Anthony Eden In Washington

Former British Foreign Secretary Said To Have Accomplished Object of American Visit

WASHINGTON, D. C., Dec. 13:-Capt. Anthony Eden, former British Foreign Secretary, arrived in Washington today from New York and will be received by President Franklin D. Roosevelt. Capt. Eden is said to have now achieved the major objective of his visit to the United States—the reason for American coolness with Great Britain following Munich. He is said to have found United States, not unsympathetic with British problems although possibly with the present manner of solving them.

from countries that are 'overcrowded.'

"Shall we welcome British and other desirable settlers? Or shall we reserve the country for the Japanese? Don't worry about giving these settlers Provincial lands. There are millions of acres of good land in central B.C. which under present conditions have no market value. Why not let the settlers have this land, and why not likely to have a stimulating have the British government spend fifty millions if they wish to do so?

"More settlers coming to B.C. will not solve our econ- of this country contributing to the ing tide of public debt. He sugomic problems, neither will it be a hindrance."

Mr. McInnis is a member of the C.C.F. at Prince George highly respected by his political foes as well as by those who voted for him in several elections.

Montreal Bankers Discuss Canada's Business Outlook

Sir Charles Gordon, President, Reports Expansion of Loans for Commercial Purposes - Bank in Very Strong Position - Presents New Vision of Empire Trade and Industry

General Managers Explain How Ever-Increasing Taxes and Other Operating Costs Reduce Banking Profits -Urges the desirability of Making Public Tax Conscious

The important part that the Bank of Montreal plays in relation to Canada's productive activities and attendant financial operations again was emphasized at the 121st annual meeting of the shareholders held in Montreal this week. With assets at the highest level since 1929. and the trend of commercial loans upward, the Bank, as Sir Charles spirit of unselfishness, helpfulness Gordon, G.B.E., the president, pointed out, has fully maintained the generosity, joy and gladness. If we Serious Strike strength of its financial position, which a year ago he described as the all try to bring greater gladness. Serious Strike strongest during the ten years in which he had then held the position to the world we shall be happier of president. Reporting for himself and Jackson Dodds as joint general ourselves. Why not let the Salvamanagers, G. W. Spinney, in referring to the substantial increase in the tion Army help. They are offering number of the bank's commercial borrowers, stated that current loans their services. and discounts in Canada had increased by \$27,800,000 during the year making a total of \$178,700,000, which was \$47,900,000 greater than two SKIDEGATE
