FASCISTS ATTA STATION ON ADDIS ABABA RAILWAY; DALADIER IS UNYIELDING

DJIBUTI, January 7: (CP)—Italian Fascists have attacked a station on the French-owned Djibuti-Addis Ababa railway line, it was reported here today. The incident will be duly investigated and may be made the subject of a protest. The Djibuti-Addis Ababa railway line Oregon and Washington coasts is one of the principal bones of contention in the situation during the past few days are Mrs. between Italy and France over the latter's territorial possessions.

Chamberlain To Paris

LONDON, January 7: (CP)--lain, who leaves here next Tuesday for his visit to Rome, will, it is said, stop off enroute in Paris to meet Premier Edouard Daladier. MOONEY IS While officially, the visit to Paris is said to be of no more than social signficance, it is taken in some quarters in the nature of a signal to Premier Benito Mussolini of Great Britain's continued friendliness with France. Undoubtedly, the Franco-Italian situation will be discussed.

EMPLOYMENT

situation was better than in any other year since 1930. While employment in manufacturing generally was below the unusually high level recorded in 1937, most of its divisions showed greater activity than in 1936.

As for the non-manufacturing industries included in the monthly a Fredericton engineer, has desurvey of employment, logging op- signed a new bombproof shelter erations in 1938 have been curtailed, although the latest data show tiveness. Creosoted timber and New considerable seasonal improvement Brunswick brick are largely used chester United 0. in bush work. In transportation in its construction. The design will and communications, employment be submitted to the British governhas averaged slightly lower than in ment. 1937, but rather higher than in 1936. Construction and services reported somewhat greater activity than in either 1937 or 1936, while in trade the average index is practically the same as last year, though higher than in the same period of 1936. Employment in mining in 1938 has been the highest on record.

Course of Prices .

The general course of wholesale prices in 1938 has been fairly steadily downward, the decline acting as a brake upon business expansion. For the first ten months the index; averaged 79.6 per cent of the 1926 base, as compared with 84.8 in the same period of last year. In October, the index stood at 74.1 as compared with 84.7 in the same! month of 1937. In recent weeks, however, the index number of wholesale prices has been almost stationary between 73 and 74, and this may be regarded as a favorable sign for the future.

Preliminary figures of the revenue receipts of the Dominion in the first eight months of the current fiscal year showed total revenues of \$358,408,000 as against \$360,331,000 in the same period of last year, the large increase in the revenue from the income tax near- A city girl, spending some time ly offsetting the declines in customs in the country, spoke to the farm and excise revenues. Ordinary ex- er about the troubled way in 25; penditure was moderately up at which the cattle regarded her. \$263, 081,000 as against \$257,358,- "Well," said the farmer, "It must 1000 in the same period of last year, be on account of that red dress while total expenditure was \$335,- you are wearing." 456,000 as compared with \$321,754,- "Dear me!
