Parliamentary Storm May Break Over Lag in Aerial Rearmament Of Great Britain

LONDON, April 26: (CP)—Unless there is a satisfactory explanation of the serious lag in air rearmament of Great Britain, it is predicted that a Parliamentary storm will be loosed with the possibility of a formal inquiry into air ministry methods.

A section of the British press expressed concern today over delays which had resulted in the dispatch of an aviation commission to Canada and the United States to study the possibility of purchasing aircraft there. The commission arrived in the United States today.

THOSE WHO TENDERED

Vancouver Press Gets Information Regarding Local Hospital Undertaking

Although the local hospital board declined to give out information, the list of those who submitted tenders on the proposed new 47-bed hospital unit has been made known to the Vancouver press. Those tendering were Carter-Halls-Aldinger, A. W. Cassidy Co., Bennett & Co. Construction Co., E. J. Ryan Contracting Co. and Smith Bros. & Wilson Ltd., all of Vancouver, and Mitchell & Currie of Prince Rupert.

It has been previously stated that all tenders were considerably higher than had been anticipated.

NEW TENDERS ARE CALLED

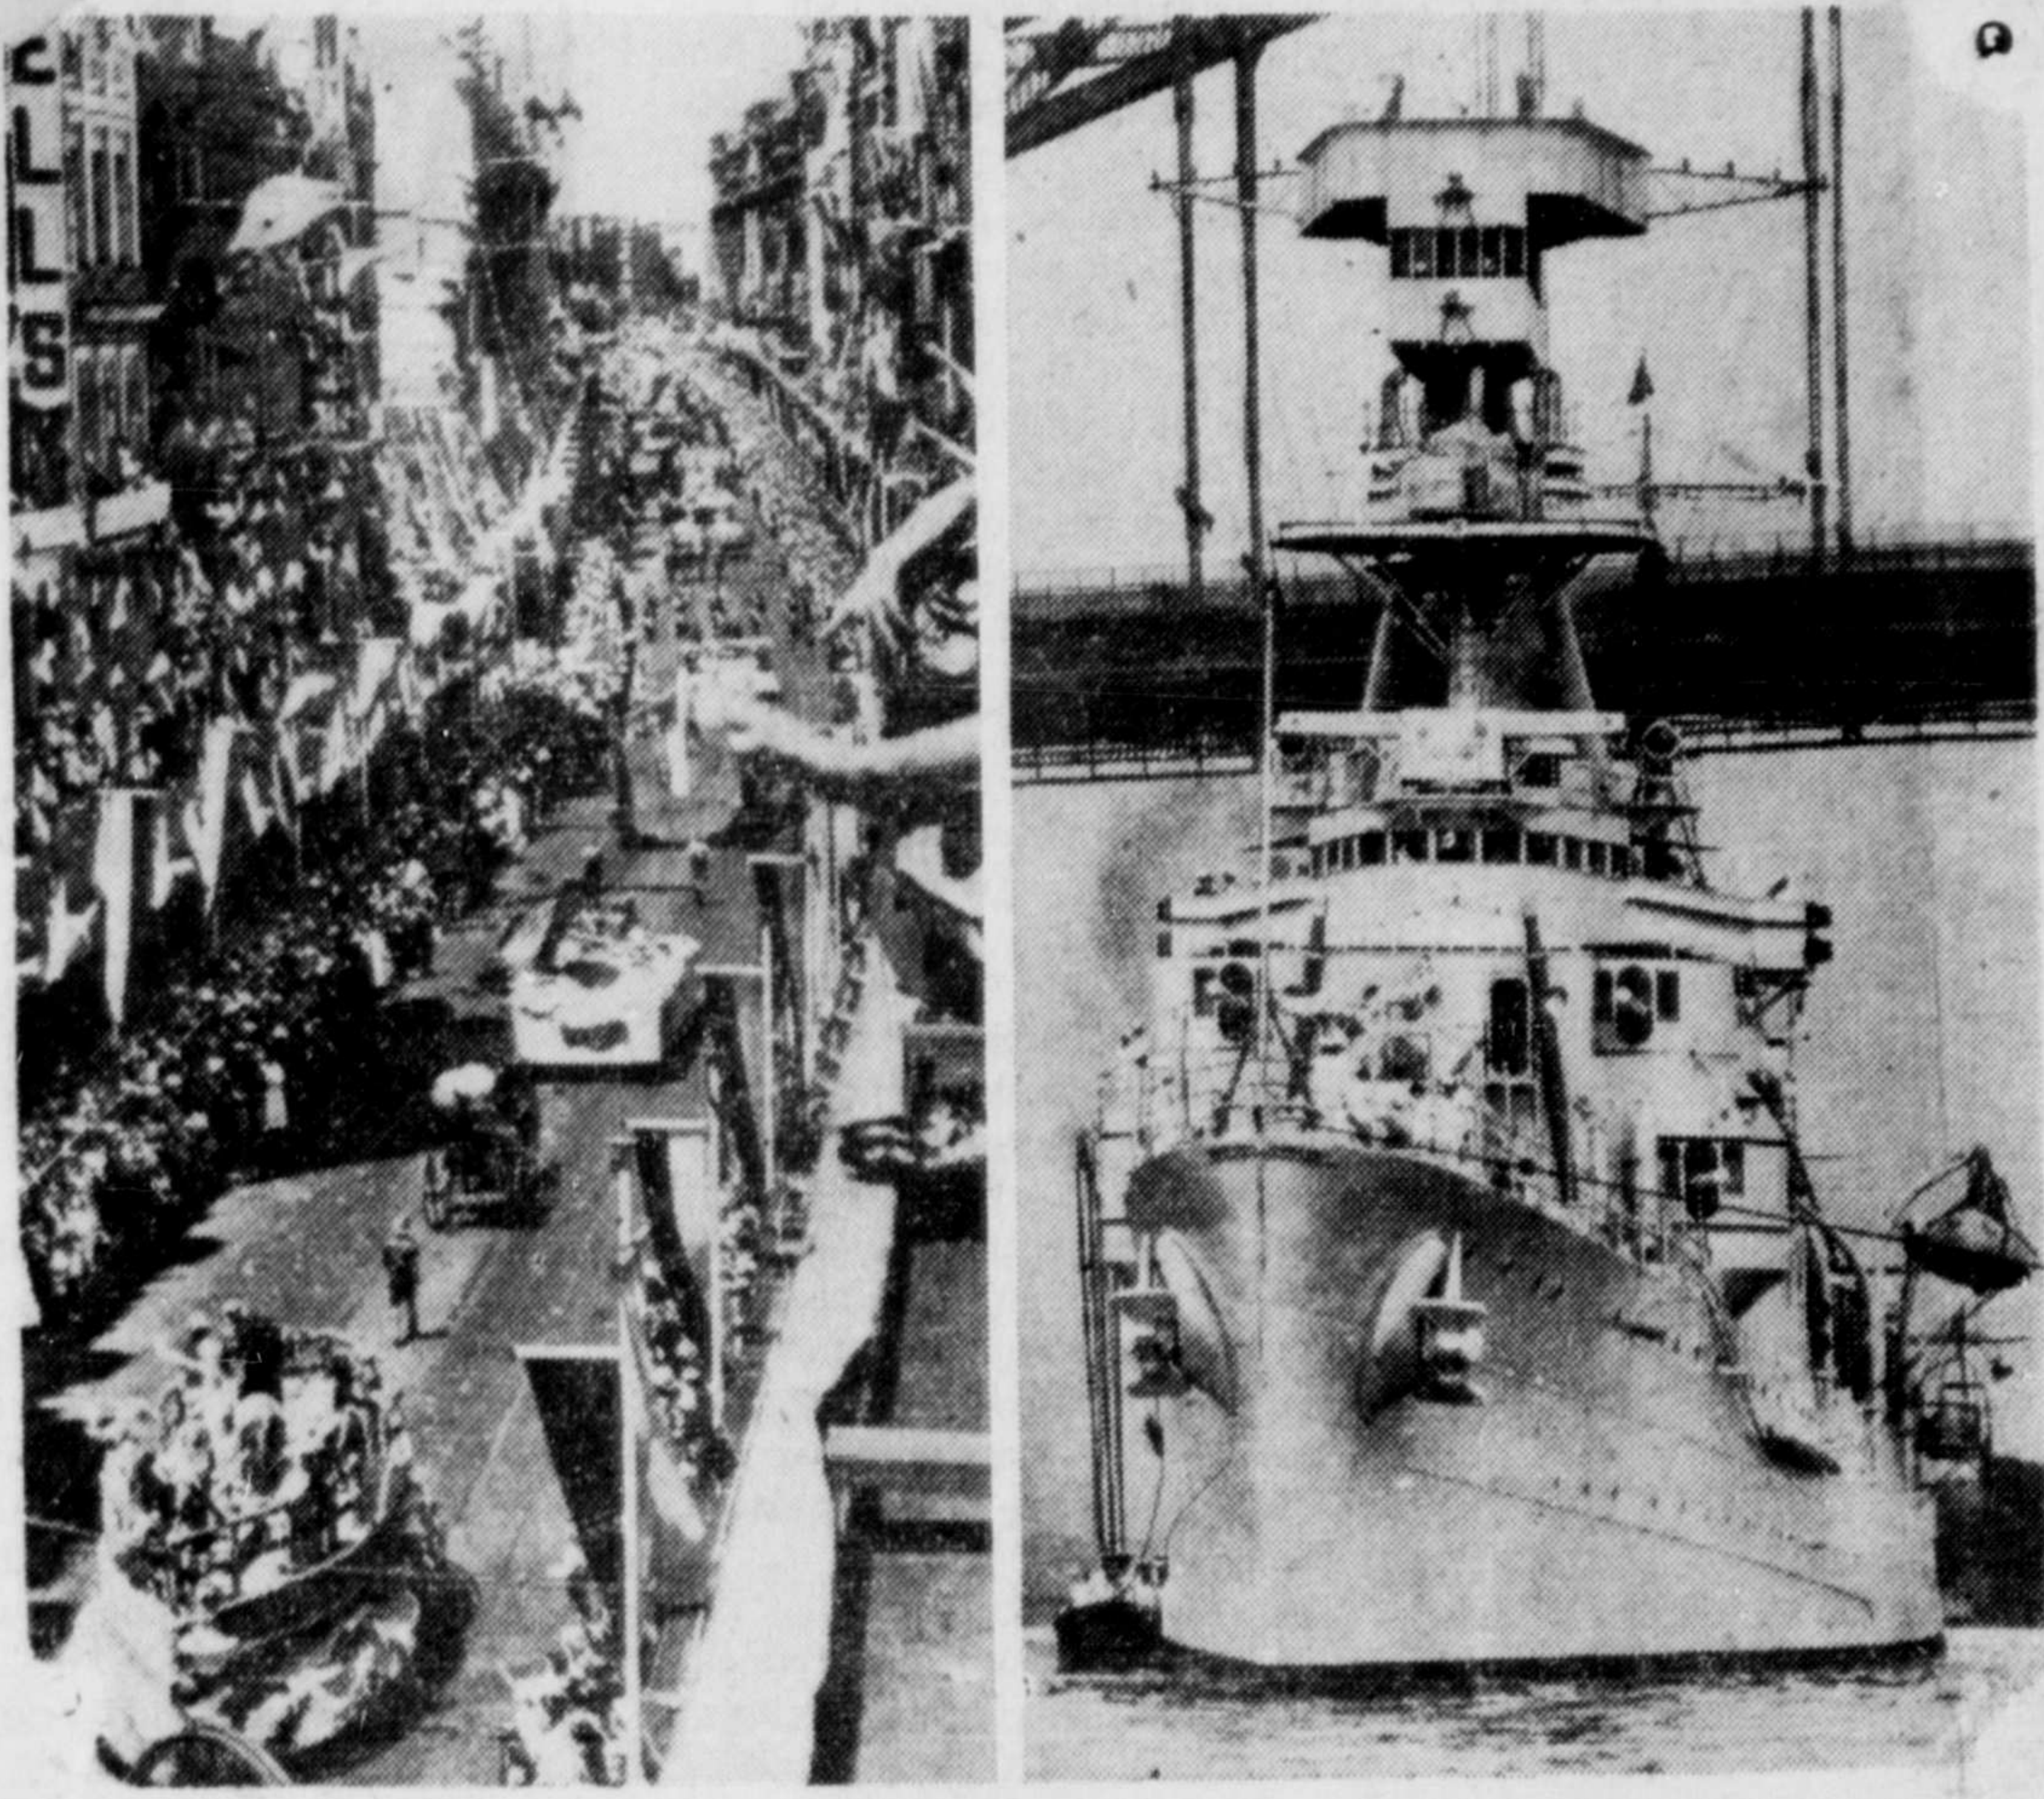

Contractors Throw Up Job For Clearing of Sites at Entrance of Harbor

Chris Johnson and Eric Rosang, who had been awarded the work, having refused the government's contract, new tenders are being called by the Department of National Defense for clearing sites at Barrett Point and Frederick Point on either side of the entrance of Prince Rupert Harbor. Deposit cheques on the old tenders have been returned to the bidders.

