NAZI PLANES RAID SCOTLAND

Every Passing Hour In "War Of Patience" Works For Allies—So Says Chief French Commander

FRENCH DRIVEN BACK PARIS, October 16: (CP)—German troops were reported to have launched an attack in force today against the northern flank on the Western front, driving the French out of German territory back into France before the Nazis were repulsed by French counter-attacks.

PARIS, October 16.—"Every passing hour works for declared Marshal Gamelin, commander-in-chief of French Army, in his first interview since the war began. Our losses have been a minimum in comparison with the results that have been achieved. This is a war of patience and waiting for the time being at least. Let us be calm and have confidence in the army."

NOT FOR RUSSIANS TO GIVE

This has reference to the ceding to Lithuania of the Vilna district under the agreement between the two countries.

DRIFTED ACROSS STRAITS George Olsen and Arthur Thompson left Cumshewa Inlet October 8 for Massett. They ran into a storm with their gasboat Igo and ran before it to anchor off Banks Island where they spent four days before coming here. The provincial police were advised that they were missing and, on checking up with the fisheries department, found they had reported here safely.

DEAD IN CRASH SNOW ROAD, Ont.—Bodies of two Royal Canadian Air Force officers were found in the bush here today in the wreckage of a plane which crashed Saturday. The plane carrying Pilot Officer H. K. Corbett of Fredericton and Pilot Officer G. L. Olstead of Winnipeg, came down on a navigation practice flight near this town, 65 miles north of Kingston.

DIFFICULT FACILITIES FOR FINNS ARE LACKED

Russia Is Believed To Have Faced Delegation With Proposals Hard of Acceptance

"NO WAR"—GARVIN LONDON, October 16:—J. L. Garvin said unequivocally in the Sunday Observer yesterday that there would be no war over Finland. He predicted a settlement being reached between Russia and Finland which would be satisfactory to both sides as well as to other nations concerned. In Moscow the Tass, official news agency, described reports of Russian military concentrations on the Finnish frontier as being a "fabrication."

HELINGFORS, Finland, Oct. 16: (CP)—Indefinite postponement of further Finnish-Soviet talks at Moscow led diplomatic circles today to believe that Finland had been faced with proposals she would find difficult to accept. It is said unofficially that Russia asked for the right to establish naval bases on certain Finnish Islands on the Gulf of Finland.

TURKS IN DEADLOCK WITH REDS Three Major Demands In Connection With Proposed Agreement Are Rejected By Southern Nation

ISTANBUL, Turkey, October 16: (CP)—Turkey made "feverish" military preparations today on the strength of reports that Russian troops were massing in the Caucasus Mountains. It was learned on good authority that Foreign Minister Sakurov of Turkey, now engaged in diplomatic discussions in Moscow, had refused three major basic Russian demands—Recognition of the partition of Poland, formation of a neutral Balkan bloc under the aegis of Russia and Germany and territorial expansion of Russia and Roumania.

AIR LOSS FOR JAPS

SHANGHAI, October 16: (CP)—One hundred Japanese airplanes are reported to have been destroyed by twenty Chinese raiding planes at Hankow, five more being shot down. German Attack On Firth Of Forth Is Turned Back With Three Enemy Bombers Down

MISSILES DROPPED IN VICINITY OF FAMOUS BRIDGE WHICH, HOWEVER, WAS NOT STRUCK—SHRAPNEL DROPS IN STREETS OF EDINBURGH

LONDON, October 16:—German war planes visited the Scottish coast early this afternoon but the attempted attack on coastal objectives failed. Royal Air Force planes engaged the enemy in action and inflicted, it was claimed, heavy losses. Three German bombers are unofficially reported to have been shot down in the area, one in the Firth of Forth and two on land.

No report of any damage was received although several bombs dropped in the vicinity of the Forth Bridge, all striking the water as the planes approached from the North Sea. Anti aircraft guns went into action at Edinburgh with firing particularly heavy in the neighborhood of the Firth of Forth. There was also much aerial activity and some aircraft were reported to have been seen in pursuit of other machines. It is reported that several pieces of shrapnel were picked up in the streets of Edinburgh.

Air raid warnings were not sounded. Successful reconnaissance flights, it is officially stated, were carried out by British planes over northern and central Germany last night. The reports did not say whether the planes had encountered any resistance.

A German communique is reported as claiming that two enemy planes—one British and one French—were brought down at Mainz and Frankfurt. The British plane, a Whitney bomber, was brought down by anti-aircraft fire.

MUTINY ON COLUMBUS WHAT WILL HITLER DO?

