THAT'S the approximate number of men and L women who come of age every year in Canada.

Some start work at fourteen, sixteen or twenty; some go to college; some graduate from the school of hard knocks, and some never graduate from it.

But there is one common ground on which all can meet, and that is the habit of saving money and putting it in the bank regularly. A good habit, from which all conditions of men and women

Accused of Bad Complexion (Before Mr. Justice Kruschen)

JUDGE: Jane Smith, you have had a fair trial and you have been found guilty of the charge made against you.

PRISONER: Y-y-yes, my lord. JUDGE: Very well, then. Your crime may not have been deliberate, but i was one of serious neglect. You admit that though you do not get enough time for adequate open-air exercise you have never troubled to take steps to prevent constipation. Your complexion inevitably suffered.

COUNSEL FOR THE DEFENCE: My lord, I protest that there are other causes. JUDGE: I said that constipation inevitably causes bad complexions; your client admits to the cause and plainly suffers from the effect. PRISONER: It isn't my fault, my lord.

I couldn't help it. JUDGE: You could help it and you shall help it. This is the first time a charge

has been made against you; let it be a lesson to you that young women may not neglect and spoil the good looks that Nature gave them. Your duty to your parents, to your friends, to your

future husband is to make the most you possibly can of yourself.

(Here the prisoner covered her face with her handkerchief and was handed a glass of water.)

JUDGE: (continuing): You will be placed on probation for 3 months and I order that you drink one cup of coffee or tea, or a glass of water at breakfast every morning-

PRISONER: But I always do!

JUDGE: (sternly): Don't interrupt! One cup of coffee or tea or a glass of water every morning into which you shall put as much Kruschen Salts as will lie on a 10c piece. You will get rid of constipation and when you do you will never find yourself in your present predicament again.

After consultation with counsel, the judge announced that costs to the extent of less than 1c a day should be borne by the defence. "I believe I am right in saying," said his lordship, "that a 75c bottle of Kruschen contains 96 doses. That is much less than 1c a day." The prisoner left the court smiling.

UNITED IN MARRIAGE

Margaret Stalker Becomes Bride of Eugene Fitzpatrick at Interesting Ceremony

A marriage of much local interest took place quietly at 9:30 this morning in the chapel of the Church of the Annunciation.. Rev. Father James Gordon officiating, when Miss Margaret Stalker, younger daughter of the late Mr. and Mrs. R. A. Stalher, became the bride of Eugene Fitzpatrick, second son of Mr. and Mrs. E. J. Fitzpatrick. Only a few relatives and immediate friends were in attendance.

The bride was pretty indeed in her wedding dress of white cobweb lace in redingote style over white silk faile. She wore a turban style hat in matching lace and faile. Her corsage was of pink rosebuds and he carried a white prayer book. She was given in marriage by her sister, Miss Jean Stalker.

The bridesmaid was Miss Isabel Brannan who wore pale pink net over pink faile with waist length jacket of lace. Her hat was of matching net and lace and her bouquet of pink carnations and white

Maybe This Is Why You're Constipated

Perhaps the kind of food

you eat doesn't give your bowels anything to work on. Meat, potatoes and bread don't form the kind of soft, bulky mass that will help move your bowels.

If so, a dish of crisp crunchy Kellogg's All-Bran for breakfast will give you just the kind of "bulk" your intestines may need to work properly. And in addition, it contains the intestinal tonic, vitamin B, which helps to tone them. If you want to get at the cause of your trouble, eat some Kellogg's All-Bran every day-as a cereal or baked in muffins And drink plenty of water. All-Bran is made by Kellogg in London, Ont.
