RAILWAY FINANCES IMPROVED

Traffic Results for Year Have Been "Fairly Satisfactory," Says Hungerford
MONTREAL, Dec. 30: (CP)—President S. J. Hungreford of the Canadian National Railways reported in a year-end review that 1934 traffic results can be considered as reasonably satisfactory.
Preliminary figures indicate that the gross revenues of the railway for the year exceed \$200,000,000 for the first time since 1931. Net revenue for 1931 is indicated at \$20,000,000.
The outlook for next year, Mr. Hungreford said, was influenced largely by war conditions but the traffic increase might be expected to continue, he thought.
Railway revenues in 1940 would likely be substantially increased over this year.

MUST HAVE GUARANTEES

Will Be No Laying Down of Arms Without Full Satisfaction, Declares France
PARIS, Dec. 30: (CP)—France will not lay down arms in the war with Germany without "material and positive guarantees," Premier Edouard Daladier told the Senate yesterday.
Daladier declared that solidarity between Great Britain and France would extend throughout and after the war. The Premier hinted at some kind of a European federation after the war was finished.
France winds up the year 1934 with plans to spend almost \$5,500,000,000, all to be raised by loans, to wage the war next year.

IS NAMED ENGINEER

M. M. Hill Appointed Chief For C. N. R. Western Region
WINNIPEG, Dec. 30:—Announcement was made here today by W. A. Devenish, general manager of the Canadian National Railways, Western Region, that E. M. M. Hill had been appointed chief engineer of the Western Region, succeeding W. A. Dixon who has been promoted to be chief engineer for the system with headquarters at Montreal.
Mr. Hill was born in Guelph in 1872 and came west in 1902. He entered railway service as a rodman with the Canadian Northern in 1903 and, with the exception of two years with the Royal Engineers in the Great War, has spent his entire career with the engineering department of the railway in the west. Prior to this appointment, Mr. Hill was engineer of construction and right of way.

New Year Greeting

To all Old Timers of Prince Rupert who have borne the burdens attendant on making a city out of the wilderness, to all those who have arrived in recent years and to all men in our country's service on land or sea or air and now sojourning with us, I wish Peace of Mind, Strength to carry on and a Happy New Year!
W. J. ALDER,
Commissioner.

War News

REPORTS "RIDICULOUS"
MOSCOW—Soviet authorities, asked for comment on Scandinavian reports of revolt in the Red Army opposing Finland, said last night that the reports were so ridiculous that there was "no need for us to deny them." The same sources denied rumors abroad of Soviet troop concentrations on the Afghan border or in the Caucasus.

ANOTHER SUB SUNK
PARIS—French naval authorities report the sinking of another German submarine by French destroyers and British aircraft.

ULTIMATUM TO TACOMA
BUENOS AIRES—The Argentinean government has given the German tanker Tacoma, which assisted the scuttled pocket battleship Admiral Graf Spee, twenty-four hours to leave Argentina or submit to internment for the duration of the war.

HITLER AND GOERING
BERLIN—There are continued persistent reports of a rift between Chancellor Adolf Hitler and Vice-Chancellor Herman Goering. Heinrich Himmler, chief of all Nazi police, is said to have discovered that Goering has been secretly attempting to contact Great Britain with a view to peace negotiations.

HITLER SPEAKS
BERLIN—In an address to the Nazi armies today, Chancellor Hitler declared that Germany's forces had stood the test in 1933 and that 1940 would be the most critical year in history for the Reich in which its very existence would be at stake. The passing year, Hitler declared, had removed inside of a few days the injustice of Versailles in regard to Poland. France had not dared to attack the Westwall. Der Fuehrer expressed his confidence of ultimate victory.

GERMAN WARCRAFT SINKS
LONDON—A Reuters dispatch from Stockholm reports that a "German naval craft" of 704 tons has sunk in a snow-storm off Sweden with one member of the crew drowned.

CANADIANS IN FINLAND

First contingent of Volunteers Arrive To Join In War Against Russia
LONDON, Dec. 30: (CP)—A Reuters News Agency dispatch from Stockholm said today that the first contingent of Finnish volunteers for Canada for the war against Russia arrived in Helsinki. Among them was a Finnish miner from the Northwest Territories who travelled 4200 miles by various modes of transportation to embark at Montreal. He will join a brother who is a captain on the Mannerheim Line.

BAVARIANS TURN OVER

Six Hundred Former Germans Enlist In French Army To Fight Against Hitler
PARIS, Dec. 30: (CP)—Six hundred former Bavarians, shouting "Down With Hitler" have enlisted for service in the French Foreign Legion after being carefully checked up. They are being sent to Algeria and will later probably go to the Western Front.

'BUST UP' IN EIRE

Government Decided to Call Special Session to Deal With I.R.P.
DUBLIN, Eire, Dec. 30: (CP)—The government of Eire has decided to summon Parliament to meet next Wednesday to pass upon a request for special powers to deal with activities of the outlawed Irish Republican Army. It is expected further steps will be taken to suppress the organization which has been increasingly active of late.
Observers here are speculating upon the possibility of another "bust up" in Ireland, this time in the Ulster area.
Reports of military measures impending at Dublin heightened fears in informed Belfast quarters of impending civil strife. Leaves for all officers are reported to have been cancelled as the Eire army concentrated around Dublin.

RESUMPTION OF ACTION

Improvement of Weather Results In Aerial and Patrol Movements on Western Front
PARIS, Dec. 30: (CP)—Except for a few patrol actions east of the Moselle River, snow and cold halted all military movements yesterday on the Western Front but the weather, however, cleared today and aerial activity was resumed on both sides.
The Germans made extended reconnaissance flights over north-eastern France.
A daring patrol thrust was made into German territory by the French and some prisoners were taken.

