DELIVERING MAIL HERE

Matter Again Before Junior Chamber of Commerce—Favor Excursion to Stewart—Start Port Day Plans

The possibility of a city postal delivery service being established in Prince Rupert was again revived at the regular monthly dinner meeting of the Junior Section of the Prince Rupert Chamber of Commerce last night with the reading of correspondence on the subject between W. J. McCutcheon of this city and the postmaster-general, Hon. Norman McLarty. Mr. McCutcheon had sent to Mr. McLarty a clipping from the Daily News advocating the delivery service. Mr. McLarty had replied stating that he appreciated the suggestion and would obtain a report from the department on its practicability. A committee consisting of C. G. Ham and Alf Rivett was named to follow the matter up.

The Junior Chamber endorsed a proposal that the annual Labor Day excursion of the Canadian National Steamships be run this year to Stewart instead of to Ketchikan. Correspondence on this subject from Arthur Brooksbank, secretary of the Prince Rupert Chamber of Commerce, and A. Russwurm, secretary of the Stewart Board of Trade, was read. The latter told of arrangements that were already being considered to entertain the excursionists should the trip from Prince Rupert to Stewart be arranged including sports, drives to points of interest, dances, etc.

The question of giving assistance to the fund for the sending of local school children to Victoria at the time of the visit of the King and Queen was brought up by Stan Saville, secretary of the central committee on this matter. After some discussion, it was decided that the assistance of the Junior Chamber should take the form of voluntary subscriptions from the members, a committee consisting of Bob Tobey, Stan Saville and Martin van Cooten being delegated to canvass the subscriptions.

For the clean-up and paint-up campaign committee, Ross Ingram reported that there had not been the measure of civic support which might have been hoped for. The Junior Chamber decided by resolution that, unless adequate civic support is not in future forthcoming, this undertaking will be dropped.

The Junior Chamber decided to sponsor a Traffic Safety Week from May 7 to 13 with a committee in charge consisting of J. H. Connell, Frank Comadina, Jack McRae, Fred Whyte and Lawrence Pierce. The chief of police or other officers will address the school children, the matter will also be taken up through the Sunday Schools and there will be publicity and propaganda efforts.

Port Day Plans

Preliminary arrangements for another Port Day in Prince Rupert this year will be launched at a meeting to be held on Thursday night of this week.

J. C. Gilker, chairman of the trade and commerce committee, again mentioned the subject of the marking of "Made in Canada" goods. Another Japanese subterfuge which has been found was the marking of Japanese canned fish with "Can" evidently in the effort to leave the impression that it was Canadian.

Bob Tobey mentioned that he had been appointed to an Alaskan Highway committee but that was all he had heard about it. He thought some action might be in order.

There was correspondence from Arthur Campbell, secretary of the Junior Chambers of Commerce of Canada, regarding the annual con-

TO AMEND OLD CODE

Napoleonic Statute Found To Be Contributing To Small Families In France

PARIS, May 3.—The "Code Napoleon," a statute made over one hundred years ago, which it is held tends to race suicide in France, is to be amended. The main provision of the code is to divide estates equally among children. Thus what were once large estates have now come to be divided into small plots, in some cases too small to permit of economic farming. The tendency of late has been to small families in order to obviate the further dividing up of the estates.

Rent Allowance Cut; Evictions May Be Outcome

SEATTLE, May 3.—More than ten thousand families in Seattle may be faced with eviction as a result of the cutting of the relief rent allowance here. Efforts are being made to have the house owners forego resorting to eviction pending some settlement of the question being reached.

Aviatrix Widower To Be Remarried

Engagement of George Palmer Putnam To Los Angeles Socialite Is Announced

LOS ANGELES, May 3.—Engagement is announced of George Palmer Putnam, widower of Amelia Earhart Putnam, who was lost in a trans-Pacific flight two years ago, to Miss Jean James, a wealthy young socialite.

TODAY'S WEATHER

Prince Rupert—Cloudy, calm; barometer, 30.16 (rising); temperature, 43; sea smooth.

Triple Island—Cloudy, easterly wind, four miles per hour; sea smooth.

Langara Island—Overcast, calm; barometer, 30.12; temperature, 42; sea smooth.

Dead Tree Point—Broken clouds, calm; barometer, 30.19; temperature, 43; sea smooth.

Bull Harbor—Cloudy, calm; barometer, 30.16; temperature, 43; sea smooth.

