REICHSTAG HEARS HITLER DEMAND COLONIES FROM BRITAIN

Proclaiming with voice and gesture that he alone was the ruler of the Reich, and that Nazi-Germany will demand more loudly each year that Britain return her war-lost colonies, Chancellor Adolf Hitler delivers his militant speech to the Reichstag assembled in the Kroll Opera House, Berlin. The radiophoto at top shows Der Fuehrer making his aggressive demands which he significantly pointed out were backed by a modernized army. The maps below indicate the territory which the Reich lost, in Europe and in Africa, as the price of defeat in the world war. Return of the African territories was the sole quarrel Germany still has with Great Britain, Hitler declared.

Immigration Board In Local Sessions

Will Leave On This Evening's Train For Prince George After Two Day Stand

The immigration board of review consisting of Dr. H. L. Keenleyside of Ottawa and F. W. Taylor and Inspector G. W. Fish R. C. M. P., Vancouver, appointed to obtain information in regard to illegal entry of aliens into this country, in session yesterday at the Court House and is sitting again today that service clubs were so called prior to leaving by this evening's train for Prince George where the next session will be held. The hearings are of an informal nature and are conducted strictly in private. Nor are any statements issued to the press.

Line of Twaddle

In defence of the clubs, Dr. Hankinson referred to the line of twaddle peddled by the first speaker and then proceeded to show the benefits derived from service club membership where members were free from religious or radical strife. Not only were the members banded together to increase international goodwill but they helped their own community. Membership in the clubs broadened the outlook and developed the spirit of toleration. Also it tended to develop leaders in a community. He quoted Kipling to show the value of teamwork.

WONDERS OF POST OFFICE

At the laying of the corner stone of the new post office building Wednesday Bishop Rix drew attention to the wonderful service given in this country by the post office department. A letter can be mailed at Prince Rupert and carried to Prince Edward Island, considerably more than three thousand miles away, all for three cents. Letters may also be sent to the Arctic Ocean and to the most remote country points without any increased charge except when they go by airplane when there is a slight additional charge. With the scattered population of Canada it is a wonder that the post office department finds it possible to pay its way while giving this service.

THE TWO BISHOPS

In the proceedings at the corner stone laying only two religious denominations were represented. That was not because any preference is given to Catholics or Anglicans but because the two bishops are old timers of Prince Rupert. They have given much of their lives in the service of the north, constantly using their influence for social and religious betterment and for all that they have considered would be best for the people of the country. Each has worked in his own way and each has been a splendid influence. Largely as a result of their influence we have had no religious strife but in its place there has been the most pleasing intermingling of the peoples of one church with those of another. When the future historian writes of the building up of the west the names of Bishop Rix and Bishop Bunoz will stand very high among the builders of good citizenship and inspirers of high ideals and practical Christianity. No one will inquire what were the details of the doctrines they preached but all will see the results obtained and the kind of real men they were.

Usually we wait until it is too late before presenting the white hyacinths. We are glad that the sight of these two men together at the ceremony made us remember what splendid citizens they are and how fortunate we are that we have such men as religious leaders in the country.

A LITTLE CASTIGATION

Yesterday two boys were trying to break down a fence on Third Avenue. Several prominent citizens passed while they were doing it but they did not notice what was going on or preferred to ignore it. All that was needed was a word to the boys to request them to stop injuring city property. We cannot have police around all the time. If these lads had been destroying property owned by the prominent citizens they would have been up in arms at once. Yet this city property is partly theirs and it is the duty of every citizen to see that this is protected.

SPORT CHAT

An alien atmosphere, strange to Glasgow's sporting fraternity since 1929, hangs over specious Hampden Park on the eve for entry of Kilmarnock and East Fife into Scotland's soccer spotlight—the cup final to be played tomorrow. Giant-killers of the current competition, these "outsiders" are ready to show sceptical Clydeside fans form that burst open the competition in preliminary rounds with resounding victories over top teams of the soccer world. They will perform before a sell-out crowd.

