VANCOUVER- Philip M. Ray,

Final Notice is Being Served Upon Chancellor Adolf Hitler to Halt "Campaign of Hate" in Regard to Czechoslovakia

LONDON, August 30: (CP)- Great Britain and KNOWN France took emergency action today to prevent war in Europe and, at the same time, prepared to meet conflict All Injured in Careening Electric; if it comes. The cabinets of the two countries gave unanimous approval to steps already taken by their foreign ministers in the Czechoslovakian crisis and agreed upon

policies to be followed. The policies BRITANNIA MINE, Aug. 30: were not disclosed but it is believed WOULD CUT make a calm but firm final demand that Germany halt its "campaign of hate 'against Czechoslovakia and into a stationary engine, injuring | co-operate in efforts to settle the minority problem.

Tension between Germany and Roosevelt Is Ready To Follow Czechoslovakia has, meanwhile, increased by a second German proly shaken up, has not been, as yet, i test against insults to the Imperial German Army by a Czechoslovak newspaper.

Chancellor Adolf Hitler continues armaments if other nations reduce his inspection of border fortifica- theirs. He gave this assurance in tions while crack motorized units a letter sent to Col. John O'Laughof the French army begin manoeu- lin. publisher of the Army and vres close to the German frontier Navy Journal, for publication in ing to stop at the top of a sharp all of which manoeuvres are taking the seventy-fifth anniversary decline and struck the standing lo- place under conditions widely fear- number of the journal. ed as a threat to European peace.

With more than twenty thousand troops having pitched camp at Baldahon, close to the junction of the French, German and Swiss borders, France today moved troops into position on her eastern frontiers facing Germany and Italy.

Great Britain continues preparing for home fleet manoeuvres off northern Scotland and it is reported that the German fleet is manoeuvring in the North Sea.

Chancellor Hitler faced a momentous decision of whether Germany is ready to use force to sup-(CP) port demands of the Czechoslovakia many came to grips with Czechoslovakia over the issue. German, plans for possible active support of the Sudeten Germans were based! on a belief Britain would remain neutral, these sources said.

Now it seems evident that Great Britain, with France at her side and United States lending moral support, is about to place her full diplomatic and military strength behind an effort to settle the Czechoslovakian minority crisis once and for all.

He is still working for us so that we may have cheap and efficient road transportation. Many of the men who are working for us are supposed to be dead but the work is going on. Even though they may be now engaged in inventing improved kinds of wings for the angels, they are still our servants, ministering to our! needs, making life easier and better for all of us.

If you have something to sell, a classified advertisement in this paper will soon let you know if there is a buyer in the city.

DISPLAY OF PLAYFIELD

Big Crowd Shows Appreciation of Activities Conducted During Past Summer Under Auspices of Gyro Club

Introducing a number of nove and entertaining specialty items in addition to the regular physical education routine, the annual mass display of Gyro supervised playground activities, presented at the Exhibition Hall last night by some! sixty selected representatives of the various playgrounds before a crowd of some three hundred or so interested spectators, was along considerably different lines from heretofore. The display was carried out in a snappy manner and the crowd showed its appreciation of the skill and talents of the participants by enthusiastic applause. Instructor Harry Gordon-Cooper, Assistant Instructor Neil Ross and their assistants-Miss Alice Gomez, Miss Kitty Cameron, Miss Jean Krause and Miss Mary Davel-were in charge and the show reflected much credit upon the useful work they have been carrying on during . the summer vacation season which is now closing. A gratifying feature was the greater number of Dickens (captain), A. Davis; R. younger boys taking part. W. F. Stone, chairman of the Prince Ru-R. Armstrong, D. McMeekin. NEWS OF THE MINES

New Discovery Made on Old Omineca Property-Staking On Naas Slope-Interesting Discovery On Napco Property

Dunsmore Gold Mines Ltd., which operates a placer mine on Lost Creek, a tributary of Manson Creek, in the Omineca country, is reported to have uncovered a rich pay streak while drifting on an old bedrock tunnel driven by W. B. Steele some twenty-three years ago. Ten feet of PROBLEMS the drift in one place averaged \$10 a yard and nuggets.

up to three ounces in weight have been uncovered during the past few weeks. It is believed that a considerable profitable production is ENGLISHMAN assured. The ground immediately adjoins that on which Consolidated Mining & Smelting Co. has been operating a dragline scraper for the past several years and is said to be the only underground placer showing in the Manson Creek area. The present development plant on the Dunsmore Gold Mines property consists of a steam boiler supplying power for a 450 gallon pump which; provides water for sluicing and also operates a self-pumping cage which brings the gravel to the surface where it is dumped on a grizzly, the fine stuff going to the sluice boxes and the coarse material to

English education systems in New York and elsewhere. Feathers, Too

Though women are forging ahead in serious occupations, the lighter side of femininity has not been neglected. Fashions with true Edwardian verve are favoring feathers, old lace and flower perfumes.

Queen Elizabeth wore lovely old lace on the black evening gown in which she appeared at the presentation party at Buckingham Palace. The Duchess of Kent and the Duchess of Gloucester have also' promoted the use of family heirlooms. The Duchess of Northumberland is among those who have entrusted their lace to Lady Smith-OF WOMEN Dorrien at the Royal School of Needlework for making into cushon covers and bedspreads.

As for feathers, they are appear-Protest Employment Barriers-Bigling more and more frequently. At the royal garden party they decorated high toques and wide-brimmed hats, were worn as coatees and even as dress-length boas.