Six Hundred Members of Interned German Vessel Threaten To Quit Ship

VERA CRUZ, Mexico, October 6:—Six hundred members of the crew of the steamer Columbus, third largest German liner, interned near here, are threatening to mutiny unless they receive six weeks' pay now due them. They also demand shore leave, at present denied them, and are complaining about short rations.

There is something strange about the short rations complaint in view of the fact that the Columbus has been receiving food supplies which should more than meet the requirements of the crew of six hundred. It has been suggested that the Columbus has been acting as a base for German submarines.

SEA WAR IS MORE INTENSE

One British, Two French and One Norwegian Vessel Are Victims Over Week-End Of German Campaign

LONDON, October 16: (CP)—The sinking of the Norwegian freighter Gressholm, which struck a mine Friday, and the disclosure Sunday of the destruction of three more Allied ships—two French and one British—marked a sharp increase in sea hostilities as the war entered its seventh week. Eight survivors of the Gressholm, which was bound for England with wood pulp, reached Holland today. Three members of the crew were missing. German submarines over the week-end sank the British steamer Lochavon and the French liners Louisiane and Bretagne. At least fifteen are believed to have perished when the French ships went down.

Four hundred survivors of the two French ships were picked up and landed by British warships. The Admiralty declined to comment today on a claim of the German supreme high army command that the same submarine which sank the British battle cruiser Royal Oak had also scored a torpedo hit on the battleship Repulse.

No Shortage Of Sugar In Canada

OTTAWA, October 6: (CP)—The wartime food control board predicts that there will be no shortage of sugar in Canada during this war as there was in the last although hoarding may make it necessary to take action in the regulation of prices. A normal supply of sugar for the coming year is already assured with the new raw crop coming in.

WHO IS LEADER?

Up to the last session of Parliament J. S. Woodsworth was leader of the Co-operative Commonwealth Federation party in Canada but he fell down when he failed to agree with the findings of his party in regard to the declaration of war and allowed M. J. Coldwell to speak for the party officially. What people are now wondering is whether Mr. Coldwell will continue to speak for the party or will Mr. Woodsworth be reinstated. Many think that Mr. Woodsworth is through as far as leadership is concerned and that the mantle has naturally fallen on the younger prophet, the school teacher from Regina.

Bruce Hutchison says Coldwell will give the party a quite different leadership from what they have been used to. He says that Woodsworth looks more like a saint than a politician but Coldwell is no saint but is a better politician. He has himself under better control and knows better than the other man what the party is up against in trying to bring about a change of system in Canada. Judging from the answers to questions when before the banking committee Mr. Coldwell favors private ownership of property such as a house, a farm or a small business. Just where this private ownership is to stop is not clearly indicated and never can be. His answer to the banking committee was that what he wants to see is more private property for more people and less property for the few. He would not take over the small businesses but only the large monopolies and these he would operate as departments of the government. His plan would be to issue bonds with which to remunerate the owners.

It seems to us as if this was something like the brand of socialism advocated in British Columbia by the former leader in the Legislature, Rev. Robert Connell. At any rate it indicates that at least a section of the C.C.F. members do not favor immediate confiscation of property and the operation of all businesses by the state. That may be possibly the ultimate aim but it will be brought about gradually if it is ever done. In other words, it is not communism.

'BUY IN CANADA'

Women's Institute Told Of Work Ré Canadian Industries

EDMONTON, Oct. 16: (CP)—Buy Canadian made goods and endeavour to establish typical Canadian handicrafts as profitable industries urged Mrs. Freeman Lank, Bass River, N. S., in her national report on Canadian Industries at the Federated Women's Institutes of Canada convention here.

Mrs. Lank advocated support of the Dominion Provincial Youth Training plan to train youth as skilled laborers and commended Canadian magazines and newspapers which promoted Canadian industries and ideals.

Principal studies of this com-

mittee during the past biennial were on the subjects of cotton-trade labels, guarantees, wearing ability, color; and soaps (toilet and laundry)—cost, quality, action on fabrics and colors as well as on skins.

Throughout Canada Women's Institutes made tours through local manufacturing plants, sponsored home products banquets and displays and carried on classes of many types of handicraft.

PARK WINS BASEBALL

Deciding Game In Junior League Play-offs Was Thrilling Affair Yesterday

The Junior Baseball League play-off series concluded yesterday in a win for McClymont Park which scored a close 18 to 17 victory over Fraser Street. The game was about the best of the entire series. Fraser Street had the early advantage but, due to pitching weakness, fell behind in the latter stages. Pitchers were Arney for Fraser Street and Santerbane for McClymont Park. A home run by Stan Scherk in the ninth was the hitting feature of the game. Zbura was the stellar player for McClymont Park. Jim Lawrie was umpire.

The players were: Santerbane, Zbura, Simundsen, Scherk, Keays, Ciccone, Hingston, Lawrie and Oland.