Alert Bay—Overcast, calm; barometer, 30.30; temperature, 42; sea smooth.

Estevan—Cloudy, northwest wind, four miles per hour; barometer, 30.16.

Victoria—Fair, southerly wind, ten miles per hour; barometer, 30.16.

Vancouver—Fair, easterly wind, eight miles per hour; barometer, 30.16.

Prince George—Cloudy, westerly wind, four miles per hour; barometer, 29.96.

NATURALLY MOUSY

LONDON, May 3. (CP)—"Social embarrassment" and nervous shock were suffered by Alice Thistle when she discovered a dead mouse in an odorless coat she had just bought. She sued the retailer for £100 (\$470)—and got a guinea.

vention in Winnipeg in September and other matters.

Guests at the dinner included Bert Fiddes of Vancouver, Frank Skinner, James Sadler, Ken Harding and Tom Johnstone.

Bulletins

CANADA'S PROTECTION

OTTAWA—Senator C. C. Ballantyne, a former minister of marine, urged yesterday that Canada should greatly increase her naval defences. He quoted words that had been said in this regard by the late Admiral Lord Jellicoe.

CARIBBEAN DEFENCES

WASHINGTON, D. C.—President Franklin D. Roosevelt, returning yesterday to Washington after spending a few days at his Hyde Park home in New York, said that the increased danger of attack from the air made it very important that the Caribbean sea should be more adequately defended. Not long ago, the President made a cruise of the Caribbean.

PATRICIDE CHARGED

HALIFAX—Sixteen year old Charles Rutherford was committed for trial here last night on a charge of murder in connection with the shooting of his father on March 30.

SUES HIS WIFE

NEW YORK—John Barrymore, actor, sued his wife, Elaine Barry, asking for an accounting of their funds. They were separated a few days ago.

SIR EDWARD'S ADDRESS

MONTREAL—Sir Edward Beatty in his presidential address to the shareholders of the C. P. R. said Canada still offers one of the greatest fields in the world for the expansion of population and development of natural resources. He predicted that the company may look forward with confidence to the immediate and distant future more than the railways of most other countries. Sir Edward reflected the tone of the entire board.

DOCTOR COERCED

CHICAGO—Pals of a wounded gunman, one of two who killed a man and wounded two policemen in an attempt to hold up a tavern, forced a physician at the point of a pistol to remove a bullet from the robber's back with a razor blade.

DEMAND FROM JAPAN

TOKYO—Renzo Sawada, vice-minister for foreign affairs, presented to the British and United States ambassadors demands that the Shanghai municipal council, the governing body of the international settlement, be reorganized to give the Japanese a larger voice in affairs and more complete control of terrorism in the settlement.

Terrace Children May See King And Queen This Month

TERRACE, May 3.—It is likely that two Terrace High School pupils will be able to travel to Vancouver to see the King and Queen when they visit that city this month. An anonymous donor has offered the sum of fifty dollars to help defray the expenses of the trip on condition that other people put up another fifty. The pupils selected by popular vote among the students are Johann Seaton and Miss Evelyn Neidrick.

PATIENT CHOOSER

LONG MELFORD, Eng., May 3. (CP)—Marriage is no gamble with George Boar. He considered nearly 1,000 offers of marriage before he accepted a 30-year-old London girl.

TO CONDUCT HALIBUTTER IN RESCUE

Arrangements Made For Salvation Army To Take Charge of Indigent Hostel Here

Arrangements have been made whereby the Salvation Army will conduct for the city the home to be opened in the Dyer Apartments for indigents being removed from the Prince Rupert General Hospital. The home will be opened on May 20 with Capt. and Mrs. A. R. Suddaby, from Canyon City on the Naas River, temporarily in charge. At the start, there will be eight persons in the home. This arrangement with the Salvation Army may lead to the establishment of a district home in Prince Rupert for elderly people.

State May Take Over Policing Of Kansas City

JEFFERSON CITY, Missouri, May 3.—Legislation is now under consideration whereby the state would take over the policing of Kansas City.

Three Killed In Airplane Crash

Pilot, Reporter and Photographer of Memphis Lose Their Lives

GRANADA, Mississippi, May 3.—An airplane from Memphis, Tennessee, crashed here yesterday and all three occupants—George Stokes, pilot; John Crump, newspaper reporter, and Ted Northing, photographer—were instantly killed. The crash was caused when the pilot swerved to avoid hitting children.

