Roosevelt Talks On Munich "Peace"

King's Itinerary Is Announced "Storms From Abroad" Are Directly Challenging To America, President Feels

Day In Victoria And Vancouver Each With Brief Visits Elsewhere

Tour Will Be Largely of Southern Fringe of Dominion Where Most of Population is Concentrated

OTTAWA, January 4: (CP)—Described by Prime Minister William Lyon Mackenzie King as "final," the itinerary of the visit of King George and Queen Elizabeth to Canada this summer has been placed before the public. It provides for almost fifty personal appearances, bringing Their Majesties to the most populous districts on the southern fringe of the country.

Making the first visit of a reigning King to Canada, the royal couple will arrive at Quebec May 15 on H. M. S. Repulse and leave from Halifax on the same vessel June 15 on their return to England. Three and a half days will be spent in the United States between those dates. They will visit each provincial capital and all large cities but Windsor, Ontario.

On Victoria Day Their Majesties will be in Winnipeg. From there they will travel west with stops at Regina, Moose Jaw, Medicine Hat and Calgary. There will be a brief stop at Kamloops and from Vancouver Their Majesties will proceed to Victoria. On the return East there will be brief stops at New Westminster and Chilliwack. Eastward on the prairies Edmonton and Saskatoon will be visited.

The details of the British Columbia itinerary are as follows:

Arrive Vancouver 10 a.m. Monday, May 29.
Leave Vancouver, 5 p.m.
Arrive Victoria, 8 p.m.
Leave Victoria 9 a.m. Wednesday, May 31.

Arrive Vancouver noon.
Leave Vancouver 1 p.m.
Almost all the travelling will be done by train and as far as possible by day. Steamers will be used in visiting Prince Edward Island and Vancouver Island. In the Maritimes there will be some motoring. Except at Ottawa, Victoria and Quebec, Their Majesties will spend the nights on their special train.

On June 7 the King and Queen will cross into the United States at Niagara Falls and will return there from Washington on June 12.

A visit will also be paid to Newfoundland on June 17 after Canada. Sir Henry Walwyn, chief commissioner of Newfoundland, has been advised.

In announcing the itinerary, Premier King expressed confidence that Canadians would understand that the intricacies of the situation and the large amount of ground to be covered in such a limited space of time made it impossible to arrange visits to many places.

Weather Forecast

General Synopsis—A storm appears to be centred southwest of Vancouver Island and unsettled showery weather has been general on the coast while over the Interior it continues milder.

Prince Rupert and Queen Charlotte Islands—Strong east winds, part cloudy and somewhat colder, with rain and sleet.

West Coast of Vancouver Island—Strong southeast winds or gales, cloudy and mild with occasional rain.

DRIVERS TO BE TESTED

All Motorists in British Columbia Must Demonstrate Capabilities

VANCOUVER, Jan. 4: (CP)—British Columbia motorists face the possibility of having to learn to drive all over again if they fail in examinations being launched this week by the provincial Motor Vehicles Department.

Applicants for operator's licences, whether they are beginners or have been driving cars for years, will be required to take a written examination on provisions of the Motor Vehicles Act and to undergo tests for hearing, eyesight and reaction to various emergencies. Persons failing to meet minimum standards will be refused their permits.

Officials say the new plan is in reality an experiment in accident prevention. It follows inauguration last year of a 30-mile-an-hour speed limit in cities and municipalities and a compulsory automobile testing policy.

Success of last year's measures was demonstrated in statistics for the first eleven months of 1937 and 1938. The number of motor vehicle licences issued in that period increased from 111,669 to 114,420 but the number of accidents dropped from 4,506 to 4,369. Fatalities fell from 109 to 92 and the number of persons suffering injuries decreased from 2,414 to 2,153. The destructive nature of some accidents, however, increased property damage from \$422,748 to \$444,036.

Testing Machine
One of the novel testing machines that will be used in the new examinations is called a "reactometer." It is like a standard automobile front seat in which a motorist sits behind a driving wheel and goes through the motions of operating a car. It tests the driver's speed of reaction to various difficulties.

The system is new in Canada but is in its early stages in a few of the American states.

Attorney General Gordon Wismer says it is "problematical" how great an effect the tests will have but he believes they will make drivers more "accident conscious."

