

President Roosevelt Is Re-elected

Gets Strong Mandate

President Roosevelt who received heavy endorsement from his nation yesterday.

Chief Executive Is Decisively Told By Nation To Carry On

Margin in Electoral College is Still Overwhelming While Popular Vote is Substantial—Congress Little Changed

WASHINGTON, D. C., November 6.—President Franklin D. Roosevelt has been decisively re-elected chief executive of the United States. He has carried thirteen of the forty-eight states, returns so far indicate. These give 449 seats in the electoral college in his favor as against 82 for Wendell Willkie, two-thirds of the popular vote accounted for up to early today gave Roosevelt 20,200,000 and Willkie 17,000,000 or a majority of 3,200,000 for the President. The Democrats appear to have a larger majority than before in the House of Representatives while the Republicans may have given a seat or more to the Republicans than they had before although the Roosevelt party retains control. The spectacular challenge of Wendell Willkie had been definitely put down as a result of the election of Franklin D. Roosevelt—his foreign and domestic policies endorsed and the anti-third term tradition smashed—was head of the United States government for another four years. Only the extent of the Roosevelt victory is still in doubt. Roosevelt is now free to press toward the announced goals of all possible material aid to the British short of war, "national and hemisphere defence and friendship with other democracies.

State By State

Roosevelt—Alabama, Arizona, Arkansas, California, Connecticut, Delaware, Florida, Georgia, Illinois, Indiana, Kentucky, Louisiana, Maryland, Massachusetts, Minnesota, Mississippi, Missouri, Montana, Nevada, New Hampshire, New Mexico, New York, North Carolina, Ohio, Oklahoma, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Virginia, Washington, West Virginia, Wisconsin, Wyoming. Willkie—Colorado, Idaho, Iowa, Kansas, Maine, Michigan, Nebraska, New Jersey, North Dakota, Oregon, Vermont. In 1936 the Republican candidate, Landon, won in only two states—Maine and Vermont.

turns changed the tide decisively to Roosevelt. The "Solid South" piling up the usual huge Democratic lead. The industrial east showed early indications of a close result but later swung strong to Roosevelt. Willkie's home town of Ellwood, Indiana, gave Willkie 2,279 and Roosevelt 2035 but Indiana went to Roosevelt. Slow In Conceding Willkie was slow in conceding defeat and it was not until today that he admitted he had been vanquished and sent a telegram of congratulations to Mr. Roosevelt. He congratulated the President on his reelection and wished him "all health and happiness." Newspapers and party leaders generally united in the desirability of the nation, now that the election is over, forgetting all political differences in uniting against the menace to democratic forms of government. President Roosevelt received the

LONDON HAS LONG ALARM

Low Flying Bombers Stage Persistent But Not Unduly Damaging Attacks

Southampton Strafed LONDON, Nov. 6: (CP)—German bombers smashed public buildings and houses in Southampton in a massed raid early tonight and killed and injured an un-stated number of persons. An art school and office buildings were hit by bombs and a number of persons were buried in the ruins. Three German raiders were brought down during the day. Two British planes are missing but one pilot is safe.

LONDON, Nov. 6: (CP)—Low flying German bombers gave London its longest air raid alarm of the war last night in a series of persistent but not unduly damaging attacks. Anti-aircraft fire was effective in driving the enemy off. The assault began earlier than usual and the alarm was still in effect when London workers started for their jobs this morning.

The industrial Midlands and Scotland were also raided with damage done to homes and industrial premises.

Seven enemy planes were brought down and six British machines were lost, with three pilots saved, as British and German warplanes fought a series of battles high over England's southeast coast yesterday as the Nazis resumed formation attacks after wide-ranging "lone wolf" night raids. London had two brief alarms before noon but no bombs fell short of the capital.

Monday night's raids were fairly heavy and casualties were caused when a bomb hit a London apartment house.

returns last night at the home of his mother at Hyde Park. The townsfolk of Hyde Park staged a torchlight procession and, led by the band, visited the Roosevelt home. The President, in response to demands, appeared on the portico and gave a brief and informal talk to his "friends and neighbors." He was in buoyant good humor.

Willkie received the results at the Commodore Hotel in New York where he had been since the weekend. In a brief speech to his followers about midnight he said: "I congratulate you on being a part of the greatest crusade of this century. That the principle for which we fought will prevail is as sure as that truth will always prevail. I hope none of you are either afraid or disheartened because I am not in the slightest. Don't be afraid. Never give up. Those who say to me 'Don't give up,' don't know me."

Close in Maine One of the striking features of the election was the extreme closeness of the result in the border state of Maine, closest to Canada and closest to Europe, which almost swung into the Democrat column although it is traditionally Republican.

