England's "Phantom Slasher"

HALIFAX, Eng., Nov. 29: (CP)—Women of this north of England town have been ordered to remain indoors after a nightfall because of the activities of a "phantom slasher" who strikes unseen along darkened by-ways. The slasher yesterday added an eleventh victim in seven days to his list by slipping up behind Mrs. Constance Wood, knocking her down and hacking through her heavy coat to inflict two gashes in the arm, then escaping. Today a stealthy slasher struck another town, this time at Platt Bridge, Lancashire, where Winifred Walsh had her arms seized by an assailant who is not believed to be the same man who has been active in Halifax because Platt River is fifteen miles away. The women who have been attacked tell stories of terrifying appearances of the slasher.

JAPANESE CLOSING GREAT RIVER OF YANGTSE TO ALL BUT NIPPONESE SHIPPING

CHANGHAI, November 29: (CP)—Japanese armed forces today served notice that the great Yangtse River, China's main trade artery, would remain closed to all but Japanese shipping until China was conquered and reconstructed under Japanese control. A joint army and navy communique indicated that protests of foreign powers, chiefly Great Britain and the United States, against the closing of the river would be unavailing. Japanese around Hong Kong say they are turning their campaign against scattered units farther inland after mopping up guerilla bands near the crown colony.
 The general expectation is that the Japanese Army will soon dig in for the winter without endeavouring to take possession of Changsha which was prematurely destroyed by the fleeing Chinese.

FIVE DIE IN PLANE ON OCEAN

Another Disaster Is Recorded On Pacific Coast Off San Francisco Early This Morning

SAN FRANCISCO, Nov. 29: (CP)—Five persons are believed dead after a big United Air Lines transport plane was forced down on the ocean thirty-five miles north of here about 5:30 this morning when the fuel tanks ran dry. Two have been saved the pilot, Charles Stead of Seattle and a passenger, Isadore R. Edelstein of Los Angeles. The plane left Seattle last night, battled high winds all night, checking over Medford, Oregon, shortly after midnight. Due to weather conditions, it was impossible to make a landing. Eventually, the plane landed safely in a rough sea despite the fact that it was a land machine. The crew and passengers climbed through a hatch to the roof of the cabin but fell off into the sea. Stead and Edelstein, washed ashore, were hauled up a steep cliff by rescue parties. Stead said, after rescue, that, apparently, his co-pilot, the stewardess and three other passengers, two from Seattle and one from Portland, had, apparently, died. Wreckage of the plane was washed up on the rocks.

EXPIRED ON SHIP

Fairbanks Man Succumb To Heart Attack Aboard Princess Norah Yesterday

Arriving here yesterday afternoon from Alaska enroute to Vancouver, C. P. R. steamer Princess Norah reported the death from a heart attack on board ship while she was at Ketchikan yesterday morning of one of the passengers in the person of Bernard Finess, 72-year old restaurant man of Fairbanks, Alaska. Intending to proceed to Mayo Clinic at Rochester, Minnesota, for treatment, Mr. Finess had flown from Fairbanks to Juneau where he boarded the Princess Norah. Even then, he was in an obviously weak condition and officers of the ship were keeping a special watch over him. Yesterday morning after rising and partly dressing himself, he collapsed and, by the time a physician could be called at Ketchikan, he had expired in his chair. The remains were left behind at Ketchikan.

BOLSTERING AIR FORCE

OTTAWA, Nov. 29: (CP)—The Royal Canadian Air Force will have eighty fighting planes by next summer, Hon. Ian Mackenzie, minister of national defence, stated last night. Capt. Mackenzie expressed the opinion that barricades of water and ice would no longer prove completely effective protection for Canada. Planes could now fly across the Atlantic Ocean from Europe, bomb Canada and return without stopping.