Survivors Of Bridal Party Fire Recover

COVENTRY, April 26: (CP)—The bride, Lola Mitchell, dancing teacher, the groom and eight others came to recover from severe burns sustained in a tragedy here Sunday when the dresses of a bridal party caught fire while the group was posing for pictures in a photographers' studio, a bridesmaid and flower girl being burned to death. After the dress of the bridesmaid, Eunice Taylor, had caught fire from an electric heater, six-year-old Josephine Russell ran to help her and her dress also took fire, burning her fatally. The bridesmaid and the bride were severely injured when they tried to help.

WARSHIPS HELP CELEBRATE AUSTRALIA'S ANNIVERSARY

When Australia took time off to celebrate the 150th anniversary of the founding of the Commonwealth, three U.S. cruisers, the Milwaukee, Memphis and Trenton stopped off to help in the celebration. The Memphis is shown, at right, beneath Sydney harbor bridge. Clapping and cheering throngs are seen crowding the city's streets, left, and occupying any other vantage spots like rooftops, windows and awnings to watch the celebration parade.

STRAFING VALENCIA

One Hundred Killed by Insurgent Aerial Bombs—Heavy Property Damage

VALENCIA, April 26:—Insurgent war planes, roaring over Valencia yesterday, rained deadly showers of bombs on the city, leaving at least one hundred dead and hundreds wounded in addition to heavy property damage. Two British ships were sunk in the harbor.

Meanwhile land forces of the rebels continue their advance and were reported last night to be within sixty miles of Valencia.

Elderly John Forster succumbs to Injuries Sustained on Walking Into Automobile

TORONTO, April 26: (CP)—Dean of Canadian portrait artists, John W. L. Forster died yesterday of injuries suffered when he walked into the side of a moving automobile last Thursday night. He was eighty-five years of age. Among his portrait subjects were three Governors-General and five Canadian Prime Ministers.

JUDGMENT CUT DOWN

Senator Hance Logan Will Not Have to Pay So Much in Case Involving Reparations

OTTAWA, April 26: (CP)—The Supreme Court of Canada today reduced by approximately one half the Dominion government's judgment against Senator Hance J. Logan arising out of the sinking of the schooner Gypsum Queen in 1915.

The Exchequer Court had held Logan and Captain Freeman Hatfield, owner of the schooner, jointly liable to repay the government \$71,276 as the amount Hatfield had obtained as war reparations on the assumption that the vessel had been sunk by a German submarine.

The Supreme Court reduces the judgment against Logan to \$34,900 with interest and costs.

Disclosure Made That Government Has Purchased Large Amounts of Supplies Against Possibility of War—Largest Peacetime Expenditure in History

LONDON, April 26: (CP)—Sir John Simon, Chancellor of the Exchequer, today boosted the British income tax rate from twenty-five per cent to 27 1/2 per cent to help pay the costs of rearmament. In his first budget speech, Sir John shocked the House by announcing that the income tax was being raised from five shillings on the pound to five shilling six pence.

Presents Budget

SIR JOHN SIMON

Presenting the 1938-39 fiscal budget, the Chancellor announced the government's total needs as \$944,398,000 an increase of \$81,500,000 over the previous year.

The Chancellor also announced an increase in duties on tea and oil. The higher tea tax will reach into the pocketbooks of virtually every family in the land.

Sir John dropped several other bombshells, including the disclosure that the government had secretly purchased early this year huge stocks of wheat, sugar and whale oil, sufficient to last through the early months of a possible war.

The Chancellor presented the nation with the largest peacetime budget in history.

The blow of the income tax boost was softened somewhat by the announcement that the tax will not be increased this year for single persons making up to £260 or married men with one child earning up to £490.

NEW IRISH DEAL MADE

Arrangements Made Between Britain and North Ireland Following Treaty With Eire

BELFAST, April 26: (CP)—Viscount Craigavon, Prime Minister of Northern Ireland, today announced new financial arrangements with Great Britain intended to offset Northern Ireland's losses under the new treaty between Great Britain and Eire (the former Irish Free State).

Craigavon said that Northern Ireland would receive substantial British armament orders, benefits under British agricultural subsidies and unemployment insurance.

Weather Forecast

General Synopsis—The pressure remains high on Vancouver Island southwestward and low off the Queen Charlotte Islands. Scattered showers are reported in southern British Columbia interior but the weather has been fair elsewhere.

Prince Rupert and Queen Charlotte Islands—Fresh to strong shifting winds, northeast to south, cloudy and cool with light scattered showers.

West Coast of Vancouver Island—Fresh southwest wind, part cloudy with a little light rain.

Transfer Of Mount Robson Park To Dominion Sought

Plans are being made for the joint meeting on May 7 at Prince George of the Yellowhead Highway Association, the Prince George Board of Trade, the McBride Board of Trade and the Farmers' Highway Committee, the chief business of which will be to press for the transfer to the Federal government of Mount Robson Park. A delegate from Edmonton at the meeting will be Charles H. Grant, president of the National Parks Highway Association, who will also represent the Alberta Motor Association. The agitation for the transfer of this park to the Dominion has been agitated for some years and it is said that Olof Hanson, Grey Turgeon and James A. McKinnon, all Liberal members at Ottawa, are using their influence to bring about the change.

ALASKA HIGHWAY ROUTE

The route to be taken by the Alaska Highway has never in the past been looked upon as in doubt. It was taken for granted that it would go by way of Hazelton. Then came the construction of the highway north of Vanderhoof which very soon should reach Finlay Forks. This gave the idea that the Alaska highway could be more cheaply constructed from Finlay Forks to Alaska than from Hazelton to Alaska.

We do not know anything of the country west from Finlay Forks or north from Hazelton except some stories from people who have tramped over the country. We sincerely hope that the Hazelton route is the better as that is likely to benefit not only the places along its route but also would be likely to benefit Prince Rupert by helping to force construction of the highway into Prince Rupert. If the highway has any military significance it certainly should come by way of Hazelton, it would seem. When Premier Pattullo was in the city about a year ago he was very emphatic that the route would be by way of Hazelton.