It will require more than a year to subject all drivers to the tests. The motor vehicle department plans to hold examinations in Vancouver, Victoria and the larger centres first. Travelling units then will be sent to other districts.

C. H. Leighs of the teaching staff of Booth Memorial High School returned to the city on the Cardena Sunday evening after spending the Christmas holiday season in Victoria.

FINAL BULLETINS

DALADIER AT TUNISIA

GABES, Tunisia—Premier Edouard Daladier today inspected Tunisia's "Maginot Line of the Desert" and called it strong enough to resist any attack. "Tunisia is safe," was Daladier's comment after his tour of defence works facing the Italo-Libyan frontier. Speaking at a banquet last night, Daladier told French officers that France had adequate strength to enforce security of Tunisia.

ARTESA CAPTURED

HENDAYE—Two insurgent columns are reported to have captured the little textile town of Artesa known as the "key to Catalonia" and only sixty-five miles from Barcelona, the provisional capital of loyalist Spain. Artesa is also the controlling point of three main highways. Advance forces of the rebels entered the town last night.

NEW JAPANESE CABINET

TOKYO—Emperor Hirohito today commanded Baron Kunihiro Hiranuma, Fascist inclined President of the Privy Council, to form a new cabinet succeeding Prince Konoye's. The latter last night resigned with the declaration that the war in China had come to a stage where new policies under a new cabinet should be formulated. Feeling is so intense in some quarters that fears are expressed for the personal safety of some of the retiring ministers.

NEW ENVOYS NAMED

OTTAWA—Lieut. Col. G. P. Vanier, counsellor and secretary to the Canadian High Commissioner's office in London, is appointed minister to France. Jean Desy, counsellor to the Canadian legation at Paris, is named minister to the dual legations of Belgium and Netherlands. Resignation of Hon. E. R. Bruce, Canadian minister to Japan, is also officially announced.

BUDGE BEATS VINES

NEW YORK—Don Budge made his professional tennis debut successfully last night by outstaying Ellsworth Vines, ranked as No. 1 pro for the past five years, 6-3, 6-4, 6-2 before a capacity crowd of 16,000 in Madison Square Garden.

FIGHTING IN CHINA

SHANGHAI—Severe fighting on widely separated fronts is reported after a holiday lull. Chinese say they have broken the long stalemate along the Sui River, fifty miles south of Kiukiang on the Yangtze River, forcing a crossing and capturing two towns on the north bank.

PATTULLO IN EDMONTON

EDMONTON—Here yesterday on his way to Ottawa, Premier T. D. Pattullo, in an interview, emphasized the importance of a realignment of taxation fields so that the provinces would be enabled to raise funds to carry on responsibilities assigned to them under the Act of Confederation.

VICTORIA PIONEER DIES

VICTORIA—Mrs. Jessie White, 84, is dead here. She was born in Victoria, the daughter of Mr. and Mrs. John Irving who landed in 1851 from England via Cape Horn.

ALASKA VIA ALBERTA

EDMONTON—The executive of the United Farmers of Alberta is urging the advantages of a route through Alberta for the Alaska Highway. It is contended that it would cost less to build and could be more easily maintained.

DEPT IS ACCUSED

Responsibility Placed by Dies Committee for Un-American Activities

WASHINGTON, D.C., Jan. 4: (CP)—The Dies Committee on un-American activities, reporting in the House of Representatives at the opening of Congress yesterday, placed responsibility upon the Department of Labor for a large part of subversive and espionage activities and propaganda in the United States. The committee accused the Department of failing to effectively exercise its powers in enforcing deportation laws.

The report of the committee is expected to lend further momentum to the move looking to the removal of Frances Perkins as Secretary of Labor.

MAY BE TRAGEDY

Skiff With Clothing But No Person Aboard Found in Ecstall River

The finding by Joe Brown of Alexander Cannery on the Skeena River of a derelict skiff in the lee of the Ecstall River about three-quarters of a mile below Brown's sawmill and opposite Beaver Flats, suggests the possibility of another tragedy. Provincial police were endeavouring today to ascertain the owner of the skiff and, if possible, determine whether there had been any untoward incident.

It is a green boat, flat-bottomed with square stern, eight or nine feet in length. There was a rope in the boat which also contained a pair of dress gloves, rubber coat and hat, two apples and oars and oar locks.

