOTTETOWN, July 10: (CP)—Events which led to the formation of the first insurance company in Canada were described here by S. C. MacKenzie, a supervisor of agencies for Canada and Newfoundland.

A Hamilton, Ont., banker, he said, had applied for a policy in a New York company and after making the then long and tiresome trip to the American city, found that his policy would be granted only with certain restrictions because he lived in the "wilds of Canada." The experience caused him to take steps which led to formation of the first Canadian company.

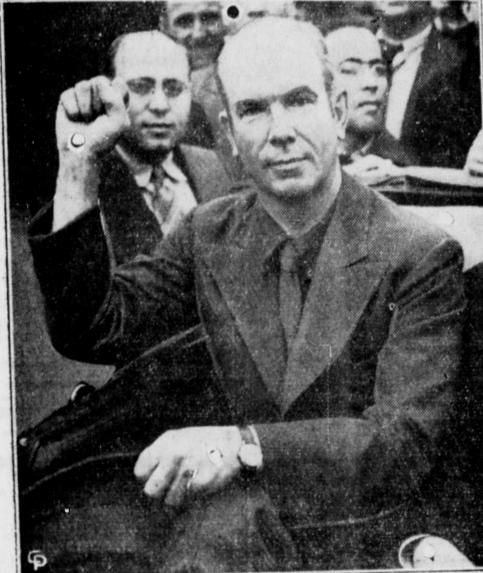

Mrs. J. J. Little and Mrs. Jarvis H. McLeod sailed last night on the Catala for a visit in Stewart.

## Card of Thanks

We wish to extend our appreciation to the committee in charge and all Prince Rupert citizens who helped to make the First of July such a successful day. We also extend a hearty invitation to any future excursions.

## Canadian Doctor Home From Spain Opponents Of Court Bill In Lead In Senate

"The great courage and feeling of justice" will bring about a loyalist victory in Spain according to Dr. Norman Bethune (above) who recently arrived back in Canada from Spain where he was director of the Canadian blood transfusion unit with headquarters in Madrid. Dr. Bethune, former head of a Montreal hospital, left Canada last year to establish the medical unit in Madrid. With the Montreal doctor in Spain were two Canadian newspapermen.

WASHINGTON, July 10:—Opponents of the Roosevelt Court Bill held a slim margin today in a neck and neck race for publicity-committed senate votes. Forty senators have announced they will fight the administration compromise, thirty nine openly have pledged support.

## SHIP IS STRANDED

Efforts to Refloat Freighter From California Coast Still Fruitless

SAN FRANCISCO, July 10:—Straining deeper into her sandy berth forty miles below the Golden Gate, the McCormack Intercoastal freighter, West Mahwah, has defied all efforts to refloat her. One more attempt at high water will be made to salvage the vessel before the removal of her deck load of lumber and two passengers from the stranded vessel, according to E. H. Harms, operating manager of the line. Its future depends on the action of the vessel during the unloading operations. A similar attempt last night failed when the coast guard cutters Alexander Hamilton and Ariadne, assisted by the tug Sea Scout, one of the most powerful in the bay, struggled fruitlessly.

Mr. and Mrs. C. W. Durgin of Seattle, who have been on a visit to Ketchikan, were passengers going south aboard the Princess Charlotte Saturday afternoon.

## LAST BIG SEARCH ON

Lexington Arrives at Howland Island in Quest of Amelia Earhart

HONOLULU, July 10:—South Seas skies were clearing as the U.S. aircraft carrier, Lexington and its brood of more than sixty planes arrived today at Howland Island in search of Amelia Earhart and navigator Fred Noonan, globe-girdling fliers lost for ten days. Aboard the floating landing field three hundred crack naval fliers were warming up their planes in preparation for the last major effort of the navy in the search that has baffled ships of three nations. Radio operators aboard the Lexington, the battleship Colorado and the coast guard cutter, Itasca, listened in for radio signals from the missing plane.

