Promises New Strong Government For France By Tomorrow Following Blum's Resignation

PARIS, April 9: (CP)-Edouard Daladier, minister of defense and as such chief of French defense forces since the first Popular Front government took office in June 1936, today promised the Radical Socialist group in the Chamber of Deputies that he would have a strong government formed by tomorrow. Daladier, himself a Radical Socialist, intends to have all parties represented in the ministry which will be known as a national union government.

Daladier was called upon yesterday to form a government following the resignation of Premier Leon Blum.

RACE OF GODS

When Earl de la Warr was visiting Australia for the County 1. anniversary celebrations he was so impressed with the marvellous physique of the young men and women of the ford 3 surf life-saving teams who took part that he used strong words in expressing his appreciation. He is reported to have said: "I cannot help thinking that if all would follow the example of the Prime Minister in regard to the size of their families, Australia would soon be populated! by a race of gods and goddesses." Premier J. A. Lyons, it of south 1. may be explained, has eleven children.

Another visitor to that country from England is quoted as follows: "A European traveller cannot help receiving the impression that here is being evolved a race so much improved on the British that the parent stock has almost lost its identity."

BRITISH OPINION

Evidently British opinion is still opposed to the Chamberlain foreign policy as shown by the result of the recent! All Scotsmen are said to be humby-election in the West Fulham division of London. The crists. Jake says it must be a gift. people there are evidently strong for Anthony Eden and the policy of firmness in dealing with the European dictators.

MISSING PERSONS

So many persons are missing in Austria since the of people who have nothing else to German annexation that it has become necessary to set up think about is how in the world do the dependent of state to be a second of the in the hens learn the size of the egg a separate department of state to have charge of their cups so that they always fit? property. They have found it better to leave the country than to remain under the conditions which they find there. One of these people who is at present a political refugee is a banker who owns considerable Prince Rupert property. He is in Switzerland just now. Presumably he will have removed some of his money beyond the clutches! of Der Feuhrer.

LOOKING FOR A PRESIDENT

The United States will spend the next two years in seeking a president. It has been announced that Franklin D. will not again be a candidate and, even if he were, there has, Mrs. Brown." is considerable doubt whether or not he could be elected. The opposing party also seems to be without a leader so Mary, what have you been doing?" there should be plenty of political discussions. The offyear elections this fall will tend to indicate how the wind tion be dangerous, doctor? is blowing and almost immediately after that the campaign for the presidential contest will commence in a about that. You can't buy a dangerquiet way, working gradually up to the climax in the ous operation for \$50. autumn of 1940.

Entire Population Enjoys Outing On Village Grounds on First Day of April

KITKATLA, April 9:-Weather being bright, warm and springlast Friday, an enjoyable picnic was held on the Kitkatla village playground under the auspices of the Kitkatla Excelsior Club with almost the entire population of the village in attendance to enjoy the season's first outing. Members of the social committee of the club 211,700 pounds at Prince Rupert. Of this 112,200 pounds made general arrangements for was brought in by ten of the regular vessels of the fleet after the refreshments.

After the picnic had got under way nicely, the village fire bell indicate very much as far as the sounded and caused enough excitement to make a good April Fool joke for somebody.

At the opening, there were speeches by Mrs. Matthew Hill the club, and by John Nelson and 8.4c and 6c to 14.1c and 8c. Boats for the packing season. Joseph Innes.

The main event of the day was during the first week of the season a football game between the mar- were as follows: ried and single men during which Henry Collison made a speech. Mr game by John Nelson.

PICTURE IN

"Baroness and Butler," With William Powell and Annabella, Here This Week-End

A delightfully gay comedy romance, "The Baroness and the Butler," is the week-end feature picture on the screen of the Capitol Theatre here. The cast is headed by the debonair William Powell, as a perfect butler, and the lovely European sensation Annabella, as a perfect lady.

The story is an odd one of the butler and his employer, a count. who are both elected to Parliament as members of opposing parties. Annabella is the count's daughter and the salty Helen Westley has the part of the countess. Many hilarious situations arise as the two political opponents go to Parliament together, to say nothing of the situation between the young

Dance Success

Two Hundred and Twenty-Five Persons at Enjoyable Affair

Some two hundred and twentyfive persons enjoyed the first hoedown of the year at the Moose Hall last night.

Swing music was provided by Saunders' Serenaders and, during! intermission, songs of the range were rendered by R. H. (Slim) Sewell and William (Bill) Brucker.

The dance was in the hands of a committee consisting of Bill Gray, Sam Currie jr., T. Smith, M. Vineberg and S. Stiles. Miss Nellie Gurvich was at the door and Walter Smith handled the duties of master of ceremonies in his own genial