THAT JAPANESE DEFEAT

A Correspondent of the New York Times in a despatch to his paper a week or two ago said that, despite official denials, the Japanese had suffered their very first serious defeat and sets their losses at around forty thousand men. When the Japanese retreated in Southern Shantung they left their dead and wounded behind them, a thing hitherto unknown in Japanese military history.

The correspondent tells how, when the Japanese were pounding against the Taierschwang-Suchow lines, the countryside became filled with innocent-looking Chinese farmers who were really disguised soldiers. They cut the Japanese lines of communication and diverted canals and streams across the right of way so that very soon communication with Japanese bases ceased and the men depended upon food dropped from airplanes. The shortage of gasoline was so serious that tanks, trucks and ambulances were out of commission and even artillery supplies became exhausted. The guns were useless when a quarter of a million infuriated Chinese soldiers set upon their foes and the retreat and slaughter began.

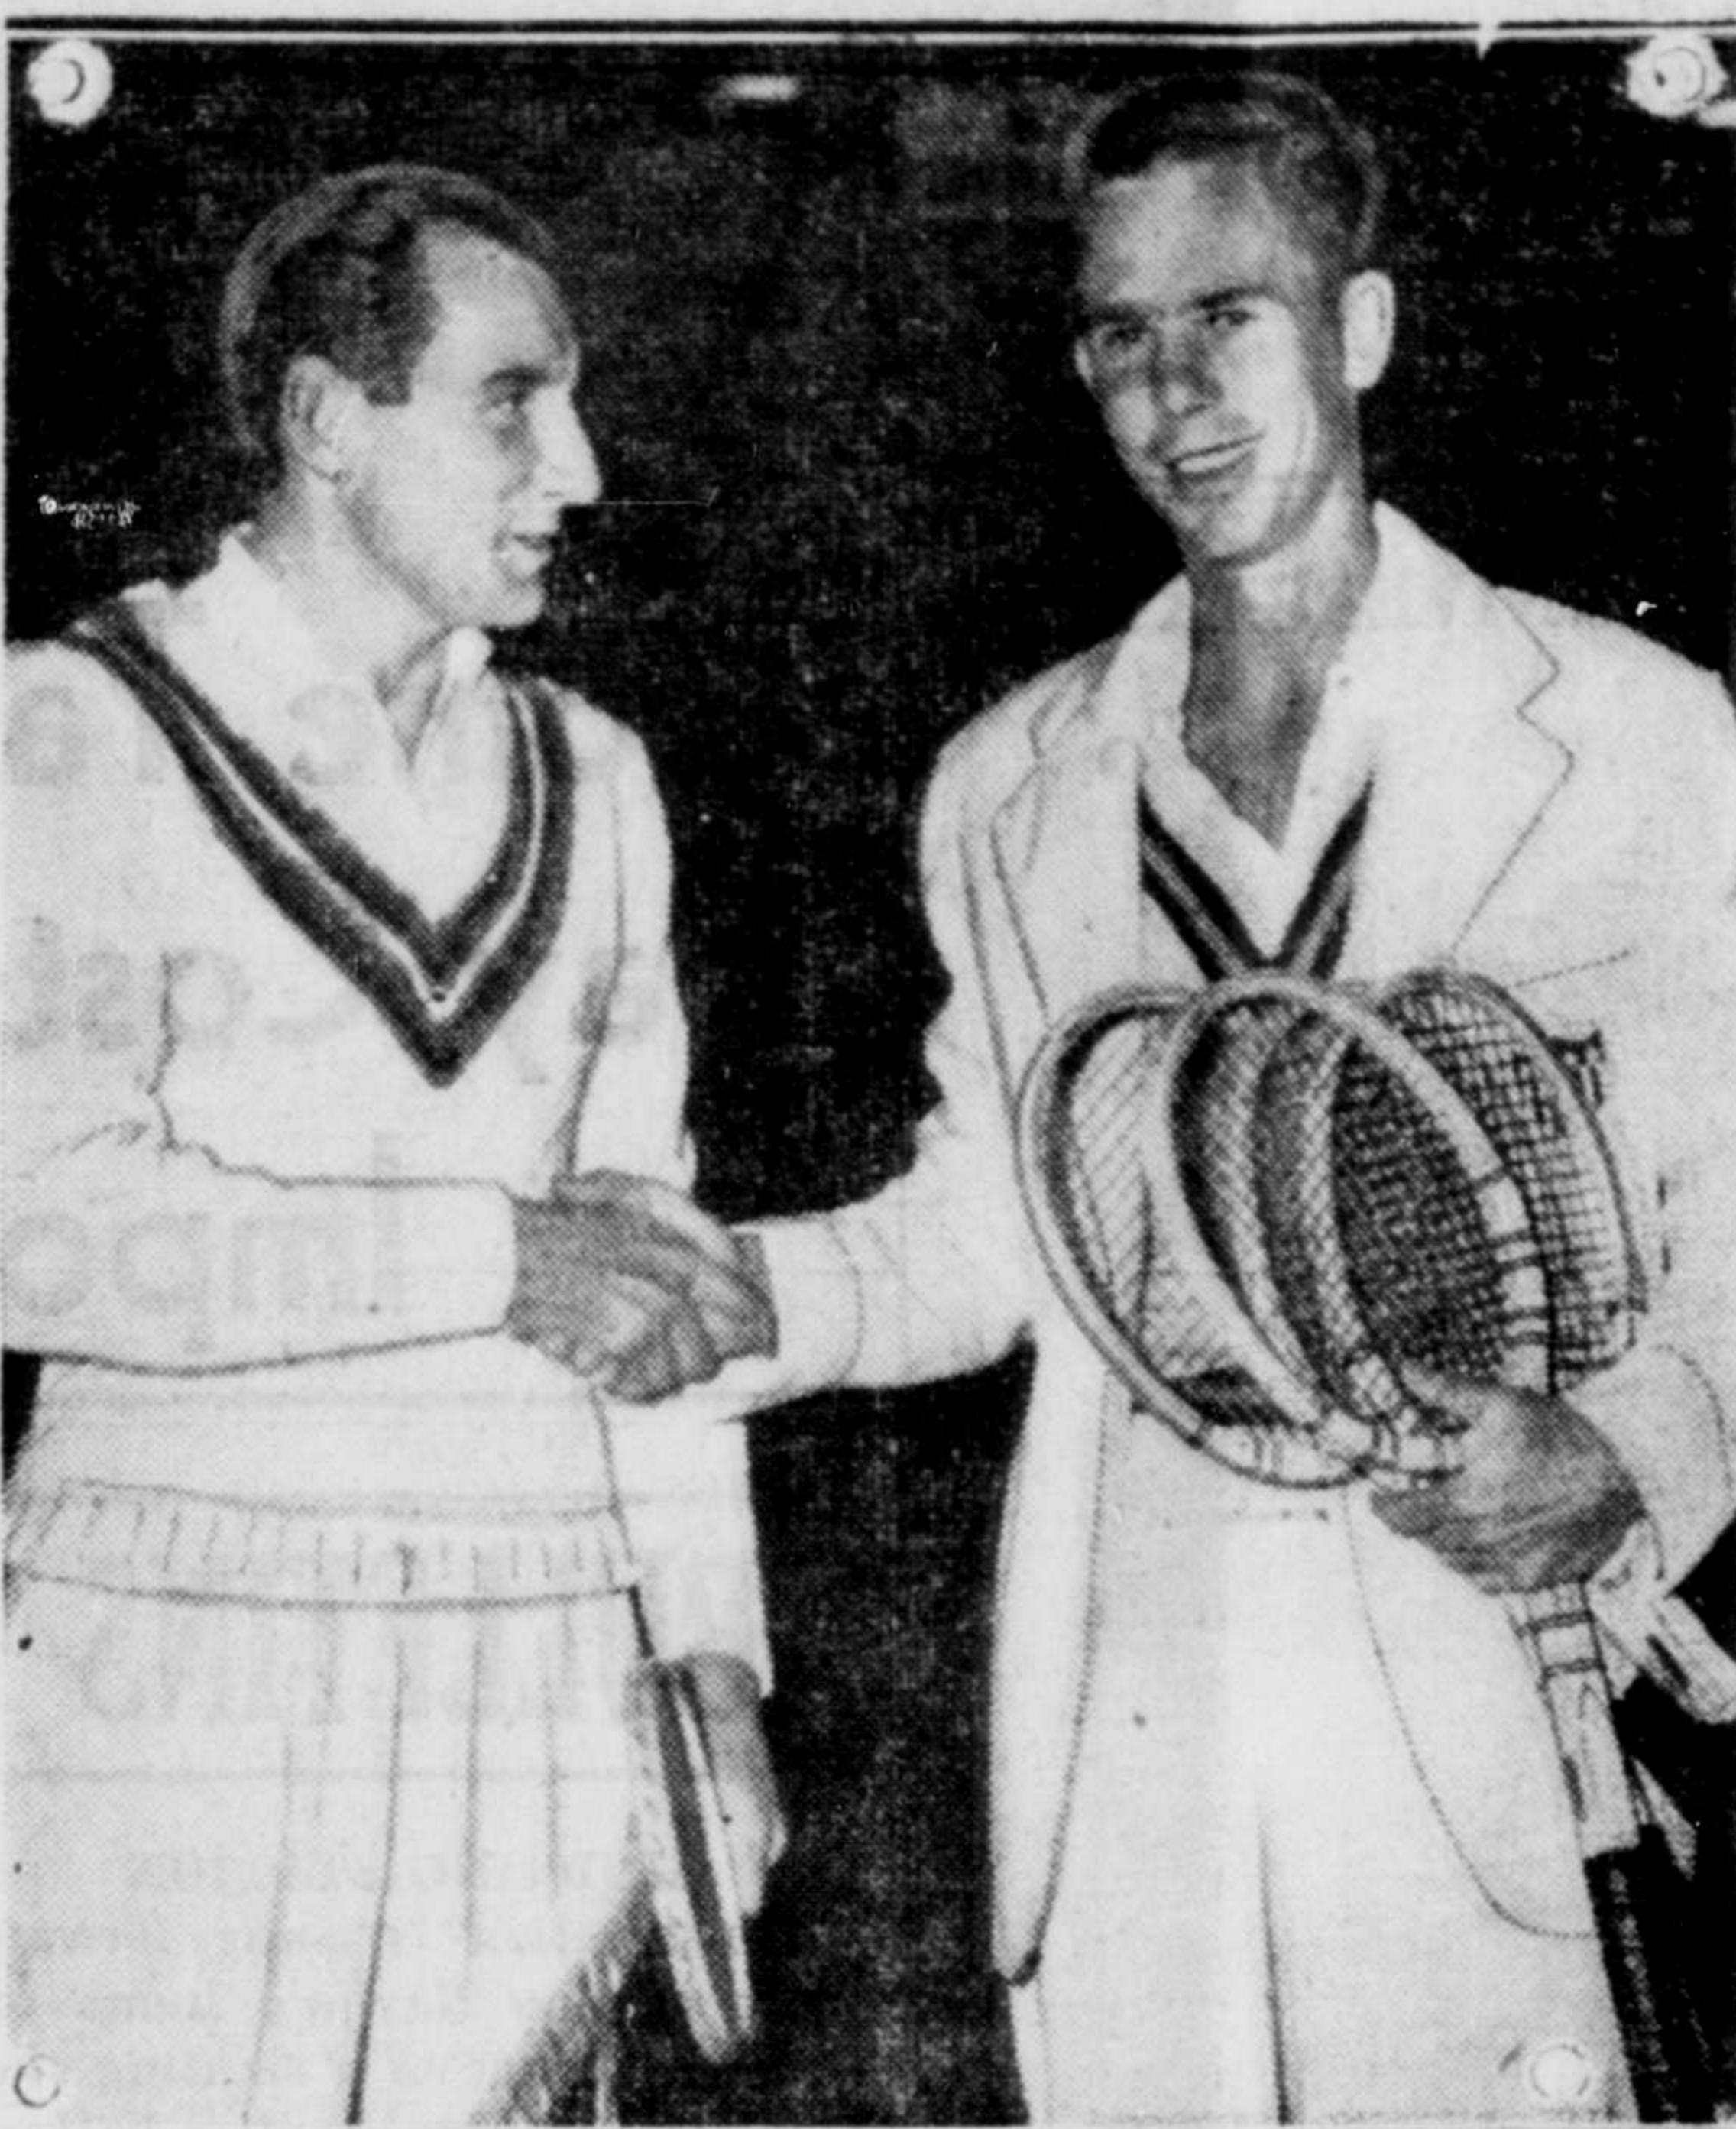

Reinforcements were rushed through but it was too late. The Chinese counter-attack had been entirely successful. Of the Japanese army in that sector of 62,000 men including several crack regiments something like 20,000 are today alive. Japan had suffered her first major defeat, a disaster that almost amounted to a rout.