## NEW POLAR FLIGHT ON

Another Soviet Ace On Way From Moscow to United States

MOSCOW, July 12: (Canadian Press)—The Soviet air ace, Mikhail Gromoff hopped off Sunday at 4:10 p.m., Pacific Standard time, for the United States flying by way of the North Pole to San Francisco. Good weather was forecast for the flight which started three weeks after that made by three Russian fliers who landed at Vancouver, Washington on June 20. Two companions accompany Gromoff.

## Agriculture Is Essential

After All, Scientists Must Know Where Next Meal is Coming From

CHARLOTTETOWN, July 10: (CP)—"We sometimes boast of what our present generation has accomplished in the field of science, but these accomplishments were only possible because of what had been done previously in agriculture," is the opinion of Ernest L. Eaton, Supervisor of Illustration Farms in Prince Edward Island.

## Aircraft Firm Lays Off Men

Machinists Union Sees Action At San Diego to Break Up Organization

SAN DIEGO, July 10:—The executive board of the Aircraft Local, International Association of Machinists, charged that layoff of more than two hundred workers at the Consolidated Aircraft Corporation plant was a move by the management to "break up the existing union organization."

## Military Operations Are More Extensive; Peiping Hears Shells

Both Chinese and Japanese Admit That Negotiations For Peaceful Settlement Have Been Broken

TOKYO, July 12:—The Japanese government Sunday prepared for extensive military operations in China with the announcement that troops were being rushed to the North China zone where Chinese and Japanese were in bloody combat since last Wednesday. The fighting started just south of Peiping when shots were exchanged during Japanese military manoeuvres.

## Seeking War?

Roberto Farinacci (above), member of the Fascist grand council and former secretary of the party, asked immediate severance of relations with Great Britain and France, in the publication "Il Regime Fascista." Farinacci said in part, "considering the present military inefficiency of Britain and the internal weakness of France, it is better to strike the blow than in the distant tomorrow which will be more advantageous to our enemies." The article was promptly repudiated by the minister of public culture. Farinacci was one of the earliest Fascist leaders and has a wide following in his native land.

## PRICES IN MART SAG

Dull Trading in New York Exchange Saturday

NEW YORK, July 10:—Prices sagged in dull trading on the stock exchange Saturday. Many traders were beset because of the hot weather. Those in attendance were cautious on the theory the market was entitled to a technical reaction. The sales approximately were three hundred thousand shares for the short session.

Steels which led the market up in the recent recovery were neglected and sagged fractionally. Steel news continued favorable and the street anticipated a substantial rise in the operating rate next week. In Pittsburgh however, the rate will be at 88 per cent of capacity, falling by five points to make losses sustained in the Independence Day holiday.

Other commodities were lower. Profit taking came into the rails. Union Pacific lost 2 points and the others were down fractionally. Utilities were steadier, communications also were lethargic with prices fractionally lower. Rubber issues eased while U.S. Rubber was off a point. Westinghouse Electric dipped a point. Declines of a point or more were made by air Reduction, Dupont and Southern Pacific. Stocks were higher. Foreign exchange firm and Cotton weak.

## Daily News Honors Foreman on Eve Of Leaving This City

At the closing hour in the Daily News office Saturday afternoon, members of the staff gathered in the business office to honor H. G. Kennedy, foreman of the composing room and identified with the typographical department for nine years, with the presentation of a stream-lined Gladstone bag as a mark of esteem and well-wishing in view of his departure this evening for Prince George where he is taking a new position. The presentation was made with suitable remarks by H. F. Pullen, president of the Daily News, and Mr. Kennedy, completely surprised, expressed his appreciation in appropriate terms.

#### SIT DOWN STRIKE

In France there was a sit-down strike recently. Proprietors of hotels were recently asked to reduce the number of working hours to a point which they considered is dangerous to the success of their business. They closed their hotels and sat down to await the time when their employees assumed a more reasonable attitude.

#### INTERESTING QUALIFICATION

President Roosevelt believes in women taking an active part in politics and he has shown that he believes it by making a woman secretary of labor in his cabinet. Secretary Perkins has shown much ability in the difficult position she holds.

