## LEAVE TO SEE KING

1-Off Given Party of School Children

Headed by the Prince Rupert Boys' Band and followed by flag-bedecked cars with a large number of the citizens of Prince Rupert thronging the sidewalks, the six children representing the city left the Canadian Legion headquarters for the steamer Princess Adelaide last evening on the first stage of their journey to Victoria to see Their Majesties. The youngsters were excited as were their relatives and friends and very smart they looked with their sashes of purple with Prince Rupert in gold letters on them.

At the wharf there was an even larger crowd. All arrangements were finally completed, tickets checked and staterooms located and the fortunate six lined the rail as three ringing cheers and a "tiger" were given to wish them good luck. Betty Clark, Margaret Simpson and Mary Miller were the girls and George Weir, Leonard Younman and Douglas McGreish the boys.

The children will be met in Vancouver and accompanied to Victoria by Mrs. J. S. Black. Mrs. Black will breakfast with the children on the steamer in Vancouver and then be in personal charge of them until they return.

Supervising the final arrangements were Jack Preece, chairman of the committee, Stanley Saville, secretary-treasurer, H. T. Lock and J. S. Wilson. The send-off will long be remembered and the large turnout of citizens generally was an indication of the keen interest taken in this demonstration of loyalty and affection to Their Majesties, the King and Queen.

## Smithers Folk Will See King

Are Travelling To Vancouver, Victoria, Kamloops and Jasper

SMITHERS, May 27.—A number of Smithers residents have been leaving for the south by motor car and by train to get a glimpse of the celebrations going on and also to view the royal visitors who are expected on the coast in the next few days. Some are going to Vancouver, some to Victoria and some to London.

Among those already gone are Dr. and Mrs. R. C. Bamford, Mrs. A. E. Goodenough, Mr. and Mrs. S. A. Cunliffe and Ray Cunliffe. Mrs. R. B. Brummitt and two sons left yesterday by way of Prince Rupert.

It is expected that a number will take advantage of the excursion to Jasper at the time of the visit to Jasper of the royal couple.

## Weather Forecast

(Furnished through the courtesy of the Dominion Meteorological Bureau at Victoria and Prince Rupert. This forecast is compiled from observations taken at 5 a.m. today and covers the 24 hour period ending 5 p.m. tomorrow.)

General Synopsis—A deep depression is approaching the Queen Charlotte Islands from the westward. Showers have been general on the north coast while, over the interior, it has been fair and moderately warm.

Prince Rupert and Queen Charlotte Islands—Strong east winds, shifting to southeast, probably reaching gale force, unsettled and cool with rain.

West Coast of Vancouver Island—Fresh southeast winds, becoming strong, unsettled and cool with rain.

ARE WORLD'S MOST HANDSOME MEN, SAYS MISS CARROLL

Ranking the ten who, in her opinion, constitute the world's most handsome men, beautiful blonde Madeleine Carroll, British screen star, completely missed the masculine element of Hollywood. Top three in Miss Carroll's album are President Franklin D. Roosevelt of United States, No. 1; George Bernard Shaw, Irish playwright, No. 2, and England's former foreign secretary, Anthony Eden, No. 3. Explaining her selections, Miss Carroll asserted that she considered few young men handsome. Mere good looks do not score in her ratings, Miss Carroll classing handsome men as those who "have reached their goal through effort that tries courage and develops intellect." Miss Carroll is at top left; Mr. Eden also at top with Mr. Shaw and Mr. Roosevelt, left to right, below.

## REDS TAKE OVER LEAD

Replace St. Louis Cardinals at Top of National League—Crucial Series Continuing

ST. LOUIS, May 27. (CP)—The leadership of the National League changed hands yesterday as a result of the Cincinnati Reds 7 to 5 victory over St. Louis Cardinals. The Reds now have a full game lead over the Cardinals with the two teams scheduled to continue the crucial series today and again tomorrow with a double-header.

In the American League the New York Yankees needed but one run to win over the Philadelphia Athletics at the Yankee Stadium here. The second place Boston Red Sox kept in step four-and-a-half games behind by defeating the Washington Senators 4 to 2.