FORT WORK COMMENCES

Contractors Arrive From Vancouver To Start Operations At Entrance of Harbor

N. D. Lambert and H. F. Silverthorn arrived in the city on the Prince George this morning from Vancouver. They are identified with the Northern Construction Co. and J. W. Stewart Ltd. and are here to get work started on fortifications being established by the Department of National Defence at the entrance of Prince Rupert Harbor on both the Kaien and Digby Island sides.

The local work, as well as the construction of an air base at Alford Bay, Queen Charlotte Islands, for which the same concerns have the contract, will be started at once.

DROWNING ACCIDENT

John Hammer Believed To Have Stepped Into Water at Lowe Inlet

Bringing in the body of John Hammer, fisherman and cannery watchman, which was recovered by dragging at Lowe Inlet, down the coast from here, where he had been drowned some time between noon on December 22 and 6 o'clock on the evening of December 24, the provincial police boat P. M. L. 8 returned to Prince Rupert Tuesday afternoon.

It is believed that Hammer had tied his boat up at the cannery float and had accidentally stepped overboard. Circumstances appear to have been entirely accidental. There were no witnesses, deceased having been alone there at the time.

Hammer was born July 3, 1901, in Norway. He had been farming in Saskatchewan before coming to this district some years ago. He was a single man and a brother left Saskatchewan last November for Norway. Deceased had been naturalized in 1928.

The remains were turned over to the B. C. Undertakers and burial took place this afternoon.

Fire Loss Was Held Down Low

Percentage of Actual Loss to Amount of Property Involved Gratiatingly Low

Property value involved by fire in Prince Rupert during 1938 totalled \$40,935, the actual loss from fire for the year being held down to the creditable total of \$3,536 or well under ten per cent. Of the total fire loss of \$3,536 during the year \$3,356 was to property and \$180 to contents. Value of contents involved was \$17,545. Of the \$236 of property loss from fire in December \$230 was in the Stork building on Second Avenue and \$6 to a house on Third Avenue occupied by George Copeland.

"Undeclared Wars," "Deadly Armaments" and "New Aggression" Must Be Met by United States, Chief Executive Tells Congress

WASHINGTON, D. C., January 4: (CP)—President Franklin D. Roosevelt told the United States Congress and the world today that peace had not been "assured" at Munich and that "storm from abroad" directly challenged American democracy. Addressing a joint session of the Senate and House of Representatives, the President asserted that "undeclared wars," "deadly armaments" and "new aggression" threatened three institutions which were indispensable to America—religion, democracy and international good faith. He added that, only through unity, both physical and spiritual, could these storms be kept from the United States.

Giving notice that he would make recommendations in a few days "for the essentials of defence against dangers we cannot safely assume will not come," Mr. Roosevelt warned of the danger from infiltration of philosophies of force into the western hemisphere. In a special message to Congress next week, the President will call for large increases in United States defences.

PROUD PIONEER

WINNIPEG, Jan. 4: (CP)—Alex Anderson, 81, Port Arthur, is a proud railway pensioner. He drove the last spike in the Canadian Pacific Railway at Jackfish, Ont., May 16, 1885, joining the steel being laid from East to West. On a visit here he displayed the spike presented to him in 1935.

Steamer Had Very Rough Time Off Island Coast

VICTORIA, Jan. 4:—Insurance underwriters today examined the stormwrecked freighter Boulderpool as workmen began straightening out the ship's deckload of lumber which was loosened by huge waves Monday.

The only apparent damage the ship suffered was buckled stanchions and broken and dented bulwark plates. Meanwhile Captain Robert Cole and two passengers, Mr. and Mrs. M. A. McLeod of Vancouver, said: "Glad to be out of it." Two huge waves smashed over the Britisher's bow and crashed the deckload into the cabins.

REVENUE DECREASE

Prince Rupert People Paid Less in Excise Taxes in 1938 Than For Five Years

Customs and excise collections at Prince Rupert for the calendar year of 1938, totalling \$173,852.76, were the lowest for any year since 1933, indicating that less imported goods were being used by people of the district.