BIG MAN IN STEEL

Henry George Dalton, "Silent Iron King," Passes Away in Cleveland
CLEVELAND, Dec. 30: (CP)—Henry George Dalton, aged 77, millionaire chairman of the Youngstown Sheet and Tube Co. is dead here.
Dalton was as reticent publicly as the Dalton-directed mines, ships and steel mills were clamorous. His fellow Clevelanders termed him the "silent iron king." When he received a chamber of commerce public service medal in 1932, Dalton's words of thanks numbered 24.
He rose to business dominance from a job at 16 checking freight on the Lake Erie city's ore docks. As a director of both Bethlehem Steel Corporation and Youngstown Sheet & Tube Company in 1930, Dalton was a leader in the attempt to weld these giant producers. Cyrus S. Eaton, another self-effacing Cleveland leader who had just formed Republic Steel Corporation, blocked the merger after a spectacular court battle.
While Dalton, a clam. polite man of medium build and height, was perhaps best known for his part in the merger dispute, he held key positions in the industry for many years. He resigned his Bethlehem directorship in 1931 but on February 6, 1932, became chairman of Youngstown Sheet & Tube Company, the fourth largest independent producer.
Dalton was only 20 when in 1883 he left the docks to become office boy for Pickands, Mather & Company. Ten years later he became a partner and commanded the Cleveland firm after Samuel Mather's death in 1931.
Pickands, Mather & Company mined, shipped and sold ore and coal; manufactured pig iron, hauled on commission, handled ore mining properties for steel concerns and managed boats and docks on the Great Lakes. It did most of its business with the two steel giants Dalton sought to unite.
Millions At Stake In Merger
Industrial magnates tossed millions of dollars into frantic stock-buying operations which culminated in the merger battle. Eaton, dreaming of a mid-western steel empire, planned to merge Youngstown Sheet & Tube, in which he and associates held approximately a 20 per cent interest, with Republic and Inland Steel Company. But Dalton and James A. Campbell, whom Dalton later replaced as Youngstown Sheet & Tube chairman, had other ideas. That was early in 1930.
In a stock-buying battle for control of the Youngstown concern, Pickands, Mather & Company alone spent \$7,000,000 and Eaton more than \$11,000,000.
Stockholders approved the merger by a slight margin but Eaton won a court decision which permanently restrained it.
The "silent iron king" was born in Cleveland October 3, 1862. His early education was scanty.
Dalton had two personal sorrows.
(Continued on Page Three)

NO BATTLE AFTER ALL

British Admiralty Denies Reports Of Action Off Southeastern Coast
LONDON, Dec. 30: (CP)—Reports were circulated last night that gunning and aircraft activity were noted off a southeastern coast town but the Air Ministry denied that any action had taken place in that zone. Gunfire was reported to have been heard at sea and the putting out of Royal Air Force planes led to the belief that German aircraft might have attempted to attack a convoy.
Four members of the crew were killed and one was injured.

FINAL BULLETINS

COMMISSIONERS NAMED
OTTAWA—Hon. John Hall Kelly, member of the Quebec Legislative Council, has been appointed Canadian High Commissioner to Eire and Dr. W. A. Riddell, charge d'affaires of the Canadian legation at Washington, has been named High Commissioner to New Zealand, the Prime Minister's office announces. E. J. Garland, national organizer of the C.C.F., has been appointed secretary to the new high commissioner to Eire and has tendered his resignation as organizer.

BRIDGES NO COMMUNIST

WASHINGTON—James Landis, Harvard Law School dean, has submitted to Secretary of Labor Frances Perkins the finding that Harry Bridges, West Coast C.I.O. leader, is neither a member of or affiliated with the Communist party. The finding is contained in a letter transmitting a report on deportation proceedings against Bridges. The proceedings were on grounds that Bridges was a member of the organization allegedly advocating overthrowing the United States government by force. Whether Bridges, an Australian, will be deported will now depend on Miss Perkins but it is considered unlikely that he will be.

PATTULLO'S MESSAGE

VICTORIA—In a New Year message, Premier Pattullo said that, while people of Canada should do all in their power towards prosecuting the war to a successful conclusion, they should also carry on their daily endeavours to improve conditions of social and economic life of the province.

TORONTO WINS

LOS ANGELES—In the international ice carnival here, University of Toronto, the only Canadian entry, won the international intercollegiate ice hockey championship by defeating Gonzaga of Spokane 5 to 1. Toronto did not suffer a single defeat in the series.

KEEP WHEAT AND FLOUR

WASHINGTON—Against the possibility of a shortage in 1940, Secretary of Agriculture Henry Wallace announces cancellation of wheat and flour exports from the United States to all nations except the Phillipine Islands.

High Spots In Business

By The Canadian Press
Industrial production attains a new Canadian volume in the last quarter of the year, with output one third greater than in the corresponding period of 1933.
Heavy field crops of Canada, valued at about \$645,000,000, and the best since 1930, together with persistent prosperity of the mining industry, stimulates Canadian trade apart from the war influence.
Canada's gold production for the year, estimated at \$183,000,000, increases about 10 percent over last year. Decline of the dollar puts a premium of more than 10 percent on Canadian gold, assuring producers of extra income to meet the prospective rise of mining costs.
Imports in 10 months of 1934 declined 4.4 percent while the favorable balance of exports over imports increases by 18 percent. Carloadings for the year increase about five percent over 1933.

MANY REDS ARE SLAIN IN MUTINY

Finns Claim To Have Killed Six Hundred In Battle Yesterday At Kelja
HELSINGFORS, Dec. 30: (CP)—Killing of six hundred Russians in battle at Kelja was reported by the Finnish command as the Red Army launched new attacks in the vain attempt to regain lost ground.
Meantime, virtual civil war conditions are reported to be prevailing among the Soviet troops to the north as mutiny spreads due to starvation and exposure of the inadequately fed and clothed forces. In the Petsamo area the Russians are reported retreating in great disorder with entire battalions surrendering to the Finns, giving over tanks and airplanes in the hope of getting food and shelter.
Finnish onslaughts drove the invading Russians across their own border north of Leiksa today, the Finnish high command reported. This is the third point where Finnish communiques have reported the Red Army thrown back across the frontier.
The Soviet is throwing crack troops into the Finnish campaign for the dual purpose of dealing with its own mutineers and to stay the Finnish advances.

