FINAL BULLETINS

WINDSORS TO RETURN?

PARIS—Possibility of the Duke and Duchess of Windsor establishing a home in England soon is forecast by friends as the ultimate result of the visit here on Armistice Day of the Duke and Duchess of Gloucester. The presence of the Gloucesters made the first members of the Royal Family to pay such a visit to the Windsors since the abdication. They are reported to have brought an invitation from King George for the exiles to spend Christmas with the Royal Family at Sandringham. The Gloucesters arrived by airplane early yesterday, lunched and dined with the Windsors and spent the night in an adjoining suite. It is reported that royal status may be given the Duchess of Windsor whom Edward insists shall be known as "Her Royal Highness." There may be further such family meetings which it is thought may lead to a complete reconciliation.

CARDINAL'S PALACE STORMED

MUNICH—Excited crowds stormed the palace of Michael Cardinal von Faulhaber and broke all windows in the imposing building. The incident followed a letter written by the Cardinal asking police protection in case of attacks on the Catholic clergy.

THREE DIE IN CRASH

RUGELEY, England—Five Royal Air Force men were killed when a bomber caught fire during a forced landing. Two jumped in parachutes and were not killed.

NEW TRADE AGREEMENT

OTTAWA—Prime Minister King said in a statement: "Early announcement may be expected that agreement on broader comprehensive lines than announced three years ago has been reached in our further trade negotiations with the United States." Fish, cattle, lumber and fruit are Canadian commodities which may be chiefly affected by the new treaty, it is reported.

JAP INVASION CONTINUES

SHANGHAI—Thousands of Chinese civilians fled today from towns and villages along the Yangtze River as Japanese carried their invasion into areas thousands of miles inland. Japanese have occupied Yochow, 122 miles upstream from Hankow. Many civilians have been killed and wounded in air raids.

IS BURNED TO DEATH

VANCOUVER—Mrs. J. Berry, aged 55, was burned to death shortly after midnight yesterday when she was trapped by fire which swept through the upper floor of her home. Mrs. Berry's husband and son, Sid, who had been sleeping on the main floor, were blocked by the fire in rescue attempts. Mrs. Berry is survived by two other sons, including City Constable Jack Berry, and two daughters.

'QUAKE IN NORTH

ANCHORAGE, Alaska—A light earthquake shock was felt here late Thursday afternoon. For a few moments walking was made difficult and a few residents felt faint and sick. The disturbance was general in western Alaska and was reported quite severe at Bristol Bay although no damage was disclosed. The earthquake, which was recorded by seismographs all over the world, is believed to have been centred somewhere in the Pacific Ocean far off land to the south of Alaska. Apparently arising out of the disturbance, a tidal wave washed Hawaiian shores with Molokai Island reporting that it swept twenty-three feet inland. Tidal levels were raised from two to nine feet at Maui Island and Honolulu but no damage was done.

SMELTER ON COAST

VANCOUVER—Construction of a huge smelter on the southern British Columbia coast as one means of helping to relieve unemployment and reduce debt and taxation was advocated by Charles M. Campbell, veteran British Columbia mining engineer, in addressing the Canadian Institute of Mining and Metallurgy convention here. Campbell listed Anyox Copper, Omineca Silver lead zinc mines and Ecstall pyrites as ore supplies which would help to feed such a new smelter.

ARMISTICE BANQUET

Large Turnout at Annual Canadian Legion Affair

The annual Armistice banquet marking the twentieth anniversary of the end of the Great War took place last evening in the Canadian Legion clubrooms when a capacity crowd of members and ex-service men enjoyed a fine repast prepared by members of the Women's Auxiliary of the Legion.

After the solemn observance of two minutes' silence, grace was pronounced by Rev. H. G. Funston. In welcoming the guests and all others President Jack Price reminded them of the need for maintaining a strong membership. It was necessary that all ex-service men should be members. The Women's Auxiliary deserved the support of all. The same comradeship of the trenches with its sharing alike of danger and sacrifice demanded a similar sharing and bearing of the burdens of needy comrades.