But, and there is usually a "but," Mr. Roosevelt does not think the country is ready for a lady president, at any rate not until the present incumbent of the office is Rooseveltian. He thinks women have brains and executive ability but lack recuperative powers. They must be able to lay down the job and forget it while they take a vacation and recuperate. This he thinks can only be done if they learn to fish. They must be able to tie a fly, make a cast and land a shiny trout. Also they must be able to bait the hook with worms. This is the final qualification which most women cannot pass. They balk at the worms and until they can bait a hook and like doing it they cannot hope to succeed to the presidential chair.

#### THEY DESERVE IT

I am confident that all newspaper editors will go to heaven, says W. Earle Dye in the Rotarian Magazine. No matter how eloquently the editor may boost for the development and progress of his community, no matter how diligently he may labor to build up his home country, no matter how loyally he supports a friend in politics, extols the virtues of a famous native son, stretches the truth to praise a local prima-donna-to-be, or gently lays a metaphorical wreath on the grave of a departed, he seldom hears a "Thank you." Rarely does anyone say, "Well done." Almost never does he hear, "We appreciated that." But let him make a slip. . . .

Several Games Played as Tournament Gets Under Way At Week-end

The results of the Canadian National Recreation Association tennis club annual tournament which commenced over the week-end were:

Mrs. West and Miss E. Rivett defeated Mrs. Miller and Mrs. R. Morrison, 6-3, 6-2.

Mrs. E. M. West defeated Miss A. Kach, 6-3, 6-1.

Miss E. Rivett defeated Miss L. Blitch, 6-4, 6-1.

Mrs. L. Blitch and Don Blake defeated Mr. and Mrs. Davis, 6-4, 6-4.

Mr. and Mrs. Morrison defeated Miss A. Kach and W. Blitch, 6-2, 6-1.

F. M. Davis defeated S. Jurmain, 6-4, 6-3.

R. Morrison defeated F. R. Summers, 6-2, 6-8, 6-2.

## SPORT CHAT

Add novel golf matches. Ted Hook did nine holes in par figures on a course at Sydney, Australia, by moonlight. Playing in a four-ball match, one ball was lost but four were found.

Australia defeated England by 31 runs in the first women's test cricket game to be played in England. The tourists scored 300 and 102 against the home team's 204 and 167.

It's the old story. Aberdeen's touring pro footballers have shown themselves far superior to South Africans amateurs in positional play, ball control and anticipation.

Invention of a Dutch golfer, golf clubs with heads made of specially prepared beech wood, requiring neither lead nor any weight to distribute the balance, are winning favor in England.

J. L. Coleman, Olympic marathon runner, ran from Maritzburg to Durban, South Africa, in six hours, 23 minutes, beating by one minute a record of Arthur Newton which has stood since 1925.

C. S. Nayudu scored the quickest century ever seen in the Indian Gymkhana Club's grounds in London, reaching the 100-mark in 39 minutes. He made 111 runs, his strokes including five sixes and 15 fours.

Here's concentration for you. A Capetown golfer—in the rough—played an excellent iron shot to the green and looking up discovered he had cut the head off an 18 inch snake.

In spite of a wet season and difficulties in regard to the state of the ground, Bradford Northern, English Rugby League club, showed a profit of more than \$5,000 at the end of the season.

Southern Rhodesia beat its own record for the overseas full range 303 postal shoot under Bisley conditions. Score of 1,120 was seven better than last year's mark.

"I think Bobby Locke is one of the finest strikers of a golf ball I have ever seen." This tribute to the young South African golfer was paid by Henry Colton, noted English pro.

Miss A. H. Robertson of Eastern Province, South Africa, set a new British Empire record for the women's javelin throw with a heave of 130 feet, 9 1/2 inches.