BATTLESHIP IS IN PORT

Four Dead Aboard British War Vessel Which Was Attacked By German Submarine
LONDON, Dec. 30: (CP)—The British battleship which suffered some damage when torpedoed by a German submarine off the west coast of Scotland, has reached port under her own steam, the Admiralty officially announces. Four members of the crew were killed and one was injured.

EDITORIAL

EXIT 1939

Before our next issue the year will have passed. The outstanding event of 1939 was the entry of Canada into the war in defence of the Empire and of small defenceless nations. It was a momentous step but one which, as a nation, we shall never regret. We could not have done otherwise and at the same time kept our self-respect.

So far as Prince Rupert is concerned, we have so far felt the war stress not at all. We have not been curbed in our eating or drinking or in our wearing apparel. We have much the same opportunities of travel except that travel to Europe is rather dangerous. Even the increased taxes to pay the cost of the war have not yet been levied except the excise tax on liquor and a few articles of food.

The Prince Rupert merchants have had a good year, most of them making a little money. More people have had steady work this year than for many seasons past. While salmon trolling was pretty much a failure, the river fishing was excellent and the halibut men did reasonably well as far as it went.

With the troops in the city the population has increased and every house has been one of advancement.

WELCOME 1940

In view of the successes in the war area and the prospects at home we may look forward to the year 1940 with confidence. Unless something unforeseen occurs, we shall win the war. Germany will be stopped in her aggression and Russia will have to get out of the Baltic countries and mind her own affairs, which will be enough for one country to do. If it is not done in the coming year it will in the next year.

So far as the city is concerned, there is every sign that we are only at the beginning of a period of advancement. The work at Seal Cove is to commence soon. A cannery is to be operated in the city next season. The garrison is to remain permanently. New homes will be needed and must be erected. Already it is estimated that the population of the city has reached at least seven thousand and, by the time the census is taken in 1941, should be a great deal more. After remaining static in population for something like twenty years, it seems as if Prince Rupert is due for a forward move.