MANUFACTURE PLANES AND MUNITIONS

Now that there is talk of building airplanes in Canada as well as in United States for Great Britain and that other munitions have to be manufactured there might be a possibility of securing a contract for this work at Prince Rupert. The possibilities here are just as great as at any other place if only we get the contracts. The

PERRY AND VINES RENEW PRO MATCHES

Fred Perry of England, left, congratulates his American tennis rival Ellsworth Vines, after the latter had beaten Perry in the renewal of their professional tennis tour. The pair put on a thrilling five-set duel in Los Angeles to mark the 1938 inaugural with Vines pulling out on top only after a terrific three-hour struggle.

SPORT CHAT

One official of a professional United States rugby team may watch a game in the Western Inter-Provincial Football Union this fall, Joe Ryan, manager of the Winnipeg Blue Bombers said after a visit to Chicago. The official planned to study western Canada rules, particularly those dealing with kicking, with a view to applying suitable regulations to the United States professional game.

A big car pulled up at a curb in Aldwych, England, and was instantly surrounded by people. "What's all this?" demanded a policeman. "Battleship won," answered the car radio. It was Grand National Day.

Two men, accused of stealing a car, were found playing football at a park in London by police who waited until the match ended and arrested them in the dressing room.

Desmond Sollis, 11, says he won't be a soccer referee when he grows up. Officiating in a match in Weymouth, England, between playmates, Desmond swallowed the whistle instead of blowing it.

Sponsored privately an unofficial Indian cricket team, the Rajputna eleven, will tour England this summer. The object of the visit is to give young players experience of English wickets and conditions.

shipyard at the drydock was found excellent for building ships and the yard undoubtedly could handle anything offered. All that is needed is the opportunity.

COSTLY BATTLESHIPS

It is estimated that in the United States the new 45,000-ton battleships will cost approximately one hundred million dollars to build. That is a huge sum for a ship that will be obsolete in a few years. It is more than a whole navy would have cost a few years ago. If the country goes on spending money this way it will be necessary to plan well ahead for a receivership for the country that only a few years ago was thought to be so wealthy that it hardly knew what to do with its money. Possibly it may bring some of that gold out of the cave where it is buried and pass it on to the rest of us.

BRITISH AIR DEFENSES

The British air defenses are weak but they are much stronger than they were. In fact so strong have they become that the government can now afford to admit they are weak. Had the condition been so very bad the government would so far as possible have kept it a profound secret. However the European countries have not been deceived. They knew Britain was not ready so they imposed upon her. Possibly the reason for the present admission may be seen in the desire of the Chamberlain government to keep out of trouble in Czecho-Slovakia.

Vienna at the end of the English season seems "very remote, but no official decision has yet been made," says George Allison manager of the Gunners.

First-team players of five years' service will be given a £500 (\$2,500) benefit by Millwall, English soccer league, southern section team whose big "gates" are envied by major-division clubs. Benefits may go to £650 (\$3,250) if the team gains second-division status.

Thirty persons were arrested at Falkirk, Scotland, when they broke windows of a Glasgow-bound train and caused disorder after Glasgow Rangers defeated Falkirk 2-1 in the fourth round Scottish soccer cup.

Popularity of schoolboy rugby in Wales continues. More than 25,000 persons—a record crowd—saw Wales continue. More than 25, Cardiff.

Kellsboro' Jack, 1933 Grand National winner, has been retired after winning the last race of his career, the Champion Chase. He won this race twice previously.

Selection committee of the Scottish Football Association has cancelled future amateur international Scotland-Wales matches as the Scottish are unable to meet the Welshmen on Saturdays.

Why £2,000 (\$10,000) funds of the Durban and Maritzburg teams of the Natal Football Association was accumulated and not "shared out" was a question put by a "ginger-upper," and not answered at the annual meeting.

Pittsburg Pirates Come Up From Behind to Score Seventh Win Without Defeat

PITTSBURGH, April 26: (CP)—Pittsburg Pirates came up from behind yesterday to score four runs in the eighth inning and defeat Chicago Cubs 8 to 6 for their seventh straight victory without a defeat so far this season. The Cubs dropped from third place to fourth below the idle Boston Bees. Cincinnati Reds and St. Louis Cardinals, who had been tied in the cellar, met in the only other National League game played yesterday and the Reds shut out the Cards. Cincinnati, as a result, is now in sixth place ahead of the Phillies.

In the American League, the Boston Red Sox blanked the Washington Senators and are but half a game behind the leading Cleveland Indians. The Senators dropped into a tie for fifth place with the St. Louis Browns who were losing to the Detroit Tigers. A victory for the Philadelphia Athletics over the new York Yankees put them into a tie with the idle Chicago White Sox for third place. The Yanks are in seventh position.

Cold, rain or threatening weather caused the postponement of three Major League games yesterday.

National League

Brooklyn at Boston, postponed on account of threatening weather.
Philadelphia at New York postponed, rain.
Chicago 6, Pittsburgh 8.
St. Louis 0, Cincinnati 5.

American League

DISPLAY IS FINE

Annual Exhibition of Work of Prince Rupert Recreational Centre

There was a good-sized and interested gathering at the Exhibition Hall last night for the closing display of the season by the Prince Rupert Recreational and Physical Education centre which has functioned usefully during the past winter under instructor Harry Gordon-Cooper. The participants gave an excellent exhibition of the various forms of athletic exercises and gymnastics, fully demonstrating the excellent work that has been carried on.

A. W. Newman presided and, in opening remarks, referred to the good work the centre had been carrying on and the benefit which had been derived by those attending, especially the boys and girls of the city. Next season Mr. Newman hoped there would be a larger turn-out of the young business and professional men to whom exercise and physical development should prove invaluable. It would also tend to build up locally an outstanding gymnasium. The speaker also referred to the splendid showing which had been made by the local team which went recently to the mass display of gymnastic competition in Vancouver. Next year it was hoped Prince Rupert would be represented by a girls' as well as a boys' team. Mr. Newman paid tribute to the work of the instructor, Harry Gordon-Cooper.

Before the close of the evening's proceedings, R. M. Winslow spoke briefly, complimenting Mr. Cooper and members of the centre for the excellence of the display.

