## TYING UP KING AND CANNERIES QUEEN SEE VANCOUVER

Elimination of Salmon Traps in Southeastern Alaska Being Insisted Upon

KETCHIKAN, May 30.—Unless twenty per cent of fish traps designated last year by the United States Bureau of Fisheries are eliminated, the Alaska Purse Seiners' Union and the salmon cannery workers' auxiliary will tie up southeastern Alaska cannery gear, it was decided at a meeting here Saturday night. The Sailors' Union of the Pacific is also backing up the demand. The next move has been put up to the Bureau of Fisheries or the salmon canners.

Wonderful Reception Was Accorded Their Majesties On Reaching Coast—Weather Was Cloudy

VANCOUVER, May 30: (CP)—Cheers thundered over the great seaport of Vancouver yesterday as King George and Queen Elizabeth nearing the end of their westward tour of Canada, received the homage of Canada's Pacific gateway.

His Majesty was off the train the first moment after it stopped he shook hands with Mayor J. Lyle Telford who was presented to him by Prime Minister William Lyon Mackenzie King. Then he shook hands with Mrs. Telford.

The Queen followed His Majesty in a sudden flash of sunshine through threatening clouds. She too shook hands with the mayor and Mrs. Telford.

Her Majesty wore a blue crepe ensemble, the sleeves banded with lace, and an off-the-face hat in matching blue. Her gloves, shoes and bag were grey.

The King wore the uniform of a chief of the Royal Air Force. It was the first time he had worn this uniform in Canada.

Royal Canadian Air Force guards stood across the platform on which there were only a few officials. Royal Canadian Mounted Police lined a red carpet which led from the train steps to the royal motor car.

A huge cheer rose as Their Majesties mounted to the street level from the depot platform of the Canadian Pacific Railway Station. The cheer almost drowned out the cannon which fired a twenty-one gun salute from Stanley Park. The crowd went wild with enthusiasm as the royal motor car appeared on the street.

The Queen walked with Mayor Telford to the car, the King following with Mrs. Telford.

The car left at once through a covered causeway to the street followed by a car carrying the Prime Minister. Behind came a Royal Canadian Mounted Police car, carrying Hon. Ian Mackenzie, the mayor's car and one for the King's assistant secretary.

The King stepped into the roadway near Pier B-C to inspect the guard of honor of the Seaforth Highlanders of Canada.

Before reaching the guard of honor the Queen raised her arm to point towards the mountains of the North Shore with the beauty of which she was evidently intrigued.

After the inspection of the guard, the Seaforth's band played "God Save the King" as the procession passed the guard which stood at salute. The King returned the salute.

Then followed the procession through the city to the City Hall for the official reception. Their Majesties lunched at the new Hotel Vancouver and there was another procession in the afternoon before they sailed at 5 p.m. on the Princess Marguerite for Victoria after being farewelled by Mayor and Mrs. Telford.

Passing out of First Narrows, the royal ship moved through a lane of fishing vessels and a formation of Indian war canoes manned by 400 representatives of coastal tribes, in which Their Majesties evinced much interest.

## King and Queen Reach Victoria In Downpour; Given Great Welcome

Inclemency of Elements Did Not Dampen Enthusiasm of Reception—Official Functions are Taking Place in Provincial Capital Today

### KING'S SPEECH TODAY

VICTORIA, May 30: (CP)—King George, in a public address here this afternoon at the provincial government luncheon in honor of himself and Queen Elizabeth over which Premier T. D. Pattullo presided, said that, when the world realized that prosperity lies in co-operation and not in conflict, he expects Canada will play an even larger part in extending friendliness between the east and the west. With the widening of Canada's role of international interpretation will come corresponding benefits to mankind, His Majesty said.

VICTORIA, May 30.—In the gaily bedecked and festive capital city crowded with many thousands of visitors from Vancouver Island points and nearby Washington State, Victoria gave a rousing welcome today to King George and Queen Elizabeth following their arrival in this, the western extremity of their tour of Canada, at 9 o'clock last night aboard the steamer Princess Marguerite from Vancouver. Their visit will end at 10 o'clock tomorrow morning when they embark aboard the steamer Prince Robert for New Westminster, in commencement of their eastward journey. While here the King and Queen are the guests of Lieutenant Governor and Mrs. Eric W. Hamber in Government House. Fine clear weather prevails today after showing last night.

There was a great reception as the royal ship steamed into Victoria Harbor last night. It had been conveyed from Vancouver by destroyers of the Royal Canadian Navy with planes of the Royal Canadian Air Force also accompanying her.

Provincial and civic heads greeted Their Majesties on arrival but, except for the inspection of a guard of honor, there were no formalities last night, these being reserved for today in order that the royal couple might have all opportunity possible to rest following their strenuous day at Vancouver.

Meeting the King and Queen at the wharf were Premier and Mrs. Pattullo, Lieutenant Governor and Mrs. Hamber and Mayor and Mrs. Gavin. Cheering thousands lined the streets leading from the wharf to Government House as Their Majesties passed by. A light drizzle turned to a downpour of rain by the time the royal party reached Government House.