The clubs are meeting this weekend as follows:

National League—Pittsburg at Chicago; New York at Philadelphia; Cincinnati at St. Louis; Boston at Brooklyn.

American League—Philadelphia at New York; Chicago at Cleveland; Washington at Boston; St. Louis at Detroit.

Yesterday's scores:

National League  
Pittsburg 14, Chicago 5.  
Cincinnati 7, St. Louis 5.

American League  
Philadelphia 0, New York 1.  
Washington 2, Boston 4.  
Chicago 2, Cleveland 1.

Big League standings to date:

## Air Mail For Rupert Soon

Ottawa, May 27. (CP)—Postmaster General McLarty said that full air mail service would be extended to Prince Rupert as soon as facilities there were available. The statement was made after Olof Hanson, M.P. for Skeena, drew the minister's attention to the fact that "air mail from Prince Rupert arrives here two days after ordinary mail gets here."

## HIGHWAY TO ALASKA

Engineer Tells Rotary Club of its Possibilities and Value to Province

"The American people want the Alaska highway and British Columbia needs it," according to D. McN. Lowe of the British Columbia department of public works in addressing the Prince Rupert Rotary Club at its luncheon Thursday afternoon.

According to Mr. Lowe there are four routes at present under consideration, one north from Vanderhoof by Finlay Forks up the Finlay River and by the Liard and Pelly. The next route coming this way is to go north from Topley past Bear Lake. A third route is the one north from Hazelton through the Groundhog country to Dease Lake, Atlin, Whitehorse and Dawson. The most westerly route would go north from Kitwanga to the Nees River.

While Mr. Lowe was careful not to appear to favor any particular route, this matter of choice being for the international commission now at work on it, he said that the snowfall on the route by Kitwanga was very heavy and there was also a good deal of snow in the Rocky Mountain trench. Between these extremes the snowfall was comparatively light.

Mr. Lowe suggested the possibility of the Hazelton route being adopted because the people of the Alaska Panhandle were very keen and were using their influence to have a route adopted that would eventually benefit them. This route also served the Dease Lake country, Telegraph Creek, Atlin and Whitehorse. The Whitehorse people had for a long time been asking for a highway to Dawson so this would serve them.

The four routes were shown on a map and the particular advantages of each pointed out.

Advantages to B. C.

The speaker said the building of this road would prove of material advantage to British Columbia. Many people in the south did not realize what development was going on in the northern part of the province. It was pretty sure that the road would be built with United States capital. An international committee was now deciding whether the highway was feasible and, if so, where it should be located. The sum proposed to be spent was twenty million dollars and he personally felt sure the highway could be built for that sum. That amount of money was not important to the United States. So far as British Columbia was concerned here was an opportunity to secure at very little cost a road which must be built some day. It would bring large numbers of tourists to the country and Mr. Lowe thought it would pay its own maintenance almost from the first. By one of the routes it would tap the already famous Boulder Creek mining district which had been very little prospected. Large numbers of men would get employment and the relief rolls would be reduced. All British Columbia industries would benefit and the whole of Canada would feel the impetus.

Mr. Lowe then showed some pictures of the Dease Lake country depicting the easy construction possibilities. In answer to a question he said that the lowest grade would be obtained in the route going north from Finlay Forks.

T. W. Brown was the only guest present with the exception of the speaker.

BOWLING POSTPONED

Wet grounds as a result of the showers prevented the commencement of lawn bowling league activities which was scheduled for last night.

## Important Provision To Assist This Port Is Passed By Ottawa

Included in Supplementary Estimates Put Through Last Night—Three Ships Per Year to United Kingdom and Continent

The subsidy for a steamship service from Prince Rupert to the United Kingdom or Continent passed the House of Commons at Ottawa in supplementary estimates which were approved last night, according to a message received by the Prince Rupert Chamber of Commerce from Olof Hanson M.P.

Subsidizing of three trips per annum from this port is provided for. The next step, it is understood, is for shipping interests to avail themselves of the subsidy by arrangement of ship bookings to this port for cargo.