Fraser Street—Pavlikis, Arney, Scherk, Long, Husoy, Killas, Vuckovich, Brown, Grimsson, Barber, Postulo and Bill.

During the winter scrub games will be played as weather permits and plans are to form a Junior Baseball League of four teams for next year.

PORTLAND, October 16: (CP)—It is expected that the Pacific Coast Hockey League this winter will again have a team from Spokane but chances are diminishing of California cities such as San Francisco, Oakland, Sacramento and Los Angeles joining, it was said Saturday night by Bobby Rowe.

CONFLICT PITFALLS

This war is sowing the seeds of moral destruction even here in Prince Rupert, asserted Capt. Ivan Halsey, local Salvation Army commandant, in speaking at First Presbyterian Church yesterday morning in the absence of the pastor, Rev. H. G. Funston, who is in Vancouver attending Synod sessions. Capt. Halsey alluded to a "disgusting" Saturday night scene among young soldiers down town. Unfortunately, these young men were being led astray by more hardener and worldly men. Those who professed Christianity were too self-complacent and passive in their religion. The church

too could be more active. Never was a active Christianity more needed than today but it would involve self-denial, courage and sacrifice. Capt. Halsey's text was "Behold, I stand at the door and knock. If any man hear my voice and open the door, I will come in to him." How many were ready to open the doors of their hearts to Christ today, asked the Army officer.

RITEs ARE BEAUTIFUL

Miss Angelica Favot Becomes Bride Of Lino Colussi—Occasion Suitably Celebrated

At the Church of the Annunciation before the altar which was beautifully decorated with flowers for the occasion, the marriage took place Saturday morning of Miss Angelica Favot and Lino Colussi. Bishop E. M. Bunoz performed the ceremony, being assisted by Father Lantagne and Father Adam.

The bride was a beautiful picture in white satin with bodice of Italian lace, Elizabethan collar, train of satin and lace veil with coronet of orange blossoms. Her shower bouquet was of pale pink roses and white chrysanthemums with streamers.

The matron of honor was Mrs. Gordon L. Viereck, sister of the groom, who wore a lovely pink net dress with hat and gloves to match, carrying a bouquet of pale yellow roses and white chrysanthemums.

The charming bridesmaids were Miss Erma Bussanich, in turquoise blue and silk taffeta with pink shoulder length veil and white gloves, carrying a bouquet of yellow and white chrysanthemums, and Miss Lillian Vaccher, in apricot rose silk taffeta with shoulder-length blue veil and white gloves, carrying a bouquet of yellow and white chrysanthemums.

The bride was given in marriage by her father, G. Coluso.

The groomsmen were Mike Colussi, brother of the groom.

Ushers were Mario Bussanich and Romeo Cervi.

The mother of the bride, Mrs. G. Colussi, wore a navy blue polka dot ensemble with corsage of roses.

Following the marriage ceremony, a wedding dinner was held at the home of Mrs. O. Vaccher. The table was beautifully decorated and centred with a three-tier wedding cake surmounted by a miniature bride and groom. A toast to the bride was proposed by Father Lantagne and was suitably responded to by the groom.

There was a large gathering of friends at a reception in the evening to tender congratulations and best wishes to the happy couple. The bride and groom received under an arch of roses and white wedding bells. The toast to the bride was proposed by Dr. L. W. Kergin and responded to by the groom. Special features of the evening included community singing and an Italian folk song. Midnight luncheon was served and dancing continued until the early hours of the morning to the strains of piano-accordion music played alternatively by Mike Colussi and Mario Bussanich.

Those serving were Mrs. L. C. Griffiths, Miss Mary Martin, Miss Mary Scuro, Miss Gilda Campagnolo and Mrs. Culos.

Numerous beautiful and useful gifts testify to the popularity of Mr. and Mrs. Colussi who will reside at Georgetown.

ENTERTAINMENT 'BEAU GESTE' APPRECIATED IS SHOWING

Big Crowd of Service Men in Attendance at Sunday Evening Gathering in Legion Clubrooms

With the numbers of military units stationed in Prince Rupert expanding, a corresponding increase in attendance and enthusiasm at the informal Sunday evening entertainments being held after church in the Canadian Legion clubrooms which were thronged last night. The Canadian Legion and the organizations collaborating with it in staging these weekly entertainments are to be complimented on their enterprise and initiative. Certainly if the appreciation which was manifested by the response last night may be taken as a token, there should be at least a measure of satisfaction.

P. H. Linzey presided last night and, in opening the proceedings, gave a brief and appropriate talk. He referred to the present conflict between the ideologies of world domination and liberty and democracy. There was also the personal challenge, the choice which every man had to face today of sinking to the depths or rising to the heights. He who would fight for lofty principles should be the master of his own person. There was a duty to God and man in living the life of a good soldier.

