RAIDS ARE NOT LIKED

Germany Beginning To Complain
—Royal Air Force Redoubles Attacks

LONDON, June 27: — British bombers have made very heavy attacks on various military objectives in the Ruhr Valley, it was said today. In daylight raids yesterday one plane penetrated east of the Ruhr and hit the centre of an oil plant.

As the Royal Air Force intensifies its bombing attacks upon Germany and German-occupied territory with redoubled fury, successfully demolishing military objectives, Germany is commencing to complain about the effectiveness of the raids. On the night of June 26, sixteen civilians were killed and forty-one injured, it is said in Berlin. 391 bombs having been dropped. In another raid on Sunday, thirty-six persons were killed.

French Navy At Morocco

GIBRALTAR, June 27: (CP)—Great Britain appears to have gained control of major important units of the French navy. It is reliably reported that French warships and aircraft are assembled at Casablanca in French Morocco and in Algeria across from Gibraltar where they have apparently refused to surrender to the Germans or Italians notwithstanding the terms of the Pétain German-French armistice which provided for the navy to be handed over to Germany which undertook not to use it against Great Britain. Commanders have given assurance that they will continue to fight on for the Allies.

RAIDS ARE KEEPING UP

German Bombers Not Accomplishing Much So Far In Britain

LONDON, June 27: (CP)—As Great Britain continues to dig in for a siege, this country last night underwent its sixth air raid in nine days. Soaring at great height, the enemy planes covered widely separated points from northeast Scotland to southeast England.

Anti-aircraft guns and pursuit planes went into action. On meeting with resistance, the raiders soon put back off to sea. Two German bombers were shot down. There was no serious damage and only one slight casualty.

In the five raids preceding last night's thirty persons had been killed and 119 injured.

IS LOOKING TO FUTURE

Great Britain Building Up Stock of War Supplies—Canada Gets \$22,000,000 in Orders

LONDON, June 27: (CP)—Munitions orders totalling about \$22,500,000 have been placed in Canada during the last three weeks, Rt. Hon. Herbert Morrison, minister of supply, told the House of Commons today.

Mr. Morrison said that Great Britain was increasing munitions orders in Canada, other Dominions and the United States not only because of immediate necessities but as insurance against the future.

It is indicated that Great Britain is looking forward to taking the offensive in the war.

Meantime British production for war purposes is now running beyond expectations in speed and volume.

Large numbers of planes are being delivered from the United States and the Dominions.

British Ground Patrols Penetrate Into Italian Somaliland While Air Force Keeps Up Raids

NAIROBI, Kenya, June 27: (CP)—British ground patrols have penetrated twenty miles into Italian Somaliland without opposition, a British communique reports.

At Cairo it was disclosed that a "strong detachment" of Italian troops had occupied a British frontier outpost on the border between Ethiopia and British Somaliland. The garrison withdrew after holding the attack four hours.

The Royal Air Force continues to bomb and damage Italian colonial airports in North Africa.

NOMINATE CANDIDATE

Choice of Republican Party for Presidency Expected to be Known By Tonight

PHILADELPHIA, June 27:—Thirteen names have been placed before the Republican presidential nominating convention here. Two shake-down ballots are expected late this afternoon with the third tonight.

Supports of Senator Robert A. Taft of Ohio and Wendell Willkie, New York industrialist, both claim their man will be chosen on the third ballot. Thomas E. Dewey, New York's racket-busting district attorney, who was nominated yesterday by John O'Brien of Buffalo appears to be the only other of the thirteen candidates having a chance. Taft is strongly backed by Former President Herbert Hoover and Former Governor Alfred M. Landon who have thumbed down on Willkie.

A strong peace plank was inserted in the party platform yesterday, the keynotes of which are "Americanism, preparedness and peace." The party would not engage in foreign war but would extend to all people fighting for liberty the resources of the United States as far as consistent with international law and without endangering the effective defence of the United States.

The party also expressed itself as being opposed to a third presidential term and would enact constitutional amendment to make this impossible.

Arrest Of Daladier

GIBRALTAR, June 27: (CP)—An unconfirmed report from Casablanca says that the arrest of Former Premier Edouard Daladier has been ordered. Casablanca is in French Morocco which is still loyal and has not accepted the armistice with Germany. It is said that Daladier is one of those whose intrigue had to do with the "disaster" which befell France. Daladier, according to reports, arrived there to confer with General August Nogues, French High Commissioner in Morocco, but was later arrested "immediately" and was ordered. Nogues has announced intention of continuing resistance to Germany and Italy.

Taking Pictures At Jasper Park

Rocky Mountain Scenery Intrigues Photographer From Chicago

JASPER PARK, June 27:—Completing for the first time a series of colored photographs of Canadian Rockies scenery under the new process of "three dimension photography," Robert V. Brost, ace outdoor photographer of Chicago, left for the coast today after making photographs in Jasper National Park for three days.

