TRAVEL BY AIR

Six Cents a Mile to be Charged With Children Half Price

MONTREAL, March 7.—Passenger fares on the TransCanada Air Lines will be approximately six cents a mile, according to the tariff issued today by George G. Wakeman, general traffic manager. They will be effective on March 30 and it is expected that passenger service will begin April 1. Mails and express are now being carried regularly over the route which includes Montreal, Ottawa, Toronto, North Bay, Winnipeg, Regina, Lethbridge, Calgary, Edmonton and Vancouver. A twice daily passenger service has been in operation between Vancouver and Seattle for some months. TransCanada Airway fares will be comparable with those charged by United States airlines. Mr. Wakeman points out. Round trip rates will be based on double the one-way fare less ten per cent.

Children under two years of age, when carried in arms, will travel free. Children over two and under eleven will be carried for half fare.

Some confusion has been caused by Mr. Wakeman said, "by a misunderstanding of the standard tariff published in the Canada Gazette a month ago. This was the maximum rate above which the TransCanada Air Lines cannot go without permission of the board of transport commissioners."

Refreshments or meals are served at no additional charge will be made, he added.

Each passenger will be allowed fifty pounds of baggage.

The rate for excess baggage will be one half of one per cent of the weight of the excess baggage per pound.

PURCHASE OF SILVER REQUESTED

Chamber of Commerce Asking Government to Set Price at 65c as is Done in U.S.

The Prince Rupert Chamber of Commerce, at its meeting last night, decided to endorse the request of the New Denver Board of Trade asking the government to follow the example of the United States in purchasing silver at 65c an ounce. The resolution was introduced by Dr. J. H. Carson who stated that, if such action were taken, it would benefit every part of the country. He claimed that this was not an inflationary measure. The present price of around forty cents for silver was too low.

BIG PARTY IS COMING

Over Ninety Expected From Vancouver Early in June for Fraternal Visit

The steamer Princess Alice will arrive in Prince Rupert harbor on Monday, June 5, at 10 a.m., having on board a party of approximately 90 to 95 members of the Vancouver Board of Trade, according to a letter received by the Board from Secretary W. E. Payne.

Mr. Payne suggested that a plan of entertainment similar to that of previous visits be followed. That means that the visitors will have the morning to attend to their own personal calls. In the afternoon they would be glad to accept the offer of the local board to a drive around the city or cruise on the harbor. The council of the local Chamber of Commerce will be guests at dinner in the evening aboard the ship.

AIR FORCE IS DOUBLED

France Will Have 250,000 on Strength, Pilots and Mechanics

PARIS, March 7: (CP)—France has ordered a 38 per cent increase in the personnel of her air force for 1939, jumping her air army to 86,000 men.

The increase—latest step in a program which has doubled the size of the air force in four years—will give France an active and first line reserve of more than 250,000 pilots and mechanics.

The French government does not need to hold out inducements to young men to enter the air service. The ordinary life of a conscript in the air corps is so superior to that of the ground army conscripts that applicants always exceed the number of places.

The vast majority of conscripts are trained as mechanics and plane handlers. After the conscript period those who elect to remain are given training as pilots and allowed to take their examinations to become non-commissioned and commissioned officers.

These men, like the officer graduates of St. Cyr, the French West Point, are sent to the government's own training school at Istres in the south of France for a year and are graduated as non-commissioned pilots.

TORONTO—Sir Joseph Flavelle, noted Toronto financier, died in Florida today at the age of eighty-one it was learned here. He achieved prominence during the Great War as a manufacturer of armaments.

FORMER MINISTER DIES
WELDON, Sask.—Hon. Robert Weir, former federal minister of agriculture in the cabinet of Rt. Hon. R. B. Bennett, was killed when a load of grain fell on him while a mile away from the farm. He was fifty-seven years of age.

OLD COUNTRY FOOTBALL
LONDON—Aberdeen moved into a tie with Hearts today for second place in the Scottish League, playing a one-all draw at Clyde. Grimsby Town defeated Stoke City three to one in an English League, First Division, game.

ROUMANIAN PREMIER DIES
CANNES, France—Premier Mircea Cistea of Roumania died here last night. King Carol immediately called upon the senior minister to take over the Premiership.

Clamp Down Martial Law

MADRID, March 7: (CP)—The new republican government of General Miaja has clamped down rigid martial law in Madrid. No demonstrations of any kind are being permitted. A cordon of soldiers have been placed around communist headquarters. The communists are said to be endeavouring to continue the civil war as opposed to Miaja's desire for "worthy peace."

