Irish Republican Army Is Threat

GO INTO HIGHWAY

Stewart News Complains of Propaganda inimical to Western Route—Junior Chamber Has Much Business

Complaint from the publisher of the Stewart News that false information was being disseminated inimical to the western route for the proposed Alaska Highway led at last night's meeting of the Junior Section of the Prince Rupert Chamber of Commerce to the appointment of a special committee consisting of Jack McRae and Robert Tobey to collaborate with the highway committee of the Prince Rupert Chamber of Commerce on highway matters.

There was no speaker at last night's Junior Chamber meeting but numerous matters of business were dealt with and there were a number of committee reports. President A. W. Newman was in the chair and upwards of twenty-five members were present.

A communication from the Junior Chambers of Commerce of Canada organization inviting suggestions as to a national publication was referred to the executive committee. Members were urged to take advantage of a special subscription offer from "Canadian Business".

Ed and William Elkins were added to the Clean Up and Paint Up campaign committee which already consists of Peter DeJonz, William Brunner, Ross Ingram and Alf Rivett.

Made in Canada Goods

The Junior Chamber of Commerce of Canada suggested that the local Junior Chamber bring up again at the annual convention representations in regard to the use of "Made in Canada" trade marks which it had advocated last year.

A circular letter from the Junior Chamber of Commerce of Canada outlined activities that were being undertaken by various Junior Chambers in Canada.

For a special committee in connection with housing, T. A. McWaters reported that information was being assembled in regard to total investment and payroll of Prince Rupert industries.

Committees on tourist traffic, the Boys' Band, national safety week, Port Day and the campaign for the sending of children to Victoria for the King's visit reported progress.

On recommendation of the executive, it was decided to strike from the roll names of members who consistently failed to pay dues or to attend meetings.

Votes of appreciation were extended to the local newspapers for special industrial numbers which they had recently published.

Weather Forecast

(Furnished through the courtesy of the Dominion Meteorological Bureau at Victoria and Prince Rupert. This forecast is compiled from observations taken at 5 a.m. today and covers the 30 hour period ending 5 p.m. tomorrow.

General Synopsis—Pressure remains abnormally high over Northern British Columbia and weather is colder in the province. A depression is slowly approaching Vancouver Island.

Prince Rupert and Queen Charlotte Islands—Moderate fresh northeast wind, fair and decidedly cold today.

West Coast of Vancouver Island—Mostly clear and cold. Fresh northeast winds tonight, then unsettled.

FUEHRER GREETES FOREIGN DIPLOMATS

In genial mood, Reichsfuehrer Adolf Hitler is pictured as he exchanged a pleasant greeting during a reception in Berlin for foreign diplomats.

STANHOPE MAYORALTY STATEMENT RACE TIGHT

Explanations in Regard to "Man the Gun" Speech—Resignation?

LONDON, April 5: (CP)—Prime Minister Neville Chamberlain told the House of Commons today that Earl Stanhope's "Man the Gun" speech was unpremeditated. He said it was not true that Lord Stanhope had asked the press to give special prominence to his statement that the Royal Navy anti-aircraft guns were being manned.

Mr. Chamberlain said he personally gave directions that newspapers be asked to suppress or discount Lord Stanhope's speech because it gave an incorrect impression.

Early reports were that Lord Stanhope might be asked to resign but Mr. Chamberlain in his speech said he "was perfectly satisfied" with the First Lord of the Admiralty. He was answering questions by the acting opposition leader Arthur Greenwood whether he regarded Lord Stanhope as a fit man for the office.

Old Resident Of Ketchikan Dies

KETCHIKAN, April 5.—Carl Berg, a well known resident of thirty years' standing in Ketchikan, passed away yesterday at the age of eighty-nine years.

Only Handful of Votes Separates Aspirants for Chief Civic Post At Ketchikan

KETCHIKAN, April 5.—So close was the count that early today it was uncertain as to whether Axel Osberg or Harry McCain had won the mayoralty in Ketchikan's civic election which took place yesterday. With a little over half the votes counted, Osberg had 460 and McCain 453.

