Plans Attack British Warships

Germany Hints At New Submarine Activity; Steamer Malabar Sunk In Atlantic

Great Britain Claims Greatly Reduced Losses From U-Boats—Naval Blockade of German Shipping Is Very Effective

LONDON, October 30: (CP)—While hints were being dropped in informed Nazi quarters in Berlin today that Germany would try to intensify her submarine campaign against British shipping, an official British statement indicated that the British convoy system and sea patrol was rapidly cutting down British losses from submarine attack.

British naval circles ridicule sweeping German claims of success against British merchant shipping in the war so far. They said the Germans had added warship tonnage to merchant ships and then nearly doubled the total to reach their figure. In October so far British shipping losses have amounted to only 65,000 tons as compared with 165,000 tons in September. Only one per cent of British ships have been prevented by submarines from getting through to their destinations while Germany has been getting through only one per cent of its ships. Increased effectiveness is also being shown by the British blockade of German shipping.

More Sinkings
Of the 9,170-ton British ship Malabar with loss of five crew members announced today. This was a result of enemy action in the Atlantic on Sunday. Twenty survivors have been landed at an unnamed port. The death of their lives as a result of an explosion.

Small steam fishing trawlers Nidan and Lynx II—were also lost, presumably due to enemy action. A 5,000-ton Norwegian steamer was sunk in the North Sea Sunday, presumably the victim of a German submarine's torpedo attack. Thirty members of the crew were rescued, three being seriously injured and they had to be placed in hospital after being landed. British patrol vessels effected the rescue. The name of the sunken vessel was not immediately learned.

GERMANY ASSESSED

Fifty Million Dollars In Damages Awarded To Americans Arising Out Of Great War Sabotage

WASHINGTON, D.C., October 30: (CP)—The German-American mixed claims commission has awarded about \$50,000,000 to Americans with claims against Germany arising from the Black Tom and Kingsland, New Jersey, sabotage cases in 1916 and 1917. Last June the commission found Imperial Germany responsible for the munitions plant disasters in the New York port area prior to United States entry into the Great War.

The Kingsland plant was owned by the Canadian Foundry Co.

Finland Hopeful Of Peaceful Settlement With Russia But Will Not Submit—Appreciates U.S. Aid

HELSINGFORS, Oct. 31.—There was a great demonstration in Helsingfors in appreciation of United States assurance of assistance in Finland's crisis with Russia. Tribute was also paid to Norway, Sweden and Denmark.

The Finnish delegation will return to Moscow on Tuesday with Finland's final proposals to Russia. If these are not acceptable to Russia, Finland will appeal for mediation by outside powers. The nature of the final proposals has not been made public.

Finland is still hopeful of a amicable agreement being reached but is resolved not to submit to unreasonable demands.

It was reported today that Russia would not insist on naval or air base sites in Finland.

Authoritative political quarters intimated today that the Finnish government, in its "final answer" to Russian demands, took the attitude that Russia needed no naval or air bases on Finnish soil to protect her position on the Baltic and in the Gulf of Finland.

DEATH OF ACTRESS

Alice Brady, Noted on Stage And Screen, Passes Away In New York

NEW YORK, October 30:—Alice Brady, 47, noted star of stage and screen, died in Leroy Sanitarium here Saturday night. She had arrived two weeks ago from Hollywood to join a Broadway show.

Miss Brady had been receiving treatment for the past year for a malady which she knew would prove fatal but, good trouper that she was, she carried on until she could do so no longer and collapsed.

Ready To Retaliate From Air

LONDON, Oct. 30.—The Royal Air Force, it is officially announced, is prepared to retaliate in the event of the enemy starting a campaign of indiscriminate bombing. So far, Britain has refrained from aerial attack upon Germany. Troop concentration points, naval and air bases and munition works would be the first objectives of the British air force in Germany.

Bulletins

IRON GUARD PLOT
BUCHAREST—One hundred or more members of the pro-Nazi Iron Guard have been arrested in connection with a plot to assassinate the Roumanian Minister of public works.

FOUR DIE IN RIOTS
PRAGUE—At least four were killed and many were injured with numerous arrested as violence increased during the night in clashes between Czechs celebrating the anniversary of their republic and German police. There was gunfire in the streets. In Berlin Nazi sources discount the seriousness of the uprisings in Czechoslovakia. It is reported that the Nazi authority plans a purge with "liquidation" of many loyal Czechs.

