MOBILIZING CANADA IS WELL AWAY

Arms of Service Are Functioning Smoothly For War—All Shipyard Soon To Be Busy OTTAWA, Nov. 2: (CP)—Prime Minister William Lyon Mackenzie King speaking Tuesday night, told of the mobilization of Canada's services which were now all performing their duties in national defence and in preparation for service abroad. Naval forces were fully armed with defence and combat equipment and were co-operating in the protection of Newfoundland and the West Indies. They were carrying out convoy service. Defence of the Pacific Coast was a Canadian responsibility in this war. In the Great War Japan and Russia were allies and had protected the west coast. The Air Force had taken up war operations and was carrying on national defence and reconnaissance activities. Mission were now in Canada from Great Britain and the Dominions of Australia and New Zealand in connection with the Imperial advanced aerial training program which would involve millions of dollars and thousands of young men. Final victory may be shaped on Canadian soil," remarked the Prime Minister in commenting upon this aerial training program. In connection with war effort, the Premier said, the Dominion Government was in constant touch with the British government. "We are determined to avoid unnecessary sacrifice of man power," he said. "Our effort will not be spectacular but we are determined to make it effective." Turning to the economic phase of the war effort, the Premier referred to its tremendous importance in wartime it became necessary. (Continued on Page Four)

MAY OBTAIN MORE MONEY

City Still Negotiating For Return of Local Improvements From Government—Exchange Is New Problem Various matters of city business were taken up in Victoria by City Commissioner W. J. Alder who returned yesterday from a two week trip to the capital. One of these matters included the possibility of having payment made by the government at an early date of a balance of \$40,000 still due the city on local improvement taxes. Premier T. D. Pattullo explained that commitments for the present year had already been made up but extended hope that provision might be made for the payment next year. Already during the past year \$40,000 on this claim has been paid by the government. Mr. Alder also attended the annual convention of the Union of British Columbia Municipalities which organization is faced by the usual problems and perplexities as well as a new one in the way of the adverse exchange in the United States which is seriously affecting some municipalities in the way of making payments on their financial undertakings. Mr. Alder had no comment to make for publication in regard to the future status of city administration now that he has resigned as commissioner effective at the end of this year.

Weather Forecast General Synopsis—The pressure continues low northwest of the Queen Charlotte Islands and unsettled weather has been general on the coast. West Coast of Vancouver Island—Fresh to strong southeast winds, Unsettled and mild with rain.

War News

NETHERLANDS ALARMED THE HAGUE—State of siege has been declared in a wide area of Holland as German mechanized forces concentrate on the frontier. Lowlands are being flooded as a means of preventing invasion. TANKER IS SCUTTLED LONDON—An Admiralty spokesman said today that the large German tanker Emmy Friedrich, carrying 40,000 barrels of Mexican oil, had been scuttled by its crew in the Caribbean Sea to avoid capture by a British cruiser. MURDERS EXECUTED BUCHAREST—According to reports reaching here three German soldiers have been executed for the murder of General von Fritsch, former German soldier, deposed by Adolf Hitler, who originally was reported to have been killed in action near Warsaw six weeks ago.

MANION IS CRITICAL

Leader of Opposition Charges Government With Patronage and Favoritism in War Effort OTTAWA, Nov. 2: (CP)—Political patronage and favoritism continue in the King government's administration of the Canadian war effort, Hon. Dr. R. J. Manion, Conservative leader, charged in a statement. He said he must protest "strongly" against it. The primary purpose of his statement, however, Dr. Manion said, was to correct the popular impression that the Conservative Opposition in Parliament was consulted from time to time by the government. This was not the case and Dr. Manion held that the government was probably following the best course by keeping full control of the war program and leaving the Opposition free to criticize. Dr. Manion said the government must assume the responsibility for a "very regrettable lack of military preparations which had been apparent to all observers since the declaration of war." The Leader of the Opposition suggested the calling of Parliament early in January.

SIX SHIPS SHOT DOWN

So Claim Germans—"Positive Initiative by Reich is Anticipated" BERLIN, Nov. 2.—A supreme army command communicate raised to six the number of planes claimed shot down by Germans on Monday. Four of the six are claimed to be British. Although unconfirmed, the general impression has developed in diplomatic quarters that Germany is now ready for some "positive initiative" in war.

Collison Trying Halibut Vessels

Cases Involving Alleged Infraction Of International Regulations Proceeding Justice of the Peace W. E. Collison is now hearing the cases of a number of local halibut boats which are charged with infraction of the International Fisheries Commission regulations. Yesterday the Atli, Capt. William Bussey, was convicted of fishing in Area No. 2 of an Area No. 3 licence and was fined \$100. The case of the R. W. Capt. Roy Wick, similarly charged, is being tried today.

