Mrs. Warne Is Laid At Rest

Large Attendance at Funeral This Afternoon of Well Known Pioneer Girl of City

There was a large attendance at the funeral this afternoon in St. Andrew's Anglican Cathedral of the late Mrs. Helga Warne, whose death occurred last week at Tranquille Sanitarium and whose remains were brought home from there at the end of the week. Many friends of deceased and her family gathered to pay their final tributes of sympathy and respect.

After the service in the Cathedral, there was a long procession to Fairview Cemetery where interment was made. Pallbearers were Norman Moorehouse, William Moorehouse, Horace Tattersal, Ernest Dolron, Bartel Hedstrom and William Cummings.

JASPER AS SKI RESORT

Fine Facilities For Winter Sport Now Provided There

JASPER Jan. 3:—Within a reasonable time Jasper will offer the general public skiing conditions second to none in the world, according to members of the Jasper Ski Club who are bubbling over with enthusiasm over what the future has to offer in this section of the country.

Work on the winter feature has been progressing for some time and already one of the most natural ski runs on the continent is available on the Whistlers Mountain, less than two miles from Jasper station. Fall and early winter work has prepared a 1100-foot slide, 150 feet in width and soon this will be extended to a 2500-foot slide, just as fast as the most daring would wish. This slide, with a 45 degree slope at the top, offers everything the real ski addict could desire.

BUILDING FOR YEAR

Aggregate Was Off in 1937 Although Eight of Twelve Months Actually Exceeded Previous Twelve-Month

Although the total of building in Prince Rupert during 1937, amounting to \$48,765, was lower than the 1936 aggregate of \$63,940, building permits in eight of the twelve months of the year just ended exceeded the same months in 1936.

Table with 2 columns: Month, 1937, 1936. Rows: January, February, March, April, May, June, July, August, September, October, November, December, Totals.

WELL RECEIVED

The announcement of the appointment of W. J. Aselstine, member for Atlin, to have charge of the portfolios of mining and trade and industry in the provincial government is being well received throughout the province. It is pointed out that this is the first time a practical mining man has occupied the position of minister of mines and the new position recently created should also make a good start under such a vigorous and capable minister.

RADIO RECEPTION

There is almost general protest being made around the city at the terrible radio reception during the past weeks. It was particularly marked during the cold snap when in most cases nothing could be heard but the noise made by various electric gadgets around the city. One person remarked that for four days running he heard nothing but the local station, even late at night the local noises continuing with unabated vigor. The condition from the point of view of the radio fan was unbearable.

We have a great deal of sympathy with the protesters. Those who pay a license for the right to listen to radio broadcasts should get at least a measure of protection against those who use noisy gadgets, especially during the holiday season.

PRINCE RUPERT BENEFITS

Many Prince Rupert people have invested in mining companies and at this time of year many of them are receiving dividends. Of the total of one hundred million dollars paid out to investors this city and district gets its per capita share, the result of investment of their savings.

EXCELLENT RESULTS

Last week the Salvation Army published in this paper a card of thanks to all who so willingly helped in the work during the Christmas season. May we add our appreciation of the good spirit with which the Christmas appeals are always received. Since the Daily News undertook the collections years ago the response has always been excellent.

NEWS OF THE MINES

Important Mining Deal at Stewart—Logging Company Goes Into Mining—Premier Has Distributed Twenty Million Dollars

An important mining deal is impending at Stewart whereby the Dunwell, Lakeview and Glacier Creek properties will be taken over by E. Scott Snelling who was a recent visitor to Stewart. Mr. Snelling, who comes from Seattle, had no comment to make at Stewart in respect to his activities other than that, in company with John Haathi, he had visited the Dunwell mill and found everything to be in satisfactory condition. His visit at this time to Stewart was to make sure that everything in and about the Wellton Company plant was protected for winter.