The evening's program included vocal solos by Miss Betty Wood, accompanied by Miss Jean McLean; piano solos by Harold Davey, vocal solos by Sergeant J. A. Teng, accompanied by Charles P. Balagno; selections by the Sixteenth Canadian Scottish Pipe Band; orchestral selections by Gunners House, Hetherington and Aitken; vocal duets by Mrs. P. H. Linzey and John E. Davey, accompanied by Charles P. Balagno; and community singing of hymns, accompanied by J. E. Davey and A. C. Cameron.

The evening concluded with the serving of refreshments by members of Cambrai Chapter, Imperial Order, Daughters of the Empire, during which community singing was lustily engaged in. The members of Cambrai Chapter serving were

Great Picture, Starring Gary Cooper, At Capitol Theatre—Local Soldiers To Be Guests

A stirring story of a trio of gallant brothers whose loyalty and devotion to each other leads them to high adventure in the French Foreign Legion is brought to the screen of the Capitol Theatre here for the first of this week in "Beau Geste," picturization of the famous novel of the same name. Co-starring Gary Cooper in the title role with Ray Milland and Robert Preston as his brothers, the story tells how they join the Legion in order that none shall be thought guilty of stealing a valuable sapphire from their guardian. It shows them standing together, fighting as one man against a brutal sergeant who believes that one of them possesses the jewel. They become involved in desperate battles with desert tribes, loyal to death, holding among them to the last the secret of who stole the jewel. The starring trio is supported by a splendid cast including Brian Donlevy as the brutal sergeant; Susan Hayward, in a modern romantic role opposite Milland, J. Carrol Nash, Donald O'Connor, James Stephenson and Roderick Crawford.

In connection with the showing of "Beau Geste," officers and other ranks of the local militia units will be guests of the theatre management. Tonight men of the 102nd, Battery and the Second Searchlights will be entertained; Tuesday night the Scottish and Ninth Fortress Signals and Wednesday, the Irish Fusiliers.

REASON FOR A PLEBISCITE

Editor, Daily News: As it is understood that the City Commissioner has resigned his position effective the end of this year, a number of citizens representative of the several bodies of electors in Prince Rupert have given consideration to the type of government that would be most suitable for the municipality and have formed the opinion that the city managership plan is most adaptable to our needs in order to avoid a repetition of the comic opera type of government to which we were subjected up to some years ago and which brought on the crisis necessitating the appointment by the government of British Columbia of a City Commissioner.

The government at Victoria has been approached in the matter and the Hon. A. Wells Gray, minister of Municipal affairs, has requested the city commissioner to hold a plebiscite in order to ascertain if a majority of the citizens is in favor of this proposed type of government. This is the reason a plebiscite will be held at the City Hall on Thursday next.

It is not possible to say definitely until the citizens have expressed their wishes at the poll just upon what lines this type of government will follow in Prince Rupert. However, it will be a type of government in which the citizens will have some voice on how our city is run. While quite a large number of towns in other provinces are governed by a city manager and an advisory mayor and council the system is new in British Columbia. Consequently, special legislation will be needed in order to permit it.

Hon. Wells Gray has intimated that, should Prince Rupert vote in favor of the city managership plan of government, he will visit Prince Rupert and discuss the question with the citizens in order that the government might be enabled to pass legislation to suit our purpose.

It is hoped that the citizens will take an interest in this question and go to the polls on Thursday next and express themselves as it is most important for the welfare of our city.

GOOD GOVERNMENT.

ANNIVERSARY IS OBSERVED

Thirty Years Since First Methodist Church Was Established in Prince Rupert

Special services at the First United Church yesterday were in observance of the thirtieth anniversary of the formation of the Methodist Church in Prince Rupert. The pastor spoke at both services. His subjects were "Why I Go To Church" and "The Inheritance of the Christian Church."

While no church was the only church yet it did seem that all had the same ideal in view although they might choose different ways of achieving that ideal, said Mr. Jackson. The Christian church had always had much to do with civilization and, in times of stress, personal and national, the church had been a refuge and the strength. Various systems might rise and fall but underneath was the all-important life—the life of Christ Himself. No creed was final for life itself was immortal. The inheritance of the church was due to many things, not the least the sacrifices of the saints who were men and women of dynamic character, faithful even unto death. Doctrines were not so important, the ever-inspiring and sustaining force was Christ and the church as it interpreted the life of Him.

Special music at the morning service was the anthem "Another Year Has Passed Away" sung by the Junior Choir and at the evening service the senior choir rendered "O Praise the Lord" (Earl of Wilton).