COULMORE ALL SAFE FROM SUB

British Freighter Said To Have Elected Submarine—Incident Caused Stir and Widespread Search WASHINGTON, D.C., November 2: (CP)—The United States coastguard received word today that the British freighter Coulmor, which had reported herself in an "S. O. S." message Tuesday night as being under attack of a submarine three hundred miles north of Bermuda, was safe. Word to this effect was received from the coastguard cutter Bibb and the Canadian radio station at Camperdown, Nova Scotia, which said it had heard directly from the Coulmor that she was safe. The search for the vessel has, accordingly, been suspended. Today's announcements of the safety of the Coulmor came many hours after the London Daily Telegraph last night published a dispatch that the vessel had eluded the submarine which had attacked her, supposedly in the self-declared United States neutrality zone under the Pan-American agreement. For more than a day after the original "S. O. S." message the fate of the Coulmor was a mystery and grave misgivings were held that the 6070-ton freighter might have been sent to the bottom with her crew of thirty-four besides the captain, Ernest Davies, and his wife. United States coastguard and naval vessels and aircraft took part in the search which was conducted under stormy weather conditions on the ocean. For a time hopes had dimmed to such a point that it was feared the vessel and all on board had perished. It is likely that an investigation will continue to definitely ascertain whether or not the supposed attack did take place within the neutrality zone. Some reports were that it was 100 miles within the zone. The American nations had ruled that foreign submarines should not be there except in case of emergency. If there was found to have been a submarine, a protest would probably be made to the belligerent nation owning it. The possibility is not overlooked of the whole thing being a hoax or a misunderstanding.

COOLS OFF TO GERMANY

Significant Statement in Regard to War Made By Spain MADRID, Nov. 1.—Spain will not have anything to do with any policy compromising the "fruits of a victorious struggle for defence of Christianity," according to Minister of the Interior Ramon Suner. The minister's speech is regarded by some observers as indicating that Spain had cooled to Germany since the German-Soviet pact.

AGREEMENT FOR TRADE

Germany Hopes To Obtain Goods From Soviet To Assist In Prosecution Of War BERLIN, November 2: (CP)—Great activity at Soviet Russian trade quarters was seen here today as evidence of Nazi-Communist economic co-operation whereby Germany hopes to get raw materials needed for the war. The German trade delegation to Moscow suddenly returned to Germany yesterday and this led to the report that difficulties had been encountered in the matter of arranging commercial orders from the Soviet. However, this was denied in Nazi quarters which declared that successful arrangements had been made.

RUNNING BRITISH BLOCKADE

S.S. CITY OF FLINT BERGEN, November 2: (CP)—The American freighter City of Flint, in charge of a Nazi prize crew, passed Maaloy, 110 miles north of here, early today enroute to Germany. The vessel, on her voyage from Murmansk, Russia, is now working her way through the British blockade as she heads for the Skagerrack. Fears are felt in American quarters for her safety in the event of a clash with British war vessels or the striking of a mine. The American crew is still aboard, being virtually held prisoners.

United Determination Of All Parts Of Empire; Chamberlain Sees Molotoff "Fancy Flight"

LONDON, November 2: (CP)—Prime Minister Neville Chamberlain told the House of Commons today that conferences in London of Dominion cabinet ministers were a striking demonstration of the united determination of the Empire. The weekly war report of the Prime Minister dismissed the speech of Premier-Foreign Commissar Molotoff of Russia by saying it "occasioned some disappointment" in Berlin and refusing "to disturb myself over flights of fancy which Molotoff indulged in when he described the aims of the Allies." Mr. Chamberlain said that British expeditionary forces were strengthening defences on their sector of the front. Despite the loss of merchantmen, nothing had occurred to shake British confidence in the ability to overcome the submarine menace, Chamberlain said.

STRANDED IN NORTH WINNER OF BIG RACE

Mother and Seventeen-Day-Old Child Huddled in Plane ANCHORAGE, Nov. 2.—A mother and her seventeen-day-old baby are huddled in an airplane grounded by a snowstorm on a frozen lake in the Alaska wilderness awaiting rescue for two days and nights. Deep snows have turned back a dog team attempting to rescue them. An airplane dropped supplies. Pilot Jimmy Dodson and another passenger are also marooned. CANTATRICE II First In Cesarewitch With Cheerful Star Second, Blue Speck, Third NEWMARKET, Nov. 2: (CP)—Sir Alfred Butt's Cantatrice II, filly by Fiterari-Queen Iselt, won the Cesarewitch Stakes today, defeating F. Haslam's Cheerful Star by four lengths. James Rank's Black Speck was third a length back.

