TELLS OF ENGLISH SCHOOLS

Miss Normanton, Exchange Teacher, Gives Interesting Address At Parent-Teacher Gathering

The regular monthly meeting of the Prince Rupert Parent-Teachers' Association was held last evening in the Booth Memorial School with Mrs. R. M. Winslow presiding.

Letters were read from City Commissioner W. J. Alder and the principals of the schools expressing appreciation of the work being done by the association in the interests of the schools of the city.

Tentative arrangements were made for the annual tea which this year will be held in conjunction with the display of the home economics and manual arts departments.

Miss Normanton, principal of Brighouse School, Yorkshire, and at present exchange teacher in Prince Rupert, in the course of an address, gave very interesting information regarding the present system of public education in England.

Beginning school at the age of five, the child enters the infant school, a school peculiar to the English system. The classroom, provided with light tables and chairs instead of fixed desks, is arranged to allow the maximum of the activities.

Character training, the development of wholesome personal habits and harmonious physical development are emphasized with the object of securing the social development of the child. A recent development in English public education has been the establishment of Junior and Senior Schools, the former for pupils from eight to eleven and the latter from eleven to fourteen.

At the end of the Junior School period pupils have the opportunity through scholarships of proceeding to the secondary or High Schools.

In factory districts and congested areas nursery schools are established where children are admitted at two years of age and remain until five. Attendance at the nursery school is, of course, voluntary. By means of play, free and directed activities, medical attention, wholesome and well-balanced meals, and rest periods, these schools supply the best possible environment and seek to create the best conditions to develop the body, mind, and character of children from underprivileged families.

PREECE IS RE-ELECTED

Canadian Legion Elects Officers—Address By Robert Macnicol

The half-yearly general meeting of the Prince Rupert branch of the Canadian Legion, British Empire Service League, attracted a large attendance of members last evening. President Jack Preece was in the chair and the Provincial Secretary, Robert Macnicol, was also present, giving a short but very interesting address.

The branch decided to make a contribution to the King Edward High School basketball teams to help them visit Smithers during the Easter vacation.

It was also agreed to provide a Union Jack for the Prince Rupert Boy Scouts' Association of the city. The matter of assisting in the purchase of Prince Rupert Hospital Association bonds was turned over to the incoming executive which will bring a recommendation in to the next meeting.

Application for honorary club membership from Casey Vink was approved.

Half-yearly reports indicated that the branch has had another successful term, much assistance having been given needy comrades and their families and a large measure of support having been given to civic undertakings.

In his brief address Mr. Robert Macnicol congratulated the branch on its fine record of community service. In purely Legion activities it enjoyed an outstanding position in provincial circles. With a continuance of unselfish service, the branch would maintain its high prestige. From the provincial command he brought sincere congratulations and best wishes. He had enjoyed his visit immensely and thanked the members for their courtesies.

The election of officers for the ensuing six months resulted in some changes in the executive, some of the former members preferring to step down so that new blood might be introduced. The new officers are:

Election of Officers

Honorary President—Col. C. W. Peck, V.C., D.S.O.

Honorary Vice-Presidents—Lt. Col. S. P. McMordie, D.S.O., Major John McGregor V.C., D.S.O., Lt. Col. S. D. Johnson, M.C., V.D.

President, Jack Preece (re-elected).

First Vice-president, W. J. Rance (re-elected).

Second Vice-president, H. A. Breen (re-elected).

Executive—G. J. Dawes, J. M. Walker, C. L. Barker, M. J. Dougherty, H. T. Lock, H. Smith, D. C. Schubert and A. K. Nelson.

Trustees—J. S. Wilson, G. Cripps, S. A. Bird.

Auditor, J. M. Campbell.

Appreciation of the continued valued service given by the Women's Auxiliary was formally expressed in a motion carried enthusiastically.

Future Activities

Mr. Macnicol referred briefly to some future objectives that the Legion might have to face. The question of immigration required careful consideration. It was vital that the principle of democracy, for which veterans had fought in the last war, should be maintained. Indiscriminate immigration might do much to undermine that principle. The right type of immigrant should be encouraged to come to the Dominion. Another danger that might be more real than many might suppose was the rise of Fascism. The Legion was opposed to any and all of the "isms" that would tend to weaken the foundations of liberty of the individual and freedom of speech and the press.