Tonight's train, due from the East at 11 o'clock, was reported this afternoon to be on time.

Dionne Quints May Travel To See Monarchs

Believed a potent agency for peace

TORONTO, March 7: (CP)—The Dionne quintuplets have received a special invitation to travel to Toronto to be presented to King George and Queen Mary on the occasion of their visit here.

SCHOOL YOUTH EXCHANGE

STOCKHOLM, March 7: (CP)—Believed a potent agency for peace among nations, Sweden's school youth exchange this year will probably embrace at least seven other countries—Great Britain, Finland, France, Germany, Holland, Norway and Denmark. The exchange took in 1,200 Swedish boys and girls in 1938.

ONTARIO HOUSE LOOKS FORWARD TO KING'S CALL: SESSION ON THIS WEEK

Opening Tomorrow, It May Finish Business by End of April and Recess Till King Comes

By NORMAN CAMPBELL, Canadian Press Staff Writer

TORONTO, March 7: (CP)—Ontario's 20th legislature will open its second session this Wednesday and will not be formally prorogued until May 22 when, for the first time in history, it is hoped a reigning monarch will prologue a Canadian assembly. The formal dismissal of the provincial legislators will be timed for the scheduled arrival of the King and Queen in Toronto.

Business of the house is expected to be concluded by the end of April, no suggestion of contentious legislation having been made, and the house may then adjourn to await formal prorogation.

Party standing in the legislature—66 Liberals, 23 Conservatives, one United Farmer—will be unchanged but the Conservative group will have a new chief, Col. George A. Drew, elected to the leadership last December and subsequently by acclamation to the Simcoe East seat, vacated in his favor by William Finlayson, one-time minister of lands and forests.

Premier Mitchell Hepburn, a storm centre of Canadian politics, because of his disputes with the federal Liberal chief, will again lead the Liberal government party in the Ontario house. Just returned from a trip to Australia, impressed by the national bank and the monetary system there, Mr. Hepburn has proclaimed his belief Canada might in some measure adopt Australian policies.

The premier's health, which has troubled him for years, is still a cause of worry to his followers but Mr. Hepburn has said he will carry on until after the visit of Their Majesties. Decision as to whether or not he will then continue to lead the Ontario Liberals will likely be considered after that.

Separate Schools
The present government in 1937 passed legislation with the aim of having larger share of corporation taxes go to the separate schools. In 1938 it was repealed, being found unworkable in practice and the premier also declaring it resulted in a creed cry by the Conservative opposition.

There has been no statement as to whether school tax legislation is to be introduced this year, but there have been reports the matter of aid to separate schools might be dealt with by a new system of grants from the provincial treasury to primary schools.

One of the first duties of the house will be to elect a new speaker to succeed Hon. Norman Hipel, now minister of labor. James Clark, Windsor-Sandwich Liberal, is slated to succeed to the speaker's chair.

Meanwhile such general re-decoration, painting and cleaning up of the legislature buildings as has never been seen before, is going ahead in anticipation of the royal visit.

Highway Problems
Legislation may be introduced to implement some of the recommendations of a report of a royal commission that investigated Ontario's highway and transportation system, but Highways Minister T. B. McQueen is on record as opposed to the increase in the gasoline tax from six to nine cents a gallon as the commission recommended.

GANDHI HAS ENDED FAST

Drank Glass of Orange Juice—Vice-Roy Intervened

BOMBAY, March 7: (CP)—The condition of Mohandas Gandhi, Indian Republican leader, entering the fifth day of his "fast to the death" today, was reported to be decidedly weaker. During the day the fast ended with Gandhi drinking a glass of orange juice in settlement of the dispute between the Mahatma and the native ruler of Rajkot.

Intervention by Lord Linlithgow, the Vice-Roy, brought about the accord, the settlement being regarded as another significant victory for the revered Indian leader who sought more democratic government forms.

Lower Prices On Farm Implements

Something Must Be Done, Saskatchewan's Minister of Highways Tells Ontario Manufacturers

TORONTO, March 7: (CP)—Speaking here, Hon. Arthur T. Proctor, minister of highways for Saskatchewan, told Eastern manufacturers that something must be done to reduce the price of farm implements for prairie farmers. They were simply not able to pay.

MORE TIME ON VOYAGE

Nine Days Being Allowed for King's Crossing of Atlantic Ocean

LONDON, March 7: (CP)—The King and Queen will leave for Canada on May 6 instead of May 8 in order to avoid the possibility of fog delaying their scheduled arrival in Quebec on May 15, it is announced. They will arrive in Canada on the day originally fixed.