R. E. Hardcastle took the lead from the start in the count for three seats on the council and his election was assured. There was a close count between Basil Fitzwilliams, L. P. Sunderland and Henry Erwick for the two remaining seats. The count early today stood: Hardcastle, 487; Fitzwilliams, 352; Sunderland, 333; Erwick, 324; Lem McKay, 295; Andrew Thompson, 220; J. Harris, 175; John M. Wick, 141; John Olafson, 131; Harold Thompson, 123; G. A. Johnson, 52; David J. Dackins, 51.

Dr. W. E. Peterson easily won the school board seat by a vote of more than two to one. The count early today was: Peterson, 524; Mrs. Hans Nordnes, 205; Ragner A. Hansen, 154.

S. H. Petersen was elected to the utilities board of control with a comfortable majority over J. G. Young, the count soon after midnight being 483 to 325.

A record number of 1607 votes were cast, the previous record having been 1556.

Police Guard For Actress

Dorothy Lamour is Nervous in New York After Receiving Extortion Note

NEW YORK, April 5.—Dorothy Lamour, well known screen actress, was accorded a special police guard here last night after having received an extortion letter demanding \$25,000.

EARNINGS INCREASE

This is Anticipated in Canadian National Railways Budget to Parliament

OTTAWA, April 5: (CP)—The budget of the Canadian National Railways, tabled in the House of Commons yesterday, estimated an operating revenue of \$200,000,000 for the calendar year of 1939, an increase of \$17,758,278 compared with the previous year.

Operating expenses are estimated at \$182,950,000, an increase of \$6,774,689.

The net operating revenue estimate of \$17,050,000 is an increase of \$10,993,539 over last year.

Total cash requirements from the government are estimated at \$62,771,707 including \$43,750,000 cash deficit and \$19,021,707 capital expenditures.

REJUVENATE HIGH COURT

Two Rooseveltian Nominations are Confirmed by United States Senate

WASHINGTON, D.C., April 5.—The United States Senate yesterday confirmed the nomination by President Franklin D. Roosevelt of William Douglas as a justice of the Supreme Court of the United States, and also that of Wilby Rutledge as a justice of the United States court of appeal. Both Douglas and Rutledge are Liberals and young men about forty, their appointments being in line with the President's determination to reorganize the courts along rejuvenated lines.

EUROPE IS UNSETTLED

Elements Of Crisis Appear Again In Various Quarters—Will Hitler Or Mussolini March?

Duce Moving In

BELGRADE, April 5: (CP)—Information received in usually reliable quarters here said that Italy intends to begin its occupation of defenceless Albania tonight.

LONDON, April 5.—With elements of crisis developing in various centres, new tension has arisen in Europe with increasing fears of war between the dictatorships on the one hand and the democracies on the other.

Poland continues to occupy the limelight and there appears to be no certainty that Nazi Germany may not yet essay a coup in that direction. The Berlin press yesterday denounced alleged Polish mistreatment of Germans in the Polish corridor.

Reports persist that Premier Benito Mussolini of Italy is planning a campaign against Albania. It was said last night that preparations were being made to send two Italian divisions into the country to take it over.

In Greece wholesale raids by the dictatorship government against communists are reported.

The people of Iraq were aroused by rumors that their King, although officially said to have been killed in an automobile accident, was really assassinated by an Englishman. It was this rumor, it is believed, that led to the assassination of the British consul in Mosul yesterday.

Another sore spot concerns the future of Alexandretta, semi-independent district in Northern Syria, which it is said Turkey desires to annex.

Meantime from the Russo-Manchukouan frontier come reports of new flare-ups between Soviet and Japanese troops.

Premier Neville Chamberlain last night denied disquieting reports in regard to the manning of naval anti-aircraft guns for sudden emergency.

Important Conference There was widespread interest today in conferences between Col. Joseph Beck, Foreign Minister for Poland, and British government officials. On the result of these negotiations may hinge whether or not Chancellor Adolf Hitler invades Poland and precipitates a European war.

