FINAL BULLETINS

MOON ECLIPSE TONIGHT

There will be an eclipse of the moon late tonight but it will be visible only with a penumbral hazy shadow effect on this coast. It will be seen as a partial eclipse in the East.

NELSON HOLD-UP

NELSON, Hugh Armstrong is receiving hospital treatment for a neck and bullet wound while police scour West Kootenay for an armed bandit who jumped on the running board of a car as a clerk of Godfrey's Limited, men's and ladies' wear store, slowed for a curve, fired a gun and then took \$1000 in cash which was being taken to Ymir, near her, for use in cashing Yankee Girl mine pay checks.

JAPAN GETS EARTHQUAKES

TOKYO—There were widespread earthquakes in Japan yesterday and today but so far no serious damage is reported although some people fear major disturbances.

ALBERTA BOY SHOT

FRANK, Alberta—Leonard Mack, fourteen-year-old Blairmore boy, was fatally shot at the week-end during a rabbit hunting trip here. The bullet entered his shoulder. Seven years ago the boy's father was killed at the Kimberley mine. He is survived by his mother.

REVELSTOKE IS FLOODED

REVELSTOKE—Revelstoke is cleaning up two inches of silt from the main streets today following the breaking of a twelve-inch water main at the week-end which caused a miniature flood.

BUDGET DUE WEDNESDAY

VICTORIA—Expectations still are that the debate on the address in reply to the Speech from the Throne in the British Columbia Legislature will be completed early this week, making way for the bringing down of the budget Wednesday after which a two-day adjournment is planned. The throne speech has been in debate two weeks.

ANOTHER BRITISHER SUNK

LONDON—Another British freighter, the Ellenye, is reported bombed and sunk by Spanish insurgent aircraft off the southeast coast of Spain. The crew escaped safely.

LOYALISTS FIGHT BACK

HENDAYE, Franco-Spanish Frontier—The insurgent offensive on the Ebro River front in the Spanish civil war is reported to have been converted into an unexpected government counter-offensive after having been successfully held by the loyalists over the week-end. Casualties have been heavy, being estimated at five thousand.

POLISH-JEW SHOOTS GERMAN

PARIS—A young Polish Jew, seeking to avenge countrymen expelled from Germany, shot and gravely wounded Ernst von Fath, secretary of the German embassy, today. The assailant, Herschel Grynszpan, was captured by embassy attaches.

HENRY TO VISIT EDWARD

LONDON—A well-informed person said today that the Duke and Duchess of Gloucester may visit the Duke and Duchess of Windsor at Paris Friday. The Gloucesters are now returning from an East African holiday.

TWO KILLED IN CARS

NEW WESTMINSTER—Richard Davies was killed and three others were injured when an automobile crashed into a sixty-foot ravine on the Pacific Highway near the boundary. Peter Rad of Prince George was killed when a truck skidded on an icy bridge near Boston Bar and plunged into Jackass Creek. H. Johnson, a passenger, was injured.

STRANGE STORY BEFORE DEATH

VANCOUVER—Police, investigating the death of Edward Peters, were told today by the widow that, before his death, Peters told her he had been adducted early Wednesday, held three days in a windowless basement, robbed of a \$6900 government annuity check and drugged with what he thought was iodine. Peters was drowned in Lost Lagoon early Sunday the day after he returned and told his wife the abduction story.

PATTULLO FOR MORE DEFENCE

TORONTO—Premier Pattullo of British Columbia and Premier Hepburn of Ontario have informed the League of Nations Society that they are in favor of increased Canadian armaments and defence forces.

FIRE HITS GAY PARTY

Thirty Burned to Death in Holocaust in Norwegian Capital

OSLO, Norway, Nov. 7: (CP)—Thirty persons were trapped and burned to death when fire destroyed a third floor photographic studio here in which a gay party was in progress. Flimsy decorations became ignited and so rapid was the spread of flames that there was little chance of escape. Victims were burned beyond recognition. Thirteen were lying in a heap behind the only door of the apartment opening inward.