CONFERENCE ON HALIBUT

Northern Operators Favor Retaining 1938 Curtailment Plan Instead of Adopting Seattle Proposal

At a conference of halibut vessel owners and fishermen in Ketchikan over the week-end with Prince Rupert, Seattle and Alaska fleets represented, the northern fleets agreed to stay with the 1938 curtailment plan in regard to tie up periods between trips, rejecting a proposal from Seattle for longer tie-up periods.

The 1938 plan was thirteen day tie-up between first and second trips, twelve days between second and third trips and ten days between all over trips.

The Seattle proposal was for fifteen day tie-ups between the first four trips, thirty days between fourth and fifth trips and back to fifteen days between subsequent trips. This would be for Area No. 3, the thirty-day tie up for Area No. 2 to be between fifth and sixth trips.

George Anderson, secretary of the Deep Sea Fishermen's Union here, and Robert Ekrem, also of the Union, returned to the city on the Princess Norah yesterday afternoon from attending the conference.

Going through aboard the Princess Norah on their return to Seattle were John Torvik, secretary of the Deep Sea Fishermen's Union of Seattle, and Harold Grotle, another Union representative; Harold Lokken, manager of the Seattle Vessel Owners' Association, and John Knutsen and John Skarpness, also representing the Seattle vessel owners.

HEALTH AND PENSIONS UP

But Parliament Did Nothing Yesterday but Talk Proposals Out

OTTAWA, March 7: (CP)—Proposals to reduce the old age pension age of eligibility by five years and to set up a form of state medical service were talked out in the House of Commons yesterday. To reduce the pensions age would cost the government an additional \$8,000,000 per year, said Hon. G. C. Power, minister of pensions and national health who expressed the opinion that the country was not ready for an extensive form of state medicine although he agreed that there should be health insurance. Rev. Dan McIvor, Liberal member for Fort William, made the state medicine proposal.

Increased activity on the part of federal Parliament and government in fields of public health and social security were, however, predicted in the House last night by Mr. Power in spite of his statement that Canadians were not yet ready for compulsory state medicine and would not be for some time. Sooner or later, however, he declared, the present provincial-municipal co-operative and private health services would be co-ordinated and public opinion would demand a full national program.

Hon. C. A. Dunning, minister of finance, said Parliament should work toward a wholly national old age pensions scheme and the introduction of a contributory feature with pensions payable at ages of lower than seventy on the basis of contributions.

ROYAL PORTRAITS

RADIO FANS CHEERED

Radio fans were cheered considerably when they read in despatches from Ottawa that the department at Ottawa was really working in an effort to remedy the isolated condition of the northern part of the province. It is suggested that auxiliary stations will be established instead of increasing the power of the Vancouver station. A station is expected to be put in at Prince George to serve that section of the country and it is quite possible there may be another station between Prince Rupert and Prince George if it is found that the whole district is not covered. The situation in Prince Rupert is also to be improved, it is understood. Any improvement will be appreciated.

FRANCISCO FRANCO

Probably a majority of the people of Prince Rupert have been sympathetic to the former government of Spain in its struggle against the forces of General Franco. However, as we have pointed out before, the government of that time was in close league with the communists and probably dominated by Russia. One of the admirers of General Francisco Franco, writing in attempting to give what he calls an authentic guide to the Spanish situation, says in part as follows:

"To grasp the Spanish war in full perspective, the salient features of Franco's personal character must be clearly appreciated. In the first place he was in no sense a Fascist leader. At the outside, when the present struggle broke out, there were not more than 8,000 Falangistas in Spain and even that party was not Fascist in the sense usually attributed to that word in the voluminous 'left' press of England. Franco had, over and over again, both by his words and his actions, shown that he had no interest in politics, nor did he conceive it as part of his position as an officer to have any political bias. The legal government of the country was his employer and master.

"Few men who have made a page in history have so reluctantly had greatness thrust upon them as Francisco Franco. Anyone less like the popular conception of a dictator could hardly be conceived. Dictators, for all the virtues they may possess, are not free as a rule from some desire to pose before the public as romantic figures.

"Franco is blissfully unconscious of what people think about him. To himself, he is just an ordinary soldier doing his job. Personal ambition he has none; as reward for himself he asks nothing. He is the rarissima avis in Europe today, the completely disinterested patriot; a man who really lives for his country and for his country alone.