This morning Their Majesties visited the City Hall and were received by Mayor and Mrs. Andrew Gavin.

The royal party drove to the legislative buildings from the City Hall. On their arrival they were greeted by the Premier and Mrs. T. D. Pattullo and taken to the chamber of the Legislative Assembly where members of the assembly, a number of officials and their wives were presented.

Leaving the legislative chamber, Their Majesties were conducted to a platform erected at the main entrance of the Parliament Buildings. There the premier read an address of welcome.

At 11:20 a.m. Their Majesties and those accompanying them in the procession left the legislative buildings and drove to Esquimalt where there was presentation of the King's Colors to the Royal Canadian Naval Station.

This afternoon at the Empress Hotel there was a luncheon by the Government of British Columbia where the King gave an address. Outside the hotel was a great

## British Columbia's Greeting

Go His Most Gracious Majesty  
**GEORGE VI**  
by the Grace of God of Great Britain, Ireland, and the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India.  
May It Please Your Majesty:

It is my humble privilege, on behalf both of the Government and of the people of British Columbia, to express to Your Majesty the pride and pleasure with which we acclaim Your Majesty's presence amongst us, and we welcome Your Majesty to this far western Province of the Dominion of Canada with heartfelt devotion and loyalty.

It is also my humble privilege to express the delight our people feel that Your Majesty is accompanied upon this memorable occasion by Her Most Gracious Majesty Queen Elizabeth, and to assure Your Majesty of the high esteem, warm affection and devoted loyalty with which Her Majesty is regarded.

We recall with pride that, almost a century ago, the city destined to become the capital of this Province was named "Victoria" in honour of Your Majesty's great-grandmother, Her Most Gracious Majesty Queen Victoria. We recall further that the Province of British Columbia itself bears the name chosen by Her Majesty Queen Victoria in the year 1858. For these reasons the loyalty and affection with which the people of our Province and of this city regard Your Majesty and your gracious consort will have an added significance.

The visit of Your Majesties to Canada is destined to be the more profoundly and historically memorable in that it constitutes the first occasion upon which the people of Canada and of this Province have had the privilege of greeting their reigning sovereign and his consort. It is our heartfelt hope that the memories of this visit of Your Majesties to our Province of British Columbia may, in the years to come, always remain filled with pleasant recollections of the spontaneous demonstration of the joy, loyalty and affection so clearly manifest in the hearts of our people.

We pray that the Almighty, in His Providence, will long spare Your Majesty to reign over us and will bless Your Majesties with health, with happiness and peace.

I remain, with profound veneration, Your Majesty's faithful subject and devoted servant.

*T. D. Pattullo*  
Prime Minister

Victoria, British Columbia, May Thirtieth, Nineteen Hundred and Thirty-nine.

Facsimile of the Address of Welcome read and presented to Their Majesties by the Honorable T. D. Pattullo, K.C., LL.D., Prime Minister of British Columbia, at Parliament Buildings, Victoria, today.

The design is built around the Royal Arms and embodies the Arms of Canada and of British Columbia. The scheme of ornamentation is the popular and pleasing Renaissance in which is featured the symbolic Rose, Thistle and Shamrock.

Rich lustre has been imparted by the use of real gold color and the whole ensemble is well in keeping with the occasion and with the dignity of the province. The Address is bound in handsomely tooled royal blue leather.

### SATISFACTORY CELEBRATION

The procession and the raising of the flag celebration yesterday proved a very satisfactory event carried out well. It was not exactly a civic affair although a civic holiday had been proclaimed. Many of those who would have contributed largely to such an event were away in Victoria taking part in the celebration there. As the Royal Couple did not come to Prince Rupert and had been in Canada for a week or two the celebration lost much of its force. All that was intended was to give the children something to remember and to take the place of what they lost by not going to Vancouver or Victoria. In that respect it filled a need.

### THE LONDON TIMES

One of the British newspapers that is giving a great deal of publicity to Canada is the London Times. It devoted a whole special number of large dimensions to telling about Canada and its resources with many fine illustrations, picturing particularly people and places that the King was to see. From a newspaper of the standing that this paper holds in the British Empire it must prove splendid advertising for the country. It should help to popularize Canada as a tourist resort for people of the British Isles.

## To Their Majesties— From British Columbia

By WINIFRED O. BRASS

Out of the deep they came, from the troubled shores of the Old Land, Out of the shimmering sea with its menace of fog and of ice-floe, Till the broad St. Lawrence bore them home on tender and turbulent bosom,

A King to the land that is his; A Queen, to the hearts of her people.

Ah! How the sternal fires leapt up on hilltop and headland, Flaming (as in old days) the joyous news "They are coming!" Ah! How the grey shores smiled, the very mountains were ringing, Till all of Canada seemed one voice, a mighty paean of Welcome.

So, from the East to the West, sweeps onward the royal procession, Leaving a golden trail of ancient glory and splendor, And that which dwells in all hearts, two gracious and beautiful people, Youthful and gentle and kind, God bless and protect them forever!