Explaining the new system, Mr. Brost stated that three dimension photographs were a portrayal of the subject as near as it is possible to get it to the view from the human eye. "We look at an object with two eyes," he said. "The ordinary cameras view it through one lens, thereby lacking depth, which is the third dimension, height and width being the other two. My special camera takes pictures through two lenses and, when we project this on a screen and look at it through glasses, the effect is little short of sensational."

Mr. Brost is making a series of Canadian pictures for display at the World's Fair in New York. "This place is a photographer's paradise and my only complaint is that I can't pack around enough Kodachrome material to do the place justice. This Canadian exhibit at the World's Fair this summer is sure to be the sensation of the entire exhibition," he declared.

Sudden Capitulation Follows Flight of Red Aircraft Over Demanded Territory—Delay of Deadline Asked to Consider Certain Points

BUCHAREST, June 27: (CP)—The Roumanian Grand Council, with King Carol presiding, has decided to accept a Soviet ultimatum calling for the cession back to Russia of Bessarabia and the northern part of Bukowina Province which were Russian territory before the First Great War. This is reported in diplomatic quarters. The ultimatum is also said to have demanded that Roumania give Russia railroad bases at Constanta and certain Danube ports. The ultimatum is reported to have expired at 10 p.m. (Noon Pacific Standard Time). Prior to that, however, it was authoritatively decided that Carol had agreed to accede to the Soviet demands. Before the meeting with his ministers he had been in conference with German and Italian ministers.

Later it was stated in diplomatic quarters that Roumania had decided to make vast territorial concessions to Russia but has asked time to discuss Red demands and has ordered precautionary mobilization. Little more than five hours before expiration of the ultimatum, Roumania asked for postponement of the deadline.

Foreign military attaches heard reports of squadrons of Russian aircraft flying over demanded territory. There had also been reports during the past few days of border clashes.

Yesterday it was reported that Roumania had agreed to sell oil concessions held by France to Germany.

VALETTA, Malta, June 27: (CP)—Twenty-three persons were killed and many others wounded by Italian bombers in the working class section of Valetta. The raids, apparently, had little, if any effect, on naval bases.

FORD'S REFUSAL

Most Canadians will share the resentment of those members of Parliament, who spoke in the House yesterday on the refusal of Henry Ford to make airplane engines for Great Britain. The difficulty is that, while there is a firm in Canada bearing the Ford name and making the Ford cars, this firm is owned by thousands of Canadians as well as by the parent company. Also, as the minister of supply stated in the House, the Ford Company of Canada is engaged in war work in Canada. The Canadian government could insist that the Ford Company of Canada make the engines needed but it has no power over the American company. Injuring the Ford Company of Canada would hold up the war work going forward at Windsor.

KEEP JOBS FOR SOLDIERS

Men who wish to enlist in any branch of the Canadian army or navy should have their jobs secured for them if they wish to return when the war is over. They have a right to demand this. It is possible that the government might well make this a condition of enlistment. Most Canadian firms will make it clear to their employees that they can return when the fighting is finished. It is hoped that all will make this clear so that no discouragement may be put in the way of the men who wish to go.

STRONG ON CANARDS

Germany and Italy are strong on canards. False despatches are sent out, either direct or through some other country with intent to mislead the world. The latest of these is a rumor that Britain is seeking the good offices of Spain to get peace terms from Germany and Italy. These countries can be assured that Great Britain will dictate her own terms. Sir Samuel Hoare is the ambassador to Spain but he is not a peace delegate.

When you smack
your lips and say...

**THERE'S A
FLAVOUR
I REALLY
GO FOR**

**You'll get from your
breakfast all the
oomph you want!**

KELLOGG'S FIRST FOR FLAVOUR say housewives and experts, too! In a recent survey across Canada—housewives reported their families preferred Kellogg's 5 to 1 against any other brand of corn flakes mentioned. And the trained expert palates of tea-tasters, coffee-blenders, chefs, say the same. For instance, Mr. J. M. Cochrane, Superintendent of Hunts Limited, famous for their fine confectionaries, reports: "The conditions were strict, the test impartial, but there was no doubt of the result: Kellogg's rated first for flavour." Take a tip from the experts. And when you eat out, ask for Kellogg's in the wax-wrapped individual package.

IF YOUR breakfast doesn't make your mouth water, it can't give you the extra energy you need. So insist on Kellogg's Corn Flakes, the breakfast that does these three vital things.

First, the very thought of the glorious flavour rouses your sleepy appetite. Second, they are jam-packed with essential energizing "carbohydrates." Third, they help keep you going through hours of work.

So get several packages right away. Proven first in flavour, Kellogg's take only 30 seconds to prepare. Made by Kellogg's in London, Canada.

SO ECONOMICAL! Only a few pennies to give the whole family breakfast or supper. Have you tried Canada's favourite cereal in the new family-size package? Ask your grocer.