IMPORTANCE OF CANADA

Statistician Predicts it Will Be Second in Empire in Oil Production

WINNIPEG, Nov. 7: (CP)—J. L. Irwin, government statistician, predicts that Turner Valley production in Alberta will put Canada in second place next year among oil producing countries of the British Empire, rivaling Murma and the islands of the Persian Gulf.

Contract To Local Firm

The contract has been let to John Currie & Sons of Prince Rupert for building a new day school and teacher's residence at Bella Bella for the Department of Indian Affairs. It is understood that the amount involved is in the neighborhood of \$8,000. Work will commence just as soon as all the preliminaries have been arranged.

Hit By Bicycle, Quebec Man Dies

Injuries Received at Week-end Prove Fatal in Bellechase, Quebec

BELLECHASE, Quebec, Nov. 7: (CP)—A Bellechase man sustained injuries which proved fatal when struck by a bicycle on Saturday.

JAPAN NOT ADHERING TO TREATY

Denunciation of Nine Power Pact is Reiterated—New War Zone Declared

Central China Puppet State

Japan Planning to Eliminate Western Influence Entirely

TOKYO, Nov. 7: (CP)—A Japanese Foreign Office spokesman reiterated the announcement of late last week that Japan is considering denunciation of the 1932 Nine Power Treaty by which United States, Great Britain, Japan, Canada and other powers pledged themselves to respect China's independence and territorial integrity and promised efforts to maintain equal commercial opportunities in China. Meanwhile, military authorities of Japan have warned neutral powers against sending gunboats to within at least one hundred miles west of Hankow up the Yangtze River and have designated the area between Hankow and Shansi as a new zone of hostilities. It is reported that Japan is preparing to set up a puppet government in South China similar to that which was established a few years ago in Manchukuo. This would mean the eventual elimination of western interests in central China. While Japanese forces are reported driving on Changsha, capital of Hunan Province, from which they are now 125 miles distant, it is stated that the Chinese are making a concerted effort to capture Canton. The latter report is, however, discounted in these quarters.

PROTECTION OF FISHING

Extension of American-Canadian Jurisdiction Further Out To Sea Advocated

PORTLAND, Ore., Nov. 7: (CP)—At a meeting of Canadian, American, British Columbia, Washington and Oregon fisheries representatives here Saturday, it was agreed that jurisdiction, of the American and Canadian governments over fishing be extended, if possible, beyond the three mile limit. This is in view of alleged damaging incursions of foreign as well as local interests on American-Canadian conserved fish off this coast. It is suggested that, if possible, jurisdiction, if possible, beyond the three mile limit. This is in view of alleged damaging incursions by foreign as well as local interests on American-Canadian conserved fish off this coast. The representatives agreed to inform their respective governments that there is need for "further measures to conserve the great international resource as represented by the offshore fisheries."

Record November Warm Weather In Ottawa Recorded

Ottawa, Nov. 7: (CP)—With exceptionally mild weather prevailing in Ontario for this time of year, the thermometer in Ottawa yesterday set a November high mark for the forty-eight years since records have been kept.

NEW WORLD INTEGRITY

Famous Statement of President Roosevelt Reiterated by State Department Official

WASHINGTON, D.C., Nov. 7: (CP)—Sumner Wells, Under Secretary of State for the United States, in an address at the week-end, reiterated a now famous statement of President Franklin D. Roosevelt that United States would not stand idly by and see foreign aggression of any New World country. United States would try to keep the western hemisphere safe from foreign attack and such aggression, declared Wells. He urged closer solidarity of all American countries in their mutual interests when a doctrine of hatred was threatening civilization.