"Franco has his price, a very high one, and a very difficult one, that the country to which he has given his life work and for which, as he has proved over and over again in battle he has always been ready to lay down his life, should be allowed to live its national life according to its natural development without any dictation or domination by alien forces. He was forced by irresistible proof to see that the powers which sought to determine Spain's destiny were directly opposed to her national life and inspired by men of alien blood and ideas."

It's interesting to know when reading the Daily News that the people of the whole district are doing the same.

ELECTRIC MEN WIN

Scored Victory Over Rupert Motors In Commercial Bowling Last Night

Rupert Motors lost in the Commercial Bowling League last night to the lowly Electrical Workers by a score of two games to one. The one game credit, however, was enough to put the Rupert Motors into a tie with North Star for number of games won although they have lost six more. As a result of the victory, the Electrical Workers were able to climb out of the cellar, leaving the Canadian Legion exclusively in that position. The second fixture for last evening was not completed, the Royal Lunch completing its play with the Gyro Club to roll its games later. High average scorer was J. J. Little of Electrical Workers with 174.

SPORT CHAT

Some sports may expeite slimming but not the "roarin' game of curling on ice. Manitoba women at the annual Winnipeg bonspiel have decided. Mrs. J. H. Kiewer of the St. Vital club, brought her baby along. Iris Mae, a chubby, curly-haired tot, dressed in a red snow suit like her mother. "Curling is a grand exercise, but so good for reducing!" said the women playing in the opening games. "In fact, it's the way to put on pounds. Why, the first year I played" volunteered a woman from the St. Vital club, "I gained 40 pounds." The St. Vital women balanced the scales at such weights as 147 and 168 pounds, one of their number weighing close to 200.

The idea wasn't a bit appalling. They laughed heartily at themselves, prodding each other's arms and backs. "You see, we work so hard out there on the ice we come in ravenous and eat all we can get." In the Fort Garry Curling Club where some of the games were being played, an egg beater whirling busily punctuated the comment. It was the young man in the white cap behind the refreshment bar. He had a brown bowl full of whipped cream. He spread the entire contents on top of a butterscotch pie.

The women looked very trim in their snow suits and peak helmets. "much better than we did when we wore tight skirts and jumbo sweaters," they were quick to comment. How long had women been curling? Not in the Victorian days, certainly, when the women were to do was swoon, look delicate and raise big families. Picking up 40-pound rocks wouldn't have done at all. Winnipeg women began curling in 1904.

Asked how their families fared while they were at the bonspiel, they said, "Oh, we leave things ready. Besides, we'll be home for dinner." One player reported: "I'll tell you what I did yesterday, I have my annual bonspiel week then you'll understand. I made

FINALS IN BADMINTON

Prince Rupert Club's Annual Championship Competition Completed On Sunday

Finals in the Prince Rupert Badminton Club's annual championship competition, in which much interest was taken, were played off on Sunday with Walter Cross winning the men's singles. Miss Bessie Thompson ladies' singles; Miss Elsie Davis and Miss Nellie Lawrence ladies' doubles; J. Murray and Walter Cross men's doubles and Miss Frances Cross and Walter Cross, mixed doubles.

The scores were as follows: Men's singles—Walter Cross beat William Murray 15-12, 15-5. Ladies' singles — Miss Bessie Thompson beat Miss Freddie Morgan 11-8, 11-6.

Ladies' doubles—Miss Elsie Davis and Miss Nellie Lawrence beat Miss Frances Thompson and Miss Bessie Thompson 13-14, 15-10.

Men's doubles—J. Murray and Walter Cross beat Harry Ward and Robert Tobey 18-17, 13-18, 15-12.

Mixed doubles—Miss Frances Cross and Walter Cross beat Miss Nellie Lawrence and Percy McIntosh 15-10, 15-12.

"Yes," interrupted the umpire at the Fort Garry rink, who was a man, "either that or they phone their husbands to look in the ice box." The women plopped down on him good naturedly. So much for the first day at the rinks. "It's the beginning of a glorious week," they beamed. Another player said she managed because it was her annual holiday. "My family does the cooking for me, while tell you what I did yesterday, I have my annual bonspiel week then you'll understand. I made

Pitch And Putt Course Costly

Railway Company Cannot Afford It So It Is Up To Local People

Prince Rupert is to have no pitch and putt golf course unless local people decide to instal it themselves. That was the substance of a letter from General Manager A. E. Warren of the Canadian National Railways who writes the local Chamber of Commerce stating that the cost of installing was found to be too great for his company to undertake.