Lieutenant Orme Stuart, in a very happy talk, expressed the great admiration of the local naval unit for the Legion's fine example of service. Lt. Col. S. D. Johnston was equally appreciative. He felt that a tremendous compliment had been paid the parent body. In deciding on a most suitable body to supervise the settling of the Czecho-Slovakia and Germany plebiscite, the principal parties asked that the British Legion supply the men. City Commissioner Alder recognized the value of the Legion in the community. Its optimistic outlook was a tonic when so many were pessimistically inclined. Bishop Rix, in a stimulating talk, also expressed his appreciation of the local branch. In a wider sense he felt that the annual observance of Remembrance Day was the most important demonstration of loyalty and patriotism and hoped that the Legion would continue to lead the nation.

The toast to the ladies was suitably acknowledged by F. A. MacCallum who spoke of their splendid service during the war and their no less splendid support of the Legion now. C. V. Evitt spoke of the fine support of all organizations. As parade marshal his work had been made much lighter by the fine response of the many orders in town. He was sorry that the Girl Guides were without a leader now but was glad to see the Boy Scouts out again. W. M. Brown made a strong appeal for every ex-service man in town to join up. They needed the Legion and the Legion needed them. They had a challenge to face, a challenge from needy comrades, and it was a challenge that could not be shirked.

Bringing the compliments of the Provincial Command, Zone Representative J. S. Wilson complimented the branch on its successful year. In spite of loss of membership through deaths their total membership had increased. The activities of the branch in assisting in civic affairs was very gratifying. He stressed the point that the Legion had a serious work to do in trying to do away with petty inter-provincial jealousies. As they had fought for Canada in the war they should strive for a united Canada in peace. Returns from Poppy sales had now reached the fine total of \$248. A feature of the program was the song "The Canadian Legion," especially written by Mrs. W. O. Brass with music composed by Comrade H. T. Lock, local fire chief. J. S. Wilson sang it for the first time and the members joined thoroughly in the choruses. There is little doubt that it will become much more widely known.

Special congratulations were brought from Col. S. D. Johnston and others at the saluting base for the showing made by the various units. Particularly noteworthy was the fine marching of the members of the local branch of the Canadian Legion.

The musical program included vocal solos by J. A. Teng and

Anniversary Of Armistice Is Observed With Gratitude That Empire Is At Peace With World

Once again, on the twentieth anniversary of the Armistice ending the Great War, Prince Rupert people, with due reverence and solemnity, yesterday paid tribute to the War Dead at the annual Remembrance Day service at the cenotaph in the Court House grounds. Weather was cool and there was a flurry of snow. Hundreds of people turned out to participate in or witness the ceremonies which, after a parade of ex-service people, naval and military units and other organizations, centred at the cenotaph where the service of remembrance was conducted by Rt. Rev. Lieut. Col. G. A. Rix, Bishop of Caledonia. There were the usual solemn features of the occasion and, after the service and before the dismissal of the parade, there was a "March Past with Lieut. Col. S. D. Johnston V.D. M.C., senior militia officer, receiving the salute from the new federal building steps.

LONDON, Nov. 12: (CP)—It is officially announced at Buckingham Palace that King George and Queen Elizabeth will travel to Canada next year aboard H. M. S. Repulse, one of Great Britain's largest battle cruisers, which will be accompanied by two ships of the second cruiser squadron. Their Majesties will arrive in Canada about the middle of May.

H. M. S. Repulse is no stranger to Canada, having visited Victoria and Vancouver on the Pacific Coast in the summer of 1924 and Halifax and Quebec on the Atlantic Coast the same year. The King and Queen will land at Quebec, tour Canada to the Pacific Coast, visit Washington and sail from Halifax, Prime Minister Neville Chamberlain announced.

ARE BEST WINDOWS

Mussallem's, Gordon's Hardware and Orme's Adjudged Best in Competition This Year

One of the most gratifying features of the last two years in the matter of the general support by the public of the Remembrance Day was the decoration of the windows in so many of the stores. This year saw an improvement over last.

The judges this year planned that the first factor should be the appropriateness of the tribute, then the general carrying out of the plan and then the details. They had a very difficult problem in coming to a final decision. The results are:

First—Mussallem's with its recognition of the great sacrifice.

