ert-Everybody Had Good Time

Christmas passed off happily in Prince Rupert with general manifestations of good cheer. From the weather standpoint, it was one of the finest Christmas Days on record. It was an entirely Green Christmas with a light frost, which io Form has become more marked since yesterday, giving the atmosphere a seasonal snap. While it is still Republican Club cool and clear in Prince Ruper Vancouver reports snow.

There was much private entertainment, culminating in general turkey dinners. The celebrations continued yesterday with more so cial activity yesterday afternoon and last night. The holiday exand banks remained

AFTER CHRISTMAS

Christmas is over and we all still have that holiday scotland, to Southwest Africa set feeling when it is difficult to get back to work. While the holiday has come to be a jollification with too much eating and drinking and very little sprituality, yet the event tween England and Australia were loses none of its significance in that it indicates that we worship high ideals even if in showing it we blunder griev-

One value of the Christmas holiday is that it breaks the monotony of our modern lives. It tends to take our thoughts away from ourselves and, when the big event is over, we have to get down to work to pay for the celebration. All these things are beneficial.

One of the after-Christmas thoughts is that during the Christmas season many people are less artificial than at other times. Last week dignified and highly respected Mario Pizzi climbed to 56,017 feet citizens were seen wandering around the streets with in October, eclipsing the mark of arms piled with parcels, careless as to their appearance 53,937 feet set in 1937 by Squadronand with one only thought, that of giving pleasure to Leader M. J. Adam. others. Yesterday and Sunday there was little formality in most homes. Unnatural reserves were cast aside and round trip England-New Zealandhearty greetings were followed by close fellowship. It is England record in March of 10 days, indeed a good thing that Christmas comes at least once a 21 hours, 22 minutes. year when we can be ourselves.