LOOKS FOR ELECTION

Daily Express Predicts Great Britain Will Go To Polls Early Next Year

LONDON, Nov. 7: (CP)—The Daily Express, independent, today reported that British political circles expect a general election in Britain early next year. The election might be in January or spring or sooner, depending on Parliamentary reaction to Premier Chamberlain's Peace and defence programs. The present National government was elected in 1932 and could remain in office until 1940 should it be decided to stay the full term.

MOUNTIES TAKE AIR

Plane Will Be Used by R. C. M. P. In Northwest Territories This Year

OTTAWA, Nov. 7: (CP)—The Royal Canadian Mounted Police will extend its air service to Western Canada this year by placing a ship in the Northwest Territories to carry officers on patrol and do mercy flights, it was announced yesterday by Deputy Commissioner Thomas Dann. This will make a fleet of six ships for the R. C. M. P., the other five being operated in the Maritimes in connection with smuggling and illicit drug traffic patrol as well as in answering distress calls from ships.

GOV'T TEST IN ALBERTA

Athabasca By-Election Being Held Today With Straight Social Credit-Liberal Fight

EDMONTON, Nov. 7: (CP)—Voting in Athabasca riding, the first test of strength of the Aberhart Social Credit government in a rural riding since the general election of 1935, is taking place today. The seat was made vacant through the death of Hon C. C. Ross, former minister of mines and forests. The candidates are C. H. Tait, Social Credit, who won the seat in 1935 but relinquished it when Mr. Ross entered the cabinet, and C. J. R. Whitley, Liberal. Aircraft had to be used in delivering the ballot boxes from Edmonton to Fort Chippewyan, a distance of 375 miles, and one hundred miles further on to Fort Fitzgerald. Smoke and fog delayed the plane and for a time it appeared that a considerable number of voters might be disfranchised. However, the plane finally got through in time. Of sixty-three seats in the Alberta Legislature, fifty-two are at present held by the Social Credit government.

Britishers Set Record

PORT DARWIN, Australia, Nov. 7: (CP)—After breaking the world's long distance flight record, two Royal Air Force bombing planes landed at Pan-nay Bay near here early today. The former mark was 6306 miles made last year by Soviet Russian airmen in a flight from Moscow to California. The British fliers had accomplished 6400 miles as they passed over the Dutch East Indies enroute here from Is-malia, Egypt, and had done over 7160 miles in just over 48 hours on landing here. A third plane landed at Timor Island in Dutch East Indies with fuel shortage, also breaking the Russian mark by 500 miles. The three planes were manned by nine pilots, all under 30 years of age. Frequent storms were encountered. The Britons' time was much better than that of the Russians who took 62 hours.

WOMAN IS ACQUITTED

Mrs. Vera Colebourne Found Not Guilty on Charge of Murdering Husband

VICTORIA, Nov. 7: (CP)—Mrs. Vera Colebourne was Saturday night acquitted of murdering her husband in their Oak Bay home last April 1. An Assize Court jury deliberated only a few minutes in the second trial. There had been a jury disagreement in the first trial. Mrs. Colebourne claimed that a gun she took from Colebourne's pillow accidentally discharged as she was crawling over the bed with her daughter to leave him after ill treatment. She had at first told a story of her husband being shot by a man whom she saw in flight.

SABOTAGE IS FOUND

Investigations Seem To Confirm That Explosion on German Ship Vancouver Originated From Outside

OAKLAND, Ca., Nov. 7: (CP)—District Attorney Earl Warren today blamed criminal sabotage for the blast which wrecked the German freighter Vancouver last week in Oakland estuary. OAKLAND, Nov. 7: (CP)—Evidence of possible sabotage appears to increase as six separate investigations are pushed into the wrecking of the German liner Vancouver last week following an explosion below the water line. Federal investigators have announced that they are convinced the explosion was not inside the ship and the ship's captain reiterates his previous statement that the incident was "damned suspicious."