Daladier Warns That Fate Of Nation Is At Stake; General Strike Plans Are Going Ahead

MEETING OF EVANGELISM

Initial Gathering at Local Citadel In Connection With Visit Of Commissioner Carpenter

Opening activity in connection with the two-day visit to Prince Rupert of Commissioner George I. Carpenter, head of the Salvation Army for Canada, Alaska, Newfoundland and Bermuda, was an evangelical meeting last night in the local Citadel. The meeting was conducted by Brigadier Walter J. Carruthers of Wrangell, divisional commander for Northern British Columbia and Alaska, and principal speakers were Commissioner and Mrs. Carpenter. Visiting officers from the division also took part and the turn-out practically filled the Citadel. Commissioner Carpenter's address was entirely of an evangelical character. The Army he described not as a church but as an organization the work of which was to seek and redeem souls for Christ. That was the great work that was desired of its officers and workers, both at home and in foreign lands. He described the activities of the Army in various parts of the world in many of which he had labored himself. Four thousand Army officers, he disclosed, were working in native fields "proclaiming the message of Christ and guiding people into the way of holiness."

Mrs. Carpenter, a kindly woman told the story of how she herself, as a girl in her far off native land of Australia, had given herself to Christ and his service. She, too, dealt with the work of saving souls, like Commissioner Carpenter, expressed the pleasure it was to be in Prince Rupert. In the course of the meeting three converts went forward to the mercy seat. Another feature of the meeting was the formal promotion to higher rank of three district native officers—Envoys and Mrs. Prevost and Outpost Sergeant Major George Leighton, all of Metlakatla. Envoy Prevost becomes captain in charge at Metlakatla and Sergeant Major Leighton, an envoy. Adjutant McKinley, a travelling officer of the Army in Alaska, who is here with Commissioner and Mrs. Carpenter, read the scripture and otherwise took a prominent part in the meeting last night. Adjutant Parkinson of Glen Vowell, Field Captain Joseph Offut of Port Simpson, Candidate Walter Tomlinson of Cedarvale and Mrs. Ivan Halsey of Prince Rupert were among those who spoke words of welcome to the Commissioner and his wife. Envoy Prevost and Mrs. Parkinson led in prayer. The musical part of the program included selections by the string band and the army boys' band as well as a trio by Ruth, Grace and Alfred Jones. There was also community singing of many Army songs with Miss Clara Pierce at the piano. Captain Ivan Halsey, local commandant, was active in connection with the directing of the meeting. Commissioner and Mrs. Carpenter and many other officers and workers took part in a street meeting which preceded the gathering in the Citadel.

Norman A. Watt left last night for a brief trip to Terrace.

Moderate Press Appeals For Last Minute Compromise As Both Sides To Dispute Appear Adament to Eleventh Hour

PARIS, November 29: (CP)—Warning that the fate of the regime and the nation may be at stake, Premier Edouard Daladier today marched troops to vital centres and placed all public services under military control in an effort to break Wednesday's scheduled general strike. The moderate press published appeals for a last minute compromise between the cabinet and leaders of the strike which many feared might lead to civil fighting.

NEW YORK, Nov. 29: (CP)—Promoter Mike Jacobs announced today that Jimmy McLarnin, retired Vancouver fighter now living in California and former world's welterweight champion, is high on the list of probable opponents for Henry Armstrong, the present titleholder. In Los Angeles, however, McLarnin said he was never going to fight again.

LAND ACT AMENDED

Government Henceforth Will Not Get One-Quarter of Original Townsites as Was Done Here

VICTORIA, Nov. 29: (CP)—An amendment to the Land Act under which the government relinquishes the right of twenty-five per cent to all revenues from townsite sales passed its second reading yesterday on a straight party division of 28 to 14, members of the government side of the House voting in favor of the bill with all Opposition members opposed.

The amendment removes the 1896 clause providing that speculators wanting to establish townsites must make a quarter of the revenue of the area payable to the government. Premier T. D. Patullo said that this was an unsatisfactory arrangement and, under the amendment, the government would be relieved of the responsibility of providing sewerage, water and streets.