Second—Gordon's Hardware as a well built up tribute.

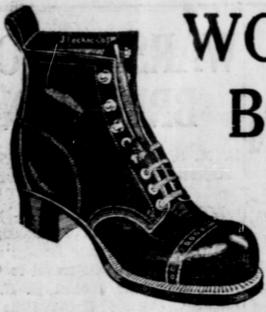

Third—Orme's in which the three branches of the service were represented.

Honorable mention was also made of McRae Brothers, Northern British Columbia Power Co., and Bryant's Ltd. The Canadian Legion window called for very favorable comment but it was not entered in the competition. In accordance with the terms of the competition the sum of \$5 has been paid by the local branch of the Canadian Legion into the Poppy Tag Day fund and shown as a donation from Mussallem's. The sum of \$3.00 was similarly shown as a donation from Gordon's Hardware and \$2.00 from Orme's Ltd. The judges were F. A. MacCallum, D. G. Borland and A. W. Newman.

Air Propeller is Effective on Whitesail Lake Boat—Hunting Parties General—Cow Bay Boat Building Yard Extended

Back from a trip to the Whitesail Lake country south of Burns Lake, Jarvis McLeod, collector of customs here, tells of a rather unique yet effective type of boat which is being used on Whitesail Lake by the Harrison brothers, having been put into operation there only during the past summer in freight and passenger carrying business. The odd feature of the vessel is that it is driven by an air propeller, the motive power being a Dodge automobile engine. The outfit is quite efficient, the boat having a speed of about ten miles an hour under ordinary conditions. Fuel consumption is not excessive. The boat is of flat-bottomed type about thirty-five feet long. There is a comfortable passenger cabin. By special permission, the vessel is named Lady Tweedsmuir. Better transportation facilities on Whitesail have been necessitated by mining development there and the growing popularity of the country for big game and bird hunting.

A large new boat building shed is being built. This was formerly the Suga yard.

The American halibut boat Atlas was in this morning with 75,000 pounds of black cod which was disposed of to the Booth Fisheries.

Oscar Haveroy, well known local skipper, left on last evening's train for Bergen, Norway, to spend the winter. He will sail from New York November 19 on the Oslofjord.

Over the Armistice Day holiday, there have been quite a few deer and bird hunting parties out. Some of the trips are extending over tomorrow.

C. V. Ewitt, William Reid and A. A. McEwen returned to port Tuesday night from a successful deer, goose and duck hunting trip to Massett Inlet and Naden Harbor. They made the trip aboard the service boat Jedway, Capt. Johnny Hartlin, and were away ten days. They encountered an abundance of game in spite of rather wild weather at times. Jack Preece crossed with the party but came home aboard the steamer Prince John several days before the others.

Union steamer Cardena, Capt. John Boden, arrived in port at 7:30 this morning from the south. She sailed soon after arrival on her return to Vancouver and waypoints. The Cardena will make her monthly call at Kitimaat next week.

Extensive improvements are being made to the Sakamoto boat building establishment at Cow Bay.

## Capture British Empire Pistol Shooting Championship

WINNIPEG, Nov. 12.—With a comfortable margin of thirty-one points, Canada has captured the pistol shooting championship of the British Empire. This announcement was made here today by Capt. R. G. Pickrell of the Investigation Department of the Canadian National Railways, secretary of the Canadian Pistol and Revolver Association, which sponsored the world-wide event. Great Britain finished second and third place was occupied by the team from India.

This was the first year of the competition and, because of its success, assurance already has been given that next year teams will compete from Great Britain, Canada, India, Australia, New Zealand, Hong Kong, South Africa, British West Indies, Kenya and all Crown Colonies. The details of the British West Indies match were only worked up during the summer and call for twenty shots at twenty yards with 22 calibre pistol outfits. Ten men compete on each team.

In addition to receiving silver medals and brassards, the winning team will hold for one year the Commonwealth Trophy which was personally presented to the Association by S. J. Hungerford, chairman and president of the Canadian National Railways. Inscription on the trophy reads "for annual competition by the pistol teams within the British Empire."