The four members of the crew who were injured in the blast are recovering. A check-up shows that there were only eight passengers on board at the time, some having dropped off at Pacific Coast ports enroute here from Vancouver. There were ten Canadians aboard when the Vancouver left Vancouver. Arrangements Being Made To Speedily Remove One Third Of Populations

PREMIER IS HOME

Mr. King Back in Ottawa Today—To Preside Over Important Cabinet Meeting

OTTAWA, Nov. 7: (CP)—Prime Minister William Lyon Mackenzie King returned to Ottawa at noon today from his holiday trip to Bermuda, Jamaica and Cuba. He had spent the week-end in New York. Dr. O. D. Skelton, Under Secretary of State, accompanied him. "The trip has done me a world of good and I am ready for a hard winter's work," the Premier said. The Premier said, following his arrival in Ottawa, that trade treaty negotiations between Canada and the United States were nearing completion. The Premier presided over a meeting of the cabinet council today when such important matters were to come up as plans for the reception to the King and Queen next summer, whether or not there will be a session of Parliament before Christmas and the appointment of three ministers—one to Japan succeeding Hon. R. Randolph Bruce, who is retiring; Hon. Philippe Roy, minister to France, who has asked to be relieved, and a new minister to Belgium and the Netherlands. Mr. King, prior to the cabinet meeting, said he believed Parliament would probably open early in the New Year although no date had yet been decided.

ARM REICH FOR PEACE

Hitler Attacks Churchill and Greenwood, Calling Them "War Mongers"

BERLIN, Nov. 7: (CP)—Speaking before an assemblage of 100,000 Nazis at Vinar yesterday, Chancellor Adolf Hitler told of plans to strengthen Germany's defences in the interests of peace and to "make certain that the Reich may not be destroyed."

Hitler was critical of two British statesmen in particular—Rt. Hon. Winston Churchill and Rt. Hon. Arthur Greenwood, Labor leader, whom he described as "war mongers." "Germany might be menaced if such leaders won power so must be prepared. He spoke of British statesmen generally as "umbrella carriers."

Talk of disarmament Hitler views with suspicion when all the world was arming to the teeth.

Hitler endeavoured to show the superiority of the totalitarian state over democracy.

Churchill Replies

LONDON, Nov. 7: (CP)—Rt. Hon. Winston Churchill made a prompt and biting reply to criticism of himself by Chancellor Adolf Hitler. He suggested that Hitler search his own heart and conscience before calling anyone else a "war monger."

EVACUATION OF CITIES

Arrangements Being Made To Speedily Remove One Third Of Populations

LONDON, Nov. 7: (CP)—Sir John Anderson, Lord Privy Seal, who is also unofficial minister of defence, reveals among other plans, preparations being made to evacuate by voluntary dispersal, one-third of the population from more congested and vulnerable city areas to the country as a precaution against air raids in the event of Great Britain becoming involved in war. Such a plan was partially tested in London during the recent crisis.

NEW OUTLOOK AND MORE ENERGY

What this city needs is a new outlook and more energy in the handling of affairs having to do with its welfare. That is why we welcome the advent of the Junior Chamber of Commerce into the discussion of local affairs. The young people are more outspoken and less fearful of the consequences. They know what they want and go after it.

We have often had quoted to us the manner in which the people of the maritime provinces act when they find they badly need something and cannot get it. For the time being they sink all their differences, forget their politics and make their demands felt by being unanimous in representations that they be given justice. That is the spirit we need in Prince Rupert. There has in the past been no unity. We have been divided into Liberal and Conservative or by other alliances, each afraid that the other would gain some advantage. We have often sacrificed our personal views for our political views.

It is time to change all that. When we are out to get something for Prince Rupert we must sink our political differences and work for the one end, that of the advancement of the city. That is the only way to succeed.

DID GOOD WORK

When any of us die it would be a great thing to have people say of us "He did good work." On Saturday there was laid to rest the mortal remains of Albert Baxendale, formerly gardener at the Court House grounds. He took an important part in the beautification of the city. He did good work. That is the finest epitaph he could have.