January	\$ 8,027.74	\$ 7,909.52
February	14,739.50	7,865.69

MOST SELFISH PEOPLE

About the most selfish people in the world are those who read novels. They become so absorbed in the lives of those about whom they read that they know nothing of what is going on around them. Work can wait until they are ready, friends are a nuisance and, as for parents or relatives, they are simply people to be ignored.

Have you ever been in a home where one of the members of the family is deep in a book, hearing and seeing nothing of what is going on around? Someone speaks to the reader but there is no answer until someone says: "Mary, are you coming to dinner?" Then she awakens with a start and very reluctantly puts the book down or carries it with her so that it will be within reach as soon as the repast is over.

Much novel reading is a form of debauchery and is the result of lack of useful occupation. A person can become as intoxicated with a book as with a bottle of liquor. It is something to be indulged with moderation.

LEARN ABOUT SUMATRA

A recent book that gives a good picture of life among the planters in Sumatra is "Tropic Fever," a translation from the German, telling of the adventures of a young Hungarian in that intensely hot and unhealthy island. The island is chiefly settled by Dutch people and governmentally is a Dutch colony. It is chiefly of value to the world because it is a source of supply for rubber which is in so great demand today. The work is done by Coolies, Chinese and Javan Malaysians who work under contract and are virtually slaves to hard taskmasters. The book is very interesting and instructive but whether it is fact or fiction is not stated. It is certainly not a novel in the generally accepted term.

PURGES IN EVERY COUNTRY

Every country under a dictatorship seems to find purges necessary. People suspected of being disloyal, not to the country but to the government of the day, are unceremoniously shot. Russia has been the most glaring example of this, the slaughter having it is estimated reached to something like a million lives, independent of the millions who were deliberately starved to death during the famine. In China it is said that one hundred persons were recently "liquidated" for making friendly advances to Japan. We can understand the necessity of that in wartime but many "liquidations" have taken place in other countries during peace time and simply the result of a difference over policy or political leadership.

TELFORD IS MAYOR

Takes Office Today and Announces His Policy - Will Resign Temporarily From C. C. F.

VANCOUVER, Jan. 4. — Mayor Lyle Telford took office today as Vancouver's chief magistrate and, in doing so, announced his determination to move toward the relief of "distress among our people." He succeeds Mayor G. C. Miller.

In his address, the new mayor said he will demand from the provincial government a just share of taxes collected in Vancouver and will seek new sources of revenue from the utility companies in an attempt to reduce the price of essential foods or raise the relief allowances and he would also do everything possible to encourage the grain trade.

Later, the mayor told interviewers he had not yet resigned formally from the C. C. F. but there is little doubt that he will do so. The resignation would be by mutual agreement between Dr. Telford and the party and would last as long as he held the office as mayor of Vancouver.

Dr. Telford is also a member of the Legislature and the C. C. F. bylaws forbid a member holding two elective offices.

Well Acquainted With Agriculture In Canada West

WINNIPEG, Jan. 4. — Edward Henry Gurton, new western superintendent of colonization and agriculture for Canadian National Railways, was born in London, England, and educated in United Westminster schools. He came to Canada in 1903 and engaged in farming and other activities in western Canada for three years. Subsequently he spent ten years in legal and real estate business in Manitoba. He was editor of the Dauphin Press for three years.

Mr. Gurton entered the service of the Canadian National Railways in November 1923, as clerk in the land department at Winnipeg. He was transferred to the Department of Colonization and Agriculture, Winnipeg, on January 15, 1924, as chief clerk and later became assistant to western manager at Winnipeg. He was transferred to Montreal in October, 1927, as eastern superintendent, and in March, 1930, went to St. Paul, Minn., as manager, land settlement and development. Mr. Gurton has been in succession secretary, second vice-president, first vice-president and, during 1933, president of the American Railway Development Association. Mr. Gurton brings to his new position as western superintendent of Colonization and Agriculture for the Canadian National system an intimate knowledge of farm and settlement conditions in western Canada.

Alice Arm Enjoys New Year Party

Card Party and Dance Saturday Night is Much Enjoyed

ALICE ARM, Jan. 4. — On New Year's Eve the residents of Alice Arm spent a most enjoyable evening at Falconer's Hall. The early part of the evening was taken up by cards, prize-winners being Mrs. Gus Anderson and Morris Peterson.