## CAMP IS VISITED

Navy League Picnic Yesterday Afternoon Proved Interesting and Enjoyable Outing

Members of the Prince Rupert Branch of the Navy League of Canada and parents and friends of the members of the local Sea Cadets who are at present in annual camp visited the boys at Dodge Island yesterday. The trip was in the nature of a picnic outing and, in spite of the rather wet afternoon, the outing proved interesting and enjoyable to all. Transportation was provided by the Canadian Fish & Cold Storage Co.'s packer Chief Legaic, Capt. Harold Casperson.

On arrival at the Island, the camp headquarters in the old quarantine hospital were inspected by all after which the boys paraded for inspection by R. M. Winslow, under Lieut. G. H. Greenwood, commanding officer and Sub. Lieut. Joe Landrey, president of the local branch of the Navy League. Mr. Winslow spoke briefly as also did T. H. Johnson, a former president of the League, who is revisiting the city.

The Cadet Corps bugle band then played a few selections. After lunch there was community singing and a program of races was run off on the beach.

The winners in the various events were:

Tug-of-War—Hazen Hankinson's side.

Rowing race—The boat of Duncan McRae, Joe Norton and Billy Wilson.

Hop, step and jump—Joe Norton, Elmore Hankinson.

Running broad jump—Joe Norton, George Greenwood.

Swimming race—George Greenwood, Elmore Hankinson.

Backward oar race—Hugh Burbank's side.

Ball throwing—Joe Norton, Norman McLeod.

The boys were found to be very comfortable and enjoying themselves. They are in capable charge of James Stevenson, recently arrived from McGill University at Montreal. In camp are George Greenwood, Brett Soles, Bill Hunter, Edward Dawes, Norman McLeod, Donald Nelson, Hugh Burbank, Harry Hamilton, Hazen Hankinson, Richard Moore, Allan Burbank, Allan Large, Jack Davies, Elmer Hankinson, Richard Mills and Donald Eby.

The camp, which opened a week ago, will break up at the end of this week.

## Bernice Palmer says . . .

Nature is no respecter of rank. Even the great suffer from her whims. Tony Martin planted flower seeds and onions came up. At that, he is better off than I was. I planted onions and got weeds. And speaking of flowers, many of the gorgeous Martha Washington geraniums were frozen this winter but fuschias seem to have weathered the cold.

One of the sights that struck me when I first arrived in the East Bay were the magnificent gardens of geraniums and fuschias which I had been taught to nurse with care, growing six and eight feet in height. Hedges of geraniums are quite common and borders of precious calla lilies. And I once planted some California poppies and spent nearly two years trying to weed them out!

But I have not seen the quantities of wild flowers we used to pick in Prince Rupert. Can you still pick the dainty queen's cup and violets, "down by the creek?" Or have they given way to "the march of time?" And are the hills still covered with Labrador tea and huckleberry blossoms? Something should certainly be done to preserve the wild flowers of which Prince Rupert used to be full.

Once upon a time! Dorothy Tremayne, Helen Wallace, "Coco" McMullin, Betty Barrow, Dorothy Tovey and I made a huge bouquet of Prince Rupert wild flowers we had gathered and presented them to the Vancouver Board of Trade who were visiting in the city and, believe it or not, we had a hard time convincing our own families we had gathered so many right on Kaien Island—Island of Fallen Trees—it wasn't the quantity, but the variety. Two kinds we did not include—devil clubs and arum lilies (skunk cabbage to the uninitiated).

CHEERIO!

### Showers For Miss Margaret Cook

Friends Honor Popular Bride-Elect at Delightful Affair

At the home of their parents, Mr. and Mrs. A. C. Clark, Bowser Street, the Misses Grace and Margaret Clark were joint hostesses at a very successful miscellaneous shower in honor of Miss Margaret Cook, whose marriage to J. G. Wilkinson, wireless operator on H.M.S.C. Skeena will take place shortly. The rooms were appropriately decorated in naval style. An illuminated ship formed the centre of attraction in the living room while in the dining room the table was centred with a model ship. The bride-to-be received many beautiful and useful gifts.