I.O.D.E. IS IN SESSION

Annual Dinner Meeting of Municipal Chapter Held Last Night

With eighty members and guests in attendance, the annual dinner meeting of Municipal Chapter, Imperial Order, Daughters of the Empire, was held last night in the Boston Cafe. The regent, Mrs. E. L. Landry, was in the chair and the feature of the evening was an address by Rev. Roy Durnford of St. Peter's Anglican Church on the subject of "Patriotism."

Annual reports were read by the secretary and treasurer, showing the order to have done good work during the year in Prince Rupert. The selection of officers resulted as follows:

Regent, Mrs. H. L. Landry. First Vice-Regent, Mrs. Sidney Elkins.

Second Vice-Regent, Mrs. A. T. Parlin.

Secretary, Miss Ceredwyn Morgan.

Assistant Secretary, Mrs. D. R. Barclay.

Educational Secretary, Mrs. R. M. Winslow.

Echoes Secretary, Mrs. William Brass.

Organist, Mrs. H. N. Brocklesby.

Treasurer, Miss Frances Thompson.

Standard Bearer, Mrs. S. V. Cox.

The program also included an interesting historical account by Mrs. D. C. Stuart of the history of the I. O. D. E. in Prince Rupert from 1910 to the present time as well as piano duets by Mrs. W. M. Watts and Mrs. T. A. McWaters, vocal solos by Mrs. Garfield McKinley, Miss E. D. Priestley and

CONSTIPATION FLATTENS YOU OUT

Mrs. Payne, wife of a former judge at Juneau, was a passenger aboard the Princess Norah yesterday afternoon going through on a trip to California.

Joseph A. Williams, assistant manager of the Alaska Juneau mine at Juneau, was a passenger aboard the Princess Norah yesterday afternoon going through to Seattle.

L. F. Chapman, Spokane dealer after his annual business trip to this district, sailed by the Princess Norah yesterday afternoon on his return south. He arrived on Saturday night's train after visiting Terrace and Smithers.

The regular monthly meeting of the Prince Rupert Ministerial Association was held yesterday. The president, Rev. J. C. Jackson, was in the chair and business was entirely of a routine nature.

The Prince Rupert Chamber of Commerce, at its meeting last night, welcomed to the chain of public organizations the new Telegraph Creek and Cassiar Board of Trade which was recently formed and from which a letter was read.

A copy of a letter sent by T. W. Brown of the Tourist Bureau urging the organizing of an excursion to Stewart this year instead of to Ketchikan, was read at the meeting of the Chamber of Commerce last night.

The Chamber of Commerce referred to the marine committee a request to have the Metlakatla Passage better lighted. They have power to act without reporting back to the Chamber. The matter was introduced by Paul Armour at the meeting last night.

President Harvey announced at the meeting of the Chamber of Commerce last night that Frank Doekrill of Telkwa, would be guest speaker at the next meeting of the Chamber. Mr. Harvey said he was an excellent speaker and doubtless there would be a good turnout of members to greet him on that occasion.

Seeking To Have Fisheries Patrol Boat Put Here

At the Prince Rupert Chamber of Commerce meeting last night a letter from Olof Hanson M. P., was read in regard to trying to secure the placing of one of the new Fisheries Protection cruisers at Prince Rupert. Mr. Hanson said he expected the Kitimaat would make her headquarters at Prince Rupert.

The Monarch Wool Co. have given their agency to the Dollar Store for Prince Rupert District. (55-9)

SPECIAL! This week only two for one at the Ideal Cleaners. All orders cash on delivery. (55)

Miss Venetia Feero arrived in the city on the Princess Norah yesterday afternoon from Juneau for a visit.

Following the deletion of the \$3,000 grant to the local hospital from the Indian Department, the Chamber of Commerce took action and they have heard from Olof Hanson steps taken by him to try to have the amount replaced in the estimates.

Edward Bowden, who has been spending some time at Juneau in connection with the construction of the new Baranof Hotel was a passenger aboard the Princess Norah yesterday afternoon returning to Seattle, accompanied by his son.

In reply to a request for information in regard to the light at Rose Spit, President Harvey stated that the committee was preparing a report in regard to it. The delay in presenting the report was because they wished to secure full information. This they would have soon. D. C. McRae introduced the subject at the meeting of the Chamber of Commerce last night.