## Bulletins

SOFTBALL LAST NIGHT

With Three Two, Grotto and Lipsitt's bidding strong for honors and steps being taken to strengthen Acropolis and Moose, senior league softball is now well under way in Prince Rupert. Last night Lipsitt's had an easy 18 to 1 victory over Moose while Three Two defeated Acropolis 6 to nothing, the game being fairly close until the last inning when Three Two made three runs. The big hit of the evening was a three-bagger by Benny Windle of Lipsitt's which went for a round trip because of an error.

UNIFICATION APPROVED

OTTAWA—The Senate last night adopted by a vote of 25 to 21 the railway committee report sponsored by Senator Beaubien of Quebec urging unification of Canadian National and Canadian Pacific Railways. Adoption of the amendment automatically defeated government Senate Leader Dandurand's main motion recommending further co-operative measures between the two railways.

DR. CHARLES MAYO DIES

CHICAGO — Dr. Charles H. Mayo, famous surgeon of Rochester, Minnesota, who, with his brother, Dr. William D. Mayo, founded Mayo Clinic, died of pneumonia at Mercy Hospital here last night.

QUIET DAY AT BANFF

BANFF—The King and Queen are spending the day quietly here, resting from their strenuous tour. They leave tomorrow morning for Vancouver.

WORRIED OVER SPIES

SAN FRANCISCO—Grave concern over activities of foreign spies in San Francisco, Alaska and Honolulu is expressed by Attorney General Frank Murphy here. "We don't intend to again give espionage the leeway in this country that it has enjoyed in the past," he said. Murphy is on a trip to the Pacific Coast with J. Edgar Hoover, chief of the Federal Bureau of Investigation. Yesterday they interviewed Al Capone in the county jail. They came here from Los Angeles.

WINS GOLF TITLE

HOYLAK, England — Alex Kyle, Scottish Walker Cup star, won the British amateur golf championship, defeating Tom Duncan two and one.

James Schubert and J. H. Lain

sailed this morning on the Princess Louise for Telegraph Creek enroute to the Cassiar mining country where they will spend the summer.

## PACT SENT TO MOSCOW

Great Britain Takes Another Step Towards Bringing Russia Into Anti-Agression Bloc

LONDON, May 27. (CP)—Great Britain yesterday took another step toward cementing Anglo-Russian relations in the interests of European peace. The British formula for a mutual defence pact, linking Russia with the Anglo-French anti-aggression bloc, was sent to the ambassador in Moscow for transmission to the Kremlin.

## BATTERY IN CAMP

Local Men Will Have To Stand In Position For Two Whole Days In Acting As King's Guard

The 102nd Battery is now under canvas at Fort Macaulay, Esquimalt, according to word received by the officer commanding, Lieut. Col. S. D. Johnston. On Monday the battery will be rehearsing with other units for its participation in the guard of the King and Queen during the Royal Visit. The unit will be required to march into Victoria before 8 o'clock on both Tuesday and Wednesday mornings to take up position in which the men will have to remain until 4 o'clock each afternoon.

### CIVIC CENTRE

It is much to be desired that the plans being considered for a new civic centre be carried through to completion. For a number of years past the matter has been contemplated and at one time considerable money was raised for the purpose of erecting a suitable building.

While the suggested plan seems to be a pretentious one, it must be remembered that the city seems to have taken a start in the direction of general improvement and this scheme is quite in line with the general trend.

There are two important matters now being considered by the citizens. One is the scheme for the administration of the city by a city manager and the other is the erection of a civic centre.

### HAND OF MR. KING

Two "Kings" are making the trip west. One of these is His Majesty, George V., and the other is Prime Minister William Lyon Mackenzie King. The latter is just now the chief adviser of the former and, when His Majesty said that "Spiritual dignity and material happiness must be general before the Empire could claim to be of service to its own people and the world," we fancy we recognize the experienced pen of the Prime Minister of Canada. At any rate it is very much like something Mr. King has written and said before.

Mr. King has been kept carefully in the background on this trip because it is tacitly agreed that no suspicion of politics must enter into the program. The visit is for one purpose and one only and all Canadian people must feel that the present trip is to give them an opportunity to greet Their Majesties and to give the King and Queen an opportunity to see the country and meet as many as possible of the Canadian people.