Nine years ago Kilmarnock won the trophy and since then the final has taken a local-interest angle with Rangers or Celtic, the "Old Firm" of Scottish football, capturing the trophy. The Light Blues won honors in 1930, 1932, 1934-16, the Celts in 1931, 1933 and last year. In the wake of the finalists' invasion will come thousands of supporters flaunting colors of their favorites. Nearly all modes of transportation will be used by Scotsmen pouring into the city from all parts of the country to see the windup of a great form-smashing series.

This game will mark the second time since formation of the second division in 1922 that a team representing the junior league has reached final-round status, honors in both instances falling to East Fife. The Methill district squad met Celtic in 1927 and lost 3-1. Kilmarnock has won the trophy twice, in 1920 and 1929. The upset-around tradition in this sudden-death tournament was maintained in all but the second round this year. Dundee United, second-league aspirant, started the series with a bang-up 3-1 victory over Hearts, well-supported contenders for the cup.

Kilmarnock went to Celtic's lair in the third stanza and topped the Glasgow club and winner of the trophy last year by a 2-1 score. Rangers were then unanimously called to clinch their sixth victory in eight years. But critics didn't figure on Kilmarnock who again upset pre-game "dope" with a 4-3 semi-final victory over the Light Blues. St. Bernard's, second-circle entrant, tossed Motherwell for a 3-1 loss in the third round and East Fife duplicated its 1927 feat of ousting Aberdeen, cup runner-up last year, at the second attempt.

While observers acclaim Kilmarnock as the wonder team of the competition, they are not backward in praising the club's manager, Jimmy McGrory. The great centurion, top scorer of all time who left Celtic to pilot the Killies on Christmas Day, has moulded the team into a smooth-working aggregation. When he took over Kilmarnock was floundering near the bottom of the league. He has steered the Killies out of the relegation zone and into the cup final—all in four months. If his team wins the cup it will be a crowning tribute to one of the game's greatest players, idolized by Glasgow crowds for more than a decade.

On the short end of the betting odds, East Fife has eyes on the double—the cup and promotion to the major league. Chances in either are not particularly promising but the team has crossed critics before during the season.

MARRIAGE LAST EVE

Miss Marie McFadden Becomes Bride of William Grosvenor—Happy Reception Follows

A well known and popular local young couple was united in marriage last night at the deanery. Very Rev. James B. Gibson, dean of St. Andrew's Anglican Cathedral, officiating, when Miss Marie Ellen McFadden, eldest daughter of Mr. and Mrs. F. L. McFadden, of Delta, Alberta, became the bride of William John Grosvenor, only son of Mr. and Mrs. George Grosvenor of this city. The ceremony was performed quietly in the presence of immediate relatives and the attendants.

The bride wore a smart grey tailored suit with navy blue accessories and a black fox fur. She had a corsage bouquet of mauve and white orchids and carried a white prayer book. The bridesmaid was Miss Dorothy Ballinger who wore a brown tailored suit with accessories to match and a corsage bouquet of pink roses. The bride was given in marriage by her aunt, Mrs. F. W. Wesch. Henry Smith was groomsmen.

Following the ceremony a reception was held at the home of the groom's parents, 416 Green Street, where the invited guests gathered to tender their felicitations to the happy couple. The guests were received by Mrs. George J. Dawes, aunt of the groom, and Mrs. Sam Haudenschild.

The rooms were decorated with pink and white streamers and the couple stood under a silver horse-shoe to receive congratulations and best wishes. The bride's table was centred with a beautiful three-tier wedding cake. There were green tapers in silver holders on a handsome cloth.

