# Surprise Statement From France

## CRASHED IN DENSE FOG

This is Theory in Connection With Latest Airplane Wreck—Bringing Bodies Out

LOS ANGELES, May 19.—Bodies of nine victims of the crash of the Northwest Air Lines plane are today being brought out from Mint Canyon in the mountains fifty miles northeast of Los Angeles. Seven of the victims were adults and two children. All were employees of the Northwest Air Lines or members of their families coming west in the new plane.

Investigation indicates that engine trouble was not the cause of the crash. Evidence points to the fact that the ship was groping its way through a fog for a nearby emergency landing field when it hurtled into the side of a cliff. The tremendous impact resulted in one of the engines being found 150 feet away from the burned fuselage. Some of the bodies were also thrown clear.

The time at which a clock on the plane stopped indicated that the crash occurred twenty-seven minutes after leaving Burbank air field on Sunday.

Miller said that there were also pickets at points along the coast.

George Clark, secretary of the operators' committee, said that the season was not yet open so there was nothing to picket. He said that negotiations were proceeding with the various unions usually consulted by the operators regarding the price set-up each year.

## Daladier Talks About Defending Frontiers Against All Violence

Declaration is Associated With Belief That Friendship Talks With Italy Are Reaching Impasse Owing To Rome's Demands

PARIS, May 19: (CP)—Premier Edouard Daladier declared today that France would defend her frontiers against "all attempts at violence." This declaration was made in a surprise statement as French negotiations with Italy were believed to be approaching a breakdown. Indirectly, the Premier threw blame for the impasse in the friendship talks on Italy. Italian efforts, he said, to break up the French alliance with Russia had imposed formidable obstacles to the efforts for a Franco-Italian accord.

## LONG GAME IS PLAYED

Boston Red Sox and Cleveland Indians in Virtual Tie for American League Leadership

BOSTON, May 19: (CP)—The longest Big League baseball game so far this season was played here yesterday when it took the Boston Bees fourteen innings to eke out a 2 to 1 victory over the Pittsburgh Pirates. The first inning yielded one run for each side and then the game was scoreless for thirteen innings. As a result of their victory the Bees moved into a tie with Cincinnati Reds and St. Louis Cardinals for fourth place in the standing. The Cardinals won over the Brooklyn Dodgers yesterday. The Pirates dropped from second into third place below the Chicago Cubs who were defeating the New York Giants and Carl Hubbell. The margin of Giants' supremacy was reduced to five and a half games.

In the American League, Cleveland Indians defeated Philadelphia Athletics. It was the fifth victory of the season for Bob Feller who yielded only six hits. Feller has been beaten only once this year. As a result of the victory, the Indians are separated from the league leading Boston Red Sox only by percentage points. The Red Sox were idle at Chicago yesterday owing to wet grounds. The New York Yankees kept within one game of the league leadership by winning a free-hitting affair from the cellar-dwelling St. Louis Browns. Wes Ferrell had his fifth victory of the season when the Washington Senators downed the Detroit Tigers who, because of the defeat, dropped into sixth place below the idle Chicago White Sox.

Yesterday's Big League scores:  
**National League**  
Chicago 4, New York 2.  
Pittsburg 1, Boston 2 (fourteen innings).  
St. Louis 12, Brooklyn 4.  
Cincinnati at Philadelphia, rain.

#### THE FALL CELEBRATION

It has been suggested by a prominent local businessman that, since the annual fall fair seems to have been abandoned, the city should take up a celebration more suited to its seaboard situation. A regatta, it is claimed, would be much more in keeping with a seaport town than an ordinary fall fair or rodeo or any of the public entertainments put on in the past.

It is pointed out that one of the objections to the regatta form of holiday entertainment is that no fee can be charged for viewing the show. The answer to this is that no fee should be necessary. What is necessary to pay all expenses such as prizes and advertising is that the people should contribute as liberally as possible.

The Horticultural Society will take care of the flower show which might even be carried out at the same time as the regatta, if found feasible. The celebration would prove attractive to the residents of the surrounding district, most of whom live on the water and would appreciate an event of that kind, it is thought.

We pass on this suggestion and ask for sympathetic consideration. Fireworks and other evening entertainment might well be included as well as novelties of various kinds, possibly side-shows. The suggestion should set people thinking along these lines with a view to action of some kind being taken in the near future to set the ball rolling.