In speaking of the competition, Captain Pickrell, former holder of all Canadian revolver and pistol championships, stated that the first year of competition was a complete success. "We are more than pleased at the results," he stated. "Next year we will have a very large entry list and this competition will bring about a much more intimate friendship of those interested in pistol and revolver shooting than has heretofore existed."

Targets are sent to the various parts of the British Empire and matches arranged to fit in with the existing climatic conditions. Each

**Constipated? You Should Get at the Cause**

Lots of people think they can't be "regular" without frequent trips to the medicine chest. "I just dose up and get it over," they tell you. But doctors know they don't "get it over" at all—until they get at the cause of the trouble!

Chances are it's simple to find the cause if you eat only what most people do—meat, bread, potatoes. It's likely you don't get enough "bulk" and "bulk" doesn't mean a lot of food. It's a kind of food that isn't consumed in the body, but leaves a soft "bulky" mass in the intestines and helps a bowel movement.

If that fits you, your ticket is a crunchy breakfast cereal—Kellogg's All-Bran. It contains the "bulk" you need plus the intestinal tonic, vitamin B1.

Eat All-Bran every day, drink plenty of water, and just watch the old world grow brighter! Made by Kellogg in London, Ont.

## MARRIED THURSDAY

**Miss Agnes Guyan Becomes Bride Of Victor Pick at Interesting Ceremony**

A pretty and interesting wedding ceremony took place Thursday evening at the Manse of First Presbyterian Church, Rev. H. G. Funston officiating, when Miss Agnes May Guyan R. N., daughter of Mr. and Mrs. Alexander Guyan, 121 Ninth Avenue East, became the bride of Victor Pick, also of this city.

The bride was beautifully gowned in a white lace dress in Victorian style with short veil, carrying a bouquet of pink roses, lily-of-the-valley and maidenhair fern. The bridesmaid, Miss Millicent Osborne R. N., wore a pretty powder blue net dress with a bandeau of pouvardia in the hair and carried a bouquet of pink and white carnations.

Mrs. Oscar Pick, as matron-of-honor, was becomingly dressed in a black crepe gown with velvet jacket and hat to match and wore a corsage of dark pink carnations. Oscar Pick was groomsman.

Following the ceremony, a reception took place at the home of the bride's parents, Mrs. Guyan, mother of the bride, attired in a blue crepe dress with accessories to match and corsage of pink carnations, receiving the guests who numbered about fifty.

The bride and groom received congratulations and best wishes under a white wedding bell. The rooms were prettily decorated with white and pink streamers. The bride's table was centred with a handsome three-tier wedding cake which was duly cut by the bride.

Oscar Smith proposed a toast to the bride to which the groom responded suitably. The toast to the bridesmaid was proposed by Robert Strachan and replied to by Oscar Pick.

Assisting in serving delicious refreshments were Mrs. George Geddes, Mrs. William Geddes, Mrs. Robert Strachan, Mrs. Goslin, Mrs. W. Cook and Miss Dorothy Ballinger.

Community singing and dancing were enjoyed later with music by John Bremner and Rod Smith.

Mr. and Mrs. Pick sailed on the Princess George for a honeymoon trip to Vancouver and the United States. The bride's going away costume included a grey fur coat with accessories to match and a corsage of butterfly roses.

On their return to the city the couple will take up residence on Ambrose Avenue. The bride has resided here with her parents since early girlhood, attended schools of the city and is a graduate of the Prince Rupert General Hospital training school for nurses. The groom is in the service of the Canadian Fish & Cold Storage Co.

## Ladies' Music Club Guest Day Is Held

Mrs. R. G. Large in Charge Of Program With Schubert's Life And Works as Subject

The Ladies' Music Club held its first guest day of the season on Wednesday afternoon at St. Andrew's Anglican Cathedral. The President, Mrs. Shelford Darton, welcomed the ladies with a few appropriate remarks and, as a fitting tribute to Remembrance Day, requested Mrs. R. G. Large to sing "Lest We Forget."

