RESTLESS AGE

There has been some comment in the city at the large number of teachers leaving Prince Rupert this year and having to be replaced. Word received from Ketchilkan is that ten teachers are leaving there just now and all have to be replaced.

Most teachers like to live in the larger cities where they oursider the opportunities for adrancement are greater. Also must be remembered that this is a restless age and most people like a change occasionally.

MO ANMOUNCEMENT

No appropriesment in regard to the future was made by Frime Minister Mackenzei King at his ambinersary party this week, much to the disappointment of many who were expecting some statement as to the probable date of the election and also possibly in regard to the leadership.

Evidently Mr. King feels that he has said enough about the election already, his intimation heing that it might be some time before an appeal is made to the electorate. In regard to the leadership, the present is evidently not considered the right time to

he making a change. Perhaps by spring the international situation may have improved. At any rate it is up to the Prime Minister to say when he will advise the Governor General to call an election.

Tight Game of Softball in Gyro Club Senior Boys' League

The young McClymont entry in the senior boys' division of the Gyro Softball League won a close 4 to 1 decision over the strong Westview team yesterday.

McClymont started their winning ways in the first inning when they scored two runs on two hits. dropped third strike and a fielder's choice. They scored two more in the fourth to give them their total the programme of the state of t

Westview's lone fally came in the second inning on a three base hit by Hopkins who crossed the plate on Killas' sacrifice.

The game was highlighted by the steady pitching of Grimsson for Westview and Simundson for Mc-Clymont.

From a spectator's point of view the game was uninteresting as both teams were practically retired in order throughout. McClymont boys were particularly brilliant in the field and, after the second inning, their opponents were unable to get

a man past first base. The next game in this league sees Westview again in action when they take on last year's winners, Acropolis Hill, on Tuesday next.