A report submitted by R. E. Moore to the Prince Rupert Chamber of Commerce last night outlined what was being done to send as many local children as possible to see the King and Queen in May. Children making the trip would be between the ages of twelve and seventeen. To finance the scheme there would be a tag day, a telephone bridge and, finally, a grand ball at which the names of those chosen would be announced.

A request from the Prince Rupert Trades and Labor Council that the Prince Rupert Chamber of Commerce support the appointment of Major Motherwell to the position of deputy minister of fisheries was considered at the meeting of the Chamber last night and it will be explained to the council that the Chamber has already taken action which has been placed before the government by the member for Skeena and others.

Telegraph Office Closing Discussed

The question of closing the Government Telegraph office was again brought before the Prince Rupert Chamber of Commerce last night by Dr. J. H. Carson who felt that discrimination was being shown against this city.

A letter received from the department at Ottawa stated that the closing of the office would save \$4,000 a year, that the two operators would be taken care of by the Canadian National Telegraphs, that there was no discrimination against Prince Rupert but that the consolidation was a matter of general policy. Prince Rupert would not suffer because it would get just as good a service as formerly.

On motion of W. H. Tobey the matter was referred to a committee again.

Canadian Legion Executive Session

Co-ordinating various Veterans' Organizations—New Members Joining Up

At an executive meeting of the Prince Rupert branch of the Canadian Legion last evening particular gratification was expressed at the report of the Dominion president of the Canadian Legion, Col. W. W. Foster, on the meeting of the heads of the various ex-soldier organizations held under his chairmanship at Toronto last month when agreement was completed on a uniform course of action of the organizations.

Applications for new memberships continue to come in and the branch is gaining in strength. The new furnishings in the club rooms have been very highly praised.

A club knock-out cribbage tournament is planned for the monthly meeting of this week after the conclusion of the business session.

The report of the delegate on the progress of the campaign for sending children to Victoria on the occasion of the forthcoming visit of Their Majesties was encouraging.

President Jack Preece was in the chair and other members present were W. M. Brown, H. A. Freen, J. Armstrong, J. M. Walker, H. T. Lock, G. J. L. Dawes and Neil Cameron.

Will Improve Local Reception

Power Company To Install Fifty New Silent Insulators On McBride Street

At the regular monthly dinner meeting of the Prince Rupert Chamber of Commerce held last night, J. J. Little, general manager of the Northern British Columbia Power Co., reported that he had received instructions from his com-

pany to instal fifty new silent insulators on the main power line between Cow Bay and the city limits for the purpose of trying to eliminate noise. This was not guaranteed to be an absolute cure but it was hoped it would prove effective.

D. C. McRae spoke appreciatively of the work of Mr. Little in trying to co-operate with a view to eliminating local interference. He had received a letter from the Controller of Radio also mentioning the steps about to be taken by the company.

Steamship Subsidy Plan Discussed By Local Chamber

A report from a joint committee considering the question of steamship subsidy told the Chamber of Commerce at its meeting last night of efforts being made to secure an increase in the number of trips. George W. Nickerson wrote at length in regard to it and of his personal efforts to secure the increase. The question had also been discussed with Commander Heenan on the occasion of his recent visit to the city. If the number of trips can be increased from four a year, to six it is probable that the elevator will be leased and the subsidy taken up by a steamship company.

Arrangements Made Last Night For Annual Meeting of Horticultural Society

The executive of the Prince Rupert Horticultural Society held a meeting last night with President C. P. Balagno in the chair. It was decided to hold the annual general meeting on the evening of Thursday, March 16 on which occasion the well known landscape gardener and designer of gardens, Fred Cole, will be in the city and will give an address on the laying out of gardens, illustrated with lantern slides, some two hundred of which he is bringing with him. A committee consisting of Mrs. Neal Carter, Mrs. C. J. Norrington and Dr. J. T. Mandy was appointed to make arrangements for the dinner.

It was pointed out by the President that the pictures and the address would be something wholly new in Prince Rupert and, as there would doubtless be many anxious to hear Mr. Cole and see the pictures, the admission would have to be limited to those purchasing tickets and only just enough tickets would be issued to cover the seating capacity of the room.

In order to pay off a small debt the society plans to arrange a sale of plants about the first week in April.

MORE WINDOW SHOPPING

WASHINGTON, March 7: (CP)—Entrance doors to provide increased show window visibility will feature modernization of big stores in cities this year according to Architectural Forum Magazine.

SNOW-PACKED ROADS

TORONTO, March 7: (CP)—Mrs. Lloyd Lang made a 200-mile trip over snow covered highways in her motor car from Sundridge, north of here, bringing to hospital a three-year-old girl of a neighbor, badly scalded falling into a tub of water. The little patient will recover.