The Kelley Logging Co. of the Queen Charlotte Islands has branched out into the mining business in the Omineca district north of Vanderhoof as operators of the Tom Creek Placers. They are making arrangements to take in a truck, wagon and ten tons of supplies next spring on the first snow.

With the declaring of another regular dividend of three cents per share, involving the distribution of \$150,000, the dividend total of the Premier mine has been raised to \$20,108,075 distributed since 1921.

KITWANGA CHRISTMAS

Concert By School Pupils, Carol Singing and Special Church Service

Kitwanga Indian School held its concert in the Community Hall. Thirty-four children took part. The Hall was crowded. Many white people were present. An excellent program was carried out. The children had been trained by Rev. B. Shearman. Mrs. Shearman and Miss Dorothy Shearman prepared the costumes and arranged the "dressings." The scholars carried out their respective songs, recitations, etc. in an excellent manner, each item being well received and applauded.

The program:
Address by Rev. B. Shearman.
"O Canada," all scholars.
"Sleigh Song," by juniors.
Recitation by Hannah Johnson.
"Empire Song," all scholars.
Recitation by Judith Morgan.
"Good Morning, Merry Sunshine," by juniors.
"Canadian Boat Song," by seniors.
Recitation by Hazel Stafford.
"Christmas Cradle Song," all scholars.
"Nursery Rhymes," ten juniors.
"Good King Wenceslas," all scholars.
Recitation by Mazon Harris.
"Three Ships Sailing in Song," all scholars.
Recitation by Lily Harris.
"Soldier Song," by Yvonne Washburn, Leonard Bright and Judy Morgan.
"National Song," four senior girls.
Recitations by seven senior girls.
"Good Night to You All," by all scholars.
National Anthem.

A loud knocking was heard at the outer door and in came Santa Claus. Clapping and cheering accompanied Santa to the well-laden Christmas tree. After distribution of gifts to the school children, all other village children were presented with gifts, nuts, oranges and candies going all around the hall. The concert over, the children went home excited and happy that Santa had been such a kind friend to them all. The seniors remained behind for games.

Carol Singing
On Christmas Eve the St. Paul's Anglican choir started from the church and sang hymns and carols around the village under the leadership of Solomon Bryant and Edward Tait. A special service was held in St. Paul's Church. A letter and message of goodwill, received from the Right Rev. Bishop G. A. Rix D.D., was read to the congregation by Rev. B. Shearman. Special carols were sung, also the anthems "Glory to God in the Highest," and "Behold I Bring You Good Tidings." Edward Tait was the capable organist and Solomon Bryant again showed excellent conductorship.

XMAS AT MASSETT

How Christmas Morn Was Ushered In By The Haidas in the Wind-Swept Queen Charlotte's

(By E. J. Smiley, Old Massett)
There was a grey sea and the dawn was just breaking on Christmas morning when suddenly the ding-dong of the church bell broke the silence of the little fishing village at the northern end of Graham Island. It was bitterly cold, the north wind swept in from the Inlet to herald "The birthday of the King."

One would think that few would venture out along the wind-swept street to the white church on the hill but, as the bell bravely clanged its message, figures took shape in the semi-darkness and, with heads bowed before the biting blast, men and women steadily made their way to the dimly lit church.

What a welcome awaited them there. Standing at the top of the wooden steps bareheaded in the wind, their earnest missionary warmly clasped each hand and gave every one the Christmas greeting.

Inside the white building, the red glow of the big heater welcomed all. Eager young men volunteers had tended that fire the whole night long in order that God's House should be warm for those who wished to worship the Christ Child on Christmas morn. The Church, with its beautiful

Yuletide decorations of cedar garlands and hand-wrought festoons, formed a picture in the dim light peeping through the stained glass windows that would not soon be forgotten.