BOYS' WORK IMPORTANT

Junior Chamber of Commerce Hears Impressive Address—Urges Support For Local Leaders

The importance of preventative rather than redemptive work among boys was stressed last night by Bert Fiddes of Vancouver, organizer of boys' work for the Religious Education Council of British Columbia, in speaking before the Junior Section of the Prince Rupert Chamber of Commerce at its regular monthly dinner meeting. President A. S. Nickerson in the chair. Preventative work was much less costly than the redemptive and might save many heart-broken parents the agony of seeing their boy or girl go wrong. "How much," asked the speaker "would you take to have your boy or girl besmirched? A hundred dollars, a thousand dollars or any amount of money? Of course you would not take any money. But what are you doing to help those people in your community who are giving of their time and effort in work for the young people? Let me tell you that the lack of support they are given is most disheartening. They are deserving of all the assistance and co-operation you can give. Never was this work more important than it is today."

Mr. Fiddes spoke of some of the problems in bringing up boys in these times. Boys must do something and there was the problem of what they should do. If they were not guided in the right direction, they were bound to go in the wrong. Changing conditions changing viewpoints, changing customs.

Nazis-Fascists Spend Millions On Propaganda

WASHINGTON, D. C., May 3.—Samuel Dickstein, Democratic congressman for New York, stated yesterday that Nazi and Fascist organizations had spent \$50,000,000 on propaganda in the United States during the past five years.

INVITED BY GIRL GUIDES

TORONTO, May 3. (CP)—Special guests invited to the National Girl Guide Camp at Rothesay, N. B. July 14-21, include The Princess Royal (Mary), President of the Imperial Association; Princess Alice of Athlone; the Chief Guide, Lady Baden-Powell; Mrs. Frederick Brooke, President, Girls Scouts of America; Lady Walwyn, Chief Commissioner for Newfoundland; and Dame Katharine Furse, Director of the World Bureau.

Britain and Germany Are Both Attempting To Line Up Nations

Hitler Invites Scandinavian Countries to Join in Non-Aggression Pact—Chamberlain Would Welcome Reich and Italy

LONDON, May 3. (CP)—While Chancellor Adolf Hitler of Germany was seeking to form a neutral bloc of at least six nations across Northern Europe, including the Scandinavian countries, Prime Minister Neville Chamberlain indicated in the House of Commons today that Germany and Italy would not be excluded from Europe's anti-aggression front if they showed willingness to participate in the general objective of the scheme. Mr. Chamberlain said that the British government was certainly ready to consider proposals for an exchange of reciprocal assurances with Germany.

AROUND EUROPE TODAY

WARSAW—Poland is doubling its army strength and is preparing to grant dictatorial powers to the President for any emergency.

ROME—King Victor Emmanuel of Italy sent a message yesterday to King Farouk of Egypt pledging respect of the Egyptian frontiers and integrity.

DUBLIN—Premier Eamonn de Valera said yesterday that Eire would oppose in the strongest terms any move to impose conscription upon the country.

LONDON—The foreign secretaries of Great Britain, France and Russia are reported reliably to have arranged to meet at Geneva on May 15 in an effort to find a common way of stopping further European aggression.

WOULD KEEP OUT OF WAR

Bloc Of United States Senate Would Keep Congress in Session To Ensure This

WASHINGTON, D. C., May 3.—A United States Senate peace bloc has instituted a move to keep Congress in session as long as the present international tension continues in order to ensure against the country becoming involved in any European entanglements. Senator Hiram Johnson of California and Senator W. E. Borah of Idaho are among the supporters of the move.

Physicians Are Under Suspicion

Being Investigated in Connection With Philadelphia's Insurance Murders

PHILADELPHIA, May 3.—Several physicians are now being investigated in connection with the probe of Philadelphia's "insurance murder" conspiracy which has resulted in several arrests.

Halibut Sales

CURIOUS ACTION

A curious report was made by a committee of the Prince Rupert Chamber of Commerce Monday evening. The chairman announced that, as they knew nothing about the subject, they refused to give an opinion. Usually lack of knowledge seems to be the reason for giving an opinion or taking action. The person who knows least is apt to talk loudest.

COURTESY PAYS DIVIDENDS

The address of T. W. Brown at the Chamber of Commerce dinner this week draws attention to the fact that courtesy pays whether it be in the treatment of tourists or in business. Mr. Brown suggested that one pleased tourist was likely to be more effective advertising than many dollars expended in paid publicity.