Roosevelt carried the big industrial states and, of course, the Solid South. Willkie's principal strength was in the agricultural areas.

James H. R. Cromwell, who resigned as United States minister to Canada, to run for a New Jersey senatorship was decisively defeated. John L. Lewis, chairman of the C.I.O., who said he would resign if Roosevelt was re-elected, had no comment to make today.

With a good-sized list of passengers, C.N.R. steamer Prince Rupert, Capt. Neil McLean, arrived in port at 12 noon today from Vancouver, Powell River and Ocean Falls and is scheduled to sail at 3 p.m. for Ketchikan and Stewart whence she will return tomorrow night south-bound.

RAIDS ARE RESUMED

Royal Air Force Strikes Vigorously At Emden, Hamburg, Bremen and Other Enemy Bases

LONDON, Nov. 6: (CP)—British bombers started thirty fires among petroleum tanks at Emden, German naval base of Emden last night and damaged Bremerhaven and Bremen shipyards, the air Ministry announced. Other attacks were launched against Neuhof power station at Hamburg where fires were started and against submarine building yards at Vegesack near Bremen. German invasion ports and a number of airdromes were also attacked. Two planes failed to return.

The night attacks on enemy territory were resumed after severe weather conditions limited British forays Monday with attacks, however, being made on Channel ports with all British planes returning.

Report On Naval Losses Is Issued By British Gov't

LONDON, Nov. 6: (CP)—At the same time as announcing the sinking of two German submarines, one of which sank the Empress of Britain after she had been bombed, the British Admiralty announced that eight British and Allied ships, not counting the Empress, had been sunk by enemy action during the week ending October 27.

Weather Forecast

General Synopsis—A moderate disturbance is centred southwest of Vancouver Island and unsettled weather prevails over the interior of British Columbia as well as on the coast. West Coast of Vancouver Island—Fresh south to southeast wind, part cloudy and cool with occasional rain.

PROTEST IS SENT

Swiss Government Objects to British Bombers Flying Over its Territory

BERNE, Nov. 6: (CP)—The Swiss government today directed its London minister to protest against any alleged violations of Swiss territory by British bombers during the night. The Swiss high command said that anti-aircraft fire dispersed one squadron of many warplanes flying over Switzerland during the night.

Various Matters Are Discussed

There was a good attendance at the regular monthly meeting of the Prince Rupert Chamber of Commerce Monday night. President W. M. Watts welcomed John Moser, manager for Edward Lipsett Ltd., as a new member. A number of matters were discussed and letters read, including one from the Henry George Club of Vancouver objecting to profiteering in the natural resources of the country. It was also reported that no more licenses for the retailing of oil products would be allowed for the present. Provincial government encouragement of study groups was also mentioned. A mining report from the Royal Society of Canada is being handed over to the district mining engineer. After some lively discussion of topics of local interest the gathering adjourned at about 8:30.

Bulletins

CONVOY FATE UNCERTAIN NEW YORK—There was uncertainty today as to the fate of a British convoy which was reported under attack by a German pocket battleship in MidAtlantic yesterday. Nothing further has been heard since the passenger liner Ranitiki and the freighter Cornish City sent out messages late yesterday indicating they were being so attacked.

ITALIAN SHIP SINKS LONDON—There were reports last night that bodies were being washed ashore on the island of Corfu in the Mediterranean following the sinking of one Italian warship and one transport by British naval units.

ANOTHER TRAIN WRECK LONDON—The Engineer was killed and twenty other persons were injured in the derailment of a London to Perth Express train of the London, Midlands and Scottish Railway in Cumberland. The accident is held due to the black-out.

WAS NOT HURT LONDON—The liner Windsor Castle, 19,000 tons, has landed unscathed at a British port. The Germans had claimed that they attacked and damaged the vessel recently.

CRISIS IS EASIER HONG KONG—The order requiring compulsory departure of British women and children from Hong Kong has been lifted, indicating that British apprehension regarding the Far East crisis is lessening. Those who have already left for Australia and elsewhere are however, not being permitted to return.

LONG WAR FORESEEN

This Is Expectation As Conveyed In Speech From Throne At Ottawa Yesterday

OTTAWA, Nov. 6: (CP)—Continued enlargement of the theatre of war and a long, hard struggle for freedom was foreseen in the Speech from the Throne read by Sir Lyman Duff, deputy of the governor General, at the closing of the first session of the Nineteenth Parliament yesterday.

The Speech reviewed events of the world and state since the session opened in May and said legislation passed during the session had in view "the immediate task of sharing more completely in the defence of Great Britain and securing our own country more effectively against internal subversion and external attack."

