CABARET ENJOYED

Fine Affair Staged by Cambrai Chapter Last Night in Moose

The annual cabaret dance last night in Moose Hall of Cambrai Chapter, Imperial Order, Daughters of the Empire, proved to be one of the season's most enjoyable and successful social affairs. There were about eighty couples in attendance! and from 10 p.m. until 2:30 a.m. a very happy time was spent by all in dining and dancing. Around the hall were prettily decorated tables at which jolly groups were gathered. Colored balloons were used effectively in the general decorative scheme and around the orchestra platform were black and white streamers.

Laurel and Hardy appear as mouse-trap salesmen about to rid the cheese-making country of its rodent population. At an alpine inn they come upon a noted Viennese composer who is at work on an operetta. His wife, an actress, has cause the critics give more atten-'tion to her singing than to his mus-