PERUVIANS ON FLIGHT
NEW YORK—Peruvian fliers—Commander Umberto Galeno of the navy and his brother, Victor of the navy—took off from here at 1:44 yesterday afternoon on a projected 4,100-mile non-stop flight from one point in the Americas to another. The airmen expected to make the flight in about twenty-six hours.

AIR FORCE IMPORTANT
PARIS—The British Royal Air Force continues to carry out important reconnaissance flights for the Allies over the Siegfried Line and the German communication system and troop concentrations. Yesterday photographs were taken from a height of only 600 feet. Waving Germans apparently mistook the British planes for their own. The British planes have reconnoitered the entire length of the Siegfried Line, it is stated.

OLD MEN RELEASED
PARIS—One hundred thousand French soldiers—older men and fathers of large families—are being temporarily released from military service, subject, however, to recall to the colors at an instant's notice if required. The demobilization does not apply to officers and specialists.

CRERER IN LONDON
LONDON—Hon. T. A. Crerar, Canada's minister of mines and natural resources, slipped quietly into London yesterday to attend a conference of various Dominion ministers with the Imperial government on questions of war effort. The sessions will start Wednesday and are expected to last a couple of weeks.

LONDON, October 30:—There is danger of a timber shortage in Great Britain, it is said, owing to the lack of ships with which to bring the products of Canada, particularly British Columbia, to the United Kingdom.

PROTESTING TO MOSCOW

Germany Silent In Regard To Whereabouts—International Aspects Of Case

Still Mystery

United States Alleges Withholding Of Information In Regard To City Of Flint

STOCKHOLM, October 30 — (CP)—Reports from Norway said today that the United States freighter City of Flint, released from the Soviet port of Murmansk to German captors, departed from Tromsø today.

WASHINGTON, October 30:—The United States Department of State has charged Soviet Russia with failing to co-operate with withholding information in regard to the steamer City of Flint and her crew.

Up to today no official reply had been received at Washington in regard to the charges either from Russia or Germany.

On the basis of an unneutral act, a damage claim may be launched against Russia by the United States should the City of Flint and her crew be awarded to Germany or should they meet with any mishap.

Future action to be taken by the United States will largely depend upon the story of Capt. Joseph A. Gainard and the crew of the City of Flint.

Meantime State Department officials here are inclined to the belief that the stories of the City of Flint having been taken to Murmansk because of damaged machinery or removal of charts by the American crew were merely excuses.

The official Russian news agency says the City of Flint sailed from Murmansk Saturday night but did not indicate who was in charge, whether the United States crew is on board or whether the vessel is bound. The American crew, it is generally conceded, is on board.

As it is about 1500 miles from Murmansk around the Norwegian coast to Tamburg, the voyage would take about a week and the City of Flint would hardly as yet be in the blockade area.

Meantime Germany has clamped down a strict censorship on the City of Flint's position and is completely silent in regard to the ship.

Foreign observers continue to speculate as to the present whereabouts of the Flint.

Today in Berlin the German Foreign Office said it was without definite information as to the whereabouts of the City of Flint.

The general belief is that Great Britain will make some move to seize the American vessel from the German prize crew. Otherwise, Germany would claim that the British naval blockade is proving ineffective.

It is possible the City of Flint may even by now have succeeded in evading the blockade.

First news of the safety of the crew of the City of Flint came today when Mrs. Gainard, wife of the captain, was advised by the German consul at Boston, where she resides, that her husband is safe. No hint was given as to the whereabouts of the vessel.

Arrive To Join Expeditionary Forces In European War
LONDON, Oct. 30.—First troops from India have arrived to join the British expeditionary forces after a safe trip from India. How many came and where they landed was not disclosed.

War Will Be Short-Caillaux

PARIS, Oct. 30.—Joseph Caillaux, former Premier of France and now president of the Senate Finance Committee, predicts that this war may be a short one. "If we (the allies) exercise all our economic advantages, it cannot last long," Caillaux declares. Germany is particularly vulnerable in respect to shortage of gasoline, Caillaux suggests.

ORDERS TO BE PLACED

Neutrality Law Revision Will Bring Great Britain and France Into American Market

LONDON, October 30:—Great Britain and France are ready to place orders for six thousand more war planes in the United States immediately revision of the existing American neutrality law will permit of their being exported to belligerent nations.

