DEPENDS UPON HITLER

Asked when the election would be held in Great Britain, Prime Minister Chamberlain intimated that the date of the British elections would depend very much upon Adolf Hitler. While the situation was tense no election would take place. Should the international situation settle down, an election would likely be held this year.

BRITISH ARMY

Britain has always been looked upon as a great naval power but her army has been more or less insignificant compared with the armies of other European countries. However, a change has come over the face of Europe and one of the changes is the emergence of Britain as a military power with close to three quarters of a million men in arms. This will provide a very effective force. One of the important features of the new army is that the young men are physically fit. We are told that very few have been rejected because of unfitness. This is an excellent record and speaks well for the future of the country.

BANKS ARE THREATENED

Three of Canada's largest banks have refused any further credit to the city of Montreal and a letter, written on behalf of the banks to the mayor and published by him, is alleged to have ruined the credit of the city with the result that the city has threatened to enter suit against the banks, claiming two million dollars damages.

This is a new attitude for a client to take in regard to the banks. If the city were solvent the banks would be only too glad to give it credit because they have millions of dollars more than they need. While with most of us shortage of cash is our trouble, with the banks too much money and no demand for its use is their trouble.

We do not think the mayor of Montreal can make out a case against the banks but this case draws attention to the peculiar position in which the banks of Canada and United States find themselves today.

TAKING HOLIDAYS

When Prince Rupert people take a holiday they seem to know only one way to go. They usually drive south to California. That may be all right in the winter but, in the summer, California is no place for British Columbia people. It is too hot and uncomfortable. "See Canada First" is a very good slogan for summer holidays.

ARE NOW IN FINAL

Single-Handed Championship Rets Between Dave MacPhee and Jack Preece

Dave MacPhee and Jack Preece have reached the final in the Canadian National Recreation Association's single-handed lawn bowling

competition. If weather permits, they will play off the final tonight. The semi-finals were played Tuesday night, proving close and interesting. McPhee defeated Ben Dalgarno 21 to 19 and Jack Preece won over Percy Tinker by a similar score.

LONDON, July 6: (CP)—The Montreal price of bar gold on the London market was unchanged yesterday at \$34.87 per fine ounce.

BACK FROM KETCHIKAN

Local Ball Team Home—Deciding Game At "First City" On Labor Day Planned

Reporting a very enjoyable trip due to the hospitality extended them at the "First City," the Prince Rupert baseball team returned home on the Princess Louise yesterday afternoon from Ketchikan where they participated in the Independence Day celebration. Of the series of three games, the locals won the first two and lost the third by a score of 5 to 3. Jack Lindsay was driven out of the box in the final game, Sonny Stiles replacing him. The inter-town series of six games so far being deadlocked with three victories each, it is now planned that the locals should go north on Labor Day to play a seventh and deciding game at Ketchikan.

The home-coming team consisted of Dido Gurvich, Sonny Stiles, Johnny Comadina, George Howe, Harley Lewis, Andre Letourneau, John Schroeder, Al Simonsen, Jack Campbell, Don Arney and Jack Lindsay.

An illustrated lecture on Northern British Columbia by Rt. Rev. G. A. Rix, Bishop of Caledonia, proved interesting to members and guests at the regular weekly luncheon of the Prince Rupert Rotary Club today. Dr. C. H. Hankinson was in the chair and there was a good attendance.

GIRLS AT SOFTBALL

Ladies' League Gets Under Way With Victories For Grotto And Velvet Over Annette's And Nurses

With Grotto, winning 70 to 9 over Annette's and Velvet defeating Nurses 15 to 7, the Ladies Softball League got into action last night for the first scheduled fixtures. Andrew Letourneau was umpire of balls and strikes and Severino Dominato, bases.

NEW AND BETTER

COLD CURED ICE

For the Halibut and Salmon Fleets

Following the investigations of the Fisheries Research Station, the Company has just completed extensive changes and improvements in ice storage and ice delivery methods.

Ice for the boats will all be old ice, thoroughly cured or aged at new low temperatures. It will be delivered into the hold, even in the hottest weather, as cold as the storage room.

Fishermen are invited to inspect the new system. Better ice than ever before, at no increase in cost, means economy to the boat and improved quality in fish delivery.

Miss Kathleen Eve of the Government Telegraphs left at the week-end for extended holidays in Vancouver and elsewhere in the south.

Those leaving at the week-end for Stewart were Mrs. G. C. Marshall and family, Mrs. W. Tracy, E. Foster and Constable J. W. Todd.

Whifflets From The Waterfront

With a comparatively light list of passengers totalling 134, of whom twenty-two disembarked here, C.P.R. steamer "Princess Louise, Capt. S. K. Gray, was in port from 3:30 to 5 o'clock yesterday afternoon southbound from Skagway to Vancouver. The majority of the passengers were round trip tourists returning south. Four persons went aboard here for Vancouver.

The price of white spring salmon reached a high mark for the season at Ketchikan yesterday when 8c per pound was paid. For red salmon 15c and 8½c was being paid yesterday. As in this district, the run of springs in southeastern Alaska has been very light this summer.

PADEREWSKI IN PICTURE

The celebrated Polish pianist Ignace Paderewski is featured in "Moonlight Sonata" which shows tonight and Friday at the Capitol Theatre. The story was especially approved by Paderewski for his first appearance. The supporting cast includes Marie Tempest, Charles Farrell, Barbara Greene and Eric Portman. Besides "Moonlight Sonata," Paderewski plays in the course of the picture Liszt's "Hungarian Rhapsody No. 5," Chopin's "Polonaise in A Flat Major" and his own "Minuet in G Major." One of the outstanding scenes of the picture is set in a children's convalescent hospital in Sweden where Paderewski and Miss Tempest are seen as guests of honor, the great artist playing the Minuet as the children dance. Companion picture to "Moonlight Sonata" on a double bill is "Within the Law," a gripping drama of a girl who attempts to get even with society after having been wrongfully sent to prison for a theft she did not commit. Romance develops and, after some vicissitudes, there is a noble and happy ending. Ruth Hussey, brilliant young actress from the stage, has the leading role with Tom Neal, also from the New York theatre, playing opposite her. Paul Kelly, William Garzan, Paul Cavaneh, Rita Johnson, Samuel S. Hinds, Lynne Carver, Sidney Blackmer and Jo Ann Sayers also have important parts.

FRESH MINT JELLY

One cup (4 oz.) spearmint leaves and stems, packed; ¼ cup cider vinegar, 1 cup water, 3½ cups (1½ lbs.) sugar, green coloring, ½ bottle fruit pectin. Wash spearmint. Do not remove the leaves from the stems. Measure into 3-quart saucepan and press with wooden potato masher or glass. Add vinegar, water and sugar and mix. Bring to a boil over hottest fire. While mixture is coming to a boil, add coloring to give desired shade. Use coloring which fruit acids do not fade. As soon as mixture boils, add bottled pectin, stirring constantly. Then bring to a full rolling boil and boil hard one-half minute. Remove from fire and skim. To remove all Kelly, William Garzan, Paul Cavaneh, Rita Johnson, Samuel S. Hinds, Lynne Carver, Sidney Blackmer and Jo Ann Sayers also have important parts.