Dancing was indulged in until the New Year was announced. This was greeted with everything capable of making a noise as horns and favors had been previously distributed. After the noise had subsided, refreshments were served and dancing was resumed until well into the New Year.

TRAINS 2,000 OFFICERS

EDMONTON, Jan. 4. (CP)— A veteran soldier, Q.M.S.I. J. O. R. Evans, M.C., during nine years of service as instructor of the University of Alberta, Canadian Officers' Training Corps has graduated 2,000 men as commissioned officers.

New Year's "At Home" At Armory

One Hundred and Fifty Guests at Delightful Affair Monday Afternoon

Officer commanding, officers, non-commissioned officers and men of the 102nd Battery held their annual New Year's "At Home" in the Armory on Monday afternoon, about 150 guests being present at the affair which was as enjoyable as ever.

Receiving the guests were Lieut. Col. S. D. Johnston, officer commanding, Major C. V. Evitt and Battery Sergeant Major James Hadden. Mrs. Johnston and Mrs. Hadden were in charge of the receiving at tea.

During the afternoon there was dancing with music by Charlie Balagno's Orchestra.

MORE FISH IS LANDED

Production For 1938 Half Million Dollars More Than Last Year

OTTAWA, Jan. 4. — Preliminary and unrevised figures released by the Dominion Department of Fisheries for the ten month period ending October 31 indicate likelihood of an increase in catches if present trends continue.

Recorded in hundredweights catches thus far show an increase of 174,350 hundredweights, bringing the estimate for the period to a total of 8,151,050 hundredweights. Slight decreases in British Columbia and New Brunswick estimates are more than offset by estimated increases in other provinces, notably Nova Scotia where estimates indicate a probably increase of almost 200,000 hundredweights.

Landed value for Canada as a whole increased, the total estimate amounting to \$16,034,710 which, if sustained, suggests an approximate increase of half a million dollars when revised figures are available.

FOOTBALL SCANDAL

Stockport County Won Promotion Two Years Ago by Fixing Games

LONDON, Jan. 4. (CP)—Allegations that pre-arrangement of match results in closing stages of the 1936-37 season figured in Stockport County's promotion to Second Division, English League, football produced a sensation in English soccer circles yesterday.

Following investigation by a special committee it was announced that G. Worsley, director of Stockport Club, had been permanently suspended from professional football and fined £50. Varying penalties were imposed on eleven players who were suspended.

CONSTIPATION IS A TRAITOR

Constipation sours you on the world and turns the world against you. Get at the cause of your gloom and irritability. Restore your system to regular habits with Kellogg's ALL-BRAN. ALL-BRAN helps supply the soft, bulky mass your bowels need for "regular" movement. (Ordinary foods often fail to supply proper "bulk"). And ALL-BRAN is a rich source of Vitamin B₁, Nature's intestinal tonic. Eat ALL-BRAN every day and drink plenty of water. It's the constructive way to deal with common constipation due to diet deficiency of "bulk".

PRAYER WEEK Eagles' Dance OPENED HERE New Year's Eve

Captain Ivan Halsey Speaker at First Presbyterian Church Last Evening

Was One of Enjoyable Affairs Held in City Last Saturday Night

Services in connection with the observance of the Universal Week of Prayer in Prince Rupert opened last night in First Presbyterian Church with Captain Ivan Halsey of the Salvation Army as the speaker. Taking Philip, the evangelist, as his basis, Capt. Halsey referred to the responsibility of every Christian to be a worker in doing the errands of God without hesitation or excuse. "We have a savior to make known to men," said Capt. Halsey, "Every Christian is held accountable by God to make him known." There were forty-two persons present at this service.

One of the numerous enjoyable New Year's Eve affairs held in the city Saturday night was the Eagles' dance in the Aerie Hall. A crowd of about one hundred persons was in attendance and all had a happy time seeing out the old year and ushering in the new. At the hour of midnight, all joined hands and sang "Auld Lang Syne."

Dancing was in progress from 10 p.m. until 2 a.m. with music by Mrs. J. S. Black's Orchestra. At midnight delicious refreshments were served. Hats and favors lent to the general merriment.

Robert McKay was master of ceremonies and William Hutson presided at the door.

Mr. Jackson was most applicable to the occasion.