Increase In Relief Shown

Relief distribution from the City Hall during the month of March this year totalling \$2,740.20, showed an increase over \$2,689.45 in February. The city's share of the March relief was \$609.05 and in February \$602.04, the balance being contributed by the governments.

Provincial families received \$169,151 in March and \$213.25 in February, the distribution being through the City Hall although the government contributed all the money.

Ready For Operations In Canada Says Radio Broadcast In Britain

Nothing Known About it by Head of R.C.M.P.—Further Bomb Explosions Today in British Cities

LONDON, April 5: (CP)—Six bomb explosions rocked Birmingham, Liverpool and Coventry overnight in what police described as new Irish Republican Army activity. Last night a secret radio transmitter, believed to be Irish Republican Army operated—broadcast a statement that "we will be prepared to carry out operations in Canada in ten days."

Not Known in Canada OTTAWA, April 5: (CP)—Commissioner S. T. Wood of the Royal Canadian Mounted Police said today that he did not know of any Irish Republican Army broadcast. No such organization was known in Canada.

LEBRUN IS RE-ELECTED

Given His Second Seven-Year Term As President of Republic Of France

VERSAILLES, April 5: (CP)—Albert Lebrun was re-elected president of France today for a second seven-year term by both Houses of Parliament. The vote was 437 on the first ballot, only 455 being needed.

Philadelphia To Build Mine Layer

New Naval Craft to be Turned Out For United States—Name Terror Chosen

Chicago Mayor Is Re-Elected

Edward J. Kelly, Democratic Incumbent, Given Big Majority Over Republican Opponent

CHICAGO, April 5.—Democratic Mayor Edward J. Kelly was swept back into office in the municipal election here yesterday. His majority over Dwight Green, his Republican opponent, stood at upwards of 150,000.

Burns Lake Boy Is Shot In Head

BURNS LAKE, April 5.—James Stanyer, 12, son of Mr. and Mrs. Ray Stanyer, is in hospital in serious condition from a bullet wound in the head. The boy was found shot behind the ear after he had returned home from school and taken out a .22 calibre rifle.

Remove Ripple Rock

VANCOUVER—Advices received by the Vancouver Merchants Exchange from the department of public works at Ottawa said funds for the removal of Ripple Rock, long considered a menace to shipping through Seymour Narrows, would probably be provided in the supplementary estimates.

Mrs. H. A. Breen, who has been on a trip to Vancouver and elsewhere in the south, returned home on the Prince Rupert this morning.

ACTIVITY OF NAZIS

Local Junior Chamber of Commerce Agrees With Prairie Board That It Should Be Curbed

The Junior Section of the Prince Rupert Chamber of Commerce, at its regular monthly meeting last night, endorsed a resolution from the Saskatoon Board of Trade calling for federal investigation and control of German activities and propaganda on the prairies.

The resolution from Saskatoon, in its preamble, declared that a German newspaper published on the prairies mocked and criticized British institutions such as democracy and suggested that efforts were being made to develop a German minority problem even in Canada. Activities of German government representatives, text books and at least one German school were referred to.

The resolution calls for a thorough investigation into the activities of various German schools, organizations and native-born Germans and proposes that the Secretary of State should be furnished with copies of all newspapers published in foreign language in Canada, that any and all addresses given in foreign language be submitted to the Secretary of State and that there be a public educational campaign to reveal Nazi activities and propaganda.

The Saskatoon resolution was endorsed on motion of G. P. Lyons and C. G. Ham.

Bulletins

WAS AGROUND

Frank Waterhouse freighter Chilliwack, Capt. E. B. Allen, was allowed to proceed to Vancouver with cargo at 5:40 p.m. yesterday after inspection following a stranding alongside the dolphins at Eddy Pass mine yesterday morning. The vessel touched while making a landing at 5 a.m. and refloated four hours later under her own power on the rising tide. Inspection by a diver here revealed little, if any damage, to the vessel which was heavily laden.