CUPID BUSY IN VIENNA

VIENNA, March 7: (CP)—This Austrian city, now under German rule, had the highest number of weddings in its history in 1938—29,169, about 1,000 more than the previous record year of 1929. Births in December last were 1,499—70 per cent more than in December, 1937.

"MIKADO" IN GOOD SHAPE

Splendid Progress Being Made By Prince Rupert Operatic Society In Preparation for Presentation

Splendid progress is being made by the Prince Rupert Operatic Society in rehearsal on the tunesome Gilbert & Sullivan musical comedy "The Mikado" which is to be presented to the public in about a month's time. Co-ordinating of the vocal score with the orchestra has just commenced and a rehearsal last night in the presence of the Rotary Club committee and other interested persons indicated that this ever popular number is going to be an outstanding treat not only for Prince Rupert music lovers but the entertainment public generally.

The choruses are already in excellent shape and there will be little to worry about on that score. Obviously, the finishing touches have yet to be put on but there is a good month for that in which time the rough spots will undoubtedly be ironed out. Outstanding soloists on this occasion are to be Len Cripps, in the role of Lord High Executioner, and Mrs. Garfield McKinley, as Katisha, both of whom have heavy parts in good shape. J. A. Teng, as the Mikado's son; Mrs. Bernard Lundahl, as Yum Yum, and Miss Betty Wood, as Pitti-Sing, are also important soloists while the other principals are Harold Ponder, as Pooch-Bah; Don Ritchie, as Pish Tush; Hugo Kraupner, as the Mikado, and Miss Maisie Macdonald as Peep-Boo. The talent available has been arranged with good discretion for the various duets, trio and quartette numbers.

The Society has been fortunate in securing the services of George Simpson of Saskatoon, who obviously is well experienced in the work, as director. Len Cripps, who has been largely responsible for bringing the group along to its present proficiency, continues as dramatic director. C. P. Balagno is accompanist. Others on the committee and responsible for various phases of organization are Miss Frances Cross, Secretary; W. M. Watts, business manager and treasurer; Harold Ponder, stage manager; Martin van Cooten, properties; Mrs. T. A. McWaters, costume manager; C. P. Balagno, scenery, and Maurice Bruce, designer.

The Choruses

The choruses are as follows:
School Girls—Miss Delphine Balagno, Miss Gladys Barker, Miss Frances Cross, Mrs. Gordon Daniels, Miss Betty Ellison, Mrs. T. A. McWaters, Mrs. H. T. Lock, Miss Frances Moore, Miss Mae Murray, Mrs. G. L. Rorie, Mrs. D. V. Smith, Miss Helen Stamp-Vincent, Mrs. W. M. Watts, Miss Edith Wilkinson, Miss Aslaug Skaland, Miss Catherine Mussalleh, Mrs. G. Taylor, Miss Audrey Wrathall and Mrs. Frank Glass.
Nobles, Guards and Coolies—J. Comadina, W. Gair, Earl Gordon, Victor Houston, Nels Gunderson, Dr. H. O. Johnson, Peter Lien, Dr. Bernard Lundahl, Robert Houston, A. S. Nickerson, Earl Norris, C. J. Norrington, Martin van Cooten, D. R. Barclay, J. H. Smith and Bruce Stevens.

Prince John to Make Special Trip To Queen Charlotte Island—Edenshaw in From Massett and Proceeds to Vancouver

C.N.R. steamer Prince John, Capt. Edward Mabbs, is expected to arrive in port early tomorrow morning from Vancouver via the Queen Charlotte Islands, having left Queen Charlotte City for Massett at 11:15 last night. Soon after the arrival of the Prince George from Vancouver tomorrow morning, the Prince John will leave for the Queen Charlotte Islands, taking a large party of loggers coming from Vancouver for the Kelley camp at Tanoo, the Allison camp at Cumshewa and the Morgan camp at Paccifi. The John will then return here to take her regular sailing for Vancouver via the Islands Friday night.

The local halibut boat Cape Beale, Capt. Edgar Arnet, returned to port this morning from Esquimalt where it has been in training with the fishermen's naval reserve.

Northland Transportation Co.'s motorship liner Northland, Capt. Len Williams, arrived in port at 9 o'clock last night from Ketchikan and, after discharging frozen fish for transshipment East over Canadian National Railways, sailed at 1:30 a.m. in continuation of her voyage to Seattle.