Tonight at the Pentecostal Mission, the campaign will continue with Rev. E. E. Brandt, pastor of First Baptist Church, the speaker

New Year Frolic Is Much Enjoyed

Splendid Program Was Presented At Capitol Theatre on New Year's Eve

The midnight frolic on New Year's Eve at the Capitol Theatre, as usual, proved a very happy affair at which mirth and merriment reigned supreme. Under the direction of Manager D. G. Borland, as master of ceremonies, an excellent program of variety numbers was presented, culminating in two motion picture films—"Free and Easy," with Charlie McCarthy and Edgar Bergen, and "Broadway Musketiers," an entertaining musical. At midnight the show was ushered in with a special screen trailer, noise making and general hilarity.

The program features included incidental music by an orchestra, community singing of popular songs, sailors' serenade by Anne Stevens, Paty Moore and Monica Holby, accordion solos by Mario Bassanich, military tap dance by Marie Boulter, sword dance and highland fling by Miss Beatrice Ritchie, solos by little Lorraine Youngman, selections by the Leslie Family Highland Pipe Band, comedy auction by D. G. Borland and comedy tap dance by Sonny Boulter and Nina Youngman. Much interest was also taken in a cash drawing.

NEW YEAR'S MASQUERADE

Colorful Party at Anyox On Saturday Night

ANYOX, Jan. 4.—The New Year's Eve masquerade which was sponsored by the social club was a very successful and well attended affair. The hall was beautifully decorated and, with the gaily colored costumes, made a pleasing effect. Ward's Orchestra supplied the music. C. Black was master of ceremonies.

Prize-winners for the best costumes were: Miss Kathleen Ward (Early Victorian), C. Black (Spanish matador), Mr. and Mrs. R. German (Mickey and Minnie Mouse) and I Randall (Ferdinand the Bull).

The New Year was welcomed in with the usual singing of "Auld Lang Syne."

HAZELTON MARRIAGE

Nuptials of Ellen Clark and Charles Clifford Important Event

HAZELTON, Jan. 4.—On December 23 St. Peter's Anglican Church was the scene of the very pretty wedding of Miss Ellen Florence Clark and Charles Frederick Clifford. The bride and groom are members of highly esteemed families, so the event brought crowds to witness the ceremony. The church was crowded.

As the bride entered with her father, Mrs. Frank Burling played the "Wedding March." The bride was charmingly gowned in white pleated crepe with a net veil and carried a beautiful bouquet of roses, lily of the valley with fern sprays. Four bridesmaids were the Misses Violet Clifford, Sarah Johnston, Alice Fox and Mrs. Irene Patsey (sister of the groom). The three little flower girls were Florence Danes, Mary Birch and Margaret Harris.

Silas Johnston acted as groomsmen. Others in attendance were Walter Skulz, Joseph and Charles Smith. At the proper moment little Robert Blackstock handed the ring on a satin cushion to the groom.

Rev. F. Burling, who conducted the ceremony, gave a short address and during the signing of the register the Church Army choir sang an anthem. After the service the Hazelton Concert Band, with spirited music, led the way to the Kitanmax Hall where a delicious feast had been prepared under the able management of Mrs. Clifford Sr. assisted by the Mesdames Moses Wilson, D. Mowatt, Blackstock, Harris and the Misses Connie Mowatt, Edna Wale and Hazel Black. More than three hundred people partook of the dainty fare provided.

The toastmaster, Charles Patsey, was introduced by Robert Simpson and he filled the role very creditably. Rev. F. Burling proposed the toast to the bride and referred to her sterling character. Capt. Price gave a brief address. Chief Tom Campbell, in a witty speech, spoke of the high type of home life both parties had enjoyed.

Chief Frank Clark, father of the bride, addressed the gathering and announced the gift of two dwellings to Mr. and Mrs. Clifford. Chief James White added his congratulations. The band played lively music during the intervals and the Church Army sang.

A very enjoyable dance wound up a memorable day. The band again did yeoman service. Among the gifts the Athletic Club

HAZELTON

The usual watchnight service was held in St. Peter's Church on New Year's Eve. It was attended by 35 people. Appropriate hymns were sung and at midnight the church bell heralded the coming of the New Year. On New Year's Day, at the native service in the afternoon, the Church Army Choir sang several carols. There were 45 to 50 in the congregation. Evening Prayer was held, as usual, at 7:30 p.m.