A hearty vote of thanks showed

STICKING TO FACTS

New Zealand Premier Says His Government is Not Altogether In Agreement With British Defense Policy

WELLINGTON, New Zealand, April 14: (CP)—Prime Minister Savage of New Zealand yesterday declared that a statement made by Malcolm MacDonald, Secretary for the Dominions, in the British House of Commons that no communication had been received from New Zealand expressing disagreement with general British foreign policy "does not altogether state the facts."

Premier Savage said that New Zealand disagreed with certain phases of British foreign policy but never allowed differences of opinion to divide the Empire.

TO OPERATE PLAYGROUND

Prince Rupert Gyro Club Will Again Be Active in Work For Children This Summer

The Prince Rupert Gyro Club, at its regular monthly business luncheon yesterday, decided to again sponsor the operation of personally supervised playground activities on the various club playgrounds during the summer school vacation. The director of the physical education and recreation centre will be, as usual, in charge. With Harry Gordon-Cooper, the present director, leaving the city at the end of the month, it is not yet known who his successor will be.

The club decided to hold a spring dance, probably in May. Arrangements for this event were left in the hands of the entertainment committee of which W. M. Watts is chairman and to membership of which J. W. Kilpatrick, Dr. Hugh M. Morrison, M. C. Brook and J. E. Morris have been added.

It was reported that the sum of \$25 had been cleared as a result of the recent concert staged by the Capitollans orchestra and concert party.

At a date to be arranged in the near future, the club decided to hold a dinner dance at which wives and lady friends of the members as well as other guests will be present. There will be no Gyro luncheon next week but, instead, the Gyros will join with the Rotary Club at an evening meeting on Thursday when a debate between the two organizations will be a feature of the proceedings.

Robert Macnicol, provincial secretary of the Canadian Legion, was the speaker today at the regular weekly luncheon of the Prince Rupert Rotary Club, his address having to do with ex-service men's problems. President W. R. McAfee was in the chair and there was a good attendance of members with a number of guests.

Amelia Earheart's Mother Is Hurt In Auto Smash

BAKERSFIELD, Cal., April 14:—Mrs. Earhart, mother of Amelia Earhart Putman, famous American aviatrix, who was lost last year on a trans-Pacific flight, suffered a broken leg and other injuries in a freak automobile accident near here yesterday. A woman companion was killed.

Mr. and Mrs. Thomas Anderson will sail on the Prince Rupert tonight for Vancouver. Mr. Anderson is manager of the Tucks Inlet reduction plant which is now closed down for a time. Mrs. Anderson arrived in the city on Tuesday night's train from Toronto where he has been paying a visit.

EDITORIAL

FEDERAL GOVERNMENT

A correspondent from Terrace wants to know what is our authority for using the expression "federal politics" or "federal government." He thinks we should say "Dominion government" or "Dominion politics."

Our reply is that our authority is the British North America Act which mentions the federation of the provinces and also "Wharton's Law Lexicon" which mentions the "Federal government." We also fancy we remember a heading in one or more Canadian histories which mention the "Act of Confederation." At any rate the term is in general use and its use is a pleasant change from continually repeating the word "Dominion." Under those circumstances we shall continue to use the word and ask our correspondent to dig a little deeper and find out that he is wrong. There are other authorities if he will seek in the proper places.

BOWLING BY TELEGRAPH

Interesting Innovation Between Here and Ketchikan Takes Place Tomorrow Evening

Tomorrow night an interesting sports innovation will take place in the form of a telegraphic bowling match between Ketchikan and Prince Rupert, the results in the two towns to be transmitted by wire. Ketchikan having been unable to come here for a return series following a recent visit of local trundlers to the Alaska city arrangements have been made for the telegraphic exchange.

The first Prince Rupert team will consist of Stan Morin, Bill Schriberg, Eddie Smith, Jack Paul and Nels Gunderson while the second team will be made up of Scoop Bury, Hayworth Todd, Jimmy Cleome, Andy Donald and Norman Kinslor.

There will be five matches between teams, total pins to count in deciding the issue.

On the same scores singles and doubles honors will be decided with the doubles paired up as follows: Morin and Smith, Schriberg and Gunderson, Paul and Kinslor, Bury and Donald, Cleome and Todd.