Thousands of tourists visit Prince Rupert every summer. Some of them come because they have read about the country but most of them come because someone has told them how much they enjoyed a similar trip. It is wonderful what a difference a little courtesy can make to enjoyment. Sometimes it is only showing a visitor where to go or giving desired information about the city or district. It pays in making people anxious to see the city.

FELICITATIONS TO C.C.F.

The C.C.F. has won a notable victory in Vancouver where Mrs. Stuart Jamieson defeated the rest of the field in a provincial by-election. So far as the government is concerned the loss means little for it still has a preponderant majority but it means a lot to the C.C.F. in prestige. It will encourage them to continue their efforts in what they believe to be the best policy for the province.

It is mostly results that count, so far as elections are concerned. Many people, it is suggested, would like to give the present government a job who would not like to see the government defeated at a general election.

CONSERVATIVE GAINS

Congratulations should also go to the Conservatives who made a strong gain since the previous election and who came very near to winning.

With C.C.F., Liberals and Conservatives almost equal, it seems probable that, had there been only one of the old party candidates in the field, the Co-operative Commonwealth would not have had a look in. However, in the big centres there usually are a number of candidates.

LOU GEHRIG FRASER IS TAKES REST SKI HEAD

Long Continuous Playing Record Ended Voluntarily Yesterday By Great Yankee First Sacker

DETROIT, May 3: (CP)—Voluntarily benching himself yesterday, Lou Gehrig, the New York Yankees' durable first baseman, ended his great record-breaking string of playing in consecutive games without a miss at 2,130. I was the first game in which Lou had not played since June 1, 1925, when he was called upon as a pinch hitter for Peewee Wanninger. In spite of Gehrig's absence the Yankees swamped the Detroit Tigers by a score of 22 to 2. Manager Joe McCarthy said that Lou could return to the line-up as soon as he wished. "There are plenty of games in him yet," McCarthy said. The victory put the Yanks back into exclusive lead of the league although the margin is only mathematical over the Chicago White Sox who won over Philadelphia Athletics.

Although beaten two to one by the St. Louis Cardinals in a close contest, the Boston Bees continued on top in the National League. The victory put the Cards into a tie for runner up position with the Cincinnati Reds who lost to the New York Giants 8 to 7.

Yesterday's Big League scores:

National League	
Cincinnati 7; New York 8.	
Pittsburgh 3; Brooklyn 2.	
Chicago 1; Philadelphia 6.	
St. Louis 2; Boston 1.	
American League	
New York 22; Detroit 2.	
Philadelphia 1; Chicago 4.	
Boston-Cleveland, postponed on account of cold.	
Washington 9; St. Louis 7.	

Annual Meeting Of Mount Oldfield Club Last Evening

The Mount Oldfield Ski Club held its annual meeting last evening in the City Council Chamber with President William Elkins in the chair. After the reading of the financial statement and minutes of the last annual meeting by the secretary, the activities of the past season, which had proven one of the most successful since the club's organization, were reviewed by the president. Election of officers for the ensuing year then took place resulting as follows:

- Honorary President, Col. J. W. Nicholls.
- Honorary Vice-President, W. H. Tobey.
- President, Tommy Fraser.
- Vice-President, Bert Bartlett.
- Secretary-Treasurer, Miss Lucille Brooksbank.
- Executive—Mrs. S. Elkins, Miss Eileen Green, William Elkins and Harry Edgar.

With the newly elected officers, taking over the duties, discussion of plans for the ensuing year took place and a work committee was formed consisting of Bert Bartlett, Ronald Minion, Fred Whyte and Earl Gordon. After adjournment, through the courtesy of Dr. R. G. Large, the club members were entertained by the showing of colored moving pictures of skiers in action on Mount Oldfield and also of an expedition into Khatada Lake by courtesy of F. A. MacCallum.

GO BIG IN PRO BALL

Two Former Smithers Pitchers Start Off Season Impressively

SMITHERS, May 3:—Two former Smithers baseball pitchers have started the season impressively in professional baseball.

Ernie Kershaw, who pitched for the Smithers team while teaching school here, made his professional debut with the Vancouver Capitanos when he shut out the Yakima Pippins in the Western International League opening game in Vancouver.