H. G. Perry, M. L. A. for Fort George, recalled that the government had taken over a quarter of the revenue from sales of Prince George and Prince Rupert townsites but its own unsold properties were exempt from taxation. Hon. George Pearson, minister of labor, said the government should be made to give its share of any revenues from such lands to Prince George or Prince Rupert.

High School Hoop Play Is Quite Speedy

The Senior Inter-House High School basketball game on Saturday was fast, McNab opening the score for Alpha with the one field basket it got throughout. From then on the first half was a rough style of basketball with both teams missing easy set-ups. The period ended in a score of 12 to 2 for Gamma.

The second half provided good basketball and clearly showed Gamma's superiority as the more experienced players found little difficulty in going through the unorganized Alpha team. From then on it was a walk over, final score being 35 to 3 for Gamma.

Best for Gamma were Christian Knutson and Storie. Best for Alpha were Long, who shows real promise, and Sherk. Knutson was high scorer with 76 points.

Teams: Gamma—Christian (1) captain, Barber (manager), Smith, McDonold, Lee (2), Brown (2), Morin (2), Storie (12), Knutson (16). Alpha—Sherk (1) captain, Long (manager), Husoy, McNab (2), Bill, Killas.

Junior Game The junior teams also played a fast game which was very even all the way through. The combination of the two teams was speedy and, although Alpha was ahead in the first half by four points, she lost in the second half. The outstanding players were Hogan, MacDonald and Lee for Alpha and Cameron, Hirano and Davis for Gamma.

The total scores were: Alpha 21, Gamma 24. The teams were: Alpha—Hogan (6), MacDonald (3), Lee (11), Eby (2), Heirano (8), Gomez (2), Satterbane, Astori, O Keavs. Scorekeeper—Mr. Leighs. Reporters—Eby and Holkestad.

TWO FILMS ON SCREEN

"Having a Wonderful Time," suspenseful romance of a hard-working stenographer and an ambitious but penniless law student at a vacation camp, and "Tip Off Girls," a drama of highway hi-jacking racket, are shown on the screen of the Capitol Theatre here as a double bill at the first of this week. Ginger Rogers and Douglas Fairbanks Jr. are the stars of "Having a Wonderful Time." They encounter the situation of many young people in the situation of wanting to marry but not having enough money to do so. They endeavour to solve the problem in a

manner which makes for a strong dramatic element along with sparkling comedy. The background is a mountain resort where working people, pleasure-seeking youngsters young and old married couples, elderly gossips and young college men are gathered in a variegated group.

A sinister connection between girls who want thrills and men who want love is the subject of "Tip Off Girls." Lloyd Nolan, as a government operative, enters the confidence of the racket chief and, after learning his secrets, prepares to deliver him over to justice. Then romance, in the person of the boss' beautiful daughter, Mary Carlisle, complicates the situation until a startling climax brings about an unusual conclusion.

Ever Wonder Why You're Constipated?

Do you ever have days when you just have to drag yourself along, when you feel tired, sunk—because of that constipation? Then why not find out the real cause of your trouble?

What have you had to eat lately? Just things like meat, bread and potatoes? If that's it, you may not have to look any farther. It's likely your trouble is you don't get enough "bulk." And "bulk" doesn't mean a lot of food. It means a kind of food that isn't consumed in the body, but leaves a soft "bulky" mass in the intestines and aids elimination.

If "bulk" is what you lack, your ticket is a dish of crisp crunchy Kellogg's All-Bran for breakfast every day. It contains the "bulk" you need plus Nature's intestinal tonic, vitamin B1.

Eat it every day, drink plenty of water, and join the "regulars" Made by Kellogg in London, Ont.

Arthur F. Smith, well known pioneer Alice Arm mining man, and his son, Tom Smith, were here aboard the Catala this morning going through to Vancouver.