Impressive Devotions
The worshippers assembled—forty-seven in all—youth and old—men and women—youths and maidens of all ages. There was only one lamp in the church to give light, to be shared by the vicar as he read the Communion service and the Haida organist who produced such grand swelling music from the tiny organ.
The congregation in semi-darkness just lit by the glow of the heater, while the dawn gleamed through the eastern windows with their colorful gleams of light.
What a picture for the brush of an artist!
And the star that shone over Bethlehem so many Christmases ago seemed to shed its radiance over the village church as the worshippers rose to sing the Christmas carol. What matter that they had but the light of the fire—they knew the words by heart!
How gloriously they sang—men's mellow basses mingling with the clear, sweet soprano of the women as they made the rafters ring with the rousing notes of "O! Come all ye Faithful," these faithful worshippers of God who had braved the storm on Christmas morn to worship him in a Haida village!

How reverently these fisher-folk partook of the Lord's Supper and made their prayer response, walking to and from the Lord's Table lit by the fire-light's glow!
An impressive sight that will linger in the memory for many a Christmas morn!
The service ended, the last carol was sung!
No cathedral choir could have poured forth sweeter music than these few as they sang the dear familiar "While shepherds Watched Their Flocks by Night."
The service over, they gave each other warm hand-clasps and "A Happy Christmas to you all" ere they fled down the steps and along the still dim, wind-swept street to their homes.
Truly a splendid way to usher in the Christmas morn in a tiny village—a Christian outpost in the stormy Queen Charlottes.

That is what you will have after we have gone over your car with our "KING" Tester, which is the last word in equipment for diagnosing motor trouble.

Very often the difference between a slow motor and a PEPPY one is only a matter of minor and inexpensive adjustments. It doesn't take much to put a high speed motor "out of line," but it does take special equipment to locate the trouble so that it can be remedied. We have the finest equipment obtainable and it eliminates all GUESS WORK. Bring your car in and get PEP for the getaway and POWER for the hills.

Treat Colds This PROVED Way

WHY experiment? Vicks VapoRub has been *doubly proved* for you . . . *proved* by everyday use in more homes than any other medication of its kind; *further proved* by the largest clinical tests ever made on colds. (See full details in each VapoRub package.) Only Vicks give you such proof. VapoRub is the direct external treatment. No "dosing"—no risk of stomach upsets. Simply massage it on the throat, chest, and back (as illustrated). Relief starts almost at once. You begin to feel warm and comfort-

able as VapoRub starts working direct through the skin like a poultice. At the same time, its medicated vapors—released by the warmth of the body—are carried direct to the irritated air-passages with every breath. This double action loosens phlegm—relieves irritation and coughing—helps break local congestion. Repeat treatment at bedtime. After restful sleep comes VapoRub keeps right on working, hour after hour. Often, by morning the worst of the cold is over.

Lawrence, school teachers of Terrace, arrived in the city on the Catala last evening after spending the Christmas and New Year holidays in Vancouver and will proceed to the interior by this evening's train.

Miss L. Schwartz and Miss L. Howe, school teachers at Port Simpson, were passengers aboard the Catala last evening returning north after spending the Christmas and New Year holiday season in Vancouver. Miss Leigh and Miss Moon, Massett school teachers, who have been spending the Christmas holidays in Vancouver, arrived in the city from the south on the Princess Adelaide Friday afternoon and proceeded to the Queen Charlotte Islands on the Prince John that night.

Dr. Harry V. Warren of the department of geology and geography of the University of British Columbia will be coming to Prince Rupert on January 19 and 20 to give lectures in connection with the university extension courses. The lectures here of Dr. Warren will be sponsored by the Junior Chamber of Commerce. Dr. Warren, while here, will also address the local service clubs.

City and district school teachers who went south for the Christmas and New Year holidays returned from Vancouver on the Catala last evening. Schools will re-open tomorrow morning, instead of on the first Monday after New Year as has been the usual custom in the past. Local teachers returning on the Catala included Miss E. P. Grassie, Miss M. Laing, Miss M. Shiel, Miss P. M. Taylor, Miss B. Daniels, Miss Normanton and Mrs. B. Walker. Robert Yerburgh, J. Mout and D. Mitchell.