PROBABLY A WARNING

ROME—Italian troop concentrations on the Adriatic are interpreted in foreign circles as a warning to Great Britain and France against the carrying out of so-called encirclement plans and to Yugoslavia and Greece against joining them.

REMOVE RIPPLE ROCK

VANCOUVER—Advices received by the Vancouver Merchants Exchange from the department of public works at Ottawa said funds for the removal of Ripple Rock, long considered a menace to shipping through Seymour Narrows, would probably be provided in the supplementary estimates.

Mrs. H. A. Breen, who has been on a trip to Vancouver and elsewhere in the south, returned home on the Prince Rupert this morning.

CO-OPERATING WITH INTERIOR

In his address to the Prince Rupert Chamber of Commerce Monday night Frank Dockrill of Telkwa mentioned what he considered to be a lack of co-operation on the part of the people of Prince Rupert and the people of the interior, especially in regard to marketing. He instanced the Prince George butter, which was not as well received in Prince Rupert as he thought it should be. The result was that a considerable proportion of this butter had to be marketed in bulk and was put up and sold under some other name.

The question was put up to one of the local grocers yesterday and this is something like the way he put it. In the first place, he said, there is no attempt on the part of the creamery to create a consumer demand. In other words they do not advertise their product so no one asks for it. Then the price laid down in the store here is slightly higher than any other butter. Another difficulty is that butter has to be purchased in large quantities, as Prince Rupert has only a weekly freight service. This meant that the small refrigerator is cluttered up with butter when it is needed for other things. Grocers, he said, could buy other butters in fifty pound lots as needed and always have a supply on hand in good condition.

What was true of butter was true to some extent of other products, this grocer said. Take eggs as an example. The first thing the egg producers should do was to form a central organization of their own so that the supply would be regular and the product guaranteed. As it was today, a grocer might buy a shipment of eggs at say 20c a dozen. A neighbor might ship similar eggs to a competitor for seventeen cents a dozen which might be retailed at less than the cost to the first man. The result was that the next time the buyer was more careful and bid lower.

There are evidently a great many angles to this matter of buying and selling and one of the first seems to be to organize the sellers to provide for marketing on a proper basis as regards price, quality, packing, distribution and publicity. In view of the steady development in the producing end of butter, it is very desirable that the best possible co-operation be brought about between Prince Rupert people and the producers of the interior. This must be a co-operation in which each is prepared to take part, seller as well as buyer.

It must be remembered that there are many interests at work trying to get this business and no one concern will ever get it all but by proper organization and careful study of the market there is no reason why the interior producers should not supply a great part of the Prince Rupert market.

LEGION IS IN SESSION

J. L. McEwen Re-elected President Of Smithers Branch

SMITHERS, April 5.—The annual meeting of the Bulkley Valley branch of the Canadian Legion was held in Legion Hall on Thursday evening. There were about 40 members present with President J. L. McEwen in the chair.

The officers gave a review of the operations of the branch during the past year in which it was noted that a great deal of work had been done for a number of veterans in the matter of procuring pensions and war veterans' allowances for those eligible for these pensions. No less than seventeen cases had been handled in this connection and in all but a very few there had been very gratifying results.

Election of officers for the ensuing year took place and resulted as follows:

President, J. L. McEwen.
First Vice-President, R. L. Gale.
Second Vice-President, Dr. R. C. Bamford.

Executive committee — K. G. Houghton, E. M. Hoops, James Hogg, W. J. Howells, Jack Wallace and Robert Elliott.

Finance committee—J. H. Byrne, J. W. Turner and Charles Neale.

The organization took part in a number of events during the past year and assisted materially in the success of the twenty-fifth anniversary of Smithers celebration.

After the meeting the veterans amused themselves with song and story for some time.

MIGRATION IS NEEDED

Junior Chamber of Commerce Favors Plan of Selective Admission of Britons

A selective policy of British immigration, carefully and thoroughly planned and supervised, on as large and intensive scale as possible was recommended for Canada by a special committee which brought in a report at last night's regular monthly meeting of the Junior Chamber of the Prince Rupert Chamber of Commerce, the report being adopted by the meeting with a vote of commendation to the committee. A comprehensive plan of immigration was necessary for progressive economic advancement of the country, the committee felt.

