Constipation cleared up, too, after taking "Fruit-a-tives" short while. Mrs. James Chalmers, of Falkenburgh, Ontario, says: "For over a year I was troubled with indigestion brought on by constipation. I could scarcely eat or drink a thing without severe gas pains and sore-ness in my stomach. I tried many remedies before Fruit-a-tives. After taking Fruit-atives a very short time, I was able to eat and drink anything without unpleasant aftereffects. My constipation cleared up quickly and I have never had it since.'