GOOD BILL ON SCREEN

Pictures of Capture of Shanghai In Addition to Two Features At Capitol Theatre

"Thunder in the City," featuring Edward G. Robinson in a new type of dramatic role, and with Luli Deste, new Continental star playing opposite him, and "It's All Yours," a romantic comedy with Madeline Carroll and Francis Lederer, comprise a double bill program at the first of this week at the Capitol Theatre. In addition, an item of outstanding interest on the program is a newsreel containing amazing scenes at close hand in connection with the recent capture of Shanghai in the Sino-Japanese war.

"Thunder in the City" is the story of an American super salesman who goes to England to take a course in business. There he meets and falls in love with a titled girl and institutes a sensational sales campaign. His at-

WAKE UP YOUR LIVER BILE—

And You'll Jump Out of Bed in the Morning Rarin' to go

The liver should pour out two pounds of fluid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Harmful poisons go into the body, and you feel sour, sink and the world looks pink.

tempts to take over a Conservative Englishman in a huge business deal provide much excitement.

In "It's All Yours," Madeline Carroll, playing her first straight comedy part, has the role of a girl who inherits several million dollars and starts out to spend it recklessly in ritzy hotels and play places. In addition to Lederer, the cast also includes Mischa Auer, J. C. Nugent and Grace Bradley.

Salvation Army Christmas Tree

One Hundred and Fifty Youngsters in Attendance at Affair Thursday Night

Some one hundred and fifty children and a number of interested parents and friends attended the Salvation Army Christmas Tree entertainment in the Citadel Thursday night. A splendid program was rendered by the children after which Santa Claus arrived on the scene and distributed gifts and sweets to all. Capt. Ivar Halsey presided and W. Vaughan Davies was piano accompanist for the evening.

The program was as follows: Opening song, "O Come All ye Faithful." Prayer, Capt. Halsey. Bible Reading, Mrs. Halsey. Item by the Primary Department.

Vocal solo, "Jolly Old Aint Nicholas," Mary Alexee. Recitation, Margaret Wide. Mouth organ solo, George Pearce. Dialogue, "How Edith Found Christmas," Girls. Vocal Solo, Kay Pearce. Cornet solo, Capt. Halsey. Dialogue, "A Boy's Pocket," Boys. Piano solo, Rose Smith. Recitation, Allan Edgar. Military Drill, Sunbeams. Vocal solo, Margaret Wide. Mouth Organ solo, George Pearce. Sketch, "A Missionary Officer's Vision," Corps Cadets. Cornet solo, Capt. Halsey.

WHIFFLETS From the Waterfront

Anxiety Felt For Seattle Couple After Coast Cruise—Building Fuel Tank—Surf Inlet Salvage Job.

Anxiety is entertained for the safety of Mr. and Mrs. John W. Rossick of Seattle who have not been heard of since October 28 last when they mailed a postcard at Butedale while on the way south after a cruise to Alaska in their small power cruiser. They said in the card that they expected to reach Seattle within three of four weeks but they had not arrived there up to a few days ago. The couple left Seattle early last summer on a vacation and fishing trip to Alaska and made the trip north without incident. They started south from Port Alexander on October 10.

C.P.R. steamer Princess Adelaide, Capt. S. K. Gray, and C.N.R. steamer Prince John, Capt. Neil McLean, delayed their sailings Friday night from the old year to the new. The Princess Adelaide, ordinarily scheduled to sail at 10 p.m., waited until shortly after midnight before leaving for Vancouver. The Prince John, scheduled to leave at 10:30 for the Queen Charlotte Islands and Vancouver, did likewise.

Making good time in spite of an extra call at Ocean Falls with passengers, Union steamer Catala, Capt. John Muir, arrived in port at 8:10 last evening from the south and sailed a couple of hours later for Stewart, Anxox and other northern points whence she will return here tomorrow southbound.

The Canadian-Australian freighter Wairuna is at present at Ocean Falls loading a cargo of paper for Australia. Capt. Joseph Flodd and Capt. William Mounce are pilots of the vessel.