Prince Rupert's Red Cross War Effort Gets Under Way; Work Starts; Drive Is Coming

Prince Rupert's Red Cross efforts to assist in the successful prosecution of the war are now getting under way. The work committee, of which Mrs. J. B. Gibson, who was one of the active leaders in Red Cross work in the Great War, is chairman, has sent in its requisition for materials and soon local women will be at work making such supplies as pneumonia jackets, hospital bed gowns, bandages, binders, bed pads, pillow cases and pajamas. Yesterday afternoon the campaign committee, of which Arnold Flaten is chairman with Dr. H. L. A. Tarr as secretary, had its initial meeting and launched arrangements for a city-wide campaign for funds during National Red Cross Week from November 13 to 18. The aim is to have every possible person in Prince Rupert become a member of the Red Cross by paying the fee of \$1 and to obtain special donations of larger proportions from persons who can afford to give and feel it their patriotic duty to do so at this time. The city is being organized into districts for the campaign and teams will conduct the canvass. There will also be a tag day November 18. In connection with the campaign, various media of publicity will be used. The idea is, of course, to carry on the Red Cross activities intensively and steadily throughout the war and various means of raising funds will be explored. Already some local organizations have started doing their bit by holding various kinds of social affairs for the Red Cross cause. The expectation is that many more will follow suit, some sinking their normal peacetime functions for this purpose. The campaign committee will hold another meeting on Thursday afternoon of next week to receive final reports from sub-committees before the drive commences. C. McNab, who is in the service of the Canadian National Railways here, will sail tonight on the Prince Rupert for a trip to Vancouver.

WEAK SPOTS LOOKED FOR BY GERMANS

Continue Artillery Bombardment and Infantry Thrusts Against Maginot Line PARIS, Nov. 2: (CP)—Evidently looking for weak spots in the French defence lines, German forces continue their attacks. Two French villages have been subjected to attack by enemy infantry companies while German heavy artillery continues pounding French positions on the western front. Military reports disclose that the town of Forbach was shelled yesterday and occupied for a short time by the Germans with pillage later regaining possession. Forbach is believed to have been the town which was mentioned by the French as having been attacked unsuccessfully Tuesday by a thousand German raiders. Dispatches said the damage to the town was slight. Despite artillery activity and extensive raids and patrols in the Saar region, the war ministry noted a general lull in operations. Military commentators predict a winter-long waiting war, saying that Hitler had, apparently, decided to postpone a general offensive until spring. At least there are no signs yet of a large drive starting. An official communique early today said that "night was generally quiet." Two villages had been subjected to attack by enemy companies which the French had been successful in driving back. A few French were taken prisoners and the Germans lost a number of men. Military sources had reported yesterday that the French had fought off a German force of a thousand men trying to encircle a French frontier village on the northern flank of the western front. The identity of the threatened village was at that time undisclosed. The Germans were said to have attacked along an area extending west of Saar Louis to the Blies River valley east of Saarbruecken. The French said they took six prisoners at that time.

Bulletins

FINLAND AND RUSSIA HELSINGFORS—The Finnish foreign minister said that Finland was prepared to make settlement along far-reaching lines with Soviet Russia but would not accept any terms which would remove her independence or her chances of self defence. WITHDRAW FROM LEAGUE LONDON—Russia may shortly withdraw completely from the League of Nations, it is reported. Great Britain and France would call off the forthcoming League council session to avoid possible embarrassment through Poland holding a permanent seat. MCGILL PRESIDENT MONTREAL—Frank Cyril James, 36, London-born, has been appointed principal of McGill University. HEPBURN FOR WATERWAYS TORONTO—Premier M. F. Hepburn announces the ending of his long opposition to the St. Lawrence Waterways project. FLIERS SAFE NEW YORK—The Peruvian fliers—Galenos brothers—essaying a flight from New York to Lima, are safe on an Ecuadorian island 800 miles from their destination. After their plane is repaired, they intend to proceed. FORGET AMBITIONS VICTORIA—R. L. Maitland K. C., leader of the Conservative party for British Columbia, told the annual convention of the British Columbia Conservative Association here that the party would have to forget its ambitions for the time being and co-operate with the Dominion and provincial government in war efforts. Mayor T. A. Love of Grand Forks was elected president. POPE SPEAKS AGAIN VATICAN CITY—Speaking at the consecration of three bishops, the Pope praised the nations where morality and justice still prevail and where tyranny is unknown.

