Synopses of Mining Laws

MINERAL ACT

Free T'iners' Certificates Any person over the age of eighteen, and any Joint Stock Company is entitled to enter upon all waste lands of the Crown and upon any other lands whereon the the Crown and its licensees (with specific reservations). for the purpose of prospecting for minerals locating claims, and min-ing. The fee to an individual for a Free Miners Centificate is \$5,00 for one year To a Joint Stock Company having a capital of \$100 000 00 or less the fee for a year is \$50.00: if expitalized beyond this the fee is \$100.00. The Free Miners' Certificares run from date of issue and expire on the 31st of May next after its date or some subsequent 31st of May Certificates may be obtained for any part of a year terminating on 31st of May for s proportionately less fee. (Free Miners' Certificates are also applicable to the Placer Mining Act.)

Mineral Claims Size: 51 56 acres.

Recording fee: \$2.50 per elaim. Representation: Assessment work to the extent of \$100.00 must be done each year and recorded on or before the anniversary date of record of the claim. Cash in the sum of \$100.00 may be paid in lien of such assessment work. Fee for recording assessment work. \$2.50. If the required ssessment work has been performed within the year, but not recorded within that time. a free miner may within thirty days hereafter record such assessment work upon navment of an additional fee of \$10.00 The actual cost of the survey of a mineral claim to an .mount not exceeding \$190.00 may also be recorded ment work to the extent of \$500.00 for cash naid of a like amount) is recorded and a survey made of the claim. Crown Grant on payment of a fee of \$25.00 and giving the necessary notices required by the Act.

PLACER MINING ACT

Four types of placer claims: Creek diggings; bar diggings; dry diggings; and precious stone liggings. (For details see Part II. Placer Mining Act. Representation: A placer claim must he worked by the owner or someone on ticable during working hours. Lay-overs and leaves of absence may be declared by the Gold Commissioner under certain conditions. To hold a placer claim for more than one year it must be re-recorded before the expiration of the record or re-

Placer Mining Leases

Size and method of staking, etc. Bighty acres in extent, staked along a "location line" not more than one-half mile in length. In this line one bend or change of direction is permitted. Where straight line is followed two posts only are necessary, i.e., an "initial post" and "final nost." Where there is a change of direction a legal post must be placed to mark the point of the said change The leasehold is allowed a width not in excess of one-quarter mile. The locator is required within thirty days after the the office of the Mining Recorder setting out the name of the applicant: the number of his free miner's certificate; the date of location; the number of feet lving to the right and left of the location line and the approximate area or size of the

Dredging leases on rivers for five miles below low-water mark are also granted Fees: Annual rental on placer mining lease, \$30.00; annual development work required to be expended, \$250.00; annua rental on dredging lease, \$25.00 per mile annual development work required to be expended, \$1.000:00 per mile: the value of any new mlant or machinery employed to count as money expended in development Fee for recording certificate of work \$2.50 Lease fee. \$5.00.

Provisional Free Miners' Certificates, (Placer) Act Bepartment of Mines Act Among other things, these Acts provide

A detailed synopsis of the above Acts "Mineral Survey and Development Act" and "Phosphate-mining Act": are available at the Department of Mines. Victoria Complete copies of the Acts may be obtained from the King's Printer, Victoria.