The closing of the first session was prelude to the opening of the second on Thursday when another Speech from the Throne will be formally presented, this time by the Governor General, the Earl of Athol, himself. This speech will outline in a general way the legislative program for the new session.

Italian High Command Announces Third Attack in Less Than Week

ROME, Nov. 6: (CP)—The Italian High Command said that British war planes bombed the area around Naples during a fight for the third time in less than a week.

GREEKS ARE TRIUMPHANT IN ALBANIA

Continue Successes With Entry Of Koritza Claimed—Italians Turning On Air War

ATHENS, Nov. 6:—The Greeks are having further successes against the Italians in Albania. Today they are reported to have entered the strategic Italian base town of Koritza, capturing thousands of prisoners. The occupation of Koritza took place after it had been shelled from newly captured heights by the Greeks. There was also fierce hand to hand fighting. The Greeks used against the Italians artillery and tanks which had been captured from the Fascists. Greek shock troops had won hill after hill in a chain of heights around Koritza before finally entering the city, the high command said. Athens reports had said earlier that fortifications on the hills guarding Koritza had been captured by Greek mountain forces. Koritza was the Italian military base for the offensive against Greece.

Greek defenders were reported yesterday to have captured some and cornered the rest of four thousand Italian troops operating behind Greek battle lines with supplies dropped by Italian planes. Large groups of Italian prisoners arrived at Salonika today, being transported in busses from the front. In London it is believed that the Italians have not yet launched their major offensive which, it is thought, may take place in the vicinity of the Kalamis River. A Greek communique today said that 291 civilians had been killed and 690 injured so far in air raids by the Italians on Greek cities and towns.

ARMISTICE DAY HERE

Final Arrangements Made For Monster Parade And Big Banquet To Be Held Next Monday

ARMISTICE DAY HERE

The executive of the Prince Rupert branch of the Canadian Legion of the British Empire Service League was in session last evening making final plans for the various activities in connection with the annual Remembrance Day parades and the Armistice banquet. Owing to the large number of ex-service men now serving in the various units in town it is expected that a large demand will be made for the tickets. These may be obtained from any member of the executive or at the Legion clubrooms. The banquet will be held in the Moose Hall as there is not enough accommodation in the clubrooms. Members of the executive from whom the tickets may be purchased and who were present at the executive meeting last night were President D. G. Borland, H. A. Breen, Neil Cameron, Bert Ward, George Abbott, J. M. Walker, John Armstrong, S. A. Cheeseman, A. M. Davies, S. C. Thomson and C. L. Barker.

George Cripps, in charge of the Remembrance Day observance, went into full detail in explanation of the big parade planned for November 11. This promises to be bigger than any held in the past. All military units are assisting as well as service corps and other organizations in town. Arrangements have also been made to have loud speakers installed so that the service at the cenotaph may be heard by all at the court house grounds.

INVITATION TO BOYS OVERSEAS

Editor, Daily News:
The letter you published recently written by Jim Bryant from England was very interesting to me but I was sorry to notice that Jim didn't know what to do with his spell of leave. I have been in the same fix myself when overseas and can feel for him.

Recently I had a letter from my sister living in Liverpool and she states that she will only be too pleased to offer her home for use of any Prince Rupert boys who care to write her and make a date. My sister was out here three years ago for a few months' holiday and took home with her many pleasant memories of this place. She is keen to do what she can to give any of our local boys a home from home kind of feeling if they can find their way to Liverpool.

You will know better than I how to have this information passed on. It will only mean a letter or postcard to my sister stating they come from this town and I am sure they will enjoy any time they spend with my sister and her husband. They are both musical and have bought themselves a billiard table to pass away the long dark nights.

Their address is:

Speak To Us, Poppy!

Born amid wrath and chaos, nurtured of blood and flame,
Springing anew in beauty the Flanders poppy came;
Swaying her scarlet blossoms with every sighing breath,
Whispering of Hope, eternal,—
Life in the realms of Death.

Give to the winds your message,
O, little flower, again,
As in the past ye told it above the
Valiant Slain;
Speak of the Faith that saves us —
Remembrance through the years;
Tell of the brave who suffer still
Their anguish and their fears.

Now that the terror shadows us;
Now that her sons again
Take up the torch for Britain's
cause, the splendor of her
fame;
Fight, as before their fathers
fought, who paid war's bitter
price;
Speak to our hearts, 'Lest we
forget,' Bright Flower of
Sacrifice

WANDERERS HOLD LEAD

Defeated Beavers By Close Margin in King Edward School Football Yesterday

Yesterday's game in the King Edward School Football League produced the best match so far when the Wanderers just won from the Beaver, by three goals to two.