A real Smithers boy who is making good is big John Carpenter. To date he has pitched and won four games for the Bisbee Bees in the Arizona-Texas League. In winning the four games he has registered 44 strike-outs and twice has been within one of tying the league record of fifteen. This is Carp's third season in professional baseball.

On August 8, 1936, Carpenter came within an ace of pitching a no-hit no-run game against Prince Rupert. He "went perfect" until, with two out in the ninth inning, Bill Lambie dropped a hit just inches inside the foul line in left field.

HOW A BURNING MATCH TELLS WHICH TIRE GIVES THE QUICKEST NON-SKID STOPS

There's no more helpless feeling than when your car starts to swerve and skid on a wet, slippery road. Why not investigate the new Goodrich Silvertown... the tire that stops you quicker on a wet pavement than you've ever stopped before!

The tire even looks different. Your Goodrich dealer will tell you the Life-Saver Tread sweeps wet roads so dry you can light a match on its tracks! Yes, when a tire sweeps wet roads so dry you can actually light a match on its track that's plenty of proof it can be depended upon in emergencies to give you a quick non-skid stop!

WHEN A CHILD darts across your path in a blinding rain—when a train suddenly looms ahead at a crossing—in a hundred and one situations you may meet on a rainy day—think what it will mean to have tires on your car that really dry the road. Yes, when quick non-skid stops are a MUST, here is the tire that will give you the quickest ones you've ever had! And here's the proof!

In two series of non-skid tests of regular and premium-priced tires of the six largest tire manufacturers, including new tires which have just been introduced, Pittsburgh Testing Laboratory reports:
 "The new Goodrich Silvertown with the Life-Saver Tread gave greater skid resistance than any other tire tested, including not only the old established tires of these manufacturers—some listed up to 40% higher in price—but also the new tires which were recently tested under the same road conditions."

Double Protection

And just as this new Goodrich Safety Silvertown gives you the greatest skid protection ever offered, it gives you still another

feature that for years has been a sensational life-saver—the famous Golden Ply blow-out protection!

No Extra Cost

You might expect to pay more for this double protection, but remember, both the skid protection of the Life-Saver Tread and the famous Golden Ply blow-out protection are yours in Silvertowns at an extra cost. The next time you buy tires—buy safety—buy Silvertowns!

QUICKER STOPS! HERE'S THE SECRET:

Goodrich engineers tested tread designs by the hundred. Finally they developed this Life-Saver Tread that acts like a set of windshield wipers. As the row upon row of never-ending wipers, spiral bars roll over a dangerous film of water, spiral bars roll right and left—force it they sweep the water right and left—force it out through the deep drainage grooves—make a dry track for the rubber to grip. No wonder this new Goodrich Safety Silvertown will stop you quicker, safer on a wet pavement than you've ever stopped before!

BOYS' WORK IMPORTANT

(Continued From Page One)

toms brought their new problems. The automobile, the girl, liquor, these were some of the sources of trouble. In this so-called age of progress and speed, there might be a tendency to throw overboard some of the things that were really good.

Too Much Given

Today, Mr. Fiddes said, boys had privileges which not so many years ago had never been thought of. Was it for their benefit that they got so many things unearned? Sponsorship, the speaker thought, could be overdone. Boys could not be developed by giving them everything. That would make them only "gimme boys." Mr. Fiddes sounded a warning to service organizations against lavishing material things upon boys without endeavouring to solve their problems or build up their character and personality. "Before putting your money in equipment, it is important that you should ensure that the equipment is going to be looked after, and that you have someone to contact personally. I say that it would be far better for you to pay a man without equipment to organize the boys than to spend thousands of dollars in equipment."

"There is a real challenge today to do something definite and constructive for boys," asserted Mr. Fiddes. "You can do your part by helping the organizations we are establishing in your city, by lending your support, moral and active, to those men who are giving their time and effort in boys' work. The best insurance is that of human personality. There never was a time when it was more important that you should stand behind the church in its efforts to help your boy and your girl along the right direction in life."

F. A. MacCallum heartily endorsed what had been said by Mr. Fiddes. He had taken some interest himself in boys' work and realized the need for leadership. He was in accord with the idea that boys should be encouraged to earn things for themselves.

A. S. Nickerson, the president, acknowledged that all must have been impressed by the address of thought it had provided. Possibly, the Junior Chamber might appoint a committee to give what assistance it could in this valuable boys' work.