House May Reverse It?
WASHINGTON, October 30:—Representative Hamilton Fish of New York says there is a good chance of the Administration's neutrality revision plan, approved by the Senate, being reversed in the House this week. Supporters predict a majority in favor of up to fifty.

ENCYCLICAL SUPPRESSED

Secret Police In Germany Restrains Delivery Of Pope's Message In Reich Churches

BERLIN, October 30:—The Pope's Encyclical was not read in any of the Roman Catholic churches in Germany Sunday. The Gestapo, Nazi secret police, took special precautions to assure that certain passages of the Encyclical should not be disclosed. In St. Paul's Church, Dr. Mudelka said that the real enemy in this war was not man but the influences that wielded armed power over man. This was a religious war and Germany was fighting against an injustice.

COPENHAGEN, Oct. 30.—King Christian says Denmark is prepared to defend itself against any invasion or attack.

START ON AIR BASE

Local Defence Project To Get Under Way With Little Delay—Tenders Close Tomorrow

Olof Hanson, M. P. for Skeena, has been advised by the Department of National Defence that the air base to be established at Seal Cove here is to be proceeded with according to the original plans. Tenders are now being called for extensive excavation and other preparatory work at the site and are closing tomorrow. Letting of the contract and proceeding with the work will be attended with little delay, it is expected.

Germans Driven Off Without Any Damage To Destroyer Fleet

East Coast Again Visited But Enemy Did Not Stay Long Before Anti-Aircraft Measures Chased Him Home

LONDON, October 30: (CP)—German aircraft attacked a flotilla of British destroyers in the North Sea today but the destroyers were undamaged. Sound of firing in the distance could be heard along the southeast coast of Scotland and the northeast coast of England. It was not immediately learned what casualties, if any, had been sustained by the enemy who were driven off by pursuit planes and anti-aircraft fire.

British fighting planes went up today to investigate the presence of unidentified aircraft off the Essex coasts. A German plane was also seen over the northern coast, the Air Ministry announced.

For the first time in weeks air raid signals were sounded in London by mistake and sent people scurrying to the shelters including Ministry of Information officials, thus hampering the dissemination of news. There will be an investigation of the cause of the signals.

In spite of air raid signals, people of Berwick on the border of Scotland and England stood on house tops and other points of vantage to see planes soaring overhead. Evidently, they expected they might see a fight such as that which was witnessed at Dalkeith on Saturday.

School children evacuated school houses in Kent.

British pursuit planes drove the German ships back to sea. Weather was somewhat foggy.

DALADIER AT FRONT

French Premier Impressed With Morale of Troops—Hitler Impatient

PARIS, October 30:—Premier Edouard Daladier spent the weekend visiting the French forces at the northern flank of the front. He was much impressed with their splendid morale and described entrenchments as "remarkable."

Allied armies, ready for any developments, calmly keep watch on a comparatively quiet western front. Several German forays have been repulsed.

"All quiet generally during the day," said an official French communique last night. Snow and rain slowed down German patrols and their big guns ceased firing.

Today's French communique said "All quiet during the night. We repelled several German raiding parties."

At Berlin an official German communique said: "There is no change on the western front."

There was no definite sign of an early German offensive today although it is reported that headquarters for Chancellor Adolf Hitler have been established at Godesburg near Aix-la-Chapelle and Aachen near Belgium. Der Fuehrer, who is believed impatient for major action, is reported to have changed his high army command owing to a disagreement on policy.

Friendly Message Sent To Turkey By U.S. President

WASHINGTON, D.C., October 30:—On the occasion of the observance of its anniversary, Turkey was today sent a message by President Franklin D. Roosevelt of the United States wishing it "peace and prosperity."

## BROADEN OUT

There is always a tendency for people living in a city that is the central point in a large district to get to feel that the city is the district and that they are entitled to speak for the whole. We often think that Vancouver people are that way and that they do not know about outside points and do not care. For that reason it is a good thing for people to visit their neighbors on the outside and learn their viewpoints, study their problems and try to bring about more or less co-operative efforts in the interests of all.