Weather Forecast

General Synopsis— Pressure remains abnormally low north of the Queen Charlotte Islands and has caused gales with heavy rain on the coast. Scattered showers have occurred over the inter of British Columbia.

Prince Rupert and Queen Charlotte Islands— Strong southwest wind, shifting to westerly gales, part cloudy and mild with rain squalls.

West Coast of Vancouver Island— Southwest shifting to westerly gales part cloudy and mild with rain squalls.

HAWKS WIN ONCE MORE

Chicago Going Strong in National Hockey League With Three Straight Victories

MONTREAL, Nov. 7. (CP)— The world champion Chicago Black Hawks have made three straight wins in so many starts so far this season in the National Hockey League. Last night they scored two goals in the final period to take a three to two victory from the Montreal Canadiens who had been leading two to one at the end of the second period. Leo Bury (Dizzy) Dessales, who had been sold since last season by the Canadiens to the Black Hawks because he was considered "through" got sweet revenge by making the opening counter for the Hawks as well as the third which gave them the game. The Black Hawks had blanked the Toronto Maple Leafs two to nil at Toronto Saturday night after having defeated the New York Americans in the opening game at Chicago last Thursday night.

In the second scheduled National Hockey League game last night Boston Bruins defeated Detroit Red Wings four to one at Detroit. The next National Hockey League games will be on Thursday night with Toronto playing the Canadiens at Montreal and the New York Americans at Detroit. The league standings:

Ministerial Ass'n Meets

Discussion of Oxford Conference Commenced Under Leadership Of Rev. E. E. Brandt

Led by Rev. E. E. Brandt, the Prince Rupert Ministerial Association, at its regular monthly meeting this morning at First Presbyterian Church, commenced a discussion of the official reports of the Oxford Conference, the subject being "The Church and the Community." Later the reports will be discussed under the heading: "The Church and the State," "The Church and the Economic Order," "The Church and Education" and "The Universal Church and the World of Nations." To expedite the discussion, it was decided to hold meetings on the first and third Mondays instead of once a week as at present. Whether the church was an end in itself or means to an end was a point of debate this morning.

Rev. J. C. Jackson, pastor of First United Church, was in the chair in his capacity as president of the Association this morning. Others in attendance: Rev. J. L. Friesen, Pentecostal Assembly; Rev. E. E. Brandt, First Baptist Church; Rev. H. G. Funston, First Presbyterian Church; Very Rev. James B. Gibson, dean of St. Andrew's Cathedral; Rev. R. G. Durnford, St. Peter's Anglican Church.

A tender of \$35 from George Place for the old Shockley building on Market Place, which has been condemned, was accepted by City Commissioner W. J. Alder this morning.

P.T. Telephone Bridge Success

Goodly Sum Realized For Useful Work Being Carried Out For Schools

A highly successful telephone bridge was held Friday night by the Prince Rupert Parent-Teachers' Association, present activities of which include the augmentation of library facilities in the schools and installation of radio receivers. There were sixty tables of cards in play at many homes and from others came donations, a goodly amount being realized.

Winners at contract were Mrs. Thomas Boulter and Miss Myrtle Giraud; at auction, Nils Jensen and E. W. Becker.

With Mrs. R. M. Winslow as convener, the committee in charge consisted of Mrs. N. M. Carter, Mrs. G. E. Moore, Mrs. William Brass, Mrs. M. M. McLachlan, Mrs. L. S. Hope, Mrs. George Wilson and Mrs. J. H. Bulger.

Rotary Club Dinner Dance

Sixty Persons in Attendance at Enjoyable Affair Saturday Night

Members of the Prince Rupert Rotary Club and guests to the number of more than sixty enjoyed a jolly dinner dance in the Commodore Cafe Saturday, the affair having been arranged under chairmanship of George Mitchell in place of the regular weekly luncheon. After an excellent dinner, President W. L. Coates welcomed the guests and a period of informal community singing was indulged in with Al Small at the piano. Following this there was two hours of dancing for which music was furnished by Charlie Balagno, Jimmy Currie and George Brown.