AUSTRALIA ASSISTANCE

Will Concentrate Meantime on Helping Empire by Improving Its Own Defences CANBERRA, Australia, Nov. 2: (CP)—Premier Menzies feels that the best way Australia can help the Empire in the war for the time being at least is by strengthening her own defences, particularly in the air. The Commonwealth air force will be materially bolstered up and many young men will be given preliminary training before being sent to Canada for advanced training. An air force will, however, be sent to England for reconnaissance and other duty.

MOLOTOFF REACTION

Great Britain Alarmed For Poland But Relieved at Other Aspects Of Speech LONDON, Nov. 2.—While somewhat alarmed at the threat against Poland, officialdom of Great Britain expressed relief that the speech of Premier-Foreign Commissar Molotoff before the Soviet Grand Council at Moscow Tuesday had given assurance that the Soviet would accord no military aid to Germany and that no territorial demands had been made upon Roumania. It was agreed, however, that nothing Molotoff had said would affect the Allies' determination to crush Hitlerism. The Daily Express expressed gratification that Russia had decided to look after itself and give no direct assistance to Germany. Any economic assistance that Russia may be able to accord to Germany has always been discounted here.

Is More Than Coincidence

White House Suggests Molotoff Speech Was Timed To Influence United States WASHINGTON, November 2:—Stephen Early, secretary to President Franklin D. Roosevelt, said it was more than a "coincidence" that Premier- Foreign Secretary Molotoff of Russia criticized President Roosevelt at a time when an important vote was scheduled here in the House of Representatives on neutrality legislation. Molotoff had said on Tuesday that the President mixed in Soviet-Finnish negotiations in contradiction of United States neutrality policy.

CO-OP IN SESSION

The semi-annual general meeting of the Prince Rupert Fishermen's Co-operative Association was held Tuesday in the city with J. Saldan chairman and J. Deane, recording secretary. The meeting was very well attended and, in spite of the experience of the poorest fish year on record in the history of the Association, a strong spirit of optimism prevailed as to the present standing of the Association and for the future of co-operation.

The board of directors submitted a tentative report of the past season's business on fish and store operations. Comparative records showed production of fish over the last four years as follows:

- 1936, 1,500,000 pounds.
- 1937, 1,800,000 pounds.
- 1938, 2,250,000 pounds.
- 1939, 1,160,000 pounds.

During the last season the Association operated, in addition to its four camps and Prince Rupert stores, the Seven Mile and North Island stores of the North Island Trollers Co-operative Association. The total sales of all stores aggregated \$122,568.00. Apart from the North Island stores, the Association had an increase of \$17,000 in sales over 1938 operations. Although the season was a rather unsatisfactory one for fishing, the store operation was considered quite satisfactory.

A resolution was passed voting \$100 as a donation to aid in the expenses of the fishermen and their representatives in connection with the present sitting of the Sloan Royal Commission on fish traps.

While the meeting was opposed to Hitlerism, a resolution was passed opposing the conscription of Canadian manpower to be used in European wars.

A resolution was introduced and passed requesting the provincial government to amend the income tax act with reference to co-operative organizations to harmonize with the Federal Act.

Several motions were passed as recommendations to the new Prince Rupert Fishermen's Co-operative Association scheduled to come into being on December 1

1939. The new association will represent the amalgamation of the North Island Trollers Co-operative Association and the Prince Rupert Fishermen's Co-operative Association.

An announcement was made to the effect that the Department of Fisheries of the federal government had made a grant to the University of British Columbia to be used by its extension department for educational purposes in an endeavour to further the knowledge and operation of co-operatives, credit unions and study clubs among the fishermen of British Columbia. The extension department had secured the services of Norman McKenzie who has had considerable experience in the organizing and operating of co-operatives, credit unions and study clubs in Nova Scotia. Mr. McKenzie is scheduled to arrive in Prince Rupert on November 8 to begin his work here. All fishermen were asked to give their fullest co-operation. As Mr. McKenzie has to cover the whole coast he will be in British Columbia for some time. After the New Year A. S. McIntyre, head of the credit unions in Nova Scotia, is scheduled to pay a four-month

visit to the coast in connection with the same work.

The board of directors announced the birth of the "Co-operative Wholesale Society of B. C." which had received its charter in October of this year.

Three Boxers And Two Promoters In Wrong In Illinois

CHICAGO, Nov. 2: (CP)—Three well known boxers—Harry Thomas, Tony Galento and Max Schmeling—and two promoters—Nate Lewis and Joe Jacobs—have been suspended indefinitely by the Illinois State Boxing Commission.