Take as an example the town of Stewart. There the people have a feeling that Prince Rupert is not sufficiently interested in their Meziadin Lake highway problem and in their efforts to secure the featuring of the Chickamin glacier as a tourist attraction. There also is great disappointment that the Prince Rupert businessmen did not this year organize an excursion trip to Stewart to get in touch with the people and see for themselves what the place has to offer tourists, investors and others. They think that no effort was made to secure a favorable reply to their invitation. Had there been an excursion from Prince Rupert it would have evoked a splendid response on the part of the Stewart people.

It was pointed out that Stewart did not wish to be in competition with Ketchikan in that respect. What they expected was at least a visit from the businessmen of Prince Rupert and especially from those who traded very considerably with the people of the Portland Canal centre.

## INTERIOR CONDITIONS

What is true of Stewart is also true of interior points and of Queen Charlotte Islands. It is a huge territory and the people are always glad to welcome visitors. Many Prince Rupert people never visit any of these points but when they get a holiday they go away to California or some other part of the world. There can never be any community of effort in the north unless the people of the north visit back and forth. Outside people come to Prince Rupert but only a few Prince Rupert people visit the outlying sections of the district in order that they may study its resources and capabilities. A change in this respect would be well worthy of consideration.

## New Army Head Was Busy Here

Brigadier and Mrs. Gillingham Had Active Week-end

Brigadier J. T. Gillingham, new divisional commander of the Salvation Army for Northern British Columbia and Alaska Division, and Mrs. Gillingham spent a very busy time while in the city over the week-end visiting the local Corps.

Friday night a special young peoples' meeting was held which was well attended. Brigadier Gillingham addressed a public gathering on Saturday night.

Services on Sunday reached a high peak as far as attendances were concerned. Mrs. Gillingham gave an address in the morning service on the subject "The Highway of Holiness."

A large crowd of young people gathered for the rally in the afternoon when the divisional commander gave a very interesting and helpful address.

At night every available seat was taken for the final meeting of their visit. Various other officers took part in the service, including Captain and Mrs. Richard Newton of Kake, Alaska. Brigadier Gillingham took as his subject "Christ, the Water of Life" and, from his own experience of over thirty years as a Salvation Army officer, drew many apt and interesting illustrations.

The service was brought to a conclusion with a short sacred musical program. Those taking part included Captain and Mrs. Richard Newton, Mrs. (Adjutant) Howard Fisher, Captain and Mrs. Ivan Halsey and Ruth and Grace Jones.

Brigadier and Mrs. Gillingham left later in the evening aboard the Catala to visit points where the Army is at work on the Naas River.

## Maple Leafs Win Football

Defeated Beavers Two to Nil in King Edward School League

The second game of the King Edward School football series resulted in another win for the Maple Leafs over Beavers after a keenly fought match by two goals to nil. Both goals were scored by Tommy Pilfold.

Teams were as follows: Beavers—Mairs; Akl. B. Gomez; T. Ormiston, R. Murray, Red Pierce, J. Bond, J. Hausan, Leiv Husoy, G. Anderson, B. Prince, H. Menzies and C. Pilfold.

Maple Leafs—J. Prince; Robert Bartlett, L. Ness; W. Rothwell, F. Grimble, N. Sheppard; P. Wilson, A. Bagshaw, A. Arntsen, O. Hansen, T. Pilfold.

Joe Davies was referee. The next game will be between the Beavers and the Wanderers both of whom have been beaten by the Maple Leafs.

## SMITHERS MEETINGS

Successful Teachers' Convention Is Held At Interior Town

Returning from Smithers on Saturday evening where he had represented the British Columbia Teachers' Federation at the Skeena-Omineca Teachers' Convention, J. S. Wilson had nothing but praise for the two-day assembly.

The chief speakers included Dr. Beavers—Mairs; Akl. B. Gomez; H. B. King, chief inspector for the province, Professor G. M. Shrum and Kenneth P. Caple of the extension department of the University of British Columbia, C. J. Frederickson, inspector of the Prince George district, Mr. Stafford, inspector of the Smithers district, Miss Jeanette Sargeant, librarian from Prince George, Mr. Wilson and Denis Smith, geographical representative from Prince George.

In addition to giving the principal address at the Thursday afternoon session, Mr. Wilson also spoke at the public meeting and at the official banquet.