MARCH PAST TO BE HELD

Lieut. Col. S. D. Johnston to Take Salute After Armistice Day Ceremony at Cenotaph

A new feature in connection with the annual Canadian Legion Remembrance Day parade this year will be a "March Past" when Lieut. Col. S. D. Johnston V.D. M.C. officer commanding the 102nd Battery, Royal Canadian Artillery, (the Senior Militia Officer) will take the salute of local military and naval units from a saluting point on Third Avenue at the new Federal Building. The "March Past" will follow the return from the cenotaph ceremony. Units taking part will be the Canadian Legion, Royal Canadian Naval Volunteer Reserve detachment, 102nd Battery, Boys' Band, Sea Cadets and Boy Scouts.

As soon as the civilian units of the parade have fallen out after the general parade, the Boys' Band will move off under its commander and take up a position on Third Street at the intersection of and facing Third Avenue. The other units of the "March Past" will move off under their own commanders and will march past the saluting point after passing which they will proceed to their bases by the shortest route. The Boys' Band will not move off until the last unit has passed Fourth Street.

Lieut. Col. S. D. Johnston M.C. V.D. will be in charge of the general parade which will move off at 10:30 a.m. sharp. The foremost unit will fall in opposite the Northern British Columbia Power Co. store on the north side of Third Avenue. The order of fall-in will be as follows: Canadian Legion, Royal Canadian Naval Volunteer Reserve, 102nd Battery, Boys' Band, Sea Cadets, Boy Scouts, Canadian Legion

Women's Auxiliary, Imperial Order, Daughters of the Empire, Loyal Order of Moose, Oddfellows and Eagles. The parade will move to the Cenotaph by way of Third Avenue, Sixth Street and Second Avenue. On arrival at the Court House grounds, each unit will take up the position allocated to it. The service at the cenotaph will be in charge of Rt. Rev. Lieut. Col. G. A. Rix D.D., V.D. At the conclusion of

the service the parade will re-form on the north side of Second Avenue and will return to the Legion Hall by way of Second Street. In event of inclement weather, the parade will march to the cenotaph by the shortest route, deposit wreaths and return to the Capitol Theatre where the service will be held. Charles V. Evitt is chairman of the parade committee.

WHERE DOES ALL THE MONEY COME FROM?

MORE than four and one-half million depositors in Canada have "money in the bank."

They are satisfied to leave their money on deposit because Canada's chartered banks are ready and able to pay back promptly every cent when the depositor calls for it.

These deposits in the chartered banks total roughly \$2,262,000,000—approximately 10 per cent. of which they carry in cash—in other words Bank of Canada money or "legal tender."

Some people do not fully understand banking operations and might ask:

1. What have the banks got to represent our deposits if they do not have it all in cash?
2. How can the banks repay our deposits, over \$2,262,000,000, with the amount of cash they hold?

The answer to No. 1 is: Look at any bank balance sheet and you will see for yourself that a bank owns more than it owes. That is to say—if all of its depositors were paid off and all of its other debts paid, a balance would be left belonging to the shareholders.

That should answer your first question satisfactorily. And now for No. 2:

Look again at a bank balance sheet and you will see that in addition to the cash it holds, the bank owns assets quickly convertible into cash, or which can be used to borrow from the Bank of Canada.

Experience has taught banks the amount of cash it is necessary to carry to meet ordinary day to day demands, and also the proportion it is necessary to carry in gilt-edged quick assets which can be liquidated to meet even an extraordinary demand. Banks know that it is absurd to expect all depositors to call for their money at the same time.

That would be like saying that if everybody got sick at the same time there would not be room in the hospitals to take care of them.

Or that if everybody who travels by street car decided to travel at exactly the same hour, there would not be enough cars to carry them.

Or that if every person who carries life insurance died on the same day all the claims could not be met.