### CURIOS MIXTURE

During the course of the trip the King and Queen have evidently given little thought to themselves and their position. There has been such a free mingling with the people as could occur only in a truly democratic nation. Officially the Royal couple have acted with proper dignity but unofficially there have been so many acts which indicated their human understanding that, if the visit has done nothing else, it has shown how closely cemented in this Empire of ours are the King and the people. It speaks well for the continuity of British institutions. The spontaneous intermingling of royalty and the mass of the people is something it is difficult for people of other countries to understand.

Halibut Landings for Week Under Average—Fishing Fleet Escorting Royalty At Seattle This Afternoon

Halibut landings at the port of Prince Rupert during the past week totalled 448,400 pounds which was below average in volume. The week's landings consisted of 225,400 pounds from twenty-eight Canadian boats and 223,000 from eleven American vessels. With landings lighter, prices were somewhat firmer. The high bid of the week

for Canadian fish was 7.4c and 5c which the B.C. Bird received for 16,000 pounds and the low 7.4c and 5c which several boats were paid for their catches. For American fish the top price of the week was 8.2c and 5.5c which the Judith was paid for 9,500 pounds and the low 7.4c and 5c which the Kingfisher received for 12,000 pounds. The week's landings brought the aggregate for the 1939 season to date up to 4,385,300 pounds as compared with 3,859,850 pounds at a corresponding date last year. The Canadian total to date is 1,996,700 pounds as against 1,955,950 pounds a year ago while the American total is 2,388,600 pounds in comparison with 1,904,900 pounds last year. The advent of June is expected to see a number of small Canadian boats which have been engaged in the halibut fishery returning to salmon fishing.

The schooner Omany brought in a one-pound halibut to Seattle this week. It was the smallest halibut to be landed this season. The International Fisheries Commission estimated its age at three years.

Northbound from Vancouver to Skagway, C. P. R. steamer Princess Louise, Capt. S. K. Gray, arrived in port at 8:30 this morning and sailed at 10 a.m. for Alaska whence she is due back here next Wednesday afternoon southbound. The Louise brought in 148 passengers. Two disembarked here from the vessel and seventeen went north aboard here from this port.

The well known American halibut schooner McKinley has had another mishap on the fishing grounds. Earlier in the month the McKinley suffered a broken propeller off Kodiak Island and had to be towed to Ketchikan by the Arthur H. Now the vessel has sustained a broken rudder but, accompanied by the coastguard vessel Spencer, which went out to offer assistance, she has been able to make Seward with makeshift steering gear. The latest breakdown occurred not far from Seward.

Seven halibut vessels marketed catches totalling 168,800 pounds at Seattle Thursday as follows: Sea Bird, 29,000 pounds, Whiz, 7 3/4c and 6 1/2c; Tatoosh, 25,000, New England, 7 1/4c and 7c; Celtic, 40,000, Sebastian, 7 1/4c and 7c; Grant, 40,000, San Juan, 7 1/4c straight; Pershing, 4,500, New England, 7 1/4c and 7c; Westley, 5,000, Whiz, 8 3/4c and 7c; Al Jr., 12,800, San Juan, 7 3/4c and 7c. Sablefish sold at 7c per pound in Seattle yesterday and mixed cod at 2c.

Four boats sold halibut at Seattle Wednesday as follows. Estep, 40,000 pounds, San Juan, 7c straight; Foremost, 40,000, Whiz, 7 1/4c and 6 3/4c; Wizard, 39,000, Booth, 7 1/4c and 7 1/4c; Lane, 12,500, Whiz, 8 3/4c and 6 1/2c. Ling cod sold for 2c per pound.

When Crown Prince Olaf and Princess Martha of Norway visit Seattle this afternoon halibut and other fishing vessels will form an escort of honor for the yacht in which they will make a cruise of Puget Sound and into Lake Washington as a part of the program for their entertainment.