Vernon Crockett was chairman at the various meetings and recalled how at the first convention there fifteen years ago Mr. Wilson had been very active. Addresses of welcome were given by L. H. Kenney on behalf of the Village Commissioners of Smithers and Mrs. R. B. Brummitt of the Smithers School Board while Rev. J. E. Birchall gave the invocation.

A. D. Jones, principal of the Smithers elementary schools, replied to the addresses and, also presided at several meetings.

The success of the convention was largely due to the very successful organization and arrangements made by Mr. Crockett and F. McCague the energetic secretary-treasurer.

Demonstrations were given by pupils under F. McCague, A. D. Jones, P. Glover, who was general accompanist, Miss Doodson, Miss Carpenter and Miss Evelyn Giraud.

## General Hornby Is City Visitor

Here in connection with the promotion of his well known British land settlement scheme, Brigadier M. L. Hornby of Lethbridge, Alberta, arrived in the city on Saturday night's train from Smithers and will leave by this evening's train on his return home. Brigadier Hornby sees no reason why the war should mean the postponement of putting his plan into operation. Indeed, he sees where it might be speeded up through the migration from England of partially disabled soldiers who would make good farmers.

On Friday night Brigadier Hornby was in session at Smithers with the Bulkley Valley District Board of Trade and yesterday conferred with officers of the Prince Rupert Chamber of Commerce.

## Another Sunday Concert Enjoyed

A highly interesting Sunday evening concert was held in the Canadian Legion Hall last night. There were 125 men in khaki out and enthusiastic singing was the order of the evening.

Among the artists were Miss E. D. Priestley, Mrs. C. E. Cullen, A. J. Lancaster and Peter Lein. Rev. E. Durnford acted as chairman and the ladies of Queen Mary Chapter, Imperial Order, Daughters of the Empire, were the hostesses of the evening.

With the discovery of new talent among the boys in the army is increasingly interesting and new programs are looked for.

William Lamb was, as usual, a guest last night in conjunction with Mrs. J. A. Teng.

**Religious Council Meeting Is Held**

There was a good attendance of members and interested friends at the rally of the Religious Education Council held at the Anglican Cathedral after the evening service last night. This rally was held at the request of the British and Foreign Bible Society.

The president of the Council, Miss Kay Watson, was in the chair. Ken Dakin read the Scripture and Guy Thorne gave the prayer.

The speaker of the evening was P. H. Linzey, who gave a most interesting and inspiring address on the "Need of Faith in the World Today." The talk was based on the words of Paul: "I Know Whom I Have Behind" and "I Have Fought a Good Fight." These statements showed the implicit faith and optimism of the Apostle. The speaker discussed anti-Christ activity in the world today and declared that the responsibility of carrying on Christian work and living would soon fall on the shoulders of those who are the young people of today.

**Moral Rearmament Was Her Subject**

Miss Elsie Heaps Speaker at Meeting of Japanese Young People's Association

At the monthly devotional and fellowship tea of the Nippon Young People's Association on Sunday afternoon at the St. Andrew's Anglican Japanese Mission, Miss Elsie Heaps gave an interesting talk on "Moral Rearmament." She told of the second world assembly which she attended at Los Angeles where 1500 delegates from thirty different nations gathered. Of 400 delegates from Canada 150 were from British Columbia. The opening meeting was held at Hollywood Bowl which was filled with 30,000 persons, ten thousand having to be turned away. Miss Heaps told of the stirring messages of various speakers among whom was Miss Hsue Hirano formerly of Prince Rupert, who spoke for the second Japanese generation in Canada. Miss Heaps explained briefly the meaning of moral rearmament.

Twenty-one members were present at the meeting and the president, Setsuo Kuwahara, was in the chair.

Refreshments were served.

## BOTH WERE BORN HERE

Miss Alice Hallberg Becomes Bride  
Of Thomas McMeekin

A marriage ceremony of much local interest took place on Saturday evening at 8 o'clock at the First Presbyterian Manse, Rev. H. G. Funston officiating, when Miss Alice Frances Hallberg, youngest daughter of Mr. and Mrs. Knut Hallberg, became the bride of Thomas Alexander McMeekin, elder son of Mr. and Mrs. T. McMeekin.

The bride, who was given in marriage by her father, was charming in a beautiful white satin gown with a small bolero jacket and wore a matching Puritan bonnet with a shoulder length veil, carrying a bouquet of red roses.