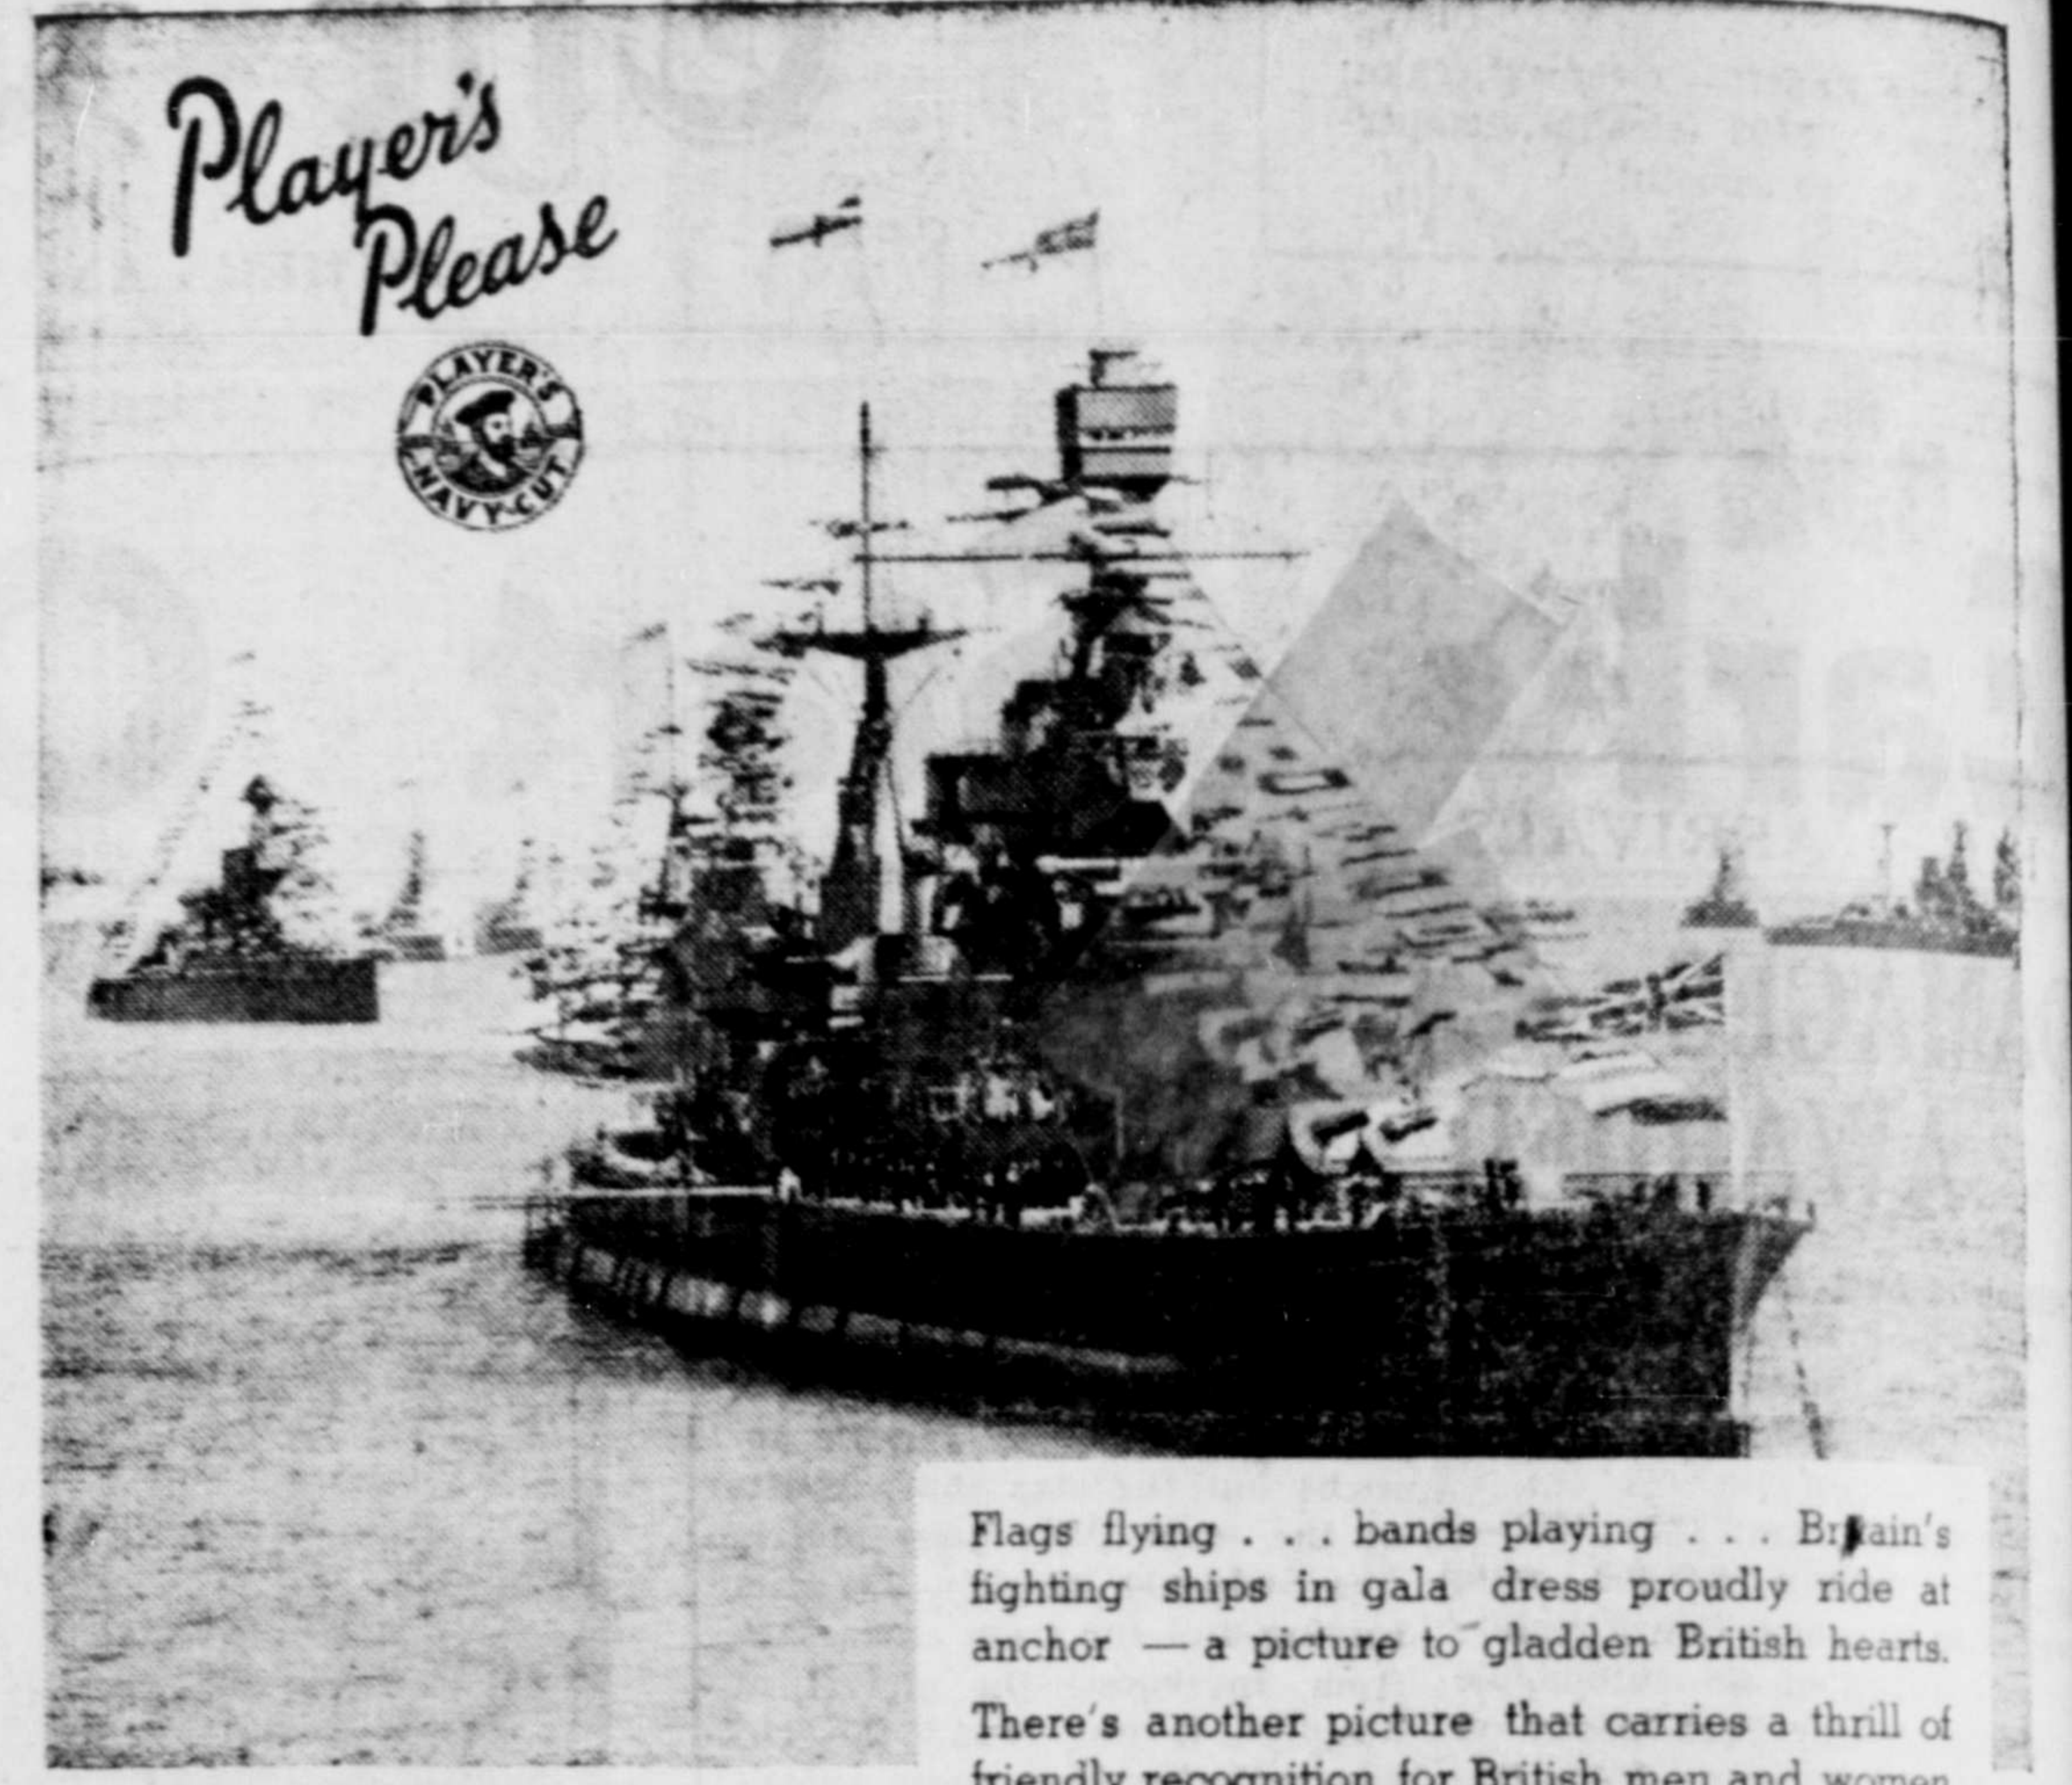

The toast to the bride was proposed by Henry Smith and responded to by the groom.

The groom's gift to the bridesmaid was a gold mesh compact and to the groomsmen a silver automatic ash tray and lighter.

Later in the evening the happy couple, who were the recipients of many fine gifts, sailed on the steamer Prince Rupert for Vancouver where they will take up residence.

Those present at the reception, were Mr. and Mrs. Harry Calderwood, Mr. and Mrs. G. E. Moor, Mr. and Mrs. R. G. Emmerson, Mr. and Mrs. A. H. Silversides, Mr. and Mrs. John Leach, Misses Doris and May Leach, Mr. and Mrs. F. Cameron Sr., Mr. and Mrs. Fred Cameron Jr. and Dickie Cameron, Mr. and Mrs. G. J. Cricket May Be Played In Rupert Soon

It is probable that as a result of the joint meeting last night of the Rotary and Gyro clubs, a service club cricket league may be organized providing for a series of cricket games during the coming summer. The matter was suggested by President D. G. Borland of the Gyro Club and seemed to meet with general approval. It will be discussed further by the presidents of the two clubs and plans laid for the formation of teams if the plan seems feasible.