The committee, following up the general recommendation on immigration, proposed that migrants be placed on or continuous to already settled areas, that supervision by fully competent persons appointed for that purpose continue a sufficient number of years for the migrant to become a fully independent citizen and, in event of his failure to do so, he be returned to Great Britain.

The committee was of the opinion that an intensive immigration policy of this nature on as large a scale as possible would be of the greatest benefit to the country. It pointed out that national services already in effect in Canada were sufficient for a considerably increased population, that the present unbalanced distribution of the world and the British Empire in particular must inevitably present a grave economic problem within the Empire, that obviously a carefully formulated plan was desirable instead of a haphazard movement from force of circumstances, that Canada had an extremely sparse population but was extremely rich in undeveloped natural and potential resources, that properly controlled immigration

Does No Good, Does No Harm

A special committee consisting of G. P. Lyons, R. E. Mortimer and Victor Miller reported to the Junior Section of the Prince Rupert Chamber of Commerce that selective British immigration should not increase unemployment, that selective British immigration was considered necessary to preserve national integrity of the Dominion, that it was disquieting to note that recent reports placed British population in a minority in Canada.

The Junior Chamber of Commerce of Canada organization had asked the local chamber to express its views on immigration. The special committee was headed by C. G. Ham with Ned McLeod also a member.

Chamber of Commerce last night that it would do no harm to endorse a resolution from the Vancouver Junior Chamber urging the provincial government, when introducing legislation, to give greater opportunity to members and the public to study such legislation before it was enacted. The committee found that there had been no case of a legislative body solving the problems of giving such advance information nor did there appear to be any real demand for it but there appeared to be no harm in concurring with the Vancouver resolution so it recommended accordingly.

Shower For Bride On Monday Night

Mrs. Henry Dickens and Miss Alice Gomez Hostesses For Mrs. Stan Veitch

A delightful kitchen shower was given in honor of Mrs. Stan Veitch, formerly Miss Ingrid Morse, at the home of Mrs. Henry Dickens on Monday night.

An enjoyable evening was spent playing games until midnight when delicious refreshments were served after which a prettily decorated basket, laden with lovely presents for the bride, was brought in by Miss Ninfa Venier who also gave a speech to the bride.

Those present were Mrs. Stan Veitch, Miss Marion Erikson, Miss Linda Field, Miss Ninfa Venier, Mrs. Vera Morse, Miss Hanna Johnson, Mrs. Laura Tibbett, Mrs.

A. O. Morse, Mrs. Bill Way, Miss Ida Sialta, Mrs. W. J. Lineham, Mrs. Caravan, Mrs. Henry Dickens, Mrs. Raabe, Mrs. Julius Johnson, Mrs. D. Skog, Mrs. Gomez, Mrs. B. Reid, Miss Ena Lineham, Miss Alice Gomez and Mrs. C. Strand.

The conversation entertainment held recently by Daylight group of Toc H and the fire department to assist the campaign for funds to send local school children to Victoria in connection with the forthcoming visit of the King and Queen resulted in the gratifying sum of \$44 being realized.

F. M. Dockrill, president of the Associated Boards of Trade of Central British Columbia, was an interesting speaker today at the regular weekly luncheon of the Prince Rupert Gyro Club.

Mr. and Mrs. R. W. Sinclair and family arrived in the city on the Prince Rupert this morning from Victoria, where they have been spending the winter, and will proceed by this evening's train to Inverness cannery.

J. K. Gordon, well known Terrace pioneer, who has been spending the winter in Portland and elsewhere in the south, arrived on the Prince Rupert this morning and will proceed to the interior by the evening train.

Why not spend Good Friday evening in a fitting manner by coming to St. Andrew's Cathedral at 8 p.m. and enjoying a program of sacred music eminently suited to the day? The Cathedral augmented choir will render the Sacred Cantata "Olivet to Calvary" and other works. Soloists, John E. Davey and Leonard Cripps.