The bride was attended by her sister, Miss Ingrid Hallberg, who wore a lovely Nile green marquisette gown with a small bolero jacket and a halo hat of carnations, carrying a bouquet of pink and white carnations.

The groomsmen were Jack McRae. After the ceremony a reception was held at the home of the bride's parents where a number of friends gathered.

The bride and groom received under a beautiful white wedding bell, filled with confetti, in an archway of pink and white roses. They were assisted in receiving by the bride's mother, who wore a blue velvet gown and a corsage of red and white carnations and the groom's mother, who wore a navy blue dress of Chantilla lace and a corsage of red and white carnations.

A buffet supper was served in a beautifully decorated rose arbor.

The bride's table was centred with a three-tier wedding cake which was duly cut by the bride. The floral decorations consisted of chrysanthemums with matching tapers.

The toast to the bride was proposed by Rev. H. G. Funston and suitably responded to by the groom.

Both the bride and groom were born in Prince Rupert and will receive hearty congratulations and best wishes.

The happy couple will reside in the Angus Apartments.

## WEDDING IS BEAUTIFUL

Miss Helen McLeod Becomes Bride  
Of Earl Norris At Ceremony In  
Cathedral

St. Andrew's Anglican Cathedral, beautifully decorated for the occasion, was overflowing at 8 o'clock Saturday night for the marriage rites of Miss Helen McLeod, eldest daughter of Mr. and Mrs. J. H. McLeod of this city, to Albert Earl Norris, youngest son of Mr. and Mrs. T. A. Norris of Peace River. The groom being a member of the 102nd. Battery here, there was a military guard of honor and this was one of the distinctive features of one of the loveliest nuptial ceremonies that has been seen in the city for some time.

The Bishop of Caledonia, Rt. Rev. G. A. Rix D. D., officiated and the choir of the Cathedral was in attendance. The bride was given in marriage by her father. The bridesmaid was Miss Margaret McLeod, sister of the bride, and Ned McLeod, brother of the bride, was groomsmen.

A reception was held later at the home of the bride's parents where there was a large gathering to celebrate the occasion.

Mr. and Mrs. Norris will reside on First Avenue. (The full account of this marriage will appear in the Daily News tomorrow).

## Weather Forecast

General Synopsis—The pressure appears to be high southwest of Vancouver Island with a moderate depression approaching the Queen Charlottes from the west. With the exception of rain on the north coast the weather has been fair and mild in British Columbia.

West Coast of Vancouver Island—Moderate northeast, shifting to southeast winds, fair and mild.

## WINNIPEG WHEAT PRICE

WINNIPEG, October 30: (CP) —Winnipeg wheat futures were off 5/8c to 3/4c yesterday with November closing at 79 1/2c.

## Whifflets From The Waterfront

Assigned to this port for pilotage service in connection with an anticipated early resumption of deep-sea shipping, Capt. A. W. Ogden arrived in the city on the Catala last night from Victoria. Capt. Ogden is no stranger to Prince Rupert, having formerly been well known as master of freighters of the Frank Waterhouse line.

With an exceptionally large consignment of fish from Ketchikan for transshipment to the United States over Canadian National Railways, Northland Transportation Co.'s steamer North Sea, Capt. A. W. Nickerson, arrived in port at 6 o'clock Saturday evening from Alaska and was here until 3 o'clock Sunday morning when she sailed in continuation of her voyage to Seattle.

Union steamer Catala, Capt. James Findlay, arrived in port at 9 o'clock last night from the south with a fair-sized list of passengers and sailed at midnight for Stewart and other northern points whence she will return here tomorrow afternoon southbound.

Namu cannery of the B.C. Packers on Fitzhugh Sound, south of here, is closing down for the time being, now that salmon packing has concluded. H. V. Morehouse, the manager, and members of the cannery crew will be leaving Namu for Vancouver on the Catala this Wednesday.

## WEDDED IN FOLKESTONE

The marriage took place quietly at Holy Trinity Church, Folkestone, England, recently of Miss Hilda Wilson-Murray, daughter of Mr. and Mrs. W. H. Wilson-Murray of Prince Rupert, to Lieut. James Laurin Carmichael of the Royal Army Medical Corps. The bride, who is a graduate of the Prince Rupert General Hospital, is now in France with an Imperial hospital unit. The groom, member of a prominent Edinburgh family, is also in service as a medical officer.