Workmen who arrived from Vancouver at the end of the week have started construction of a large fuel storage tank which will be part of the plant being established by the Standard Oil Co. of British Columbia on the local waterfront just east of the mouth of Cow Bay. Good progress is being made by Mitchell & Currie with the construction of the buildings and the Armour Salvage Co. should be getting started soon with the putting in of the wharf.

C.P.R. steamer Princess Norah, Capt. William Palmer, is due in port at 3:45 this afternoon from Skagway and other Alaska points and will sail at 5:30 p.m. for Vancouver.

Synopsis of Land Act

PRE-EMPTIONS VACANT, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation and improvement. Full information concerning pre-emption is given in Bulletin No. 1, Land Series, How to Pre-empt Land, copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., Bureau of Provincial Information, or any Government Agent. Records will be granted covering only land suitable for agricultural purposes within reasonable distance of road, school and marketing facilities and which is not timberland, i.e., carrying over 5,000 board feet per acre east of the Coast Range and 8,000 feet per acre west of that Range. Applications for pre-emption are to be addressed to the Land Commissioner of the Land Recording Division in which the land applied for is situated, on printed forms obtained from the Commissioner. Pre-emption must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received. Pre-emption carrying part time conditions of occupation are also granted. PURCHASE OR LEASE Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes. Minimum price of first-class (arable) land is \$5 per acre, and second-class (grazing) land, \$2.50 per acre. Further information is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands." As a partial relief measure, reverted lands may be acquired by purchase in ten equal instalments, with the first payment suspended for two years, provided taxes are paid when due and improvements are made during the first two years or not less than 10% of the appraised value. Mill, factory or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage. Unsurveyed areas, not exceeding 30 acres, may be leased as homesteads, conditional upon a dwelling being erected in the first year, title being obtained after residence and improvement conditions are fulfilled and land has been surveyed. For grazing and industrial purposes areas not exceeding 600 acres may be leased by one person or a company. Under the Grazing Act the Province is divided into grazing districts and the range administered under grazing regulations amended from time to time to meet varying conditions. Annual grazing permits are issued based on certain monthly rates per head of stock. Priority in grazing privileges is given to resident stock owners. Stock-owners may form associations for range management. Free or partially free permits available for sections, camps and travellers, up to ten head.

NEW YEAR MATINEE

Big House Enjoyed Special Entertainment at Capitol Theatre Friday Night

The New Year's Eve special matinee at the Capitol Theatre Friday night was one of the most successful events of its kind which has been held to date. A crowd which filled the house almost to capacity derived full enjoyment from a specially arranged stage and screen program. The feature of the program was the colorful New Year tableau in which dainty little Benita Windle burst forth on the stage from a huge champagne bottle in characterization of 1938 after which there was singing of "Auld Lang Syne" and the little New Year girl went into a tap dance.

On entering the theatre the patrons of the midnight matinee received novelties in the form of caps and noisemakers. The Capitollians' Orchestra, under direction of Dr. H. N. Brocklesby, played opening music and there was also community singing. The stage show, with manager D. G. Borland as master of ceremonies, included accordion and saxophone duets by Mario and Guido Bussanich; tap dance, "Three Little Maids in Blue," Monica Holtby, Maurissa Windle and Lois Thompson; vocal solo in character costume, "The Cobbler Song" ("Chu Chin Chow"), Dr. R. G. Large; xylophone solo "Doll Dance," George Rorie; skirt dance, Patricia Love; comic dialogue in costume, "Eb and Zeb," Jack Dougherty and Bruce Stevens introduced by Jack Stevens and D. G. Borland; rube dance, Sonny Boulter; selections by Sam Leslie's family pipe band dedicated to W. H. Wilson Murray, and illuminated club swinging by Orme Stuart. After the drawings for cash prizes, the feature picture "Music for Madame," starring Nino Martini, was presented.