The evening was spent in making a "Bride's Book" and playing several games in which the winners were Mrs. E. Pettenuzzo and Mrs. H. Calderwood. At midnight delicious refreshments were served. Serviteurs were Miss Lydia Pettenuzzo, Miss Isabele Connery and Miss Margaret Clark, while those pouring were Mrs. Taper and Mrs. Pettenuzzo. The evening was brought to a close at 2:30 a.m. by the singing of "For She's a Jolly Good Fellow."

Those present included: Mrs. Cooke, Mrs. Taper, Mrs. Calderwood, Mrs. Lineham, Mrs. Pettenuzzo, Mrs. Toombs, Mrs. Clark and the Misses Margaret Cooke, Ethel Christy, Edna Gillies, Hilda Hanson, Lydia Pettenuzzo, Isabele Connery, Ena Lineham, Florence Rose, Beatrice Hunter, Venetia Feero, Grace Clark, Margaret Clark.

### Decoration Day Observed Here

Ceremony Yesterday at Cenotaph And Cemetery

About fifty persons were present at the Decoration Day ceremonies at the Cenotaph and Fairview Cemetery yesterday afternoon. The ceremony was conducted by the Queen Mary Chapter, Imperial Order of the Daughters of the Empire, assisted by the other chapters of the I.O.D.E., and by the Canadian Legion and Women's Auxiliary.

A wreath was laid on the cenotaph by Mrs. D. Orchard McLeod, regent of Municipal Chapter. Those present then proceeded in cars to the cemetery where a brief but impressive service was conducted by C. V. Evitt, who spoke of the spirit of comradeship among the soldiers and that this spirit should be kept alive by the returned veterans.

The "Last Post" was played by Bugler Rance. The hymns were accompanied by George Brown. During the service the graves in the soldiers plot were decorated with flags and flowers.

### ADDRESSES CLUB HERE

Regional Official From Victoria Is Heard by Womens Canadian Club

On Saturday afternoon Mrs. A. Carmichael of Victoria, vice-chairman of the Regional Council of the Women's Canadian Club, addressed the members of the local club at a tea in the Boston Cafe. The speaker was introduced by the President, Mrs. F. N. Good.

Some years ago, Mrs. Carmichael explained, those interested in the work of the Canadian Club realized that something more should be done to help the smaller clubs of the Province to get speakers to address them than was possible for the National Council at Ottawa to do. So the regional council was formed. This council sits two years in Victoria and two years in Vancouver alternately and its officers are elected for two years. There are no paid officers. The small amount of five dollars a month is allowed for stenography. No other province in the Dominion has a regional council. The national council remits 50 percent of the affiliation dues paid by the clubs of the province to the regional council. Mrs. Carmichael promised that the regional council would endeavor to place more speakers with them than had been done in the past.

Mrs. Carmichael then gave a talk on some outstanding personalities which had impressed her very much. Among others she spoke of Dr. Y. C. Yen and his wonderful educational work among the lower classes in China, of the outstanding achievements of Madame Curie in the discovery of radium, and of the distinguished Nyro, scientists of Tuskegee Institute, Dr. George Washington Carver, renowned for his chemical wizardry.

Mrs. Carmichael left by the Prince Rupert in the evening for her home in Victoria.

### Typos Honor President On Leaving City

Gathering at the office of James M. Campbell Saturday afternoon, members of the Prince Rupert Typographical Union honored their president, Harry G. Kennedy, on the eve of his departure for Prince George where he will take up future residence. On behalf of the union, A. O. Franks, the secretary, presented Mr. Kennedy with a fine pen and pencil set. Suitable sentiments were expressed by Mr. Franks in making the presentation and by Mr. Kennedy in receiving the gift.

### Surprise Party Saturday Night

Presentations Made to H. G. Kennedy at Affair Saturday Night

Some forty or so friends gathered Saturday night at the home of Mr. and Mrs. G. W. Nickerson in a surprise party in honor of H. G. Kennedy prior to his departure for Prince George to reside. The feature of the evening's proceedings was the presentation to Mr. Kennedy of a handsome vegetable dish, rose bowl and silver candlestick holders. The presentation was made by G. W. Nickerson who voiced suitable sentiments. Mr. Kennedy responded appreciatively. Cards were played during the evening and delicious refreshments served.