Sports Centre Given Approval

NANAIMO, Nov. 2: (CP)—The ratepayers of Nanaimo on Saturday approved a bylaw providing for the expenditure of \$60,000 for a sports arena and recreation centre here.

MAY DOCK SHIP HERE

E. M. Murphy, underwriters' representative from San Francisco, arrived in the city on the Princess Norah this morning from the south in connection with the matter of the big freighter Mary D. which stranded Monday night in Grenville Channel. The Mary D. sustained considerable damage around her stern, it is understood, and she is leaking quite freely, pumps being required to keep the water down, even as she lies at dock here. It is expected the vessel will have to be dry docked here for repairs in which case it will be necessary to unload at least a portion of a large cargo she has on board for delivery from Seattle to Easter Island in Western Alaska.

Mrs. Cliff Madill sails tonight on the Prince Rupert for Esquimalt to join Mr. Madill who is at present stationed there in the naval service.

Announcing THE NEW FORD CARS FOR 1940

22 important improvements, added to fundamental Ford features, represent the most advanced engineering in the low-price field

WHAT do the Ford cars for 1940 offer to match their brilliant new beauty? New comfort, convenience, quiet, safety—and the roomiest, richest interiors ever designed for a Ford car.

They have a host of interesting new features. There is a finger-tip Gearshift conveniently located on the steering post. An improved transmission is unusually easy to shift. New Controlled Ventilation. Improved shock absorbers. Improved spring suspension and a new ride-stabilizer.

A combination of new features makes the new cars quieter in operation. They have big, powerful hydraulic brakes. They have new Sealed-Beam Headlamps that are safer, stronger and stay bright longer. They have the famous 85-hp. Ford V-8 engine—which blends 8-cylinder smoothness with economy.

You've never seen cars with so much performance, style and comfort at such a low price. Get acquainted. You'll enjoy the experience!

22 IMPORTANT FORD IMPROVEMENTS

- FOR COMFORT**—More room inside. New Controlled Ventilation. New torsion bar ride-stabilizer. Improved spring suspension. Self-sealing shock absorbers. Two-way adjustable driver's seat. New-type resilient front seat backs. New "Floating-Edge" seat cushions.
- FOR CONVENIENCE**—New Finger-Tip Gearshift. Engine more accessible. Two-spoke steering wheel. Light switch on instrument panel.
- FOR STYLE**—New exterior beauty. New interior luxury. New instrument panel.
- FOR SILENCE**—Improved soundproofing. "Easy Shift" transmission. Curved disc wheels.
- FOR SAFETY**—Sealed-Beam Headlamps. Dual windshield wipers at base of windshield. Larger battery and generator. Headlight Beam Indicator in driver's direct vision.

Eagles' Lodge Bridge-Dance

Another of Successful Series of Affairs Held Last Night

The Eagles' Lodge held its fourth bridge party of the winter series last night and the affair was both successful and enjoyable. There were eighteen tables of bridge and the prize-winners were: ladies' first, Mrs. McIver; second, Mrs. Peter Solem; third, Mrs. A. Norton; men's first, M. Karasosky; second, G. W. Inch; third, J. K. Murray. The door prize was won by Mrs. A. E. Dickens sr.

After delicious refreshments had been served, dancing was enjoyed from midnight until 2 a.m. with seventy-five couples on the floor enjoying the excellent music of Mrs. J. S. Black's Orchestra.

The committee in charge consisted of Andrew Ronald, who was master of ceremonies; Frank Ellison and Henry Smith, who presided at the door, and I. C. Denis, William Hutson and Alex McLeod, who were in charge of the kitchen.

LOCAL NEWS NOTES

Give generously for your poppy this year.

Additional names supplied in connection with those sending flowers to the funeral of the late Blanche Harte include Miss Lola Collins, Mrs. Annette Woods, Hilda and Sam, Mr. and Mrs. George Frizzell and Doug, Mr. and Mrs. V. L. Hansen.

Let every citizen wear a poppy and every auto carry a windshield poppy.

Sonja's Dance, Friday Nov. 3, Oddfellow's Hall, 9 p.m. Refreshments, drawing of tickets. Admission 50c, soldiers 25c. (256)

First aid classes under competent instructor will commence shortly in St. Peter's Hall, Seal Cove, provided sufficient interest is shown by adults over 18. Organization meeting in hall Wed. November 1, 8 p.m. (254)

WINDOW DRESSING COMPETITION—Merchants are requested to decorate their windows suitably in Remembrance of those who fell in the last Great War. The Canadian Legion will credit the three winning firms with donations to the local Poppy Day fund amounting to a first prize of five dollars, a second of three dollars and a third of two dollars.