Or that if every sea were drained dry there would be no ocean liners.

Such statements are meaningless when you expose them to the cold light of commonsense.

Where, then, does all the money come from? That question can best be answered by asking this one: Who owns it—and how do they get it?

Addressing ourselves to 4,740,000 depositors we answer: "This money is yours. You own it. When you call for it, you get it. When you ask any existing Canadian bank for it, do you ever fail to get it promptly?"

We ask you, too: "Do you regard your deposit as figures in a book?"

If you are a wage-earner, paying your way and depositing a little week by week in a savings account in the bank, can anybody convince you that your deposit came into being by writing figures in a book? Or is it not a fact that you can call at your bank and take it away with you—in cash!

Suppose you are a farmer—let us use one acre and some round figures for illustration. You use 1½ bushels at a dollar a bushel, of wheat, to seed one acre. You reap, say 20 bushels, worth a dollar a bushel. Leaving out your costs to simplify matters, your gain is 18½ bushels equivalent to 18½ dollars, which you deposit in your bank.

Do you regard this as just figures in a book?

It would be hard to convince any wage-earner or any producer of new wealth, that his deposit which arose from his labour and production, is anything but real money.

He knows better, for he can buy things with it.

Where does all the money come from?

Your deposit is the measure of your own real wealth.

That wealth comes from the marketing of your labour for wages; from the application of labour to the soil of the farm, or to the standing timber in the forest; from the catching of fish in the sea; from the wresting of minerals from the ground; from the fabricating of raw materials into manufactured goods; and from marketing at home or abroad this continuous production.

When somebody wants to change all your business and economic methods and by some mysterious magic to bring about overnight a promised millennium of prosperity, ask what success such a theorist has made of handling his own affairs, before you back his theory.

Bank deposits reflect tangible wealth produced. Every dollar we owe to you—our depositors—is backed by many dollars in real assets.

Canada's chartered banks not only serve the individual well, they are a great factor in the building of the nation.

THE CHARTERED BANKS OF CANADA

Your local branch bank manager will be glad to talk banking with you. He will be glad to answer your questions, from the standpoint of his own experience.

Whifflets From The Waterfront

Union steamer Catala, Capt. James Findlay, arrived in port at 7 o'clock last evening from the south and sailed at 9 p.m. for Stewart, Anyox and other northern points whence she will return here tomorrow southbound.

Northland Transportation Co.'s steamer North Sea, Capt. A. W. Nickerson, arrived in port at 12:45 noon yesterday and, after discharging six carloads of frozen fish and one car of canned salmon for transshipment East over Canadian National Railways, sailed at 6:45 last evening in continuation of her voyage to Seattle.

The Signal was in with black cod this morning but there was no halibut catches. No more are now expected as it is believed the last American vessels from the Area No. 3 banks have gone through to Seattle.

ARMISTICE SUBJECTS

With Leader Such as Chamberlain Peace Ideal May Be Reached, Says United Church Pastor

In the First United Church yesterday the Rev. J. C. Jackson spoke on appropriate Armistice Day subjects at both services, taking as his subject in the morning "The Hope of Peace" and in the evening, "The Christian's Weapons."

In the morning Mr. Jackson said there were two divisions of thinking men on the subject of war. There were those who thought that war was a necessary evil and must be prepared for accordingly.

There were those who thought war was an unnecessary atrocity for which a substitute must be found. Changes just as revolutionary as the banishment of war had taken place in the past. Two hundred years ago any one who said people would cease to believe in devils would have been laughed at. One hundred years ago the idea of abolition of slavery was considered utterly fantastic and incapable of being accomplished. Already some types of war had been banished. There was a strong longing for peace and with leaders such as Lincoln and latterly Chamberlain, these ideals would be reached.