The program was arranged by

Mrs. Large, who first read a very interesting paper on the life and works of Franz Schubert and then presented the following of his works:

- Piano solo, "Moment Musical," Mrs. E. J. Smith.
- Vocal solo, "The Trout," Mrs. Bernard Lundahl.
- Piano duet, "Marche Militaire," Mrs. E. J. Smith and Mrs. W. L. Stamford.
- Vocal solo, "Cradle Song," Mrs. J. H. McLeod.
- Violin solo, "Serenade," Miss Nellie Lawrence.
- Quartette, "Who is Sylvia?" Mrs. H. N. Brocklesby, Mrs. Lundahl, Mrs. J. G. McKinley and Mrs. S. D. Johnston.
- Piano solo, "Impromptu in G Major," Mrs. W. L. Stamford.
- Vocal solo, "Ave Marie," Mrs. S. D. Johnston.
- Piano solo, "Slow Movement, Fantasia, Opus 15," Miss Marie Balagno.

Mrs. T. A. McWaters was in charge of tea and refreshments. The tea table looked lovely with its silver bowl of yellow and bronze chrysanthemums surrounded by tall yellow tapers.

Mrs. R. L. McIntosh and Mrs. J. H. McLeod poured while members of the executive acted as ushers.

Mr. and Mrs. C. R. Cox arrived in the city yesterday from Ecstall River where Mr. Cox is superintendent of the Northern Pyrites mine. Mrs. Cox sailed on the Caradena this morning for Vancouver and Mr. Cox will return to the mine tomorrow.

## YOUNG FOLK ORGANIZED

A.Y.P.A. is Formed at Seal Cove—Active Season is Being Planned

An Anglican Young People's Association has been formed at St. Peter's Church, Seal Cove, and has a membership of twenty. The following officers have been elected:

- President, Teddy Moore.
- Vice-President, Josephine Gay.
- Secretary, Florence Walker.
- Treasurer, Helen Doedor.

The first regular meeting following the election of officers was held Thursday night and all the members were present.

An instructive visit was paid to the Canadian Fish and Cold Storage Co. plant, C. J. Norrington acting as guide to the company. Following the exploration of the cold storage, the members visited the Newcombe restaurant for coffee and cake, a very welcome conclusion to the tour of the fish refrigerators.

At a brief meeting following refreshments it was decided to organize further and go into greater detail of organization next Thursday night when the dividing of the society into groups for tournaments and other purposes will take place. A service of Holy Communion will be held Sunday morning for the A.Y.P.A. members who are confirmed.

## ARE WEDDED IN CHURCH

Miss Ella Steen Becomes Bride Of Terry Stewart at Pretty Ceremony

First United Church was the scene of a very pretty wedding Thursday evening, when Miss Isabella Dick Steen, daughter of Mr. and Mrs. Howard Steen of this city, became the bride of Terence Andrew Stewart, son of Mrs. Walter Hammersley of Vancouver and the late Herbert Stewart, Rev. J. C. Jackson officiating.

The bride—lovely in a gown of ivory satin with nose-length veil caught in the hair with a white satin rose, carrying a nosegay of colored rosebuds, entered the church on the arm of her father, by whom she was given in marriage, to the strains of the wedding march with Miss Swanna Olofson presiding at the organ.

Miss Peggy Steen, sister of the bride, was pretty in a gown of azure blue brocade, wearing in her hair a pink and blue rose with nose-length veil and carrying a nosegay of pink carnations.

Mrs. Steen, mother of the bride was charming in black crepe trimmed with colored sequins with hat to match and wearing a corsage of cream tea roses.

Jack McNulty acted as groomsmen and Sam Joy and Alex Gaunt were ushers.

The ceremony was performed beneath an arch prettily decorated with green leaves and pink rosebuds.

During the signing of the register Mrs. H. N. Brocklesby sang beautifully "All Joy Be Thine."

Following the wedding ceremony a reception was held in the Boston cabaret, guests, received by Mr. and Mrs. Steen, extending their congratulations to the happy couple who stood beneath a white wedding bell in a corner decorated in pink and white.