An interesting display of moving pictures, including local and district views, was given at the regular weekly luncheon of the Prince Rupert Rotary Club today by Dr. Joseph T. Mandy, resident mining engineer. President Peter Laskie was in the chair and there was a good attendance of members with several guests.

REMEMBRANCE DAY CHURCH PARADE—Sunday, November 5th to Anglican Cathedral. Members of Legion fall in at clubroom 10:30 a.m. Berets, medals and decorations to be worn.

Jack McNulty returned to the city on the Prince Rupert yesterday afternoon from a two months' trip to California and the Eastern States. He attended both World's Fairs at San Francisco and New York, also visiting Boston, Chicago and other cities. Also he attended the wedding of his brother, James McNulty, whom he left in Chicago with his bride in the course of a honeymoon tour on conclusion of which they will reside in Los Angeles.

NOTICE TO SHIPOWNERS AND SHIPPING AGENTS

Entrance to the Port of Prince Rupert—Intimation to Ship Owners and Agents

Shipowners and Shipping Agents are advised that as a general rule, they should time the arrival of their vessels at the port for daylight. Delays will be avoided by giving immediate notice to the Chief Examining Officer, Prince Rupert, of the expected dates of arrival of their vessels, with particulars of appearance and tonnage, etc. The particulars necessary should be given on Form XI, a supply of which can be obtained from the Chief Examining Officer, Prince Rupert, B.C. This will facilitate the recognition of vessels by the Examining Officers and allow speedy allocation of berths.

Early intimation of the proposed departure of vessels should likewise be given to the Collector of National Revenue (Customs Division).

Signed,
Lieutenant-Commander
J. R. ELFERT, R.C.N.R.
Chief Examining Officer,
Prince Rupert, B.C.

For prompt and courteous service Phone 13 Taxi.

POPPY TAG DAY, Saturday, November 4th.

Mrs. John R. Mitchell returned to the city on the Prince Rupert yesterday afternoon from a trip to Vancouver.

LEGION BAZAAR
Legion Bazaar, Friday, Tea room, fancy work, home cooking, Scotch dancing, raffles, grand drawing in evening. Music by Mrs. Black's orchestra.

City Commissioner and Mrs. W. J. Alder returned to the city on the Prince Rupert yesterday afternoon from a two weeks' trip to Victoria.

Mrs. J. D. Fraser returned to the city on the Prince Rupert yesterday afternoon from a visit in Vancouver where she was the guest of her daughter, Miss Jean Fraser, at Sylvia Court.

Honor the dead and help the living—Buy a Poppy.

Olof Hanson, M.P. for Skeena, left by last evening's train on his return to Smithers after spending a few days in the city. He expects to be back in the city shortly.

Capt. Sinclair (Red) Pierce and W. B. McCallum are on a hunting trip to Endako and the Burns Lake district. They left on Monday evening of this week and expect to be back next Tuesday night.

KISS YOUR TIRED FEELING GOODBYE!

Pepples Many Suffer Low Blood Count—And Don't Know It.

The baffling thing about low blood count is that you can weigh about as much as you ever did—even look healthy and strong, yet—you can feel as if you had lead in your legs, doped, tired and pepples.

Low blood count means you haven't got enough red blood corpuscles. It is their vital job to carry life-giving oxygen from your lungs throughout your body. And just as it takes oxygen to explode gasoline in your car and make the power to turn the wheels, so you must have plenty of oxygen to explode the energy in your body and give you going power.

Get Dr. Williams' Pink Pills today. They are world-famous for the help they give in increasing the number and strength of red corpuscles. Then with your blood count up, you'll feel like bounding up the stairs as if you were floating on air. Ask your druggist for Dr. Williams' Pink Pills today.

Fire Alarms Are Fewer In City In 1939

The fire alarms in Prince Rupert during the month of October—being Halloween—false alarms brought the total of calls turned in to the fire department this year up to a mere twenty-five as compared with fifty-five in the first six months of 1938. Last year in October there were five alarms. Fire calls in the city so far this year have been inconsequential.

Norman L. Freeman of the International Fisheries Commission staff called this morning on the Princess Norah for a trip to Ketchikan and other Alaska points on official duties.

A. A. Mellin arrived in the city on the Prince Rupert yesterday afternoon from Chilliwack to join the local staff of the Bank of Montreal in place of R. D. Minion who is now in the naval service here.

Miss Audrey Wrathall and Miss Sheila Stuart will sail tonight on the Prince Rupert for Vancouver and San Francisco on a vacation trip.