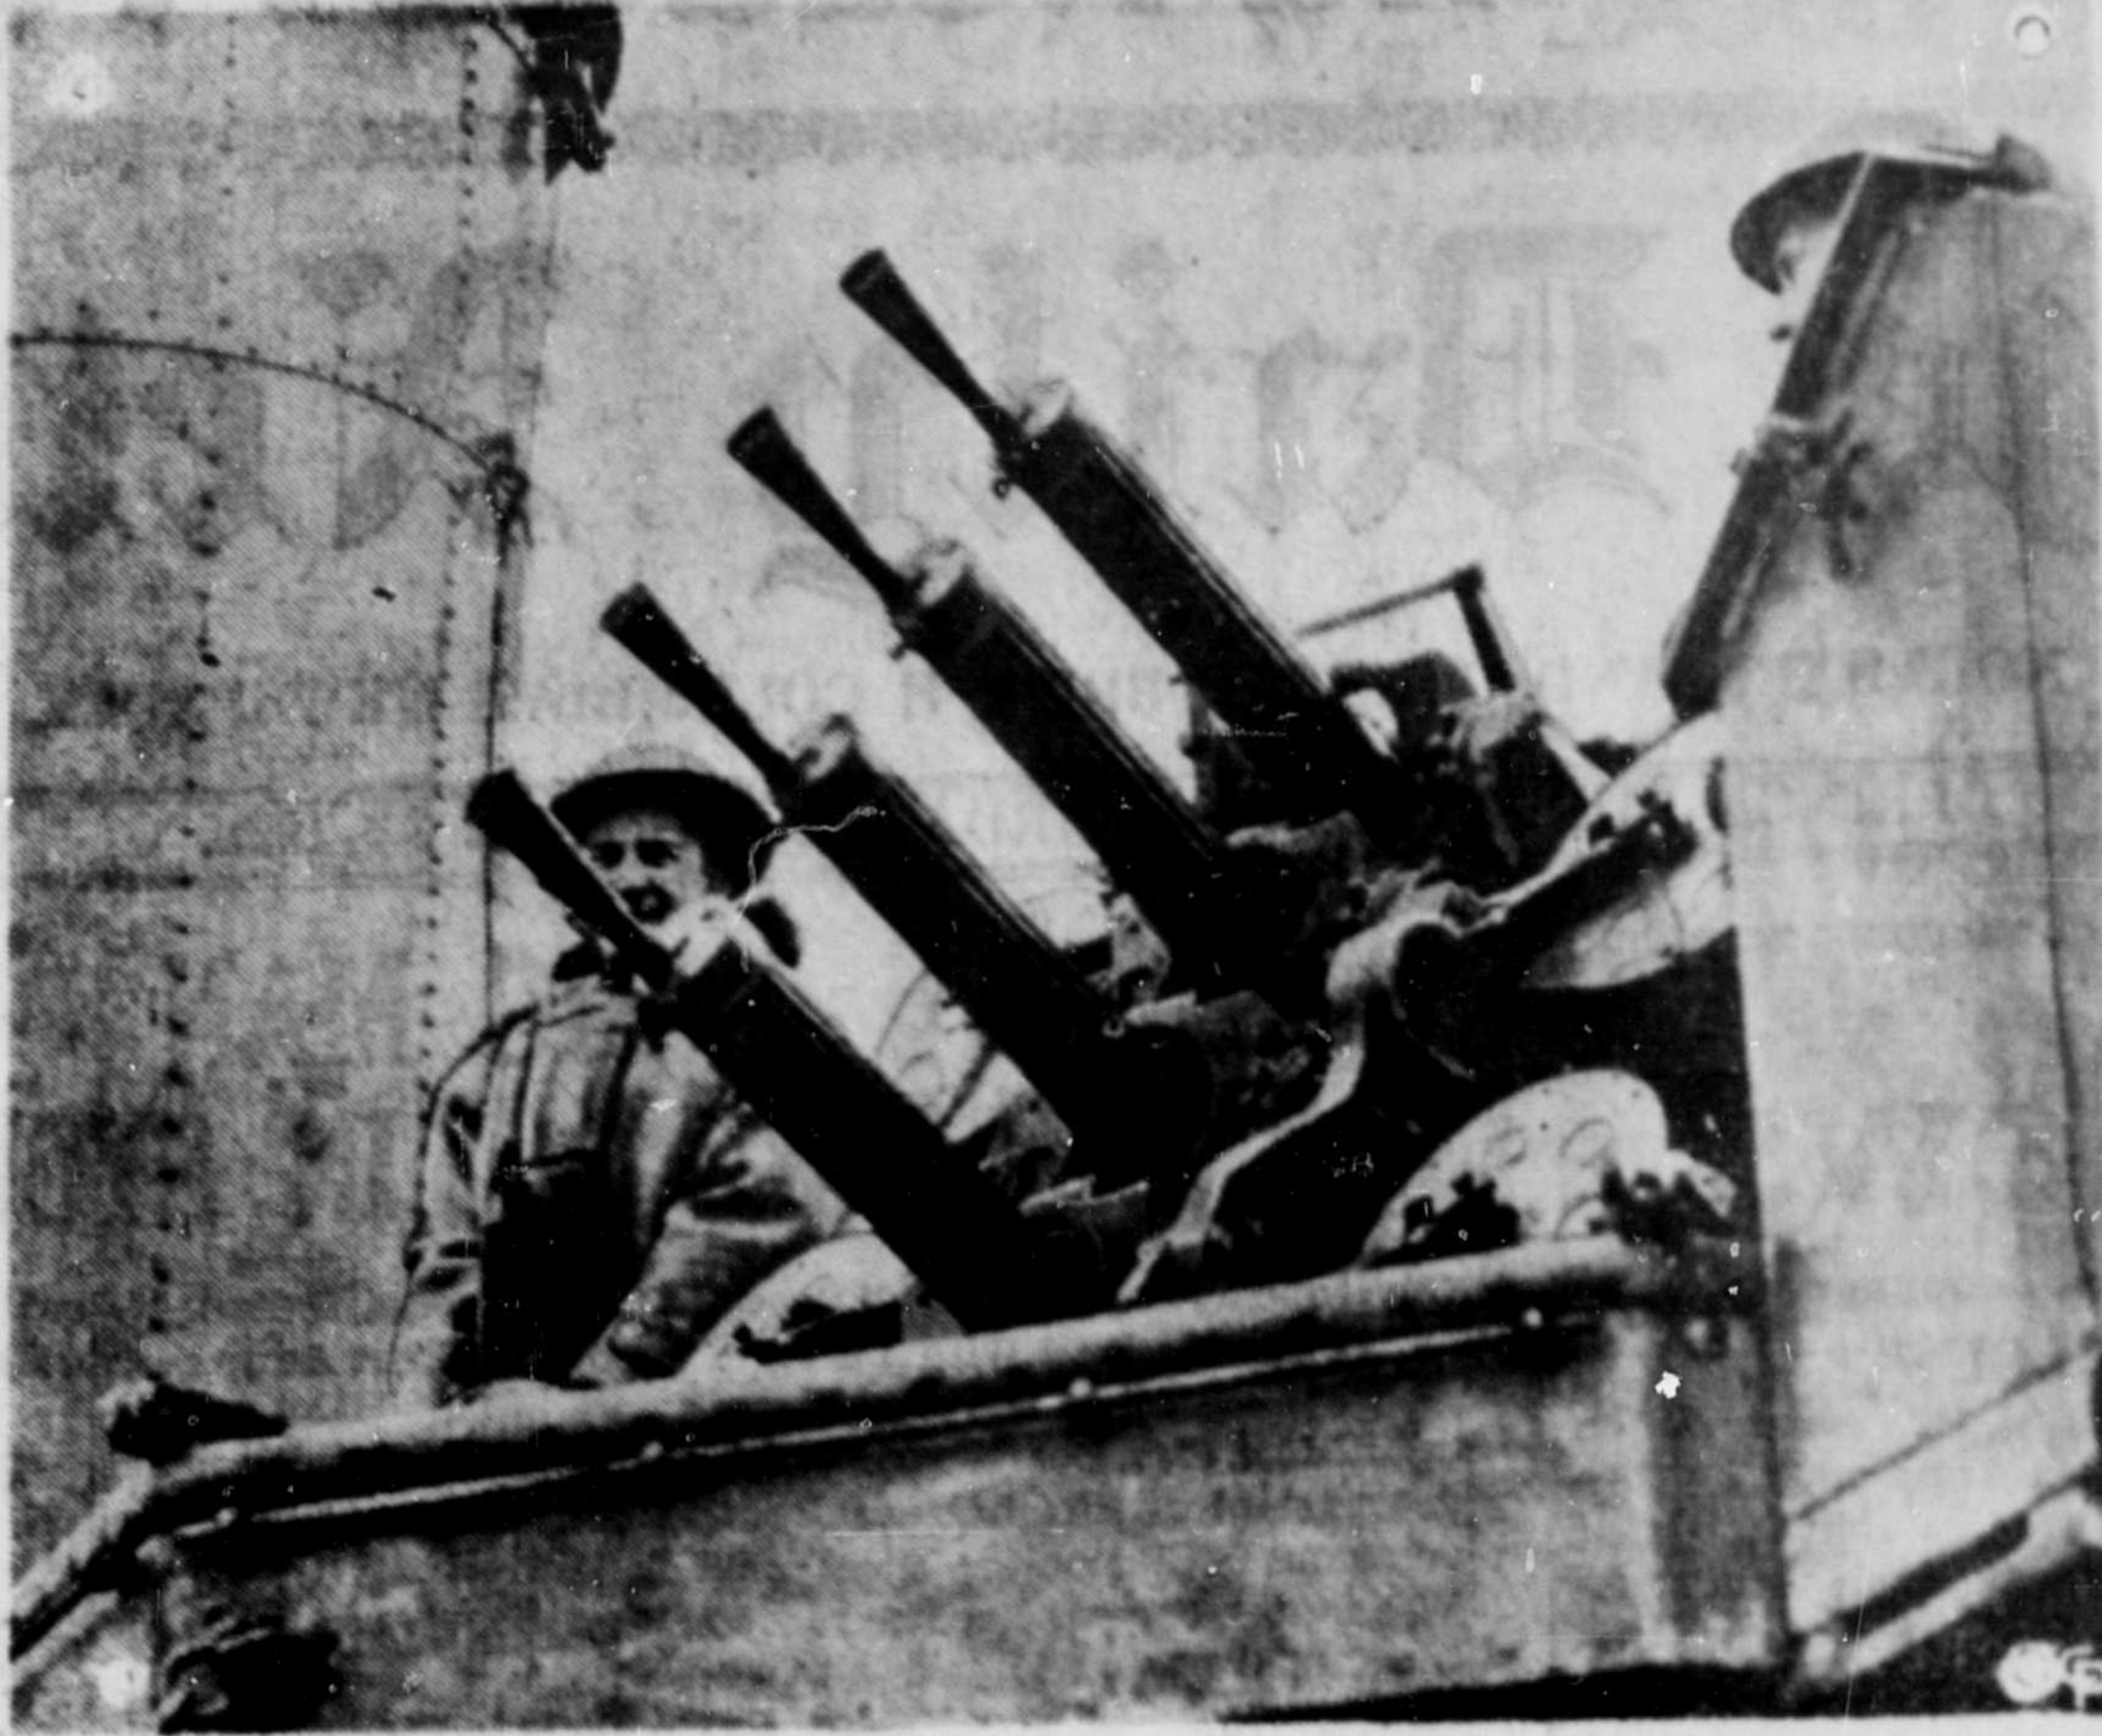

MERRY CHRISTMAS (?)

PRAGUE, Dec. 30. (CP)—Christmas Day saw discontinuance by decree of privileges hitherto accorded Czechs in food rations and substitution of the ration card system now operating in Germany proper.

PEANUTS APLENTY

HOUSTON, Tex., Dec. 30. (CP)—Peanuts in Atascosa County were produced to the tune of 35,000 acres in 1939, with the yield approximately 15 bushels to the acre. The market value was \$500,000.

MULTIPLE ANTI-AIRCRAFT GUN ON WATCH IN NORTH SEA

Aboard the British mine sweepers patrolling the North Sea are powerful armaments to combat enemy airplanes and submarines. Here is a multiple anti-aircraft gun aboard one of the patrol vessels, always manned and ready for instant use once an enemy plane is sighted.

Buffalo Are Available For The Province

The Prince Rupert Chamber of Commerce has received a reply to a communication in regard to the placing of buffalo in Tweedsmuir Park or on Graham Island. The controller of the Department of Natural Resources reminds the Chamber that both these areas are under provincial jurisdiction. If the province wishes to obtain a buffalo herd for a suitable range, the department will be glad to make stock available from Elk Island National Park where there is a fine herd. The province would be required to pay all expenses of transfer and maintenance.

The letter also draws attention to the desirability of determining the suitability of ranges as the buffalo is a grazing and not a browsing animal.

OCEAN FALLS Hockey Standings

The Ocean Falls Rangers, assisted by the Girl Guides, held a silver tea and entertainment to raise funds for their organization. A very popular attraction was the selling of novelties made by the girls, filling a demand for something different in the way of Christmas presents. The girls and their leader, Mrs. L. Harris, were in charge.

	W	D	L	F	A	P
Vancouver	9	1	5	55	45	19
Portland	7	1	9	39	73	15
Seattle	6	0	8	37	43	12

The Women's Auxiliary of the Ocean Falls Anglican Church, assisted by the Anglican Young People's Association, held a very successful bazaar and tea in the church hall. The president, Mrs. Patterson, was in charge. The convenors were: Mrs. Robertson and Mrs. Denholme, fancy work; Mrs. Hodson, home cooking. The toy counter was run by the young ladies of the Anglican Young People's Association and the Juniors' work and candy stall was in charge of Mrs. Potterton and Mrs. Kennedy.