ENTERTAINMENT MUCH ENJOYED

Women's Missionary Society Responsible for Affair At Presbyterian Church Last Night

Under the auspices of the Women's Missionary Society of First Presbyterian Church a very acceptable entertainment was presented in the social parlors of the church last night before a good-sized and appreciative audience. Rev. H. G. Funston, the pastor, was in the chair.

A one-act play entitled "The Curious Mrs. Napier" was very diverting. The cast consisted of Mrs. Ken Thomasson, the Misses Flora and Helen Leslie, Margaret McMeekin, Gwendyth Walker, Engina Christiansen, Betty Wood, Edith Ritchie, Alice Halberg, Mrs. James Clark, Mrs. J. A. Teng and Mrs. R. Strachan.

The music program included piano solos by Miss Irene Foote; vocal solos by Mrs. Garfield McKinley, accompanied by Miss Kay Watson, and vocal solos by John E. Davey, accompanied by Mrs. E. J. Smith. An interesting series of lantern slides depicted work of the Women's Missionary Society in Canada, accompanying remarks being made by Rev. H. G. Funston.

At Seal Cove . . .

The work of demolition of houses at the end of Ninth Avenue East and in the Japanese section of the Cove seems to indicate further the possibilities of some bigger undertaking in this locality. If the extensive survey given this area during last summer and the definite plans made to go ahead with the complete razing of the old lumber mill has any significance in the matter of a contemplated National Defence Air Base here, there will be many who will rejoice in a measure of optimism not felt hereabouts for years.

On Friday evening last the senior groups of young people in Seal Cove organized definitely for the season's program. R. C. H. Durnford was elected as Acting President. Bob Boddie is Vice-President and Miss Tarjar Rysstad, Secretary Treasurer. There are vacancies for membership in this organization although they are limited in number.

The membership of the Anglican Young Peoples' Junior Association has grown to over thirty in number. For the purpose of the better arrangement of programs the association has divided into three groups. Each of these are headed by leaders who will form an addition to the executive of the society. Next Thursday Rev. Canon W. F. Rushbrook will address these young people on "The Education of An Indian Child in Early Times."

Saturday last saw great activity

among the Boy Scouts of the Legion Troop at Seal Cove. One promising lad for the First Prince Rupert Troop passed his first class tests for semaphore in fine style. Several boys of the local Legion Troop passed in their second class tests in the same work. They did not find it so easy, however, to light their fires with no paper and only two matches in a wind with damp wood. This is yet another Scout test in resourcefulness.

Hill 60 Chapter, Imperial Order, Daughters of the Empire, has sponsored the Girl Guides of this district under the leadership of Mrs. Jock Allen. This will mean that those who have waited and worked for the past six months will be rewarded now by the official recognition of their officers at general headquarters in Vancouver.

Dave Scott has left for Vancouver on his annual trip south for a holiday.

Mrs. George Kelsey is in charge of affairs at the home of her son and daughter-in-law, Mr. and Mrs. Reg. Kelsey, during their holiday at Vancouver.

Mr. and Mrs. O. Sorenson and family will shortly be leaving for Taylor Street on the other side of the city. They will be missed greatly by very many in this district and several organizations here will lose by their departure.

Two very important parties were held hereabouts last Saturday—the one for Miss Betty Scott and the other for Miss Kay Toombs. At each of these parties sixteen young people turned up. Congratulations are in order not only to the young ladies mentioned but to their mothers who for that day, at least,

knew something of the experience of the old lady who lived in a shoe.

Mrs. W. O. Vigar, with others, has completed a splendid piece of work in the re-decoration of Chancel at St. Peter's Church. The material employed in the new furnishings came from the Old Country for this particular work.

The Junior Badminton Club, which meets on Monday nights in the Parish Hall at Seal Cove, is undergoing some excellent training in the science of the game. This club is fortunate in having an expert trainer at its head.