Poppies For Peace

By WINNIFRED O. BRASS

Bright Poppy!—glowing in this bleak November!
Emblem of Life in Death—of Sacrifice!
We send thee forth to bid the world remember
The living who still pay War's bitter price.

When, as of old, brown ranks march firmly, proudly
Where poppies flame, again,
Down city ways:
War's rolling thunders echo grim and loudly,
And the heart yearns as in dark, distant days.

Teach to pray for Peace with Honor blended!
Whisper Their Names, who gave the years to be.

That this fair land of ours might flourish—splendid
Beyond their dreams in glorious Liberty.

A MILLION DEPOSIT ACCOUNTS DENOTE CONFIDENCE

You, too, will enjoy banking AT CANADA'S PIONEER BANK

Here is a letter from a school teacher recently received among numerous others by one of our branches observing the 50th anniversary of its establishment:

"I write to congratulate the C--- branch of the Bank of Montreal on the celebration of its jubilee anniversary; and to wish it continued prosperity and success.
"As one of the smaller depositors in your bank I have been enrolled there for most of the fifty years; and have certainly appreciated the courtesy and friendliness of the staff—and the feeling of safety which the name 'Bank of Montreal' has always meant to me.
"Hoping our future relations may be equally pleasant, and that many new friends may be added to your list,
"I am, yours very sincerely,
"E--- B-----"

BRIDGE MAY START SOON

Plans For New Hays Creek Span Now Before Railway Authorities For Approval

Plans and specifications for the new Westview Bridge are ready but have to be approved by the railway authorities as the bridge passes over the "y" spur up Morse Creek. City Commissioner W. J. Alder stated this morning that, as soon as the railway approval has been granted, tenders will be called for the construction of the bridge, approaches to which are now completed.

Plans for the new Hays Creek

Customs Revenue Continues Lower

Total For This Year to Date is \$94,054.93 As Against \$154,452.20 a Year Ago

Customs and excise collections at the port of Prince Rupert for the month of October totalled \$9,801.48 as compared with \$10,133.45 in the same month last year. Revenue for 1939 to date has totalled \$94,054.93 in comparison with \$154,452.20 in the first ten months of 1938.

bridge are also ready and tenders for its construction will be called at the same time as the Westview span.

Ships Are Being Held Up Unduly

Complaints Heard As To Treatment By British of Neutral Ships

AMSTERDAM, November 2.—Increasing complaints are being heard of the length of time that Great Britain has been holding neutral ships in their search for contraband.

Capt. and Mrs. Richard Newton, Salvation Army officers from Kake, Alaska, who have been on a trip to Prince Rupert on account of the illness of Mrs. Newton's mother, sailed this morning by the Princess Norah on their return to their Alaska post, accompanied by their infant child.

Funeral Yesterday Of Emil Rosang

Many Attended Rites For Well Known Lewis Island Man

The funeral took place yesterday afternoon from the B. C. Undertaking Parlors, Rev. Canon W. F. Rushbrook officiating, of the late Emil Rosang of Lewis Island. Miss Lois Judge officiated at the organ, the hymns sung being "Abide With Me" and "Rock of Ages." Many friends attended the rites.

Fallbearers were James Waite, C. Orquist, S. Orquist, F. Peterson and Hust Elstrom and James Sheddon.

Interment was at Fairview Cemetery.

The following sent flowers:

Wife and family, Captain and Crew of the "Banks Island," Edward Lipsett Ltd. Eric Rosang and family, Mr. and Mrs. James Waite and Winnie, Mr. and Mrs. J. H. Sheddon and family, Mr. and Mrs. R. B. Morgan, McFadden Brothers (Jap Inlet), Peter Wold, Nels Johnsen, J. Molvar, Mrs. B. Nelson, Ivor Robertson, Mr. and Mrs. W. J. Lineham and family, Jonas Groden, Sivert and Anton, Crew of the "Kalsun," Mr. and Mrs. Emil Bostrum, C. Orquist, J. Sorensen, S. Orquist, Eddie and Stanley, Noel, Dorothy and David Jones, Matilda Larsen, John, Anna and family, Elsie Strand, Dora Larsen, Fritz Peterson, R. Nelson and E. Solem.

The late Mr. Rosang, Swedish born, was well known as a boat-builder and fisherman at Lewis Island where he had resided for twenty-one years, being previously in Prince Rupert and on the prairies. He is survived by his widow; three sons, Paul, Carl and Olof, and three daughters, Thelma, Violet and Alma. Eric Rosang of this city is a brother.