Old Santa made an early appearance in Ocean Falls when Mrs. Patrick gave a party in the church hall to a large number of little boys and girls.

Mrs. Robertson's kindergarten closing was much enjoyed by the parents. The tiny tots sang nursery rhymes and put on a very delightful little play.

The Rover Scouts' Christmas sing-song was the best yet. The theatre was packed with an enthusiastic audience. The program of Christmas carols and old-time songs was interspersed with musical solos by Miss P. P. Clarke and Percy Bryant. There were also vocal solos by Margaret Hughes. The "Six Cheers" — Misses R. Clarke, P. Palmer, A. Lee, I. Miller, Edith Benson and N. Adams — sang "Nazareth" in wonderful harmony. The "Night Before Christmas" was pictured by the Rovers with a very large mouse, a synthetic reindeer and two Santa Clauses. Jack Maxwell read the script. The scenery by Rex Ross, conveyed the Christmas spirit and was much admired. A feature of the program was the presentation of silver cups, won in the recent swimming gala, to Olive Taylor, Freddy Oxenbury, Jr., and Lorne Chase. The presentation was made on behalf of the local unions by Messrs. Charleson, Ollett and Marshall.

Air Force Men Form Own Band

Music Loving Aviators At Trenton Go To Considerable Expense

TRENTON, Ont., Dec. 30. (CP)—A group of music-loving aviators at the Royal Canadian Air Force Station here put themselves to considerable effort and expense to maintain a band.

They bought their instruments out of their own funds and practice on their own time. Almost all the bandmen are mechanics and after a station parade when the band does its stuff the bandmen must jump out of their fancy uniforms, pull on their overalls and get back to work.

Mr. and Mrs. J. E. Boddie sailed last night on the Princess Adelaide for a trip to Vancouver and elsewhere in the south.

Monty Vineberg left on last evening's train for a holiday trip to his home at Sherbrooke, Quebec. He will also visit New York while away.