Play was very even for a time and then the Beavers had the better of exchanges. Menzies put them a goal up. Play became faster but the Wanderers were the more dangerous around goal and Murray equalized. Later he added a second goal for his team but the Wanderers held on to their lead.

For the Wanderers Hebb and Gordon Prince were very safe at back. Murray was good and was dangerous with his shooting, getting all three goals. Jim Intermela was also good at half back while Dick Large did quite well for his first try. The forwards combined at times but their play was ragged. None were outstanding.

Sunberg kept a good goal. Warne and Lien were good and will improve. Bert Prince played his usual clever game and Halcrow did well. Aki Kuwahara was the best forward.

Teams:
Wanderers—Albert Eyoifson; J. Hebb, G. Prince; Jim Intermela, D. Murray, D. Large; Flaten, Bagshaw, Antonsen, Ole Skog, Larsen.

Beavers—Sunberg; Warne, Lien; Halcrow, Bert Prince, Lee Intermela; Scherk, G. Haugan, Menzies, Kuwahara, Owens.

WAKE UP YOUR LIVER BILE—

And You'll Jump Out of Bed in the Morning

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You get constipated. Harmful poisons go into the body, and you feel sour, sunk and the world looks pink.

A more bowel movement doesn't always get at the cause. You need something that works on the liver as well. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless and gentle, they make the bile flow freely. They do the work of calomel but have no calomel or mercury in them. Ask for Carter's Little Liver Pills by name! Stubbornly refuse anything else else.

Kitwanga Gave Him Farewell

Frederick Benson Honored Before Returning to Stewart After Six Weeks' Visit

KITWANGA, Nov. 6.—After a visit of six weeks in this village with his brothers, Frederick Benson has returned to Stewart but, before he left, he was given a farewell party by the community which had been happy to welcome him. It was the first time he had visited his home village since 1933.

During the party Chief Henry Lelt gave a speech appropriate to the occasion as also did George Dowelesque, both alluding to the pleasure it was to have had the guest of honor back in the village and expressing hope that he might soon return here to resume his permanent residence.

Under the direction of Solomon Bryant and with Leonard Bright playing a prominent part, plays were presented and the proceedings concluded with dancing for which the music was furnished by James Morgan, William Bryant and Charles Derrick Jr.

Delicious refreshments, provided by the Frog Crest, were served under the direction of Mrs. J. A. Sampare, Mrs. Margaret Wells, Mrs. Maggie Ryan, Mrs. Florence Daniels, Paul Benson, Matthias Bright, Mrs. Fannie Williams, Mr. and Mrs. Henry Lelt and Mr. and Mrs. Fred Johnson.

Mr. Benson boarded the train at Kitwanga to rejoin his wife and family at Stewart, many friends gathered at the station to bid him farewell.

ANGLING AWARDS

Winners Of Jasper Park Competition Are Announced

JASPER, Nov. 6.—With entries recorded from all parts of the United States and Canada and also from many parts of Europe, the final awards have been made in the 1946 competition under the auspices of the Maligne River Anglers' Club, according to Robert Sommerville, manager of Jasper Park Lodge, who issued the award today. The gold button, emblematic of the grand championship for the year, was awarded to N. Straus, of New York City with the silver, or runner-up button, going to N. Worthington, Beloit, Wiscon. In addition to the

above a large number of bronze buttons were awarded to anglers who qualified as members during the summer.

The winning fish weighed 2 pounds 3 ounces and was caught with a Montreal wet fly on a 4 1/2 ounce rod.

The qualifications are very strict in this club and speckled trout must be caught in the Maligne River on a fly rod weighing less than 6 ounces with either dry or wet fly. The river extends from Maligne to Medicine Lakes but the lake waters are not included.

"The Maligne River Anglers' Club enjoyed an exceptionally good season," declared Mr. Sommerville. "The fishing was much improved and some excellent speckled trout were obtained. This mountain stream is attracting world wide attention as a fly fishing area and this year we had some very noted anglers."

riage by her father. The bridesmaid was Miss Miriam Walker who also wore tailored blue trimmed with red fox.

William Murray was groomsman.

Following the ceremony a reception was held with many friends to extend their felicitations. There was a telegram from the parents of the groom who were unable to be present, out of town guests included Mr. and Mrs. J. R. Murray of Prince Rupert and Mrs. Paddy Palmer of Victoria.

Mr. and Mrs. Murray will reside in North Vancouver where the groom is engaged in work in the shipyard.

Robert Tobey returned to the city on the Prince Rupert this morning from a trip to Vancouver.