The exhibition included Grand March, fundamental gymnastics by men, wand drill by girls, mat tumbling, parallel bars, vaulting, springboard tumbling, wrestling, boxing, flaming club swinging, pyramids, high bar, fencing and dancing. In the fencing display Miss Frances Thomson and Joe Landry took part in the boxing, Bill Long and Albert Mah gave a two three-minute round exhibition and Miss June Batt, Harry Gordon-Cooper, Les Passmore and George Ferguson rendered adagio dancing.

One of the most artistic of the whole list of annuals.

My broad beans are just coming through the ground and are all ready for rapid growth. The old idea was that they should be sown in February if the weather was fine but in this climate there is a possibility of the seed rotting in the ground if the weather is too wet and cold for a long period. However, early sowing is advisable for both beans and peas.

Complaints continue to come to hand about the quantities of moss in the lawns this spring. There is some in the C.N.R.A. bowling lawn where the utmost care is taken in draining and seeding and caring for the green. I am still of opinion that if the land is thoroughly drained, the only cure is to increase the fertility of the soil and that

can be done best by application of a complete fertilizer at more or less regular intervals.

Early in May is the time set by experts for the sowing of seeds of perennials—hollyhocks, lupins, delphiniums and columbines. Others may bloom this year if sown too early and that seems to weaken them for wintering. Canterbury Bells were nearly all killed last winter and the only way to renew

them is to sow a new supply for next year now. If Siberian wall-flowers are sown now under glass they will probably bloom this fall. I sowed a small patch outdoors about at this time two or three years ago and a few of them bloomed that year.

When buying seedlings for bed-

like to see in your beds. This is the time to think about annuals as the perennials are just about past their transplanting season. Study a catalogue or look over your neighbor's flower magazine or talk to your neighbor about it. Your florist will usually tell you what will grow here successfully. All depends upon likes or dislikes. No one can plan a planting to suit another unless he knows what is in his neighbor's mind. For yellows, calendulas or nasturtiums give lots of color. Some like the little French marigold better known as tagetes. Asters come mostly in purples and whites. If you do not want to buy seedlings, try buying a packet or two of viscaria seeds and you will have plenty of color.

For late summer and fall blooming, of course, you will want dahlias. If possible get good named varieties and take care of the bulbs in the fall and label them. Many growers refuse to have any unnamed varieties of any flowers in their gardens.—H.F.P.

Once Rare Orchid Blooms As Roses

Boston Growers Have Developed Species Till Its Familiar

BOSTON, April 26: (CP)—Orchids were a novelty even to the best flower growers at the time of the Great War, rarely seen by the public. Today they are as familiar as roses to almost any assembly of Bostonians.

Their period of popularity began in Boston with the election of the late Albert C. Burrage to the presidency of the Massachusetts Horticultural Society. He sponsored the debut of the orchid and for 10 years watched its upward career under his own guidance until the orchid became one of the best-loved flowers in any large flower show. Even the American Orchid Society came to Boston to give a show.

Side by side with the great pink and white heads of the Cattleya, large as dinner plates, will be orchids whose blooms are not much larger than the head of a pin. More delicate hues or purer colors are never found than these flowers present. In this work of developing the science of orchid culture, Robert Doig of the Burrage Shows has had the aid of his sister who has become a specialist in her particular field, that of taking the pollen from one orchid flower and placing it in the fruiting body of another, a process of cross-pollination which is a means of hybridization that promises much for the future of American orchids.

NURSE WEDS BARRISTER

Miss Josephine Hodgson Becomes Bride of Leonard Freer At Smithers

SMITHERS, April 26:—The wedding took place here at 4:30 Thursday afternoon of Leonard S. Freer, barrister of Smithers, and Miss Josephine Hodgson who was until recently a nurse at the Bulkley Valley Hospital at Smithers. Rev. J. E. Birchall performed the ceremony in the Anglican Church which was filled with friends of couple.

Helene Foster while H. B. Campbell was groomsmen. The bride was given in marriage by Dr. R. B. Brummitt. After the ceremony a reception was held in the Anglican Hall and about one hundred friends of the couple gathered there to drink the toast to the bride and extend their congratulations and good wishes to the happy couple.

Mr. and Mrs. Freer are taking up residence in the Harrar Block at Smithers.

POWALL PROMOTED

LONDON, April 26: (CP)—Brigadier H. R. Powall who has been made director of military operations and intelligence has been promoted to major-general.

FARM WORK IS GENERAL

Prospects Good For Another Year Of Good Crops In Bulkley Valley

SMITHERS, April 26:—Cultivation of the land has become general throughout the district and conditions are so far favorable for another year of good crops. If the farmers of the Bulkley Valley were as sure of a good market for their produce as they are of producing good crops there would be very little to complain about by the farmers of the district.

Kitwancool Girl Becomes Bride

Miss Hannah Smith United In Marriage to Kiteguclia Man

KITSEGUCLA, April 26:—A beautiful wedding ceremony was solemnized on Friday at Kiteguclia when Miss Hannah Smith of Kitwancool became the bride of Maurice Williams, son of Mr. and Mrs. David Williams. The groom was escorted to the Salvation Army Citadel by the Kiteguclia Band while the bride was escorted by the Kitwango Totem Pole Band. The happy couple were united in marriage by Adjutant Halvorsen of Hazelton.

Following the ceremony in the Citadel the Kitwango Band again paraded the newlyweds to the community hall, playing the wedding march.

The whole community, including friends from Kitwango, Kitwancool and Hazelton, joined in feasting with the newlyweds while the Kitwango Band rendered suitable selections under the leadership of Wallace Morgan.

The bride was dressed in a beautiful long white satin gown with veil. The bridesmaids were all dressed in white to match the bride's gown. Mrs. Ed. Wesley acted as matron of honor while Gideon Johnson was groomsmen. The bride was given in marriage by Stephen Morgan.

Following the wedding feast there was a dance in the community hall which lasted until after midnight. Mr. and Mrs. Maurice Williams expect to reside in Kiteguclia where Mr. Williams is a member of the local corps of the Salvation Army.

TERRACE

The fire alarm was sounded Thursday morning about 10 o'clock at the government garage. Sparks from the forge had ignited some oily litter and for a short time it looked alarming. The operatives were all around, however, so no damage was done.

On Saturday the Tennis Club held a tea and sale in the Orange Hall. Object was to popularize the game and to stimulate enthusiasm. The Terrace Tennis Club has a fine new court near the Railway Station which is proving an attraction to local athletes, both young and elderly.