Only two halibut fares, totalling 24,500 pounds, were sold at Seattle yesterday. The Rosario disposed of 15,500 pounds to New England Fish Co. at 9c and 7c and the Viking sold 9,000 pounds to Whiz Fish Products Co. at 9 3/4c and 7c. The Reliance landed 12-

The Vancouver power cruiser, Laur Wayne arrived in port Thursday night from the Queen Charlotte Islands and left this morning for Ocean Falls in the course of a coast cruise with organizers of the International Woodworkers' Union of America on board in the persons of John McCuish, Oscar Halverson and Ted Gunrud. The last-mentioned is a veteran of the International Brigade of the Spanish civil war and was here some months ago on a speaking tour. The Laur Wayne is a forty-five foot vessel equipped with a 38 h.p. Gardner diesel engine. While here she was moored at the Armour Salvage Co. floats.

Paul Armour, manager of the Armour Salvage Co., has been nursing a couple of broken ribs and a strained shoulder during the week as a result of a misunderstanding with the steering gear of the new boat which he recently brought from Vancouver. The speedboat was a little faster than Paul had bargained on and in the effort to avoid a collision there was a mix-up. However, like the case of the fighter who tells me to look at what happened to the other party, the speedboat also sustained some damage.

Kenneth Johnston, son of Col. and Mrs. S. D. Johnston, who flew south Thursday afternoon in a Pacific Airways seaplane, was in Vancouver within a few hours after leaving. He has now gone on to Victoria where he will be with his grandmother, Mrs. Joseph Kingham, during the King's visit occasion.

## ADVENTURE ON SCREEN

"Flirting With Fate," an hilarious comedy with Joe E. Brown, and "Arrest Bulldog Drummond!" another of the series concerning the adventures of the popular English figure, comprise an interesting double bill picture program at the Capitol Theatre here tonight.

"Flirting With Fate" is a story of hilarious adventures which befall Joe E. Brown and his vaudeville troupe when they find themselves stranded in the capital of a South American country. Brown, believing his insurance will save the troupe, endeavours to end it all. Unsuccessful, he learns, just when he is about to be executed, that his troupe can have a year's tour of the biggest South American circuit. His efforts to escape death are both lively and diverting. The cast also includes Leo Carrillo and Beverley Roberts. John Howard, again playing the military machine. Other members of the suave amateur sleuth of the cast are Heather Angel, E. E. Clive and Reginald Drummond, wages relentless war Denny.

### BURNSLAKE

Miss Marie Roumieu left Burns Lake on Saturday's train for Vancouver where she will represent her school at the forthcoming visit of the King and Queen on May 29. She will attend Lord Byng School for the intervening session. Many well wishers were at the station to bid her "Bon Voyage."

Mr. and Mrs. L. McLeod took possession of the bank residence at Burns Lake Saturday last. Mr. McLeod is the new manager of the Royal Bank at Burns Lake.

Rev. and Mrs. J. E. Whittles returned to Burns Lake last week by car from Vancouver which city they visited after a six months' trip to England on ecclesiastical duties. On Sunday evening Mr. Whittles preached a sermon on his experiences in England, taking as his text "The Lord He Is King, Be the World Never so Unquiet." He and Mrs. Whittles are being welcomed back by many friends at Burns Lake.

Mr. and Mrs. J. H. MacDonald have returned to Burns Lake from a months' trip to Boston, New York and Wisconsin.

These lovely May days, with trees and blossoms bursting forth, show Burns Lake district at its best.

Mrs. R. C. O'Hara and little daughter, Patricia, returned to Burns Lake after spending several months in Vancouver, visiting relatives. Mr. O'Hara returned some weeks ago.

Mrs. T. Radley returned to Burns Lake last week from Prince Rupert where she was a delegate at the Diocesan Board annual meeting. Enroute home she spent some days as guest at the home of Rev. and Mrs. C. A. Hinchliffe at Terrace.

R. Munger and H. Chase left Burns Lake on Tuesday by car for Penticton.

### Kitkatla Cleaned Up Trophies At Simpson Sports

Carrying some fifteen prizes, including softball and baseball trophies, some 130 natives of the village of Kitkatla were in town yesterday on their way home after attending the Victoria Day celebration at Port Simpson. They had arrived from Port Simpson on Thursday afternoon and spent a day here. The Excelsior Club of Kitkatla won the softball and football trophies and Wilfrid Jackson and Ernest Hill won the track event prizes.