### Predicts Toronto Leafs Will Click

Turk Broda Thinks They Will Do Better Next Year

WINNIPEG, May 19: (CP)—Returning to his Brandon home from the hockey wars, Walter (Turk) Broda, soft-spoken Toronto Maple Leafs' goaltender, expressed belief the Leafs are due to click next season.

"We've got a young, wide-open club that's nearing its peak," he said.

Broda's engagement to Miss Betty Williams of Toronto was recently announced. "We haven't set the date yet," he remarked, "but just watch my shut-outs next season. The pucks will have to be stopped when I have a wife to keep."

He plans to keep in condition this summer playing golf, which he took up a year ago, and is out to break 100.

Turk has played in many thrilling series but the one that stands out in his mind was when Brandon Native Sons forced the heavily-favored Regina Pats to three games in the 1933 Western Canada Junior final. Broda was in the Brandon nets.

#### NAVY LINE-UP

The line-up of Royal Canadian Naval Volunteer Reserve for the opening game of the Stuart Benefit Shield series against Merchants this evening will consist of the following players: Morgan; Eby and Ronalds; J. Armstrong, A. Davies and E. McMeekin; J. Bryant, J. O'Neill, R. Cameron, R. Armstrong and J. Irvine; spares, J. Storrer, R. Smith and T. McMeekin.

### FOOTBALL GAME TIE

Borden Shreet and King Edward High Play to Four All Score

In as thrilling a game as one could wish to see Borden Street and King Edward High Schools fought to a four-goal draw last evening in a regularly scheduled Junior Football league fixture.

Jone Lee saved well and then Borden attacked. High School took up the offensive but Borden defense was sound. Play travelled from end to end. Robertson and then Schubert shot over. Hodgkinson crossed the ball well. Borden was value for a goal but could not produce the finishing touch. Long was doing very well. After Borden forced two corners, Cameron finally scored. A. Smith hit the upright just after.

From the kick-off, Schubert capped a fine run with a good goal. Then C. Mah beat his brother from Arney's pass. Lee saved Cameron's free kick and Mah saved from G. Smith. Robertson equalized for Borden. Keays scored from a corner kick direct but C. Mah got the equalizer. He nearly heeled another goal just after but Hodgkinson got the ball before it was properly cleared and put Borden ahead for the first time in the game. High tried hard and from Wilson's pass Cameron equalized.

Teams: Borden Street School—Jone Lee; Hayakawa, Bird; Long, McLeod, Pavlikis; Hodgkinson, Arney, Robertson, Cedric Mah, G. Smith.

High School—A. Mah; O. Keays, McCrimmon; Postulo, Nelson, J. McLean; Schubert, Pearce, Wilson, Cameron, A. Smith, L. Keays.

P. Doherty refereed very satisfactorily and linesmen were Wearmouth, Wilson and Pearce.

Borden played splendidly as a team with every player doing well. Lee, Robertson, Bird, Mah and Hodgkinson were probably the best.

High School's attack played pretty but ineffective football much of the time and the defense was shaky. Mah had no chance with

any of the shots that beat him. Nelson was the best half and Schubert, Cameron and A. Smith the best forwards.

On Saturday Booth meets High for the first time this year.

The league standing:

	W	D	L	F	A	Pts
High	1	1	0	9	5	3
Borden	1	1	1	7	10	3
Booth	0	0	1	1	2	0

"but I'm having the best luck with my cooking lately, since I've taken to using St. Charles Evaporated Milk. Whenever I want a special creamy frosting, or a smooth-cooked sauce, I open a can of St. Charles. Seems like it makes things taste richer! ... St. Charles is a Borden's milk, that's why. Evaporated to double-richness from fresh full-cream milk. Doctors mention this brand of evaporated milk for babies' formulas, because they trust the name Borden's. Ask for Borden's St. Charles—and you'll be safe!"

## BOY SCOUT MAN TALKS

William Solway Heard By Parent-Teachers' Association

The Prince Rupert Parent-Teachers' Association held its regular monthly meeting last evening in the Borden Street School. Mrs. W. C. Aspinall presided and there was a good attendance of parents and teachers.

The treasurer, Arthur Sutton, reported that the candy sale held prior to the Easter vacation had been very successful and that one hundred and eighty-five members were enrolled to date. Pictures were presented to Miss McKay's class in the Borden Street School and to Miss Normanton's class in the Booth Memorial School as prizes for obtaining the largest numbers of members for the association.