Union steamer Catala, Capt. James Findlay, arrived in port at 12:25 noon today from Stewart, Anyox and other northern points and sailed early this afternoon for Vancouver and waypoints.

There were sixty-four passengers aboard the steamer Princess Nora which was in port yesterday afternoon between 3:45 and 5 o'clock southbound from Skagway to Vancouver. Disembarking here from the vessel were six passengers. Three persons sailed from here for Vancouver aboard her.

The Massett seaboat Edenshaw, Capt. Douglas Edenshaw, was in port over the week-end on the way to Vancouver and other points down the coast, having on board Alfred Adams, president of the Native Brotherhood of British Columbia, and his son, Ivan Adams, who are making the trip in connection with Brotherhood extension activities. The Edenshaw, which arrived here Saturday, brought to Prince Rupert Mr. and Mrs. Arthur Brown of Massett, Mr. Brown having been brought here to receive treatment in the Prince Rupert General Hospital. He was reported this morning to be doing nicely although he will have to remain in the hospital for some time.

Weather Forecast

General Synopsis - A moderate depression is centred northwest of Vancouver Island and cloudy mild weather prevails on the coast while over the interior it is moderately cold.

Prince Rupert and Queen Charlotte Islands—Fresh northeast to north winds, mostly fair, turning cold again.

West Coast of Vancouver Island—Fresh southeast wind, shifting to south, becoming strong, mostly cloudy and mild with showers.

TORONTO, March 7: (CP)—Less than 50 miles from Toronto, a cow became famous in February for providing the entire milk supply for 200 residents of Blackheath village during a snow storm that isolated the village for two days. Like many Canadian cows, the heroine's name was Bessy.

LOCALS

Mrs. H. J. Smith sailed this afternoon on the Catala for a trip to Vancouver.

Herman Englecke left on last evening's train for a business trip to Smithers and other interior points.

Rev. E. W. Slater of this city made the trip around from Stewart to Anyox on the steamer Catala yesterday afternoon. He is on his monthly visit to the mining camps.

Dr. Rice and Dr. Richardson travelling Vancouver dentists, were here aboard the Catala today going through from Stewart to Vancouver.

David Brown, for drunkenness was fined \$25, with seven days' imprisonment, in city police court this morning. He had only been out for a day or so after serving time for a similar offence when he was run in again.

Even Wruck arrived in the city on the Princess Nora yesterday afternoon from Juneau and proceeded by the evening train for a visit to Sauk Centre, Minnesota. Sauk Centre is said to have been the town which inspired Sinclair Lewis' famous novel "Main Street."

Rev. A. Abraham, Anglican Church missionary at Massett, will arrive in the city on the Prince John tomorrow morning from the Queen Charlotte Islands and proceed by the evening train to Toronto and other eastern points on a campaign to raise funds for a new mission boat to replace the Western Hope which became a total loss in a wreck a few months ago.

City Manager Plan Is Again Before Local Chamber

The question of having a manager for the city was discussed at the meeting of the Prince Rupert Chamber of Commerce last night following the report of a committee headed by W. O. Fulton on the action taken so far. He reported that he had discussed the plan with two prominent members of the Trades and Labor Council and they had received the idea favorably. They were planning to discuss it in full council this week.

The plan had also been discussed with Hon. T. D. Pattullo who did not seem very sympathetic, suggesting that it was quite within the power of the present setup to appoint a city manager under the Municipal Act instead of securing a special charter. He had promised to study the proposal and write in regard to it.

President J. T. Harvey also mentioned the interview with the Premier and urged that the legislative committee continue its efforts.

SEAL COVE AIR BASE

Pulp Mill Could Not Be Located Near Because of Danger To Aircraft

There will be no pulp mill at Seal Cove if the plans of the Department of Defence are followed out, according to a letter from General LaFleche, deputy minister of national defence, to Olof Hanson. The danger from possible drifting logs would be too great. Also there would be danger from small boats or floating debris.

The department had a difficult search for a site for an airplane base and this was the only possible location.

Greetings By New Air Mail Carried Across Continent

CHARLOTTETOWN, March 7: (CP)—The inauguration of the new transcontinental air mail service of TransCanada Air Lines has brought a message from Lieutenant Governor Eric W. Hamber of British Columbia to Lieutenant Governor George De Blois of Prince Edward Island.

LONDON, March 7: (CP)—Among devices exhibited at an Air Raid Precautions inventions show were a gas-proof perambulator and a baby's bottle fitted with a safety-valve to regulate the supply of milk.