Miss Marjorie Kenney left Friday for Fraser Lake to resume her duties as principal of the Public School at that point after spending the Easter holidays with her parents, Mr. and Mrs. E. T. Kenney.

Roads And Lanes Being Repaired

Spring Work Being Carried Out On Smithers Thoroughfares

SMITHERS, April 26:—Extensive repairs to the roads and alleys of Smithers are going on at the present time. Owing to the soft nature of the ground, considerable trouble is experienced here every year when the frost is coming out of the ground. Heavily loaded trucks and cars break through and cause large holes that have to be attended to quickly.

Graveling of Main Street and some of the other streets will be started early this week when quite a program of this work will be carried out.

Provincial Constable A. J. Dillibough arrived in the city on the Catala this afternoon from Anyox.

Wedding Saturday Is Pretty Affair

Further Details of Nuptials of Miss Grace Simonds and Angus Gillis

A pretty wedding took place in the Church of the Annunciation at 10 o'clock Saturday morning when Miss Grace Simonds, second daughter of Mrs. Fred Rackow of Usk, became the bride of Angus Collier Gillis, second son of Mr. and Mrs. J. J. Gillis of this city.

The bride, who was given in marriage by W. J. Lineham, entered the church to the strains of Mendelssohn's Wedding March played by Miss Charlotte Balagno. The bride was beautifully gowned in white sheer of ankle length and full puff sleeves. Matching turban with shoulder veil and elbow length kid gloves completed the bride's costume. She carried a shower bouquet of white carnations and red roses. The bride was attended by Miss Florence Gillis, sister of the groom, who was attired in a powder blue sheer gown with grey accessories. She carried a bouquet of pink and white carnations. The groomsmen were Joe Gillis jr.

After the ceremony, which was performed by Rev. Father Gordon, a wedding breakfast was served at the home of the groom's parents. The toast to the bride was proposed by Rev. Father James Gordon and responded to by the groom. The reception was held in the evening when about one hundred friends called to extend best wishes to the happy couple who received them under a decorated archway in the shape of a wishbone. They were the recipients of many beautiful and useful gifts.

Fine Snow On Mount Shown In Pictures

Bert Bartlett and Jimmy Schubert on Sunday climbed Mount Walker, back or Woodworth Lake, where there is a present splendid snow for skiing. They are today showing pictures of the summit of the mountain with nothing but snow in sight. They say there is miles of open country covered with snow there, an ideal terrain for skiing.

CROYDON, England, April 26: (CP)—Asked if he wanted a microphone Col. Sir Frank Watney, 68, told the 4th Queen's Old Comrades at dinner "I can remember when I could make you jump without a microphone and I could do it again."

Rev. David Lister, who has been supplying in the pulpit of First Presbyterian Church here for the past month, will sail by the Prince Rupert Thursday night on his return to Vancouver.

WHIFFLETS From The Waterfront

Union steamer Catala, Capt. James Findlay, arrived in port at 1 o'clock this afternoon from Stewart, Anyox and other northern points and sailed an hour or so later for Vancouver and waypoints.

According to information which has just been received here no less than 29,206,000 pounds of fish was landed at the Boston fish pier during the month of March. This is far more than the total of fish which is landed at Prince Rupert throughout an entire year.

Imperial Oil Co.'s tanker Imperial, Capt. A. S. McGaw, arrived at Digby Island at 6:30 this morning from Vancouver via the Queen Charlotte Islands and came on in to the harbor at 10 o'clock to discharge fuel goods at the company's local tanks.

C.N.R. steamer Prince Charles was taken on the pontoons at the local dry dock yesterday for cleaning and painting in the course of her annual overhaul work. It is expected she will be out of the water for a couple of weeks.

Special Easter Meetings Held

Salvation Army And Anglican Church of Kitwanga Joined By Church Army of Hazelton

KITWANGA, April 26:—During the Easter week-end the Salvation Army Corps united with the Anglican Church for special meetings led by visitors from the Church Army at Hazelton. On Saturday the visiting delegates were guests of the Salvation Army at a banquet prepared in their honor. The tables were arranged in the form of a cross.

Rev. Bert Shearman, Anglican Church rector of Kitwanga, was among those present and, with others, made a suitable speech on the subject of the Cross. The village band supplied sacred music. Envoy D. Wells is commanding officer of the Salvation Army here.

Girl of 19 Accused of Bad Complexion

(Before Mr. Justice Kruschen)

JUDGE: Jane Smith, you have had a fair trial and you have been found guilty of the charge made against you.
PRISONER: Y-y-yes, my lord.
JUDGE: Very well, then. Your crime may not have been deliberate, but it was one of serious neglect. You admit that though you do not get enough time for adequate open-air exercise you have never troubled to take steps to prevent constipation. Your complexion inevitably suffered.
COUNSEL FOR THE DEFENCE: My lord, I protest that there are other causes.
JUDGE: I said that constipation inevitably causes bad complexions, your client admits to the cause and plainly suffers from the effect.
PRISONER: It isn't my fault, my lord. I couldn't help it.
JUDGE: You could help it and you shall help it. This is the first time a charge has been made against you; let it be a lesson to you that young women may not neglect and spoil the good looks that Nature gave them. Your duty to your parents, to your friends, to your future husband is to make the most you possibly can of yourself.
(Here the prisoner covered her face with her handkerchief and was handed a glass of water.)
JUDGE: (continuing): You will be placed on probation for 3 months and I order that you drink one cup of coffee or tea, or a glass of water at breakfast every morning—
PRISONER: But I always do!
JUDGE: (sternly): Don't interrupt! One cup of coffee or tea or a glass of water every morning into which you shall put as much Kruschen Salts as will lie on a 10c piece. You will get rid of constipation and when you do you will never find yourself in your present predicament again.
After consultation with counsel, the judge announced that costs to the extent of less than 1c a day should be borne by the defence. "I believe I am right in saying," said his lordship, "that a 75c bottle of Kruschen contains 96 doses. That is much less than 1c a day." The prisoner left the court smiling.

KRUSCHEN SALTS
relieve constipation and rheumatism
Kruschen is a combination of several mineral salts which your body must get, in some way, to keep the blood pure, the inside clean, and the system generally toned up, but which you can't get in Nature's own way without abundant exercise and fresh air. You should have those salts every day; hence the importance of the "little daily dose" of Kruschen in 25c, 45c and 75c bottles. It's the little daily dose that does it.