Rev. H. G. Funston, pastor of First Presbyterian Church, and little daughter returned to the city on the Princess Norah this morning after spending Christmas in Vancouver.

Mrs. G. I. Smith of Nanaimo arrived in the city on the Princess Adelaide last night to pay a visit here with her husband, Lieut. Smith of the Sixteenth Canadian Scottish.

Mrs. W. S. Morse, wife of Capt. Morse of the Canadian Corps of Signals here, arrived in the city on the Princess Adelaide last night from Vancouver for a visit of a few weeks.

Dominic Elio will sail on the Catala Tuesday afternoon for a two week's business and holiday trip to Vancouver. During Mr. Elio's absence Miss Ruth Gillett will have charge of the store.

ITALY HAS BAD WRECK

Forty Persons Killed and 150 Injured in Train Collision Near Naples

NAPLES, Dec. 30: (CP)—At least forty are dead and 150 injured as a result of an express train crashing into a troop train at Torre Annunziata station, eighteen miles south of here, today. A defective switch, due to ice and snow, is blamed for the disaster. It was a rear-end collision.

Hockey Scores

National League
Boston 0, Rangers 4.

SPORT CHAT

Flying hooves of a long-limbed chestnut colt set an unbeaten pace to give consolation to Britons disappointed by a none too starry year in other branches of sport.

But even Blue Peter's turf achievements were not without disappointment for, like everything else in this sport-loving land, they were affected by the war. The first horse to carry the rose racing silks of the present Lord Rosebery to victory in the Derby, Blue Peter had been conceded the triple classic title on his remarkable record which included the 2,000 Guineas. But war intervened and the third Classic—the St. Leger—had to be cancelled. He had beaten either his rivals or masters of his rivals named for the race and nobody disagreed with Trainer Jack Jarvis' verdict that, unless he up and died, Blue Peter would win going away.

Jarvis also found plenty of support for his claim that the three-year old was one of the best ever produced in Great Britain. Still a youth, with prospects of unusually big stud fees, the son of Fairway out of Fancy Free has been retired with one season's stake earnings amounting to \$142,239.

Start On Air Base Work Now

Alec E. Richards, superintendent for the E. J. Ryan Contracting Co., and several of the company's key construction men arrived in the city on the Princess Norah this morning from Vancouver to be engaged in air base construction work at Seal Cove. Operations will get under way with the advent of the New Year. Machinery and equipment arrived earlier in the week.

Delightful 'Xmas Party At Hotel

Mrs. H. B. Rochester Hostess at Affair on Wednesday Night With Officers of Garrison as Special Guests

Mrs. H. B. Rochester entertained delightfully on Wednesday night with a Christmas dancing party at the Prince Rupert Hotel, special guests being officers of the local garrison and their ladies. There were about sixty couples in attendance and all had a highly enjoyable evening.

The rooms were handsomely decorated in Yuletide colors, the arches with evergreens and red and silver being a feature while there were festoons of flowers and foliage from the ceilings.

BIG MAN IN STEEL

(Continued from Page One)

One was the death of his wife, the former Julia Kaufholz of Cleveland whom he married January 19, 1886. The other was the childhood deaths of their two boys.

Servants said a plate was laid at the family table for his wife long after her death in 1935, and that her chair was pulled back at each meal as if she were to be seated, then moved forward.

Held Many Directorships

He was chairman of Interlake Iron Corporation and president of Interlake Steamship Company. At various times he was a director in such businesses as the Guaranty Trust Company of New York, Ohio Bell Telephone Company, the Missouri Pacific and other railroads, the New York Trust Company, the National City Bank of Cleveland, and a number of other steel and iron concerns.

During the World War he was a member of the War Industries Board's iron and steel committee.

President Coolidge named Dalton in 1925 as his personal arbiter in a dispute on the United States Shipping Board, and for a study of the merchant marine. President Hoover appointed him five years later as the first member of a commission to study the American shipping situation.

He gave, in 1925, \$400,000 for a science hall at Kenyon College (Gambier, Ohio), which two years later awarded him an honorary doctorate of law. Western Reserve University at Cleveland named him to an honorary degree of doctor of humanities in 1936. He was a trustee of both schools.

C. H. Kennedy, who has been at Anxox in connection with the dismantling of the old smelter and mine plant by the A. R. Williams Machinery Co., sailed by the Princess Adelaide last night on his return to Vancouver, accompanied by Mrs. Kennedy, Miss M. McIlwain and H. Kennedy.

