MANAGER

Expression of Opinion Regarding Future City Administration Was Definite In Plebiscite Yesterday

The municipal voters of Prince Rupert, in plebiscite yesterday, emphatically recorded themselves as being in favor of a form of city managership under an elective body which shall determine general policy. The vote was 404 in favor of a city managership plan and 42 against.

The next step will be to devise more detailed plan for the putting into effect of the city manager scheme and, in that connection an early visit from the minister of municipalities, Hon. A. Wells Gray, is anticipated.

The hope is to have legislation the change in form of city gov-

he will be relinquishing his Germany and, particularly, her duties at the end of this year.

cautions.

How different was the situation 25 years ago when after nearly three months of breath-taking hostilities the great German drive through Belgium and Northern France had been frustrated. Little wonder that a hard-reading modern world finds itself puzzled by the lack of sensational battles on land and sea as in these hectic days.

The military experts have called it a war of movement-movement it was, so fast it was difficult to keep pace with events In their shattering drive through Belgium, PARIS- Paris had its first the Germans captured Brussels, complete black-out last night. Antwerp, Ghent and scores of cities, Not a glimmer of light was per- towns and villages before the movemitted. There were no air raid ment culminated in the long drawn alarms, nor did any bombing out and bloody encounter known as the First Battle of Ypres

Saved Channel Ports

In those opening months Britain's "contemptible little army," so dubbed by Kaiser Wilhelm, won for itself undying fame as it fought side by side with heroic Belgian and French defenders against overwhelming odds. Off Belgium's coasts, The Canadian Press recalls. British monitors, shallow-draught gunboats, shelled German troops and played a big role in frustrating their drive to the North-Sea

The genius for quick improvisation showed constantly in those months by Allied generals but never more dramatically than in the mobilization of General Joseph Simon Gallieni's "taxi-cab army" that rushed out to aid the "Old Contemptibles" in the defence of Paris at a critical juncture

Popular Smithers Couple Married

SMITHERS, Oct. 20 .- A wedding of considerable local interest took place in the Anglican Church in Smithers on Monday afternoon when Miss Winnie Hann became the bride of George Robinson. Both have grown up in Smithers and are well known by everyone locally. Miss'Hann has been a popular clerk in Eby's Hardware store for several years while Mr. Robinson is a local carpenter. They left immediately by motor car for a short honeymoon and will reside on Broadway Avenue when they return to Smith-

PICTURES

Excellent Double Bill Being Presented At Capitol Theatre Together With War News Reel

Two outstanding pictures-"Bulldog Drummond's Secret Police," another of the popular detective series with John Howard in the title role, and "Love Affair," another delightful romance with Irene Dunne and Charles Boyer, comprise a double bill picture program at the Capitol Theatre tonight. An added attraction is a news reel featuring war scenes in England and France.

Boasting the unusual setting of an ancient English castle where the detective and friends have rethered to celebrate his marriage Bulldog Drummond's Secret Police" develops into a thrilling and imysterious criminal hunt when vast 300-year old treasure is found buried far beneath the castle and the woman who found it is murdered. Howard has as his fellow players Heather Angel, H. B. Warner, E. E. Clive, Reginald Denny and Elizabeth Patterson

"Love Affair" is the story of the From the Eastluxury loving fiancee of a wealthy business man who sends her on frequent trips to Europe to collect art objects for him. She meets a notorious continental playboy and Daily advertising m us be a romance develops which sweeps News is sure to bring dally them off their feet. The plot de-Isults.