At last night's meeting of the Junior Section of the Prince Rupert Chamber of Commerce, copies were distributed to the members of an address entitled "The Challenge to Democracy in Canada" which was delivered by R. W. Diamond, assistant general superintendent of the Consolidated Mining & Smelting Co. of Canada, at the annual western meeting of the Canadian Institute of Mining and Metallurgy in Vancouver last fall and also before the Junior Board of Trade at Trail. The distribution was by the Trail Junior Board of Trade.

S.O.N. Meeting Tomorrow Night. (80)

Burns Lake Tea And Sale Held

Women's Auxiliary of United Church Responsible for Successful Affair

BURNS LAKE, April 5.—The Easter Tea under the auspices of St. Paul's United Church Women's Auxiliary on Saturday was a very successful affair in spite of the poor condition of the roads which prevented outsiders from being present although it was a lovely sunny day for the event.

The guests were received by Mrs. Ray Commons, president and Mrs. F. Bushfield, wife of the pastor.

The Elks' Hall where the tea was held, was tastefully decorated in colors of yellow and orchid while artificial tulips in flower pots and daffodils and large pussywillows centering the tea tables gave a spring touch to the affair.

The candy booth, with its nests of purple, yellow and white, where candy eggs were scattered about and its dainty baskets of candy brought delight to the children.

Those in charge were Mesdames R. Munger, T. P. Smith, D. M. Gerow and Miss R. M. Campbell; aprons and fancy goods, Mesdames John Gowans and C. F. Greenwood; candy, Mesdames W. J. McKenna and C. Ostberg, and home cooking, Mrs. James A. Clark, Cashier was Mrs. George Hadden.

AFTER 40

... your kidneys tend to slow up. If these blood filters become inflamed, excess acid stays in the system. Needle pointed acid crystals lodge in joints and muscles setting up irritation and rheumatic pains. Take Gin Pills to stimulate kidneys and get prompt relief.

BURNSLAKE Terrace Man Is Laid At Rest

Ex-Service Men of Interior Pay Tribute to Memory of Late W. J. Goodwin

Members of the Canadian Legion assembled at their headquarters in the Oddfellows' Hall on Friday afternoon for the last rites in honor of W. J. Goodwin who died on Monday.

Rev. C. A. Hinchcliffe conducted the service and spoke feelingly regarding the good qualities of deceased and his well-deserved reputation for his generosity to less fortunate comrades.

R. W. Beecher, as vice-president of the Terrace Branch of the Legion, read the final tribute at the graveside.

Between high snowbanks the cottage moved to the cemetery on the hill two miles south of town.

SPRING IN INTERIOR

Roads are Bare of Snow — Little Frost in Ground

SMITHERS, April 5.—Springlike weather has been in this district for the past week and the snow is rapidly disappearing under the rays of the sun. The roads are now bare and are drying up fast but there are heavy banks of snow along the sides of the road where it has been pushed by the big plows that have kept the roads open during the winter.

The road grader appeared on Main Street in town Friday morning to smooth out the humps and hollows left over from last fall.

As there is very little frost in the

The Letter Box

ground it is expected that it will not take long before the roads throughout the district will be in excellent shape for motor traffic.

OLD MAGAZINES WANTED

Editor, Daily News:

Prince Rupert Group Toc H wishes to trespass on the space in your valuable paper to request any one having copies of old magazines to leave them at E. A. Evans, 730 Second Avenue, three doors from the Prince Rupert Hotel or to please phone E. A. Evans, Red 992, when Toc H will arrange to call for them.

These magazines are parcelled

Whifflets From The Waterfront

Boats of the halibut fleet names of which begin with letter of F to L, the third group to get away, started moving yesterday on their first trips of the season to the fishing grounds. The boats leaving have been J. R., Capt. J. P. Reid, Oslo, Capt. Axel Olsen, Helen II., Capt. Peter Byrne, Johanna, Capt. John Wick, and Gony, Capt. O. Andresson.