THOROUGH SPELLER

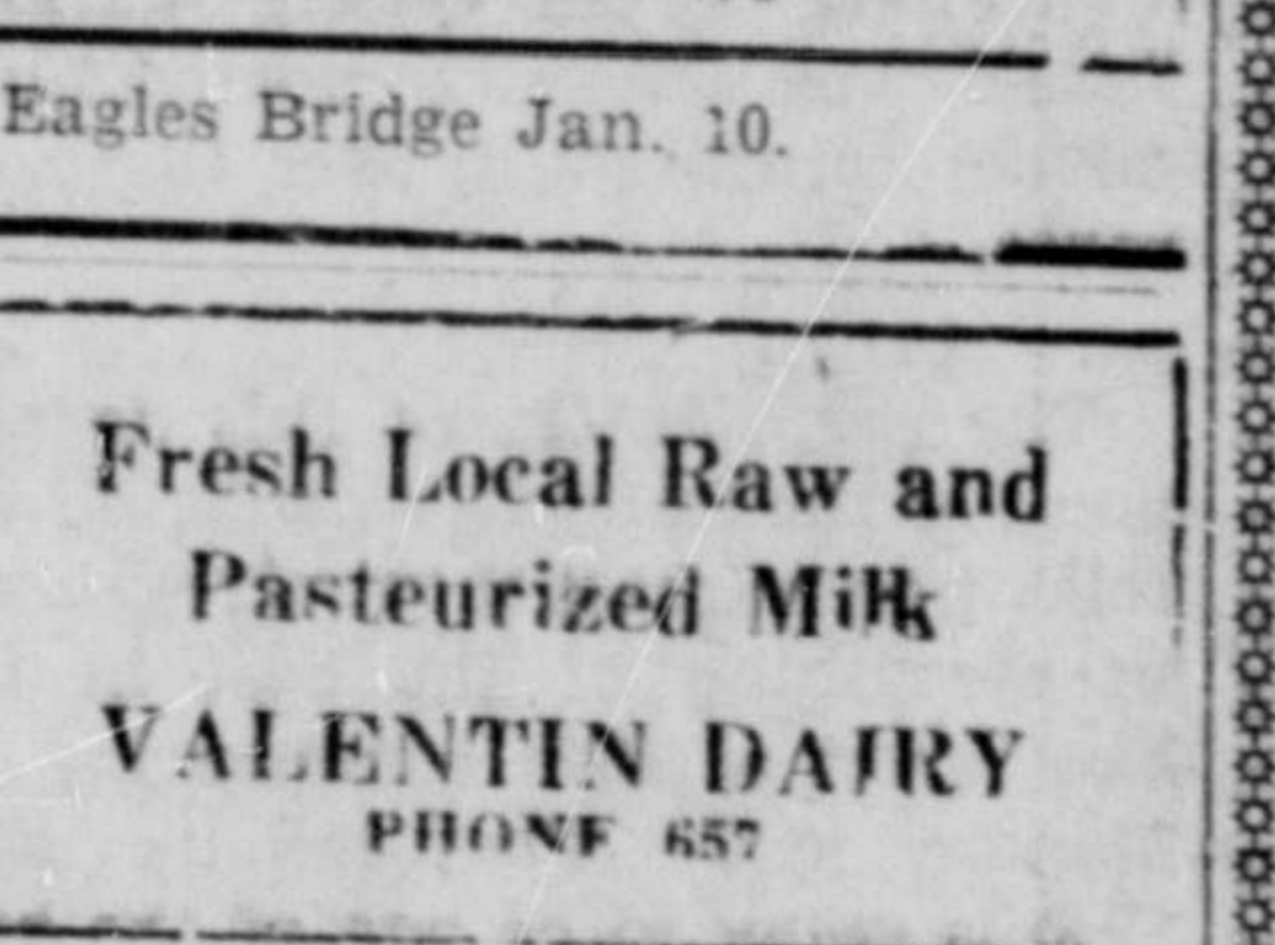

LOUISBURG, N.C., Dec. 30: (CP)—A truly great speller was the late J. J. Allen of Louisburg. Not only did he claim to be able to spell any word but he could tell its exact position in an old school speller he had used.

Waterfront Whiffs

Waterfront to Revive After New Year—Men Arrive From Vancouver For Air Base Work at Seal Cove

With the holiday season now nearing its end, the advent of 1940 next week should see some stir along the Prince Rupert waterfront. Herring seining, after a two weeks' lapse, will be immediately resumed and there are reasons to believe that a substantial run of fish may be encountered by the seiners. At the same time, some of the more ambitious of the halibut boat operators will be thinking of getting their craft in readiness for the season. Of course, there will be three months to go yet before the halibut season starts. Boat repair establishments and machine shops are expected to be quite busy from early in the New Year on.

John Knapland left on last evening's train for a trip to Chicago.

COMPLIMENTS OF THE SEASON

CHRISTMAS OBSERVED

Special Entertainments and Parties in Various Native Villages of District

Christmas parties have been held during the festive season for the school children of most of the native villages of the district. Among the villages to have such parties were Kitselas, Kitsegukia and Metlakatla.

At Kitselas there was a long program of twenty-three numbers after which prizes and candy were distributed by Edgar Hudson in the guise of Santa Claus. Refreshments were then served under the management of Mrs. Joe Hudson, assisted by several of the ladies. The program, under the direction of the teacher, Mrs. R. Wilson, assisted by Mr. Wilson, Ben Seymour and Edgar Hudson, included choruses, carols, recitations, dialogues, action songs and readings and, as an especial feature, a tableau, "The Story of Christmas." The reader for the tableau was Laura Hudson while those taking part in the scenes were Rosie Seymour, as the angel; Lillian Bevan as Mary; Raymond Seymour as Joseph; Phyllis Kennedy, Lawrence Hudson and Fredella Bolton as the Three Kings, and Laurie Bolton, Geoffrey Bevan, Perry Bolton, Joe Bolton, Willard Seymour and Henry Bolton as shepherds. The carols—"First Nowell," "Silent Night" and "O Come All Ye Faithful" were sung from the wings by Laura Hudson, Phyllis Kennedy, Mrs. R. Wilson and Ben Seymour. Taking part in the general program were Lillian Bevan, Laura Hudson, Phyllis Kennedy, Edgar Hudson, Raymond Seymour, Mildred Bennett, Emsley Bolton, Rita Lawson, Joe Bolton, Ambrose Bennett, Fredella Bolton, Willard Seymour, Geoffrey Bevan, Rosie Seymour and Lawrence Hudson.

At Kitsegukia
The Kitsegukia school had been attractively decorated by the young people for the children's Christmas concert. Under the direction of Mr. and Mrs. Walter Wesley, the Christmas carols "Earliest Christmas Morning," "Jolly Old St. Nicholas," "Away in a Manger" and "Angels Sweetly Singing" were rendered by the pupils. Little Percy Brown mounted upon a chair and put some of his fellow pupils through a part of the Hallelujah Chorus. Along with a number of recitations and drills, the pupils staged a play entitled "Too Much Candy," with Magnus Turner in the principal part. The young people also staged a one-act play entitled "A New Invention." Later Santa Claus arrived on the scene, much to the delight of all, and refreshments were served. Bert Russell acted as chairman.

Metlakatla Concert
At Metlakatla the school children staged a fine concert and party in the Athletic Hall, practically the entire population of the village being in attendance.