Miss Margaret Stewart R.N. lately matron of Hazelton Hospital, left last Thursday for the coast and the United States after a visit of about three weeks as guest of Rev. and Mrs. Burling bidding farewell to friends in town and country, left last week.

Mr. and Mrs. W. Larkworthy and Mary left last week for a brief stay at the coast.

George Pearson and Donald Currie left Hazelton on Monday for their respective schools at Sealy Lake and Kispiox Valley. During their stay in town for the holidays they were guests of Rev. and Mrs. F. Burling.

Heavy Snow In Lakes District

Plow Equipment is Having Big Job To Keep Roads Open

FRANCOIS LAKE, Jan. 4.—Frequent snow flurries alternated by heavy blizzards and followed by very moderate temperatures had blocked all roads in this district at the close of the Old Year, putting all available snow bucking equipment to work night and day.

Ken Warner himself drove a flying truck equipped with a light plow and opened up all roads leading to the various entertainments on New Year's Eve.

South of Francois Lake the snowfall was heavy. Wistaria was isolated—and, for the first time in years Norman Schreiber missed a mail trip.

The Francois Lake ferry is taking care of all traffic.

gave Pyrex ware and a silver tea set; the Native Brotherhood, Pyrex coffee set, the Church Army choir silver tea set; John Morris, coffee pot; Robert Simpson, blanket; Rev. and Mrs. Burling, towel set.

The whole community extends its best wishes to Mr. and Mrs. Clifford for their future welfare and happiness.

KITSEGUCLA NEW YEAR'S

KITSEGUCLA, Jan. 4.—On New Year's Eve the Kitsegukla Band and Athletic Club united in giving the natives a splendid entertainment and a very good time which commenced with a selection by the band and a mimic chief who danced dressed in tails, a mask and the usual chief's musical instrument. He was charged with being a fraud and chased out amid roars of laughter. Being a mute he couldn't speak. This increased the applause.

Dinner was served by the members of both organizations and was delicious. Among the visitors were Mrs. Leighton and her sister from Metlakatla, who are guests of Mrs. Moses Jones; Thos. Campbell from Hazelton, and Mr. and Mrs. Brown, also from Hazelton.

Speeches, selections by the band and other items filled in the time until nearly 10 p.m.

At 11:30 p.m. a watchnight service was held in the United Church—it was a united service—Rev. B. Black conducted the service, Capt. J. H. Johnson of the Salvation Army led in prayer and Thomas Campbell of the Hazelton Salvation Army Corps gave the address.

New Year's Day

New Year Services were held on Sunday in the morning at the United Church. Rev. B. Black preached a New Year's message and Thomas Brown of Carnaby assisted.

A special service was held in the Salvation Army Hall at 3 o'clock when Simon Turner was in charge. The Scripture lesson was read by Rev. B. Black of the United Church and Arthur Howard, a United Church local preacher, delivered the New Year's message. Thomas Campbell of Hazelton was in charge of the latter part of the service.

Another United service was held in the church at 7 p.m. when Mr. Howard preached in the native language and Capt. Johnson of the Salvation Army assisted in the service. A very happy week-end was spent by all.

NEW ROUTE FOR ROAD TO ALASKA

Barney Mulvany's Proposal Considered by Burns Lake Meeting

BURNS LAKE, Jan. 4.—A group of citizens and settlers from the

"Dracula" (At 7:00 and 9:36) TONIGHT and THURSDAY
"Frankenstein" 8:27 Only
Fox News (8:14 Only)

district to the south met at Burns Lake to discuss the question of the location of the proposed Alaskan Highway. Barney Mulvany suggested an entirely undiscussed route which was considered worthy of being brought to the attention of Premier T. D. Pattullo and the Alaska Highway Commission.

Starting from either Williams Lake or Quesnell, proceeding through the Chilcotin to Anaham (Hannah) Lake, access would be given to Bella Coola, a point of great strategic value in the event of military operations, the long inland arm of the Pacific affording anchorage for a vast fleet of men-of-war or other vessels. The entrance to the anchorage could be made impregnable from Anaham Lake to Ootsa Lake offers light construction. Here the road would connect with the Tweedsmuir Park Highway, thence to Burns Lake from where the main road would be followed to Hazelton.