Arrangements were made to hold the annual tea on June 10 in the Booth Memorial School in conjunction with the display of work by the home economics and manual training departments of the schools.

Mrs. G. E. Moore is convener for the tea with Mrs. R. Wood and Mrs. H. Perkins assisting and Mrs. G. Ciccone is in charge of the home cooking. Girls of the home economics department in charge of Miss Hodgson will assist as servitours.

W. Solway, Boy Scout Commissioner, was the guest speaker and, in the course of an interesting address, made an urgent plea for a reform in education which would train boys to take a worthy place in the trades and industrial life of the community and nation. Respect for parents and elders and for the home must be inculcated in boys and girls and, if Canada was to prosper, parents must take action without fear or favor to raise the standard of family life and to maintain that solidarity of home life which had made the empire great and which had inspired pioneers in their work of laying the foundation of the Canadian nation. It was no use blaming the government for prevailing conditions in economic and family life. Pointing to the so-called higher standard of living as a measure of progress, the speaker said this was a fallacy. Even with the modern luxuries, it was not possible to have a high standard of living as long as the family life

Juvenile Star Featured in "45 Fathers"—Annabella in Intrigue Film Rounds Out Bill

Jane Withers is the star in another of her boisterous comedies, "45 Fathers," which tops this midweek double bill program at the Capitol Theatre. The other end of the double bill is "Dinner at the Ritz," featuring Annabella, the popular new European star.

In "45 Fathers" forty-five bachelor club members sign up as Jane Withers' guardians. They try to make a lady out of her but she almost makes a wreck out of them. When they send her to a finishing school, it is about the finish of everybody. Jane, in spite of her ill luck in doing bad whenever she tries to be good, manages to save one of her wealthy friends from the ateneque from the entanglement of a scheming society siren intent upon getting his money. The Hartmans, eccentric ventriloquists, dance satirists and sleight-of-hand artists, also play an important part in the picture, the cast of which includes Louise Henry and Thomas Beck.

"Dinner at the Ritz" is an exciting story of dangerous intrigue which whirls Annabella from brilliant salons of Paris through gaming rooms of Monte Carlo to a luxurious private yacht on the Mediterranean. A lovely carefree girl one day, Annabella is a daring adventuress the next. Paul Lukas, David Niven and Romney Brent head the supporting cast.

of the nation was impaired and lowered. It was the duty of the common people to train their boys and girls in the right way, to honor and serve God, to respect honest labor and those things which were worth while and fundamental in the life of the community and nation. If this duty was performed faithfully, Canada would prosper. If neglected, there must be retrogression.

During the evening there was a most enjoyable musical program. Miss Edith Smith impressed the audience with skillfully rendered pianoforte solos interpreting descriptions of selections being given by Miss A. Way. Vocal solos by Miss I. Hodgson, accompanied by Mrs. J. G. McKinley, also added much to the pleasure of the evening.

Money was voted to provide prizes for the home economics and manual training display. Refreshments were served at the close of the meeting and a pleasant time was spent in conversation.

## MODEL YACHT RACE IN JUNE

To Be Run on Sunday When Large Party of Tourists is in City—May Form Club

At a meeting held last night in the office of Capt. J. R. Elfert, the harbor master, who presided, it was decided to hold the model yacht race for the Prince George Cup on June 26 if weather permits. On that day the steamer Prince Robert will be in port with a large party of tourists to whom the event is expected to prove of interest.

The race will be open to all comers and classes of yachts. It will be run along somewhat different lines than in previous years as the rectangular course has been found to be not entirely satisfactory in the past.

It is expected that other cups will be competed for this year and that prizes will be offered by business interests.

There will be another meeting next Wednesday when entries for the race are to be in and at which the formation of a club will be considered.

Mrs. James Denholme of Tiell arrived in the city on the Prince John this afternoon from the Queen Charlotte Islands.

Carl Kirmis, Massett hotel proprietor and merchant, is a business visitor in town, having arrived from the Queen Charlotte Islands on the Prince John today.

Capt. Gerald H. Barry of Victoria, inspector of Indian Schools, arrived in the city on the Prince John today after spending the past couple of weeks inspecting schools on the Queen Charlotte Islands.