The table was lovely, centred with a three-tier wedding cake with pink and white carnations in silver vases and tall pink tapers. Presiding at the urns were Mrs. Robert Dowther and Mrs. George Abbott with Mrs. J. H. Macey assisting and Miss Edith Watson cutting the wedding cake. Those serving were Misses Leah Basso-Bert and Mickey Skattebol and Mrs. Howard Wright, Mrs. George Peters, Mrs. Peter DeJong and Mrs. Tommy Fraser.

Mr. Jackson, after reading six telegrams of congratulation from friends unable to attend, proposed the toast to the bride which was responded to suitably by the groom.

Following the serving of refreshments dancing was enjoyed, music being furnished by Charles Balagno and George Brown.

Later the wharf was crowded with well-wishing friends as the happy young couple left aboard the Prince George for a honeymoon trip in the south. Miss Mickey Skattebol caught the bride's bouquet, thrown just as the boat was pulling out.

The bride wore as a going-away outfit a brown broad-tail coat trimmed with Alaska Marten with green knitted suit and hat and accessories to match.

The bride, who has lived here since childhood and the groom, a well known constable in the local police force, were the recipients of many beautiful wedding gifts testifying to their popularity.

On their return to the city Mr. and Mrs. Stewart will take up residence in the Angus Apartments.

C. G. Muller of Terrace is a business visitor in the city, having arrived from the interior on Thursday night's train.

## ANNIVERSARY OF ARMISTICE OBSERVED

(Continued from Page One)

Expeditionary Force, was in charge of the guard of honor at the stone. The guards were Able Seaman Jack Armstrong R.C.N.V.R.; Private William Rothwell, Tenth Battalion C.E.F.; Private Victor Houston, Twenty-Seventh Battalion C.E.F. and Private William Sullivan, Sixteenth Canadian Scottish C.E.F.

Following the re-forming of the parade, ex-service people, Royal Canadian Naval Volunteer Reserve, 102nd Battery, Sea Cadets, Boy Scouts took part in the "March Past." Lieut. Col. S. D. Johnston, who received the salute, was accompanied by Lieut. Orme Stuart R.C.N.V.R., Capt. A. G. Rix, 102nd Battery; Jack Preece, president of the Canadian Legion, and City Commissioner W. J. Alder. This innovation proved of much interest to many spectators.

The Prince Rupert Boys' Band, under the direction of Bandmaster Robert Greenfield, again provided the music for the parade and the cenotaph service.

There were some eighty veterans in the parade which was in charge of Lieut. Col. S. D. Johnston with C. V. Evitt chairman of the parade committee. Besides the units already mentioned, members of the Canadian Legion Women's Auxiliary, Imperial Order, Daughters of the Empire and Loyal Order of the Moose were also in the parade which was one of the largest and best ever held on Armistice Day here.

Mrs. Geoffrey Hamlin and son, Edgar, from Terrace are visitors in town, the guests of Mrs. James H. Thompson, Graham Avenue.

W. A. Johnson, transferred from here to Ocean Falls in the Forest Branch service, sailed last night on the Princess Adelaide for the paper town.

## ARMISTICE OBSERVED

On Thursday afternoon the students of Booth Memorial High School met in the auditorium to commemorate the signing of the Armistice. The program started with the singing of "O Canada." Peter Allen, President of the Students' Council, then explained to the meeting the purpose of the service.

The President stated that the service was in memory of those men who had made the supreme sacrifice during the years 1914 to 1918. The speaker said that God should be thanked for the brilliant statesman at the head of the British Parliament. Had it not been for the forethought and diplomacy of Premier Chamberlain, the world might even now be in the chaotic darkness of another war. "Let us remember," he said, "the calamity that was recently averted and do our part to promote friendliness and good feeling among the nations of the world."

Then followed a solo by Miss Barbara Daniels "In Flanders Fields."

Principal Arthur Sutton spoke briefly concerning the meaning of Armistice. He portrayed to the students the scenes in England during the war, the soldiers leaving for the front, the soldiers on 24-hour leave, the postman delivering the fatal news of sons, husbands and brothers killed in the battle. In part, he said, the prevention of such another calamity rested with the rising generation of young people.

The principal's remarks were followed by singing "O God Our Help in Ages Past."

Tony Christian sounded the Last Post, which was followed by two minutes silence.

The meeting ended with "God Save the King."