Long live the King—the Queen! White peaks of our British Columbia Echo the shout that swells to the sweet May skies in their honor; Homage of heart and soul we bring, 'mid scenes that live through the ages;

Our fervent prayer "God guard them home to the Motherland and their loved ones!"

Alpha Outplays Bet In Junior—Beta Wins Senior Game

On Saturday afternoon in the Booth Memorial High School inter-house football league games, the junior Alpha team completely outplayed the Beta team to win by a score of six goals to nil. Alpha House played nice football with clever combination of half backs and forwards and a strong defence. The Beta team deserved its sound trouncing. Scorers for Alpha were Eby, Wilson, Lee, and Postak (2). Bird deflected one through his own goal.

The senior game between the same houses was a much better game. It was well contested from start to finish and ended in a victory for Beta by a score of four to three. For Beta, Judge scored two goals and Helge Holkestad and Bussey scored one each. Nelson scored twice for Alpha, the other goal coming from an opposing player in a scrimmage around the Beta goal.

Referees were W. W. C. O'Neill and J. Clark.

### Free Yourself from Constipation!

The surest way to rid yourself of any ailment is to discover the cause and to overcome it. Constipation is caused, in the majority of cases, by a diet lacking "bulk."

If your usual menu is made up mostly of bread, meat, potatoes—in all probability your bowels lack the necessary "bulk." Purges do not give any lasting relief. Then eat Kellogg's All-Bran. It helps form a soft "mass" in the bowels that is favorable to "regularity."

A delicious, crisp and tasteful cereal, All-Bran is also one of the foods richest in Vitamin B, the natural intestinal tonic.

Eat All-Bran every day, drink lots of water, and regain your gait and well-being. Made in London, Canada by Kellogg. At all grocers.

For failing to stop at a stop sign, Gus Leighton has been fined \$3 in city police court.

Dr. W. T. Kergin sailed Sunday night on the Catala for Premier to pay a visit with his son and daughter-in-law, Dr. and Mrs. W. S. Kergin.

Rev. W. H. Pierce, veteran district missionary, will be the speaker tomorrow at the regular weekly luncheon of the Prince Rupert Gyro Club.

James Rainey and Walter Ironsides, charged with vagrancy by fighting on the street, were each fined \$5, with option of three days' imprisonment, in city police court today. Ironsides paid his fine. Rainey is doing the time.

## ENJOY THE FUN OF A BICYCLE-HIKE ON AN Easy-Running C.C.M.

BALMY DAYS, smooth roads, the miracle of Spring on every side— what could provide a more perfect setting for a bicycle-hike into the country on an easy-running C.C.M. bicycle? With a C.C.M. you can pedal through the country hour after hour and still be free of leg-weariness. This is because the three principal, fast-moving parts of a C.C.M. bicycle are made with great accuracy from the finest of steels, heat-treated to give extra hardness and, therefore, years of extra service. The finish on C.C.M. bicycles is as enduring as the mechanical parts—several coats of enamel baked-on; all bright parts chromium-plated over C.C.M. 20-year nickel.

Strong steel rims, rustless steel spokes and Dunlop tires add further to the high quality, long life and easy-riding pleasure of owning a C.C.M. Ask your C.C.M. dealer to show you the various C.C.M. bicycles and then choose the one which suits you best. C.C.M. models include track-racers, road-racers, delivery models, standard bicycles and the C.C.M. modern streamlined bicycle, the "Flyte". For the children, your C.C.M. dealer can offer you C.C.M. Joycycles, Bike-Wagons and sidewalk Bikes, all made as staunchly and with the same care and accuracy as C.C.M. bicycles.

### MAY QUEEN CEREMONIES

Miss May Skinner Crowned Last Night at Seal Cove Parish Hall

An outstanding feature in connection with the observance in Prince Rupert of the occasion of the King's visit to British Columbia was the May Queen celebration at Seal Cove Parish Hall last night. Upwards of two hundred persons packed the hall to overflowing. Of principal interest was the announcement of the winner of the May Queen campaign in the person of Miss May Skinner who was crowned with all due ceremony.

The proceedings began with captivating dancing numbers by Mrs. H. Hodson's pupils followed by songs by Miss Norma Letnes, Miss Margaret Fowler and Rev. A. C. H. Durnford, Harold Davey providing variety with accordion solos.

The announcement of the May Queen winner was made by J. E. Boddie immediately after which the Coronation procession commenced. The queen was invested with purple and white ermine over a beautiful white gown. Her maids of honor were Miss Hazel Toombs, a close runner-up, and Miss Irene Croxford. Trainbearers were Miss Kay Toombs and Miss Iris Hart. The crownbearer was Master Jimmy Flaten. The Lord Chancellor, Master Ole Slatta, in gown and white wig, led the procession to the throne. Mrs. W. V. Tattersal

crowned the Queen. A speech from the throne was made by the Queen, followed by remarks from the maids of honor, expressing appreciation of support given. The queen's suite retired to the dressing room amid great applause and later she kindled the bonfire. Mrs. W. O. Vigar and Mrs. George Kelsey were in charge of coronation arrangements.