SPRING FEVER

"Spring Fever" is brought on by poisonous wastes which clog your child's foodways and undermine vitality. Needed is the gentle flushing action of Eno's "Fruit Salt"—to clear the digestive tract and neutralize hyperacidity. Eno is pleasant-tasting, safe, and much more effective than "sulphur and molasses".

"Hollywood Hotel," With Dick Powell, Week-End Feature at Capitol Theatre

A lavish and spectacular musical comedy, "Hollywood Hotel," is being featured on the screen of the Capitol Theatre here at the end of this week. Dick Powell is starred and there are a number of other popular songsters and funmakers.

The film story shows Powell as an obscure crooner who comes to Hollywood looking for a break. He gets involved in no end of unfortunate and humorous complications before he even gets started on his career.

The Lane sisters, Lola and Rosemary, have the leading feminine roles, the former as a temperamental movie star who refuses to appear at a premiere and the latter as a totally obscure hotel worker who takes Lola's place on the big night.

Others having important parts in the picture are Hugh Herbert, Ted Healy, Glenda Farrell, Johnny Davis, Alan Mowbray, Frances Langford and Edgar Kennedy.

Benny Goodman's Band and Raymond Paige's Orchestra are also featured.

EASTER AT KITWANGA

Many Visitors Present For Special Church Services and Other Activities

KITWANGA, April 22.— There was a great gathering of natives for Easter at Kitwanga. Visitors came from Hazelton, Kitwano, Kitwagukla, Woodcock and Cedarvale.

Matthias Bright welcomed those who came in on Thursday's train. There were about thirty from Hazelton including Chief and Mrs. James White. The band played them into the village and they were welcomed in the hall by Rev. B. Shearman in a brief address.

On Good Friday special services were held in the Church Army Hall and St. Paul's Church. On Saturday private visiting was carried on. On Easter Sunday again special services were conducted. There was Holy Communion at 11 a.m. after which baptismal service followed. At 3 p.m. there was a special Easter service. Afterwards the sick in the village were visited and received the blessed sacrament.

Arrangements for entertaining visitors were in the hands of the local Women's Auxiliary and White Cross Society. Everything was splendidly carried out.

The choir, under the leadership of Solomon Bryant, rendered three anthems in a masterly manner.

Rev. B. Shearman received everybody and active help from Jas. Ry-

an, W. M. Bright, H. Wiltzu, Charles Smith, Mrs. J. Williams, Mrs. F. Johnson, Mrs. Semidecks and Mrs. B. Shearman. The latter ladies are the leaders in the ladies' organizations of the village and were responsible for the Easter decorations.

Easter Monday sports and games were held following a dinner given by the village. The Totem Pole Band rendered an excellent concert under the direction of W. Morgan. Speeches were made and applauded. Chief speakers were Joe Williams, Chas. Smith, Harold Sinclair and Rev. B. Shearman.

The numbers rendered by the band were "World Wide Liberty March," "Barry's Selection March," "Bandmen's Delight" overture, "March No. 5." Other items on the concert program included jumbo act by W. B. Morgan and Ray Morgan, radio solo and news broadcasting by H. Sinclair, violin solo by W. B. Morgan, clarinet solo by Mrs. David Wells, dialogue "Archie and His Pal," H. Sinclair and J. Morgan.

The concert was followed by a dance. The hall was crowded and there was excellent music by Sterling Johnson and his orchestra.

Sports Events
In the sports program Kitwanga defeated Cedarvale by a score of 6 to 3 in a nine inning baseball game. The nine-inning softball game resulted in a 27 to 5 score in favor of the Snappy Nine of Cedarvale over the Lucky Strikes of Kitwanga.

The visitors left for home on the early morning train Tuesday