One of the features was a display of children's school work including drawings, paintings and samples of writing. A manual training display consisted of rack, tool box, table, desk, magazine rack, flower pot stand, Chinese checker board, fishing reel and revolving drawing board. This work was excellent and was a credit to the boys as well as to their teacher. There was also a girls display of knitting and needlework in-

Northbound from Vancouver to Skagway, C. P. R. steamer Princess Norah, Capt. William Palmer, arrived in port at 8:45 this morning from the south, sailing at 10 p.m. in continuation of her voyage to Alaska whence she is due back here next Wednesday afternoon southbound. The vessel had on board forty passengers including some fifteen who disembarked at this port, among them men who will be employed by the E. J. Ryan Contracting Co. on air base work at Seal Cove. A couple of passengers boarded the Princess Norah here for the north.

Union steamer Cardena, Capt. John Boden, arrived in port at 6 o'clock last evening from the south, sailing on time at 10:30 p.m. on her return to Vancouver and waypoints.

After having spent a week's Christmas leave at their homes here Peter Husoy, Carl Smith, Walter Smith, Earl Eby, Johnny O'Neill, Arnold Dahl, Emil Blain, Jack Storrle, Harry Robb, Don Eastman, Bob Armstrong and Bob Elkins sailed by the Princess Adelaide last night on their return to Esquimalt.

At the recent conference of the International Fisheries Commission in Seattle with the boat owners and fishermen of the coast, L. W. Patmore K. C., formerly of Prince Rupert, was chairman while E. W. Allen of Seattle acted as secretary.

C.N.R. steamer Prince John, considerably late on account of stormy weather, is due at 5:30 tonight from Vancouver via the Queen Charlotte Islands and will sail tomorrow night on her return south over the same route.

The perpetrators of this department of the Daily News wish all the folks who interest themselves therein everything of the best in the New Year of 1940 commencing on Monday next. They tell us that 1940 is going to be one of the best years we folks in little old Prince Rupert have ever had. No doubt, the people of the waterfront will share in any better things that may be coming our way. At least, it is our hearty wish that such will be the case.

cluding socks, sweaters, mitts, baby clothes, runners, table cloths and aprons, this work being of high standard and reflecting credit upon the girls as well as their instructor, Mrs. James Prevost.

Mrs. Violet Brown had taught the children many songs and the program included carols and light melodies. Jimmy's Orchestra supplied many fine selections during the evening. Action songs were also performed well. Games were played, Rhoda and Frances Leighton tying for first place in the senior class for musical chairs while the junior winner was Rodney Wilson. Harold Leighton won the prize for cracker eating in the potato race. Theodore Brown and Audrey Ryan were the winners.

Santa Claus arrived on the scene and every child in the village was remembered.

Mr. Prevost wound up the gathering by proposing a vote of thanks to the teacher, T. A. Bryant and others.

FUN BILL ON SCREEN

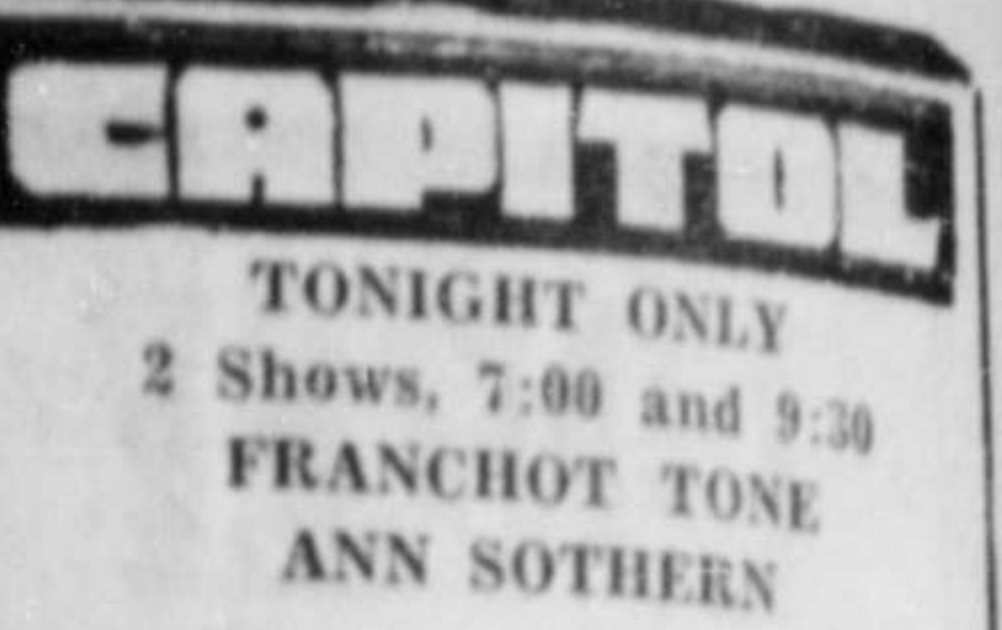

Two Diverting Comedies Are Presented at Capitol Theatre Tonight

"Fast and Furious," a rollicking modern mystery comedy, featuring Franchot Tone and Ann Sothern, and "Blondie," screen adaptation of a popular comic strip, are presented on an entertaining double bill being shown at the Capitol Theatre here tonight.

Gay comedy is woven into mystery with domestic scenes between in "Fast and Furious" which sees Tone and Miss Sothern as man and wife at a seaside resort where they become involved in a beach contest. Two murders, several attempted ones and an elaborate bathing beauty parade are among the features of the picture. There are colorful backgrounds and elaborate scenes for the action. The supporting cast includes Ruth Hussey, Lee Bowman, Allyn Joslyn, John Miljan and others.

Complications mount in hilarious crescendo in "Blondie" but, after many bumps, both financial and domestic, the troubles are satisfactorily ironed out and peace reigns again in the happy household. Before this is accomplished, however, the head of the house spends a night in jail, Blondie wrestles with the suspicions of another woman and Baby Dumpling adds a touch of mischief here and there to confuse the going-on. Penny Singleton and Arthur Lake head the cast with Larry Simms, an attractive youngster, as Baby Dumpling.

An attractive entertainment feature at the Capitol Theatre for

"FAST AND FURIOUS"