C. N. R. steamer, Prince Rupert, Capt. Neil McLean, arrived in port on time at 10 o'clock this morning from Vancouver, Powell River and Ocean Falls and is sailing at 4 o'clock this afternoon for Anyox and Stewart whence she will return here tomorrow evening southbound.

J. Flack of Alberta is in the district looking for a suitable place to settle.

Miss H. Foster of Endako, formerly of Smithers Hospital staff, is special nurse at the Burns Lake Hospital, arriving here last week.

O. Anderson of Decker Lake left for his home at the week-end after having been successfully operated on for appendicitis.

H. E. Chase of Tintagel left on Saturday's train for a month's visit to his parents' home in Saskatchewan. He visited here en route.

Prince George People To Vote On Skating Rink

PRINCE GEORGE, April 5: Prince George citizens will vote April 12 on whether or not the northerly city is to have a new, modern skating rink.

UNITY OF CANADA

British Columbia

RICH • GRACIOUS • RESOURCEFUL

The chain of provinces—from Atlantic to Pacific Coasts—gives Canada her strategic position in world affairs. The Inter-Dominion distribution of wealth and commodities benefits each Province and strengthens Canada as a whole.

BRITISH COLUMBIA!

She is the reason for building railways across the Rockies; and the reason why Confederation had so great significance. She completes the provincial chain that spans this continent, for she holds the key to the Pacific.

Her population is nearing the 800,000 mark, and is producing close to \$400,000,000 of wealth each year. Lumber, mining, fisheries, farming and fruit raising, with special mention of immense quantities of copper (\$6,000,000 worth in 1937), gold, silver, lead, zinc, (\$14,000,000 worth the same year), coal, gypsum, sulphur, are all of the utmost value to her and to the Dominion, and no mere dollar measurement is adequate to express it.

She exports 68% of her products of the orchard to the middle West and no part of the Dominion is without some of her raw or unfinished materials. In 1938 alone, tourists brought in \$32,000,000; over 150,000 visiting cars crossed her borders. With a rare and marvellous climate, with mountains that rise as high as 16,000 feet (overtopping Mt. Blanc), with 12,000 miles of coast line, with the noble city of Vancouver and the fair Victoria, with a people noted for their independence of thought, love of liberty, and great industry and sagacity, British Columbia invites the fullest appreciation and esteem.

Eastern manufacturers are already locating plants within her borders and are bringing to her the ties of co-operation that will more and more closely knit together the whole Dominion. Ask us for Facts and Figures concerning the Automotive Industries and the work they are doing in Canada, and we will send them.

BUILDING CANADIAN MOTOR CARS is a National Enterprise

The Automotive Industry in 1937 paid to our transportation companies over \$5,000,000 for freight charges, shipped through our Eastern and Western ports over 278,000 tons of Motors, Trucks and Parts. Its employees are a part of the huge home market in the East that purchased over \$40,000,000 of food-stuffs from our Western Provinces; it spends over \$80,000,000 for its raw materials, its supplies, and its fabricated parts from all sections of the Dominion. This illustrates the interchange of goods and money between Provinces; the result of Provincial co-operation. The Automotive Industry is National in purpose and National in scope. When you buy a Canadian-built car, you help your own Province.

AUTOMOTIVE INDUSTRIES OF CANADA

1006 LUMSDEN BUILDING — TORONTO, ONTARIO.

This advertisement is one of a series dealing with the Provinces of Canada, and will appear in many daily and weekly newspapers in the Dominion.

COLD CURED ICE

For the Halibut and Salmon Fleets

Following the investigations of the Fisheries Research Station the Company has just completed extensive changes and improvements in ice storage and ice delivery methods.

Ice for the boats will all be old ice, thoroughly cured or aged at new low temperatures. It will be delivered into the hold, even in the hottest weather, as cold as the storage room.

Fishermen are invited to inspect the new system. Better ice than ever before, at no increase in cost, means economy to the boat and improved quality in fish delivery.