SMITHERS DEBATING

Junior Elks Win—Woodmere Club Give Close Competition

"The League of Nations has Served its Usefulness—A New Guarantee For Peace Must Be Devised"—Vernon Crockett, Principal, Smithers High School.

"German Leadership Has Fallen Into the Hands of the Wrong Men"—Col. R. L. Gale.

"The Smithers Junior Elks Are The Liveliest Organization of Its Kind in Canada"—J. G. Stephens, founder of Smithers Junior Elks.

"The Junior Elks is an Organization of which I am Proud and I Think of Which the Community as a Whole May Well Be Proud"—Mr. W. Collison, Exalted Ruler, Smithers Elks.

SMITHERS, April 14:—On Saturday evening the Smithers Masonic lodge room was filled to capacity by all those interested in current events, the attraction being a debate between Junior Elks and Woodmere Debating Club which was won by Junior Elks.

Tom Jones, acting as chairman, opened the program with "O Canada," Miss Y. Arthurs presiding at the piano. Vernon Crockett, principal, Smithers High School, gave a very interesting summary of the League of Nations. He went on to explain how the system of alliances, the balance of power or

Weather Forecast

General Synopsis—A depression is centred near the Queen Charlotte Islands and some heavy rains have occurred on the northern coast but it has been fair and warm in the most parts of the interior.

Prince Rupert and Queen Charlotte Islands—Fresh shifting winds showery, clearing partially at night.

West Coast of Vancouver Island—Fresh south to southwest winds. A little light rain but partly fair.

The concert of Europe acted as a guarantee of peace during the nineteenth century, the greatest period of progress in world history. Although the League of Nations had served its usefulness, he believed something else must take its place. Perhaps the balance of power, now in operation, would act as a preserver of peace during the twentieth century.

This was followed by the debate: "Resolved that the Absorption of Austria into the German Empire is in the Best Interests of World Peace." The Woodmere debating Club, in the affirmative offered as its representative E. Faur, H. Mercer and F. Phillips. Representing the Junior Elks were G. Williams, T. Cook and J. Furness. Many angles were thoroughly developed by both sides. Although economic arrangements between Austria and Germany might have been to the benefit of both countries, Hitler's method of seizing Austria was severely criticized.

The judges, V. Crockett, A. Jones and Col. Gale, gave a very close decision, two deciding in favor of the negative and one in favor of the affirmative. Col. Gale, announcing the decision, suggested that, although the German people were as a whole a fine lot, they had fallen into the hands of the wrong kind of leadership.

During the intermission, Miss Betty Jones rendered a piano solo which was greatly enjoyed as the applause would indicate.

H. G. Stephens, founder of the Smithers Junior Elks, gave an outline of its progress and purposes.

William Collison, Exalted Ruler of the Elks, explained how the Junior Elks had been formed and that it was only through the efforts of men like Mr. Stephens such organizations were possible. The program closed with the singing of "God Save The King."

The guests retired to the Junior Elks' lodge room and partook of refreshments. Miss Mildred Rife serviteur, had the refreshments laid out in a most tempting manner. Following the refreshments several short speeches were made. Outstanding was Mr. Faur's suggestion that the Junior Elks take the initiative in starting inter-community debating clubs.

President Tom Jones was in the chair.

Shower For Miss Marie McFadden

Mrs. Sam Haudenschild Hostess At Delightful Affair for Popular Bride-Elect

In honor of Miss Marie McFadden, a popular bride-elect, Mrs. Sam Haudenschild was hostess last night at a linen shower at her home on Eleventh Avenue East. Thirty-one persons were present at the delightful affair. The rooms were attractively decorated with daffodils and pussy willows.

The early part of the evening was spent in playing of court whist at which the prize-winners were Mrs. William McCallum and Mrs. W. H. Derry.

Following cards, Miss McFadden was seated under an arch decorated with a wedding bell and streamers and the hostess wheeled before her a gaily decorated miniature boat which was filled with numerous pretty and useful gifts.

Delicious refreshments were served.