C.P.R. steamer Princess Louise, Capt. S. K. Gray, northbound from Vancouver to Skagway, is due in port at 8 o'clock tomorrow morning and will sail at 9:30 a.m.

AFTER 40

... your kidneys tend to slow up. If these blood filters become inflamed, excess acid stays in the system. Needle pointed acid crystals lodge in joints and muscles setting up irritation and rheumatic pains. Take Gin Pills to stimulate kidneys and get prompt relief.

TERRACE

Harry Attree arrived Monday night from Prince Rupert for a short visit to his home here.

Weather has been cool and cloudy during April. In the surrounding woods it does not require much searching to discover an odd patch of snow even at this late date.

R. L. McIntosh of Prince Rupert has arrived at his summer home "The Crossways," at Kitsumkalum.

KITSEGUKLA

There were pole camp activities recently. A very enjoyable flower social was held in the McDames Community Hall arranged by the "Red Wing Club." Delicious refreshments were served at the close and the evening ended with an old-time dance. Fred Sampare gave a social evening and a dance to celebrate the closing of his pole camp, local boys supplying the music.

Croft Brook returned to the city on the Prince George today from a brief trip to Vancouver on Standard Oil Co. business. Mrs. Brook returned with him.

Bringing in a good-sized list of passengers, C.N.R. steamer Prince Rupert, Capt. H. E. Neddin, arrived in port on time at 10 o'clock this morning from Vancouver, Powell River and Ocean Falls and will sail at 4 o'clock this afternoon for Anyox and Stewart whence she will return here tomorrow evening southbound.

ANYOX

Dr. Gilbert, Consolidated Mining & Smelting Co. geologist, arrived last week.

Mr. D. T. Evans was an outgoing passenger for Big Missouri.

J. Salmon and J. Coccimiglio, old-time residents of Anyox, have left for Prince Rupert.

The P.M.L. 4, with Game Warden Ed Martin in charge, arrived in port for a visit.

Rev. A. L. Anderson returned to Stewart last week after a visit here on ecclesiastical duties.

Daylight Saving Here Is Discussed

Idea Discussed by Junior Chamber of Commerce Last Night

Sam Jurmain, at the meeting last night of the Junior Section of the Prince Rupert Chamber of Commerce, advocated inauguration of daylight saving in Prince Rupert and was relegated as a committee of one to pursue the subject further. Possibly it will be taken up with the Senior Chamber.

The Junior Chamber members seemed to be by no means favorably disposed to the daylight saving idea. It might cause considerable confusion and, in view of the long evenings here anyway, did not appear to be altogether necessary.

The Misses Elizabeth and Mamie McCall of Ayr, Scotland, who are on a trip around the world and have been spending the winter in New Zealand, arrived in the city on the Prince Rupert this morning from the south and will proceed on this evening's train to Pacific where they will visit for the next two weeks with Mrs. Thomas McCubbin. Later they will tour Canada and the United States. Mrs. McCubbin arrived on last night's train from the interior to meet her guests.

Capt. James Watt and members of the crew of the steamer Prince Charles, which is to be taken to Vancouver about the middle of this month after having undergone annual overhaul at the local dry dock, arrived in the city from Vancouver on the Prince Rupert this morning.

Constipated? Get rid of the cause!

Doctors know that the cause of your constipation is probably easy to find, if, like too many people, you eat—bread, meat, potatoes. Perhaps your diet does not form enough "bulk." And "bulk" does not mean quantity of food, but the kind of food that is not completely assimilated and leaves a soft "mass" in the bowels, that helps the bowel movement.

If this is your case, the solution is a crisp cereal for breakfast—Kellogg's All-Bran. All-Bran helps form the necessary "bulk" and contains Vitamin B₁, the natural intestinal tonic.

Eat All-Bran every day, drink lots of water, and see life through rose colored glasses. Made in London, Canada, by Kellogg. At all grocers.

COLD CURED ICE

For the Halibut and Salmon Fleets

Following the investigations of the Fisheries Research Station, the Company has just completed extensive changes and improvements in ice storage and ice delivery methods.

Ice for the boats will all be old ice, thoroughly cured or aged at new low temperatures. It will be delivered into the hold, even in the hottest weather, as cold as the storage room.

Fishermen are invited to inspect the new system. Better ice than ever before, at no increase in cost, means economy to the boat and improved quality in fish delivery.