KISS YOUR TIRED FEELING GOODBYE!

Peoples Many Suffer Low Blood Count—And Don't Know It.

The baffling thing about low blood count is that you can weigh about as much as you ever did—even look healthy and strong, yet you can feel as if you had lead in your legs, dopes, tired and peevish.

Low blood count means you haven't got enough red blood corpuscles. It is their vital job to carry life-giving oxygen from your lungs throughout your body. And just as it takes oxygen to explode gasoline in your car and make the power to turn the wheels, so you must have plenty of oxygen to stir up the energy in your body and give you going power.

Get Dr. Williams' Pink Pills today. They are world-famous for the help they give in increasing the number and strength of red corpuscles. Then with your blood count up, you'll feel like bounding up the stairs as if you were flying on air. Ask your druggist for Dr. Williams' Pink Pills today.

Whifflets

From The Waterfront

A considerable run of cohoes has commenced in this district, especially around Dundas Island, it was reported by packers today. Some boats have been making high catches during the past day or so. The appearance of the fish appears to be general.

Aboard the steamer Princess Alice which was in port from 4 to 6 o'clock yesterday afternoon south-bound from Skagway to Vancouver, were ninety-six passengers. Three persons disembarked from the vessel here and eighteen, mostly school teachers, took passage from Prince Rupert for the south.

Alaska Transportation Co.'s steamer Tye was in port from 9 to 11 o'clock this morning discharging fish from Ketchikan for transshipment East over Canadian National Railways. The vessel sailed from here in continuation of her voyage to Seattle.

TEACHER HONORED

Presentation is Made to Miss M. A. Wayman of England

A special meeting of the staff of the King Edward School was held in honor of Miss M. A. Wayman who has been attached to the school for a year on exchange from London, England.

Miss E. A. Mercer, principal, expressed the pleasure that Miss Wayman's presence had afforded the staff. In the classroom her work had been of the highest value and the children had been fortunate indeed to have been under Miss Wayman's care. The exchange of teachers with their new and different points of view provided valuable contacts and the mutual comparison on methods and objectives was a real contribution to educational progress.

During her stay in Prince Rupert Miss Wayman had taken every opportunity to become familiar with the district and the activities of the people. As a result, on her return to England, she would be a real missionary and interpreter of things of the west. On behalf of the staff Miss Mercer then made a presentation of a slate totem pole.

Miss Wayman expressed her very great pleasure at having been attached to the school for the year.

She considered herself very fortunate in being placed here. She would carry away with her many very happy memories of friends made and places seen. The presentation of the totem pole was a particularly happy thought and she felt very much indebted to all the teachers to whom she wished all success and happiness.

Mr. and Mrs. G. P. Tinker and son, Percy, and Mrs. Gertrude Smith and Mrs. Lawrence Lambly will leave on tomorrow morning's train for Hazelton. Taking a car with them, they will motor through the Cariboo, Okanagan and elsewhere in the south.

TEA WAS SUCCESS

Highly successful was the tea and sale of home cooking held by the local branch of the Canadian Red Cross Society yesterday afternoon at the home of Mrs. S. C. Thomson, Fourth Avenue East. There was a large turn-out at the affair, the many callers being received by Mrs. Thomson and Mrs. F. N. Good after little Miss Kay Thompson, in the costume of a Red Cross nurse, opened the door. The highly satisfactory sum of \$200 was realized as a result of the effort.

Mrs. William Cruickshank was in charge of the tea room and those pouring were Mrs. L. Baker, Mrs. C. E. Starr, Mrs. J. H. MacLeod, Mrs. J. A. Hinton, Mrs. William Millar and Mrs. J. D. Fraser. Serveurs were Mrs. R. G. Hopkins, Mrs. J. G. Johns, Mrs. W. P. Armour, Miss Frances Thomson, Mrs. George Cripps, Mrs. R. C. Bamford, Mrs. C. C. Mills, Mrs. C. V. Ewitt, Mrs. Arnold Flaten and Mrs. J. J. Little. Acting as cashier was Mrs. G. B. Church.

Of particular interest was a display of refugee work produced by local women, this being in charge of Mrs. R. J. D. Smith and evoking much admiration. Assisting Mrs. Smith in connection with the display were Mrs. J. R. Low, Mrs. J. W. Eastwood, Mrs. H. A. Breen and Mrs. R. G. Macaulay.

In the raffle of a handsome tea cloth, donated by Mrs. Millar, Mrs. Charles Ellison was the winner. Mrs. R. G. Large won a case of oranges, donated by S. C. Thomson, the lucky number being No. 91. A table lamp, donated by Mrs. A. T. Parkin, was won by Mrs. John Dybhavn with No. 617 and bath salts, donated by Mrs. W. J. McCutcheon, were won by Mrs. Unger with No.