In addition to the hostess and the guest of honor, those present were Mrs. Fred Wesch sr., Mrs. Fred Wesch jr., Mrs. Bertha Scherk, Mrs. Fred Cameron sr., Mrs. Fred Cameron jr., Mrs. Thomas Ballinger, Mrs. Harold Raybone, Mrs. Berg, Mrs. Henry Doiron, Mrs. George Grosvenor, Mrs. J. Salvation Army Sale Is Success

Goodly Number Called at Affair Yesterday Despite Inclement Weather

In spite of inclement weather, the sale of home cooking, fancy work and novelties held by the ladies of the Salvation Army yesterday afternoon in the Heigerson Block on Sixth Street was a successful affair, drawing a good measure of patronage. Mrs. Ivan Halby was in charge and those assisting were Mrs. R. Nesbitt, Mrs. L. Wide, Mrs. J. Johanson, Miss Dolly Smith and Miss Clara Pierce.

Mrs. J. E. Mathieson, whose husband was recently transferred from New Denver to this city in the Forest Branch service, arrived from the south on the Princess Norah this morning to take up residence. She was accompanied by her daughter, Irma.

Kenneth F. Fraser, purchasing agent for the B. C. Packers, was a visitor in the city yesterday in the course of a business trip along the coast aboard the company's boat Algie.

WHIFFLETS From the Waterfront

A Royal Canadian Air Force twin-motored flying boat, in command of Flight Lieutenant Pretty, which was forced back here last Saturday on account of mechanical trouble after having taken off on its return to Vancouver after a service flight north, is still held here, awaiting arrival of parts from the south. As soon as the parts arrive, the ship with its crew of five will leave on its return to Vancouver.

Another plane held down here is a flying boat of the Columbia Development Co. which arrived at noon Tuesday from Vancouver with E. G. Tyrer and J. H. Eastman on board. Continued poor flying conditions with almost entire lack of visibility owing to low clouds has prevented the plane from leaving in continuation of its flight to Atlin. This plane is on its way back to Atlin after having been undergoing overhaul at Vancouver during the past winter. It is an Eastman flying boat named after the pilot, J. H. Eastman, and is one of a group of five which was here some years ago bound from Detroit to Atlin.

Seattle had its heaviest landings of halibut for a single day so far this season yesterday when nine boats sold 195,000 pounds as follows: Chelsea, 40,000 pounds, Washington, 8 1/4c and 7 1/4c; Eclipse, 40,000, San Juan, 8 1/2c and 7c; Omaney, 40,000, Sebastian, 8 1/2c and 7 1/4c; Superior, 26,000, Booth, 9 1/4c and 7 1/4c; Alitak, 11,000, Whiz, 9 1/4c and 7c.

fisherman, who has been missing since last October from Victory Cove, Warke Canal, and who is feared may have perished in the wrecking of his boat.

The halibut boat Wireless, which landed a catch at Seattle this week turned over to the International Fisheries Commission a halibut which had been caught off Cape Scott, north end of Vancouver Island, three miles from where it had been tagged May 29, 1935. It had increased three-eighths pounds in weight which is a rather larger gain than usual for halibut.

The Seattle halibut boat Bolinda is now in her way to Seattle under tow after having suffered a broken tailshaft while fishing off Cape Omaney. The vessel was picked up and taken to Ketchikan whence she proceeded to Seattle.

The freighter Bervin, Capt. Whitworth, under charter to Frank Waterhouse & Co. of Canada Ltd., arrived Wednesday afternoon with a cargo of lumber, cement and coal for Albert and McCaffery. This is the vessel's first visit to port in two years.

The provincial cruiser P.L.M. 8 left yesterday afternoon for Port Simpson enroute to Hudson Bay Passage, Dundas Island, to check up on the finding of wreckage of a trolling boat believed to have been that of J. M. Jackson, elderly crab

With a capacity list of passengers including many northerners going in for the season, C.P.R. steamer Princess Norah, Capt. William Palmer, arrived in port at 8:30 this morning and sailed at 10 a.m. for Skagway and other northern points whence she is due back here next Monday afternoon southbound. There were 150 in all aboard the Princess Norah. Seven disembarked here while fifteen went aboard at this port for the north. This is the last voyage of the season for the Princess Norah on the Alaska run. The Princess Louise will go on the run with the next sailing.

J. R. Stevens left on last night's train for a business trip to Terrace and other interior points.