### WHIFFLETS From the Waterfront

The date of the closing of the halibut fishing season in Area No. 2 on July 28 is thirteen days earlier than last year. It was expected that the closing would come earlier this year in view of the more intensive fishing.

There were 176 passengers aboard the steamer Princess Charlotte which was in port Saturday afternoon southbound from Skagway to Vancouver. One person disembarked from the vessel here while three boarded her at this port for the south.

Southbound from Alaska to Vancouver, C. N. R. steamer Prince Robert, Capt. H. E. Neddler, arrived in port at 9 o'clock Sunday morning from the north and sailed at 4 o'clock in the afternoon. The vessel had on board a total of 317 passengers. Two disembarked here.

Dr. R. H. Bedford and O. C. Young of the Prince Rupert Fisheries Experimental Station staff who sailed on the Princess Charlotte Saturday afternoon for Vancouver, will proceed from Vancouver to Montreal with an experimental fish-laden refrigerator car embodying new refrigeration equipment and technique which the local station has been working upon for some time. This shipment will be along somewhat similar lines to another which was made last summer under the personal supervision of Mr. Young.

Sockeye gillnet boats outside of Finlayson Island last week report having brought up their net covered with a greyish ooze-like silt. The occurrence was somewhat unusual and suggests some disturbance or phenomenon out of the ordinary in the water. It was only in the one locality that it was reported.

The co-operative packer Azurite delivered 3,000 pounds of coho salmon and 1,000 pounds of spring salmon from Zayas Island and 2,500 pounds of spring salmon from Dundas. The troller Donna, Capt. Emil Jensen, delivered 300 pounds of coho salmon and 300 pounds of spring salmon and the troller Sea Storm, Capt. A. Hanson, delivered 500 pounds of coho and 500 pounds of spring salmon. The troller La Paloma delivered 400 pounds of spring salmon and 800 pounds of coho. The advanced prices were 9c and 6c for spring and 5c for coho.

### COMEDIES FEATURED

"Walking on Air" and "The Holy Terror" at Capitol Theatre At First of Week

An hilarious musical comedy, "Walking on Air," starring Gene Raymond and Ann Sothern, and a rollicking mirth provoker "The Holy Terror," featuring Jane Withers, comes to the screen of the Capitol Theatre here on a first of the week double bill.

"Walking on Air" relates the experiences of two young college men who advertise for positions as secretary and bodyguard, when they find themselves without work and destitute. Unbeknown to each other they are hired by a millionaire and his temperamental daughter respectively. The complications which develop and the final denouement combine to provide fast-moving entertainment. Henry Stephenson and Jessie Ralph are other important members of the cast. Popular song hits are introduced into the action as radio episodes. Settings are smart and modern.

In "Walking on Air" Jane Withers is the pet of a naval air base. She gets into such mischief that a sailor is assigned to look after her. The sailor becomes the habitue of an inn which turns out to be a spy hang-out. Considerable excitement develops and culminates in a rapid-fire climax. Anthony Martin and Leah Ray, a new romantic team, head the supporting cast.

In port this morning, both arriving at 9 o'clock, The C. P. E. steamer Princess Louise, Capt. S. K. Gray, was in from Vancouver, sailing at 11 a.m. for Skagway. C. N. R. steamer Prince George, Capt. Edward Mabbs, arrived from Skagway and sails at 7 p.m. for Ocean Falls. Powell River and Vancouver. Both vessels have full passenger lists. There were 223 aboard the Princess Louise including 162 round trippers and three who disembarked at this port. Four left here for the north aboard the vessel. There were 199 passengers on the Prince George, eight disembarking here.

The Ketchikan motorship Beloit was in port this morning with one carload of fresh halibut for transshipment East over Canadian National Railways on this evening's train.
