European Prospect More Peaceful

THE REAL SUFFERERS IN SINO-JAPANESE WAR

War, neither respecter of age nor caste, holds human life in little regard when military machines attempt capture of foreign goods or soil, as seen by the above photo. This aged woman and the little girl are only two of the many innocent victims of the Japanese invasion of their homeland. Their faces reflect the terror and hunger of war.

MUSSOLINI HOLDS OUT OLIVE BRANCH IN SPEECH BEFORE GREAT MULTITUDE

Says Nothing To Further Complicate International Situation or to Commit Himself to Anyone

ROME, March 27.—A conciliatory tone marked Premier Benito Mussolini's speech yesterday before a multitude of 60,000 Fascist supporters in the Olympic Stadium of the Forum. He reiterated that Italy did not want war and would prefer to achieve her aims by peaceful means. Some observers called it Mussolini's most important speech in years.

Mr. Duce said nothing to further disturb the political situation in Europe nor to complicate his position in foreign relations. In fact, the tone of his utterances should have the opposite effect to that of discord. He left the way open for negotiation by Italy with all nations. He burned no bridges. He maintained his support of the Berlin-Rome axis without indicating he was irrevocably committed to it. He even intimated the possibility under certain circumstances of Italian neutrality in the event of European war involving Germany.

Mussolini left the way open for negotiation with France on territorial claims and suggested that the barrier of the Spanish civil war no longer existed between the two nations. The way now seemed clear for Italy to put up a concrete proposition for France to accept or reject.

Mussolini, whose speech was of the usual virile type with bursts of gesticulation, was accompanied a wild reception with thunderous applause and cries of "Viva Il Duce." He has lost none of his personal force and magnetism. The enthusiasm with which he was received had every indication of spontaneity.

Unbelief Great Church Obstacle

Might No Be Actively Opposed But Influence Could Be Felt In Negative Way

"Unbelief is one of the greatest obstacles in the way of those working for the Kingdom of God," said Rev. H. G. Funston in First Presbyterian Church yesterday. Unbelief was not actively opposed to religion or church as were communism and nazism but its way, to serve God, said the pastor, one must accept through faith certain things that one's reason might reject. He pointed out, however, that many things which were practical realities today might have been deemed impossible and fantastic at one time.

New Halibut Regulations Received Here—Skipper Payne Doubling Power in His Cruiser Avoca

"The catch of halibut to be taken during the season of 1939 from Area No. 2 shall be limited to approximately 22,700,000 pounds and from Area No. 3 to approximately 25,300,000 pounds, if the International Fisheries Commission shall at any time so decide, the catch shall not be limited separately to Areas No. 2 and 3 but shall be limited to 48,000 pounds from the combined Areas No. 2 and 3," decree regulations of the International Fisheries Commission for this season which have just been made public and preliminary announcement of which was made in the Daily News last week. The close season this year ends March 31 and "shall begin at 12 midnight of November 30 unless an earlier date is determined upon" of which due notice shall be given. Copies of the 1939 regulations which have now been received at Prince Rupert intimate particulars as to last departures of vessels, retention of halibut taken with other fish during closed seasons in the fall, issuance of licences and permits, statistical returns, closed small halibut grounds and types of gear which may or may not be used. These regulations, as stated before, are largely similar to last year.

Union steamer Catala, Capt. James Findlay, arrived in port at 9:15 last night from Vancouver and waypoints and sailed at 11 p.m. for Stewart, Anyox and other northern points whence she will return here tomorrow morning southbound.

Armour Salmage Co.'s power tug Pachena, Capt. Reg Green, returned to port at noon yesterday, bringing in a scowload of gravel from Hastings Arm to be used in construction of the new Dybhavn & Hanson building.

C. P. R. steamer Princess Louise, Capt. William Palmer, southbound from Skagway to Vancouver, is due in port at 3:40 this afternoon from the north and will sail at 5 p.m.

H. V. Morehouse, district manager of B. C. Packers, came north from Vancouver to Namu on the Catala at the end of the week and next week will be in Prince Rupert district. His trip is in connection with organization for the forthcoming salmon fishing season.

Skipper J. J. Payne is out for more speed. He is having a new 60 h.p. Universal engine installed in his cruiser Avoca, replacing a 35 h.p. motor of the same make. He has in mind the saving of time in commuting to Shawatlans this season.

First vessel of the Prince Rupert halibut fleet to get away to the banks this year, the Takla, Capt. Chris Parkvold, sailed yesterday. She will be on Area No. 3 by the time the season opens on April 1, this Saturday. The Sea Maid, Capt. Henry Dolron, is leaving today.

BIG CROWD FOR DANCE

No Less Than Three Hundred At Farewell Affair For Fishermen Thursday Night

Some three hundred persons were in attendance at the fishermen's farewell dance staged Thursday night by the Sons of Norway in the Oddfellows' Hall, the affair being most enjoyable and a complete success in every way.

Dancing commenced at 9:30 p.m. and it was 4:30 in the morning before the party broke up. Ole Skog was in good form as master of ceremonies and kept the big crowd moving rapidly to the strains of fine music by Hadland's Orchestra. Refreshments were served at midnight.

The committee responsible for the success of the affair consisted of Mr. and Mrs. Knut Slatta, Mr. and Mrs. J. Ellertsen, Mrs. John Murvold, Mrs. J. Anderson, Mrs. Chris Jensen, Claus Aune and H. Petersen.

IS LIVELY AND FUNNY

Merle Oberon And Gary Cooper Top Cast of Comedy Romance "The Cowboy and The Lady"

A lively romantic comedy, "The Cowboy and the Lady," comes to the screen of the Capitol Theatre here on Monday, Tuesday and Wednesday of this week with Merle Oberon and Gary Cooper in the leading roles.

The flashing, brunette beauty of Miss Oberon is a new and exciting foil for the romantic, outdoor type personified by Cooper. She is an unconventional society debutante and he is a roving cowboy. They marry and then things begin to happen in a fun-provoking way.

Supporting Cooper as the bronzed he-man from the sagebrush and Miss Oberon as the madcap modern girl is a cast which includes such popular screen figures as Patsy Kelly, Walter Brennan, Mabel Todd and Fuzzy Knight. Pictorial brilliance of the great outdoors both in the East and West is depicted by the settings.

HAZELTON

Peter Dick of Glen Vowell passed away on Friday at the age of twenty-four years. Peter Highmar-dam's son also died at Glen Vowell on Friday.

Natives of Hazelton and Kispiox started out for the trapping grounds at the end of the week and will not be back until May. Sam Gun-a-Noot has left for Stewart.

Do You Know Why You are Constipated?

Some days aren't you disgusted with everything—don't you feel worn out, depressed, weary—because of your constipation? Why not look for the real cause of your ailment?

What have you eaten lately? Bread, meat, potatoes? In that case don't look any further. You probably suffer from lack of "bulk." And "Bulk" doesn't mean quantity, but the kind of food that is not completely assimilated and leaves a soft "mass" in the bowels that helps the bowels move.

If your diet lacks "bulk," the solution is a bowl of Kellogg's crisp All-Bran for breakfast every day. It contains the necessary "bulk" and Vitamin B₁, the natural intestinal tonic. Eat some All-Bran every day, drink lots of water and become "regular." Made in London, Canada, by Kellogg. At all grocers.

"Lady, YOU'RE AN ORNERY CRITTER... BUT YOU'VE SURE GOT ME HOG-TIED"

She wasn't his kind of woman at all! He knew more about loco steers than he did about playgirls from the East, with their champagne and fancy clothes and funny talk. But he found out plenty!