The Kitkatla party made the trip to Port Simpson on the Florence G. Capt. James Lewis, Norma G., Capt. Henry Brown, Cecilia B., Capt. Solomon Brown, Collison, Capt. Henry Collison, Quintonsta, Capt. Matthew Hill, Chicksenay, Capt. Percy Temple, Scrub, Capt. William Ridley, and six smaller boats.

### Hospital Aid At Burns Lake

BURNS LAKE, May 27.—The annual meeting of the Burns Lake Hospital Aid Society was held at the hospital. Reports showed a successful and interesting year's work. Some \$100, realized by teas and membership fees, was used for purchase of hospital equipment. Twenty-nine members, including five from Tintagel and others from Palling and Tchesinkut Lake, joined during the first year. Gifts from the Tintagel Women's Auxiliary and the Prince George Women's

### Mother's Day Service Held At Burns Lake

BURNS LAKE, May 27.—A Mother's Day Service was held in St. Paul's United Church here, the service also being of a patriotic nature in honor of the visit to Canada of the King and Queen. Master Thomas P. Smith was standard bearer. The service opened with the "Processional" sung by the Junior Choir consisting of Thelma Eckland, Una McClary, Colleen Zelke, Margaret McClary, Betty Jean Loper and Edna Ostberg, assisted by Mrs. M. Patterson and V. Watson. "Little Miss Una McClary delighted all with the solo "I Love a Little Cottage." Piano solos—"A Classic by Sister Marianna," by Edna Ostberg, and Bach's "Interata," by Master Tommy Smith—were much enjoyed. The story, "The Golden Room," was beautifully told by Miss C. Manson and Miss Marguerite Patterson read effectively a paper entitled "Mothers." The solo "Bless This House" was sung with good effect by Miss Manson with Mrs. M. F. Nourse as accompanist. Mrs. Frank Bushfield was in charge of the service which was well attended. Miss R. M. Campbell presided at the piano. A profusion of flowers, the gift of friends at Vancouver, graced the pulpit and platform.

Missionary Society were acknowledged. The election of officers, conducted by Rev. Frank Bushfield, resulted as follows: President, Mrs. Frank Bushfield. Vice-President, Mrs. John Gowans. Secretary, Mrs. C. F. Greenwood. Treasurer, Mrs. P. B. Smith. Membership Committee—Mrs. M. F. Nourse and Mrs. H. J. Jewell. Hospital Visiting Committee—Mrs. J. E. Whittles. Miss R. M. Campbell R.N., lady superintendent of the hospital, expressed thanks on behalf of the staff to the Aid for its assistance.

### Man in the Moon

The King, God Bless Him!  
The Queen, long may she reign!  
If I were a king, a king  
I'd let everybody take his fling  
I'd see that all had the best of grub,  
On Saturday night a fine bath tub,  
I'd serve the drinks, good ginger ale,  
And a flavor of Scotch to keep them hale.  
The world would be happy as anything,  
If I were king, if I were king.

I'm sorry the Royal couple couldn't have come to Prince Rupert to enjoy our little celebration on Monday. We could have driven them both out for ten or twelve miles of highway and told them it took nearly thirty years to build it. That would have shown our progressive spirit. We could have told the visitors that the city had been in bankruptcy for six years and was still on the rocks. We might have had them plant a spruce or a hemlock tree in the jungle. There are lots of things they might have done. They might have got entangled in the traffic along the waterfront. We might even have sold them a few reverted city lots and told them it took two such lots to make a home.

## COLD CURED ICE

For the Halibut and Salmon Fleets

Following the investigations of the Fisheries Research Station, the Company has just completed extensive changes and improvements in ice storage and ice delivery methods.

Ice for the boats will all be old ice, thoroughly cured or aged at new low temperatures. It will be delivered into the hold, even in the hottest weather, as cold as the storage room.

Fishermen are invited to inspect the new system. Better ice than ever before, at no increase in cost, means economy to the boat and improved quality in fish delivery.