Speaking in the evening and in keeping with Remembrance Day Mr. Jackson told of the difficulty even the disciples had in getting away from the idea that Christ would set up a temporal kingdom. It was not till after the Pentecost that they realized it. The Christian's weapons were goodness, forgiveness and the turning of enemies into friends by means of love. "We are handicapped by the inheritance of the belief in the ability of force to settle affairs," declared the pastor. "Yet we have a conviction that peace is the real business of mankind. In spite of husterings. Hitler will not get what he wants—his apparent successes will rot in his hand. The cry of 'war to end war' is also ridiculous. Can Satan cast out Satan? And war brings depravity with it—the destruction of truth, love, economics, and conscience. Progress has been made in the curtailing of wars and their banishment will follow as we follow Christ and his ways."

At the morning service the Junior Choir sang the anthem "Evening and Morning" (H. S. Ookeley). In the evening service special music suitable to Remembrance Day included a fine rendering of Stainer's "What are These?" and the solos "There is No Death" by Dr. R. G. Large and "Tread Softly" by J. S. Wilson. The church was artistically decorated for the services. Miss Swanna Olafson was organist.

Remembrance Parade to First Presbyterian Church—Christ Essential to Peace, Asserts Pastor

"There can be no peace in the world until every nation has heard and accepted the gospel of Jesus Christ."

"There cannot be peace or justice in our Dominion until each community has made itself Christlike with citizens making their influence felt for Christ and good."

"Have we the right to criticize other nations for wrongdoing when in our own communities and in our own hearts there are still hatreds and lusts?"

There are many people among us who, despite their professions, are not true Christians.

These were among the comments of Rev. H. G. Funston Sunday morning when members of the Canadian Legion and the Women's Auxiliary attended Remembrance Day service at First Presbyterian Church.

The church choir was in attendance and rendered Kipling's "Recessional." J. A. Teng sang "There is No Death." Mrs. E. J. Smith presided at the organ.

At conclusion of the service William Rance sounded "The Last Post."

There were upwards of sixty veterans with some members of the Women's Auxiliary at the service, making quite a sizeable congregation in all.

Led by the Prince Rupert Boys' Band, under Bandmaster Robert Greenfield, the veterans and the ladies, in spite of very inclement weather, paraded both to and from church. The men were under Jack Preece, president of the Legion; the ladies under Mrs. R. T. Anderson, president of the Auxiliary.

WAKE UP YOUR LIVER BILE—

And You'll Jump Out of Bed in the Morning

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Harmful poisons go into the body, and you feel sour, sick and the world looks punk. **BA** mere bowel movement doesn't always get at the cause. You need something that works on the liver as well. It takes those good, old Carter's Little Liver Pills to get those two pounds of bile flowing freely and make you feel "up and up". Harmless and gentle, they make the bile flow freely. They do the work of calomel but have no calomel or mercury in them. Ask for Carter's Little Liver Pills by name! Stubbornly refuse anything else. 25c.

Ancient-Modern Costumes Seen At Masquerade

KITSEGUKLA, Nov. 7.—Ancient primeval costumes intermingled with modern day character make-ups for novel and colorful effects at a Halloween masquerade dance held by the young people of Kitsegukla, it being the first time in many years that such an affair had been held in the village. Even ancient wooden masks were used while tom-toms kept time with the more up-to-date musical instruments. Prize-winners for comical costumes were Mrs. E. Turner, first; Miss Clara Johnson, second; Fred Sampare, third.

After judging, refreshments were served and dancing kept up until well into the morning.

KITSEGUKLA

Douglas Wesley has returned home from Prince Rupert after having been a patient in the General Hospital there for over a month. He is gradually getting around again.

Moses Jones and Jeffery Johnson were admitted into the Hazelton Hospital last week for treatment. They will probably be there for about a month.

Most of the school children who were treated for minor operations following the doctor's examination of the school, are home again.

Lyman H. Hinton B. C. L. S., son of Mr. and Mrs. J. A. Hinton of this city, travelled from Vancouver to Port Haney on the Catala at the end of the week.