Whifflets From The Waterfront

Taking up service on the Alaska route for the winter, C.P.R. steamer Princess Norah, Capt. William Palmer, arrived in port at 9 o'clock this morning from Vancouver and sailed a couple of hours later for Skagway and other northern points whence she is due back here next Monday afternoon southbound. The vessel had a light list of passengers only twelve being aboard with four disembarking here and a similar number embarking.

Weather permitting, it is expected the steamer Prince John, Capt. Neil McLean, will reach port late tonight or early tomorrow morning from Vancouver via the Queen Charlotte Islands. She left Queen Charlotte at 6 o'clock last night for Massett Inlet where she was making her calls today. Coming north the vessel called at Union Bay, Vancouver Island, to load coal for Prince Rupert and Port Simpson.

Armour Salvage Co.'s power tug Pachena, Capt. Henry Hansen, left last night for Anyox to pick up and bring here three scows which have been purchased from the Consolidated Mining & Smelting Co. The Pachena is due back here with her tow.

Capt. Sam Hougan is contemplating the installation of a 60 h.p. Caterpillar engine in his well known Prince Rupert halibut boat Tramp. Another boat to instal a Caterpillar engine is the sloop Anna S., Capt. Eli Skog, which put one in during the past summer.

CURTAINS FOR TONY
NEW YORK—Tony Canzoneri reached the end of the pugilistic road last night when he was belted into oblivion by youthful Al Davis of Brooklyn in the third round of a scheduled ten-rounder. Tony went down twice before referee Al Donovan declared a technical knock-out in Madison Square Garden.

Anglican Young People's Officers

Installation Took Place Last Night At St. Andrew's Cathedral

The initiation and installation of the officers of St. Andrew's Anglican Young People's Association took place in St. Andrew's Cathedral on Wednesday night with about twenty members present. Dean J. B. Gibson performed the ceremony.

The members adjourned to the Cathedral Hall where a social time was spent in playing games. Refreshments were served.

Next week's meeting will take the form of a party with Betty Borland in charge of the program.

Surprise Party For Bride Was Delightful Event

Last evening some thirty-five ladies paid a surprise visit to the home of Mrs. Hugh Smith, Ninth Avenue East, to honor her daughter, Margaret, whose marriage to Harold Davey took place recently. The evening was spent in playing bridge, prize winners being Mrs. R. Giske, first; Mrs. Lemon, second, and Mrs. Nels Amoth, consolation.

After cards, refreshments, assuming almost banquet proportions, were served, each lady having brought different dainties.

A presentation of a beautiful tea set and cut glass cordial set with mirrored tray, accompanied by a card autographed by those present, followed.

MOBILIZING CANADA

(Continued from Page One)

sary to "reorganize" but not "disorganize" the economic life of Canada. In this the co-operation of provincial and municipal authorities and the primary producers became necessary.

The urgent necessity of a constant supply of munitions and military supplies was emphasized. Here Canada, with its industrial and agricultural resources, was in an advantageous position.

Even Before War

The Prime Minister told of preparations that the government had been making before war broke out. The Defence Purchasing Board had been organized and now the forming of the War Supply Board had been completed and, as from today (Wednesday), would take over the duties of the Defence Purchasing Board. Since September 2 a British government war-purchasing commission had been in Canada. Now the War Supply Board would be responsible for the mobilization of Canada's industrial resources both for the Dominion and Great Britain. There would be no failure through lack of adequate organization. Further, the government had authority to set up a separate Department of Munitions and Supplies when necessary.

Continuing the Prime Minister referred to such functions as those of the wartime prices and trade board with its extensive powers, the agricultural supplies committee, the shipping licence board and the economic advisory committee.

Whatever efforts might be made depended upon finance which must be wisely planned. The policy was to seek to meet the cost "as we go" based upon the ability to pay as indicated by the heavy excess profits tax which had been imposed at the special war session of Parliament.

Control of exchange had been put into effect to prevent disorganization of Canadian currency and credit abroad.

Registration of aliens had been made compulsory and steps were taken to protect the country from espionage and sabotage. Censorship had been organized.

The Prime Minister felt that a creditable job had been done of changing the nation from a peacetime to a wartime basis from military, economic and political standpoints.

Concentration of Empire basic air training in the Dominion "may well mean final victory will be shaped on Canadian soil," the Prime Minister said. In the air training scheme many millions of dollars and many thousands of men would be concentrated in Canada from Great Britain, Australia and New Zealand.

Describing increased responsibilities of Canada for coastal defence, the Prime Minister prophesied that Canadian shipyards would soon "be working to capacity."
